(d) Section 12(h) (D.C. Official Code § 5-712) is amended by adding new paragraphs (8) and (9) to read as follows:

“(9) Each year, the District of Columbia Retirement Board shall set the applicable interest rate, mortality table, and cost-of-living factor to be used in the determination of actuarial equivalents or for other pertinent benefit calculations under the provisions of this act.”

(e) Section 12(k) (D.C. Official Code § 5-716) is amended by adding a new paragraph (7) to read as follows:

“(7) In the event a member to whom this subsection applies shall die after January 1, 2007, while performing qualified military service, the survivor or survivors of the member shall be entitled to receive any additional benefits provided under this subsection (other than benefit accruals relating to the period of qualified military service), as if the member resumed employment and then terminated employment on account of death. For the purposes of this paragraph, the term “qualified military service” shall mean military service in the uniformed services (as defined in 38 U.S.C. § 43) by a member, if the member is entitled to reemployment rights with respect to such military service, all within the meaning of section 414(u)(5) of the Internal Revenue Code of 1986.”

(f) Section 12(n-1) (D.C. Official Code § 5-723.01) is amended to read as follows:

“(n-1)(1) Benefits and contributions under the provisions of this act shall not be computed with reference to any compensation that exceeds that maximum dollar amount permitted by section 401(a)(17) of the Internal Revenue Code, as adjusted for increases in the cost of living.

“(2) Notwithstanding foregoing provisions of this act to the contrary, benefits under this act are subject to the limitations imposed by section 415 of the Internal Revenue Code, as adjusted from time to time and, to that end, effective for limitation years beginning on or after January 1, 2008:

“(A)(i) To the extent necessary to prevent disqualification under section 415 of the Internal Revenue Code, and subject to the remainder of this paragraph, the maximum monthly benefit to which any member may be entitled in any limitation year with respect to his

ENROLLED ORIGINAL

or her accrued retirement benefit, as adjusted from time to time pursuant to section 12(m) (the "maximum benefit"), shall not exceed the defined benefit dollar limit (adjusted as provided in this paragraph). In addition to the foregoing, to the extent necessary to prevent disqualification under section 415 of the Internal Revenue Code, and subject to the remainder of this paragraph, the maximum annual additions for any limitation year shall be equal to the lesser of:

"(I) The dollar limit on annual additions; or

"(II) 100% of the member's remuneration.

"(ii) The defined benefit dollar limit and the dollar limit on annual additions shall be adjusted, effective January 1 of each year, under section 415(d) of the Internal Revenue Code in a manner prescribed by the Secretary of the Treasury. The dollar limit as adjusted under section 415(d) of the Internal Revenue Code shall apply to limitation years ending with or within the calendar year for which the adjustment applies, but a member's benefits shall not reflect the adjusted limit before January 1 of that calendar year. To the extent that the monthly benefit payable to a member who has reached the member's termination date is limited by the application of this paragraph, the limit shall be adjusted to reflect subsequent adjustments made in accordance with section 415(d) of the Internal Revenue Code of 1986, but the adjusted limit shall apply only to benefits payable on or after January 1 of the calendar year for which the adjustment applies.

"(B) Benefits shall be actuarially adjusted based upon the defined benefit dollar limit, as follows:

"(i) There shall be an adjustment for benefits payable in a form other than a straight life annuity as follows:

"(I) If a monthly benefit is payable in a form other than a straight life annuity, before applying the defined benefit dollar limit, the benefit shall be adjusted in the manner described in sub-sub-subparagraphs (II) or (III) of this sub-subparagraph, to the actuarially equivalent straight life annuity that begins at the same time. No actuarial adjustment to the benefit shall be made for:

"(aa) Benefits that are not directly related to retirement benefits, such as a qualified disability benefit, preretirement incidental death benefits, and postretirement medical benefits; or

"(bb) In the case of a form of benefit not subject to section 417(e)(3) of the Internal Revenue Code of 1986, the inclusion of a feature under which a benefit increases automatically to the extent permitted to reflect cost-of-living adjustments and the increase, if any, in the defined benefit dollar limit under section 415(d) of the Internal Revenue Code of 1986.

"(II) If the benefit of a member is paid in a form not subject to section 417(e) of the Internal Revenue Code, the actuarially equivalent straight life annuity, without regard to cost-of-living adjustments described in this paragraph, is equal to the greater of:

"(aa) The annual amount of the straight life annuity, if any, payable to the member commencing at the same time; or

"(bb) The annual amount of the straight life annuity

commencing at the same time that has the same actuarial present value as the member's form of benefit, computed using a 5% interest rate and the applicable mortality designated by the Secretary of the Treasury from time to time pursuant to section 417(e)(3) of the Internal Revenue Code of 1986.

"(III) If the benefit of a member is paid in a form subject to section 417(e) of the Internal Revenue Code of 1986, the actuarially equivalent straight life annuity is equal to the greatest of:

"(aa) The annual amount of the straight life annuity having a commencement date that has the same actuarial present value as the member's form of benefit, computed using the interest rate and mortality table or other tabular factor specified in the definition of actuarial equivalent for adjusting benefits in the same form;

"(bb) The annual amount of the straight life annuity commencing at the time that has the same actuarial present value as the member's form of benefit, computed using a 5.5% interest rate assumption and the applicable mortality table designated by the Secretary of the Treasury from time to time pursuant to section 417(e)(3) of the Internal Revenue Code of 1986; or

"(cc) The annual amount of the straight life annuity commencing at the same time that has the same actuarial present value as the member's form of benefit, computed using the applicable interest rate and the applicable mortality table designated by the Secretary of the Treasury from time to time pursuant to section 417(e)(3) of the Internal Revenue Code of 1986, divided by 1.05.

"(IV) For the purposes of this sub-subparagraph, whether a form of benefit is subject to section 417(e) of the Internal Revenue Code is determined without regard to the status of this act as a governmental plan as described in section 414(d) of the Internal Revenue Code of 1986.

"(ii) There shall be an adjustment to benefits that commence before age 62 or after age 65 as follows:

"(I) If the benefit of a member begins before age 62, the defined benefit dollar limit applicable to the member at the earlier age shall be an annual benefit payable in the form a straight life annuity beginning at the earlier age that is the actuarial equivalent of the defined benefit dollar limit applicable to the member at age 62 (adjusted for participation of fewer than 10 years, if applicable) computed using a 5% interest rate and the applicable mortality table designated by the Secretary of the Treasury from time to time pursuant to section 417(e)(3) of the Internal Revenue Code of 1986. However, if the benefit provided under this act provides an immediately commencing straight life annuity payable at both age 62 and the age of benefit commencement, the defined benefit dollar limit is the lesser of:

"(aa) The limitation determined under the immediately preceding sentence; or

"(bb) The defined benefit dollar limit (adjusted for participation of fewer than 10 years, if applicable) multiplied by the ratio of the annual amount of the immediately commencing straight life annuity under this act at the age of benefit commencement to the annual amount of the immediately commencing straight life annuity under

ENROLLED ORIGINAL

this act at age 62, both determined without applying the limitations of this subsection. The adjustment in this sub-sub-subparagraph shall not apply as a result of benefits paid on account of disability under sections 12(f) or 12(g) or as a result of the death of a member under section 12(k). Notwithstanding the provisions above, a member that qualifies under section 415(b)(2)(G) of the Internal Revenue Code of 1986 is not subject to the adjustment to benefits that commence before age 62.

"(II) If the benefit of a member begins after age 65, the defined benefit dollar limit applicable to the member at the later age is the annual benefit payable in the form of a straight life annuity beginning at the later age that is actuarially equivalent to the defined benefit dollar limit applicable at age 65 (adjusted for participation of fewer than 10 years, if applicable) computed using a 5% interest rate assumption and the applicable mortality table designated by the Secretary of the Treasury from time to time pursuant to section 417(e)(3) of the Internal Revenue Code. However, if the benefit provided under this act provides an immediately commencing straight life annuity payable at both age 65 and the age of benefit commencement, the defined benefit dollar limit is the lesser of:

"(aa) The limitation determined under the immediately preceding sentence; or

"(bb) The defined benefit dollar limit (adjusted for participation of less than 10 years, if applicable) multiplied by the ratio of the annual amount of the adjusted immediately commencing straight life annuity under this act at the age of benefit commencement to the annual amount of the adjusted immediately commencing straight life annuity under this act at age 65, both determined without applying the limitations of this subsection. For this purpose, the adjusted immediately commencing straight life annuity under this act at the age the benefit commences is the annual amount of the annuity payable to the member, computed disregarding the member's accruals after age 65 but including any actuarial adjustments, even if those actuarial adjustments are used to offset accruals; and the adjusted immediately commencing straight life annuity under this act at age 65 is the annual amount of such annuity that would be payable under this act to a hypothetical member who is age 65 and has the same annuity as the member.

"(III) For the purposes of this sub-subparagraph, no adjustment shall be made to the defined benefit dollar limit to reflect the probability of a member's death between the commencing date and age 62, or between age 65 and the commencing date, as applicable, if benefits are not forfeited upon the death of the member before the annuity having a commencing date. To the extent that benefits are forfeited upon death before the date the benefits first commence, an adjustment shall be made. For this purpose, no forfeiture shall be treated as occurring upon the member's death if the benefit provided under this act does not charge the member for providing a qualified preretirement survivor annuity, as defined for purposes of section 415 of the Internal Revenue Code of 1986, upon the member's death.

"(C) If the member has fewer than 10 years of participation in the defined benefit portion of this act, as determined under section 415 of the Internal Revenue Code of 1986 and the regulations thereunder, the defined benefit dollar limit shall be multiplied by a

ENROLLED ORIGINAL

fraction, the numerator of which is the number of years (or part thereof) of participation under this act and the denominator of which is 10. The adjustment in this subparagraph shall not apply to benefits paid on account of disability under sections 12(f) or (g) or as a result of the death of a member under section 12(k). In the case of years of credited service credited to a member pursuant to section 12(c):

"(i) The limitations contained in subparagraph (A)(i)(I) of this paragraph and this subparagraph shall not apply to the portion of the member's accrued retirement benefit (determined as of the annuity commencement date) that is attributable to any additional years of credited service under section 12(c) that are actuarially funded by:

"(I) A transfer or rollover from the member's account under a retirement plan qualified under section 401(a) of the Internal Revenue Code of 1986 or an eligible deferred compensation plan within the meaning of section 457(b) of the Internal Revenue Code of 1986 or from an individual retirement account; or

"(II) A direct payment.

"(ii) The limitations contained in subparagraph (A)(i)(I) of this paragraph and this subparagraph shall apply to the portion of the member's accrued retirement benefit (determined as of the annuity commencement date) that is attributable to any additional years of credited service under section 12(c) that are not actuarially funded by:

"(I) A transfer or rollover from the member's account under a retirement plan qualified under section 401(a) of the Internal Revenue Code of 1986 or an eligible deferred compensation plan within the meaning of section 457(b) of the Internal Revenue Code of 1986 or from an individual retirement account; or

"(II) A direct payment.

"(iii) The determination of the extent to which additional years of credited service under section 12(c) have been actuarially funded as of the annuity commencement date shall be determined in accordance with section 411(c) of the Internal Revenue Code of 1986 (using the actuarial assumptions thereunder), applied as if section 411(c) of the Internal Revenue Code of 1986 applied and treating the amount transferred from a plan qualified under section 401(a) of the Internal Revenue Code of 1986, the member's account under an eligible deferred compensation plan within the meaning of section 457(b) of the Internal Revenue Code of 1986, or an individual retirement account, or the amount of the direct lump-sum payment to the Custodian of Retirement Funds, as if it were a mandatory employee contribution.

"(D) In addition to the foregoing, the maximum benefit and contributions shall be reduced, and the rate of benefit accrual shall be frozen or reduced accordingly, to the extent necessary to prevent disqualification under section 415 of the Internal Revenue Code of 1986, with respect to a member who is also a participant in:

"(i) Another tax-qualified retirement plan maintained by the District, including a defined benefit plan in which an individual medical benefit account as described in section 415(l) of the Internal Revenue Code of 1986 has been established for the member;

ENROLLED ORIGINAL

"(ii) A welfare plan maintained by the District in which a separate account, as described in section 419A(d) of the Internal Revenue Code of 1986, has been established to provide post-retirement medical benefits for the member; or

"(iii) A retirement or welfare plan, as previously mentioned, maintained by an affiliated or predecessor employer, as described in regulations under section 415 of the Internal Revenue Code of 1986, or otherwise required to be taken into account under these regulations.

"(E) If a member has distributions commencing at more than one date, determined in accordance with section 415 of the Internal Revenue Code of 1986 and associated regulations, the annuity payable having this commencement date shall satisfy the limitations of this paragraph as of each date, actuarially adjusting for past and future distributions of benefits commencing at the other dates that benefits commence.

"(F) The application of the provisions of this paragraph shall not cause the maximum permissible benefit for a member to be less than the member's annuity under this act as of the end of the last limitation year beginning before July 1, 2007 under provisions of this act that were both adopted and in effect before April 5, 2007 and that satisfied the limitations under section 415 of the Internal Revenue Code of 1986 as in effect as of the end of the last limitation year beginning before July 1, 2007.

"(G) To the extent that a member's benefit is subject to provisions of section 415 of the Internal Revenue Code that have not been set forth in this act, the provisions are hereby incorporated by reference and for all purposes shall be deemed a part of this act.

"(3) Notwithstanding any other provision to the contrary, all death benefit payments referred to in this subsection shall be distributed only in accordance with section 401(a)(9) of the Internal Revenue Code of 1986 and accompanying Treasury regulations, as more fully set forth in section 12(n-3).

"(4) For the purposes of this subsection, the term:

"(A) "Annual additions" means the sum of the following items credited to the member under this act and any other tax-qualified retirement plan sponsored by the District for a limitation year and treated as a defined contribution plan for purposes of section 415 of the Internal Revenue Code of 1986: District contributions that are separately allocated to the member's credit in an defined contribution plan; forfeitures; member contributions; and amounts credited after March 31, 1984 to a member's individual medical account within the meaning of section 415(l) of the Internal Revenue Code of 1986.

"(B) "Defined benefit dollar limit" means the dollar limit imposed by section 415(b)(1)(A) of the Internal Revenue Code of 1986, as adjusted pursuant to section 415(d) of the Internal Revenue Code of 1986. The defined benefit dollar limit as set forth above is the monthly amount payable in the form of a straight life annuity, beginning no earlier than age 62, except as provided in paragraph (2)(B)(ii)(I) of this subsection, and no later than age 65. In the case of a monthly amount payable in a form other than a straight life annuity, or beginning before age 62 or after age 65, the adjustments in paragraph (2)(B) of this subsection shall apply.

"(C) "Dollar limit" means the dollar limit on annual additions imposed by section 415(c)(1)(A) of the Internal Revenue Code of 1986, as adjusted pursuant to section 415(d) of the Internal Revenue Code of 1986.

"(D) "Remuneration" means a member's wages as defined in section 3401(a) of the Internal Revenue Code of 1986 and other payments of salary to the member from the District, for which the District is required to furnish the member a written statement under sections 6041(d) and 6051(a)(3) of the Internal Revenue Code of 1986. For this purpose:

"(i) Remuneration shall be determined without regard to rules that limit the remuneration included in wages based on the nature or location of the employment or the services performed.

"(ii) Remuneration shall include an amount that would otherwise be deemed remuneration under this definition but for the fact that it is subject to a salary reduction agreement under a plan described in sections 457(b), 132(f) or 125 of the Internal Revenue Code of 1986.

"(iii) Remuneration with respect to any limitation year shall in no event exceed the dollar limit specified in section 401(a)(17) of the Internal Revenue Code of 1986, as adjusted from time to time by the Secretary of the Treasury. The cost-of-living adjustment in effect for a calendar year applies to remuneration for the limitation year that begins with or within such calendar year."

(g) New sections 12(n-3), 12(n-4), and 12(n-5) are added to read as follows:

"Sec. 12(n-3). Required minimum distributions.

"(1) Distributions shall begin no later than the member's required beginning date, as defined in section 401(a)(9) of the Internal Revenue Code of 1986, and shall be made in accordance with all other requirements of section 401(a)(9) of the Internal Revenue Code of 1986. The provisions of this subsection shall apply for the purposes of determining minimum required distributions under section 401(a)(9) of the Internal Revenue Code of 1986 and take precedence over any inconsistent provisions of this act; provided, that these provisions are intended solely to reflect the requirements of section 401(a)(9) of the Internal Revenue Code of 1986 and accompanying Treasury regulations and are not intended to provide or expand, and shall not be construed as providing or expanding, a benefit or distribution option not otherwise expressly provided for under the terms of this act. The provisions of this subsection shall apply only to the extent required under section 401(a)(9) of the Internal Revenue Code of 1986 as applied to a governmental plan, and if special rules for governmental plans are not set forth herein, the special rules are incorporated by reference and shall for all purposes be deemed a part of this act.

"(2)(A) The member's entire interest shall be distributed or begin being distributed to the member no later than April 1 following the later of:

"(i) The calendar year in which the member attains age 70 ½; or

"(ii) The calendar year in which the member retires or terminates employment (the "required beginning date").

"(B) If the member dies before distributions begin, the member's entire interest shall be distributed, or will begin to be distributed, no later than as follows:

ENROLLED ORIGINAL

"(i) If the member's surviving spouse is the sole designated beneficiary, distributions to the surviving spouse shall begin by December 31 of the calendar year immediately following the calendar year in which the member died, or by December 31 of the calendar year in which the member would have attained age 70½, if later;

"(ii) If the member's surviving spouse is not the sole designated beneficiary, distributions to the designated beneficiary shall begin by December 31 of the calendar year immediately following the calendar year in which the member died;

"(iii) If there is no designated beneficiary as of September 30 of the year following the year of the member's death, the member's entire interest shall be distributed by December 31 of the calendar year of the 5th anniversary of the member's death;

"(iv) If the member's surviving spouse is the sole designated beneficiary and the surviving spouse dies after the member but before distributions to the surviving spouse begin, sub-subparagraph (i) of this subparagraph shall not apply, and sub-subparagraphs (ii) and (iii) of this subparagraph shall apply as if the surviving spouse were the member. For the purposes of this subparagraph and paragraph (4) of this subsection, distributions are considered to begin on the member's required beginning date or, if this sub-subparagraph applies, the date distributions to the surviving spouse are required to begin under sub-subparagraph (i) of this subparagraph. If annuity payments to the member irrevocably commence before the member's required beginning date or to the member's surviving spouse before the date distributions to the surviving spouse are required to begin under sub-subparagraph (i) of this subparagraph, the date distributions are considered to begin is the date distributions actually commence.

"(C) Unless the member's interest is distributed in the form of an annuity purchased from an insurance company or in a single sum on or before the required beginning date, as of the first distribution, calendar year distributions will be made in accordance with paragraphs (3) and (4) of this subsection. If the member's interest is distributed in the form of an annuity purchased from an insurance company, distributions of the annuity will be made in accordance with the requirements of section 401(a)(9) of the Internal Revenue Code of 1986 and applicable Treasury regulations. Any part of the member's interest that is in the form of an individual account described in section 414(k) of the Internal Revenue Code of 1986 shall be distributed in a manner satisfying the requirements of section 401(a)(9) of the Internal Revenue Code of 1986 and the Treasury regulations that apply to individual accounts.

"(3)(A) The amount of the annuity is to be determined each year.

"(B) If the member's interest is paid in the form of annuity distributions, payments under the annuity shall satisfy the following requirements:

"(i) The annuity distributions shall be paid in periodic payments made at intervals not longer than one year;

"(ii) Payments will either be non-increasing or increase only as follows:

"(I) By an annual percentage increase that does not exceed the annual percentage increase in a cost-of-living index based on prices of all items (the CPI-W) and issued by the Bureau of Labor Statistics;

ENROLLED ORIGINAL

"(II) To provide cash refunds of employee contributions upon the teacher's death;

"(III) To pay increased benefits that result from an amendment to this act.

"(C) The amount that must be distributed on or before the member's required beginning date or, if the member dies before distributions begin, the date distributions are required to begin under paragraph (2)(B)(i) or (ii) of this subsection, is the payment that is required for one payment interval. The second payment need not be made until the end of the next payment interval even if that payment interval ends in the next calendar year. Payment intervals are the periods for which payments are received (for example, bi-monthly, monthly, semi-annually, or annually). All of the member's benefit accruals as of the last day of the first distribution calendar year shall be included in the calculation of the amount of the annuity payments for payment intervals ending on or after the member's required beginning date.

"(D) Additional benefits accruing to the member in a calendar year after the first distribution calendar year shall be distributed beginning with the first payment interval ending in the calendar year immediately following the calendar year in which such amount accrues.

"(4) Amounts payable if a member dies before distribution begins are subject to the following requirements:

"(A) If the member dies before the date of distribution of his or her interest begins and there is a designated beneficiary, the member's entire interest shall be distributed, beginning no later than the time described in paragraph (2)(B)(i) or (ii) of this subsection, over the life of the designated beneficiary not exceeding either of the following:

"(i) Unless the benefit commenced is before the first distribution calendar year, the life expectancy of the designated beneficiary, determined using the beneficiary's age as of the beneficiary's birthday in the calendar year immediately following the calendar year of the teacher's death; or

"(ii) If the benefit commenced before the first distribution calendar year, the life expectancy of the designated beneficiary, determined using the beneficiary's age as of his or her birthday in the calendar year that begins before benefits commence; or

"(B) If the member dies before the date distributions begin and there is no designated beneficiary as of September 30 of the year following the year of the member's death, distribution of the member's entire interest shall be completed by December 31 of the calendar year of the fifth anniversary of the member's death; or

"(C) If the member dies before the date distribution of his or her interest begins, the member's surviving spouse is the member's sole designated beneficiary, and the surviving spouse dies before distributions to the surviving spouse begin, this paragraph shall apply as if the surviving spouse were the member, except that the time by which distributions must begin shall be determined without regard to paragraph (2)(B)(i) of this subsection.

20-64

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

March 5, 2013

To declare the existence of an emergency with respect to the need to amend the definition of an “egregious” first-time sale to minor violation and clarify that an Alcoholic Beverage Control Board licensee that can be established to have had a pattern of prior alcoholic beverage sales or service to minors has committed an “egregious” first-time sale to minor violation and is not entitled to a written warning.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Egregious First-Time Sale to Minor Clarification Emergency Declaration Resolution of 2013".

Sec. 2. There exists an immediate need to amend subsection 807.1 of Title 23 of the District of Columbia Municipal Regulations to add to the definition of an “egregious first-time sale to minor violation” language that clarifies that when it can be established that a licensee has had a pattern of prior alcoholic beverage sales or service to minors, the licensee is not entitled to a written warning prior to issuance of a violation. This has been an ongoing problem that was highlighted by the Channel 9 WUSA expose last year, in which there was video footage which clearly established a pattern of ongoing sales to minors by the Town Square Market Liquor Store.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Egregious First-Time Sale to Minor Clarification Emergency Amendment Act of 2013 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

March 5, 2013

To declare the existence of an emergency with respect to the need to amend the District of Columbia Medical Liability Captive Insurance Agency Establishment Act of 2008 to change the name of the District of Columbia Medical Liability Captive Insurance Agency to the District of Columbia Medical Liability and Earthquake Captive Insurance Agency, to provide property insurance for risks to District government real property assets for earthquake and earthquake related hazards, to authorize the agency to enter into contracts with other insurance companies and re-insurers, and to require the agency’s plan of operation to be modified to include procedures for offering property insurance.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Captive Earthquake Property Insurance Emergency Declaration Resolution of 2013”.

Sec. 2. (a) On August 23, 2011, a 5.8 magnitude earthquake occurred in Washington, D.C., that caused \$6,800,000 in damage to District-owned property, including 31 school buildings.

(b) On November 8, 2011, President Barack Obama signed a disaster declaration for the District of Columbia making the District eligible to receive public assistance from the Federal Emergency Management Agency (“FEMA”) equal to 75% of the total cost to repair damage to buildings.

(c) FEMA regulations require that in order to receive the FEMA public assistance, the District must obtain and maintain insurance equal to the amount of the eligible and paid funding, which is approximately \$5,100,000.

(d) While the FEMA regulations allow for certain extensions of time, the longer the District prolongs this matter the greater the chances that the District could miss the opportunity to secure the currently available public assistance. Delay also may further expose the District to loss of future FEMA public assistance should another disaster occur before the satisfaction of the FEMA insurance requirements.

(e) As set forth in Reorganization Plan No. 1 of 2003, effective December 15, 2003, the Office of Risk Management (“ORM”) is vested with the authority to utilize risk financing strategies, including the procurement of insurance, for the benefit of the District government to compensate for large liabilities and catastrophic exposure to risk.

ENROLLED ORIGINAL

(f) The most cost-effective strategy for meeting the federally mandated insurance requirement is through amendment of the District of Columbia Medical Liability Captive Insurance Agency Establishment Act of 2008, effective July 18, 2008 (D.C. Law 17-196; D.C. Official Code § 1-307.81 *et seq.*) (“Establishment Act”), to expand the authority of the District of Columbia Medical Liability Captive Insurance Agency (“Agency”) to issue property insurance policies. The Agency is administered by the Chief Risk Officer, who heads ORM.

(g) The Captive Earthquake Property Insurance Emergency Amendment Act of 2013 makes 2 material amendments to the Establishment Act.

(h) The first amendment expands the Agency’s authority to provide property insurance for risks to District real property assets for earthquake and earthquake-related hazards.

(i) The second amendment authorizes the Agency, by delegation from the Mayor, to enter into contracts with other insurance companies and re-insurers. This amendment would allow the Agency to employ risk-transfer strategies to further minimize risk to District-owned property.

(j) The Captive Earthquake Property Insurance Emergency Amendment Act of 2013 will provide the Agency with the flexibility to provide the property insurance required by FEMA in order to secure public assistance funding for repairs to damaged buildings as a result of the 2011 earthquake. Additionally, approving the amendments will improve the District's overall risk-management strategies by reducing the probability, occurrence, and cost of risk to the District government.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Captive Earthquake Property Insurance Emergency Amendment Act of 2013 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

March 5, 2013

To declare the existence of an emergency with respect to the need to amend the District of Columbia Public Assistance Act of 1982 to delay the scheduled additional 25% reduction of Temporary Assistance for Needy Families payments for 6 months, from April 1, 2013, until October 1, 2013.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Temporary Assistance for Needy Families Time Extension Emergency Declaration Resolution of 2013”.

Sec. 2. (a) Section 552(c-3)(1) of the District of Columbia Public Assistance Act of 1982, effective April 6, 1982 (D.C. Law 4-101; D.C. Official Code § 4-205.52(c-3)(1)) (“Act”), requires a reduction of 25% of the fiscal year 2012 public assistance payment for assistance units subject to section 511b of the Act for the period April 1, 2013, through September 30, 2013.

(b) To prevent the implementation of this reduction in Temporary Assistance for Needy Families (“TANF”) cash benefits on April 1, 2013, and to provide customers subject to this reduction additional time to access services and prepare for their eventual transition off TANF, the District must enact legislation by March 6, 2013.

(c) Therefore, emergency legislation is necessary by March 5, 2013 to authorize a 6-month extension of the reduction deadline to October 1, 2013.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Temporary Assistance for Needy Families Time Extension Emergency Amendment Act of 2013 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

**MARCH 29, 2013
10:00 A.M.**

The DC Taxicab Commission (DCTC) has scheduled a Public Hearing at 10:00 am on Friday, March 29, 2013 at the Old Council Chambers 441 4th Street, NW, (NOT REEVES CENTER, 2000 14th STREET), regarding proposed rulemaking for establishing a new sedan class of public vehicles-for-hire, rules pertaining to dispatch services, and rules for enforcement of the Commission's regulations (Title 31 of the DCMR).

The first part of the hearing will consist of speakers on behalf of an association or advocacy group that represents vehicle owners and operators; a company or companies; or a company that is planning to begin operating in the District. These speakers may wish to appear together or with their leadership or legal representatives. Participants during this first part will be allowed up to thirty (30) minutes to present and must provide DCTC with ten (10) paper copies of their presentation delivered to DCTC's Executive Office by Wednesday, March 27, 2013. It should also be noted that the Commission members may elect to ask questions during this first phase.

Please be advised that if a legal representative, officer, or individual from an association, organization or company testifies during the first part of the hearing, then others from the same association, organization or company will NOT be allowed to testify in the second part of the hearing. The second part of the hearing will be reserved for the general public only. These participants will have the standard five (5) minutes to present. Although it is not required, participants are urged to submit their presentations in writing in advance of the hearing. Please register with Juanda Mixon at 202-645-6018 extension 4 no later than Wednesday, March 27, 2013 by 3:30 pm.

The Commission may create panels for both groups. All participants are reminded that this is an issue of material importance to public vehicle for hire industry in the District. So when making suggestions as to what should be added or deleted to the proposed rulemaking, participants should cite the specific section of the proposed rule that is a concern, and provide alternative language if appropriate. It is important to be clear and exact with presentations as these regulations will affect how companies and drivers will function.

The proposed rulemakings are Chapter 12, Sedan and Limousine Operators, Vehicles and Organizations; Chapter 14, Operation of Sedans; and Chapter 16, Dispatch Services. The proposed rulemaking will also be available on the DCTC website at www.dctaxi.dc.gov.

The public hearing will take place at the following time and location:

FRIDAY, MARCH 29, 2013, 10:00 am

DEPARTMENT OF HEALTH CARE FINANCE

NOTICE OF FINAL RULEMAKING

The Director of the Department of Health Care Finance (DHCF), pursuant to the authority set forth in An Act to enable the District of Columbia to receive federal financial assistance under Title XIX of the Social Security Act for a medical assistance program, and for other purposes, approved December 27, 1967 (81 Stat. 744; D.C. Official Code § 1-307.02 (2006 Repl; 2012 Supp.)) and Section 6(6) of the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. Official Code § 7-771.05(6) (2008 Repl.)), hereby gives notice of the adoption of an amendment to Chapter 42 (Home and Community-Based Waiver Services for Persons Who Are Elderly and Individuals with Physical Disabilities) of Title 29 (Public Welfare), of the District of Columbia Municipal Regulations (DCMR).

The Home and Community-Based Waiver Services for Persons Who Are Elderly and Individuals with Physical Disabilities (EPD Waiver) authorizes the District to provide services to eligible individuals in their home. The services provided under EPD Waiver are an alternative to institutional services. Each individual receiving services under the EPD Waiver must be determined eligible prior to the receipt of services and recertified on an annual basis. This amendment sets forth the documents that are required for recertification of eligibility for the EPD Waiver.

A notice of emergency and proposed rulemaking was published in the *DC Register* on November 23, 2012 (59 DCR 013446). Comments were received and no substantive changes have been made. The Director adopted these final rules on March 19, 2013 and they will become effective on the date of publication of this notice in the *DC Register*.

Section 4200 (General Provisions: Identification of Services; Authority of Operation; Targeting Restrictions) of Chapter 42 (Home and Community-Based Waiver Services for Persons Who Are Elderly and Individuals with Physical Disabilities) of Title 29 (Public Welfare) of the DCMR is amended by adding Section 4200.4 to read as follows:

4200.4 Each individual receiving home and community-based waiver services described in this chapter must be determined eligible prior to the receipt of services and recertified on an annual basis. The following documents must be completed and submitted at least sixty (60) days before the expiration date of the individual's eligibility period:

- (a) Form 1209-W: Annual Plan of Care Medicaid Waiver Recertification;
- (b) Medicaid Level of Care; and
- (c) Proof of Income and Assets.

DEPARTMENT OF HEALTH CARE FINANCE

NOTICE OF FINAL RULEMAKING

The Director of the Department of Health Care Finance (DHCF), pursuant to the authority set forth in An Act to enable the District of Columbia to receive federal financial assistance under Title XIX of the Social Security Act for a medical assistance program, and for other purposes, approved December 27, 1967 (81 Stat. 744; D.C. Official Code § 1-307.02 (2006 Repl. & 2012 Supp.)), and Section 6(6) of the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. Official Code § 7-771.05(6) (2008 Repl.)), hereby gives notice of the adoption of an amendment to Chapter 65 (Medicaid Reimbursement to Nursing Facilities) of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR).

Nursing facilities located in the District of Columbia and participating in the Medicaid program are reimbursed on a prospective basis, at a facility-specific per diem rate. Each facility's per diem rate is developed by establishing a base year per diem rate for each facility, adjusted semi-annually for case mix. DHCF recently detected that Medicaid's reimbursement methodology allows a facility to receive payments for therapy costs from both Medicare and Medicaid. This rule will limit payments to therapy costs that are associated with Medicaid beneficiaries and also clarify the allocation of therapy costs that are categorized under nursing and resident care costs. The District will realize a savings of nine hundred thousand dollars (\$900,000) for the remainder of FY 2012 and, for FY 2013 and going forward, an annual savings of two million one hundred thousand dollars (\$2,100,000) as a result of the limitation of payments for therapy costs. The corresponding State Plan amendment (SPA) has been approved by the Council of the District of Columbia (PR-19-0056). By letter dated January 18, 2013, the Centers for Medicare and Medicaid Services approved the SPA with an effective date of May 1, 2012.

A third notice of emergency and proposed rulemaking was published in the *D.C. Register* on December 14, 2012 (59 DCR 14836). No comments were received and no substantive changes have been made. The Director adopted these rules on March 21, 2013. These rules shall become effective on the date of publication of this notice in the *DC Register*.

Chapter 65 (Medicaid Reimbursement of Nursing Facilities) of Title 29 (Public Welfare) of the DCMR is amended to read as follows:

Section 6501 (Reimbursement of Nursing Facilities) is amended to read as follows:

6501 REIMBURSEMENT OF NURSING FACILITIES

6501.1 Each nursing facility shall be reimbursed on a prospective basis at a facility-specific per diem rate for all services provided, except prescription drugs. Section 6505 (Nursing and Resident Care Costs Per Diem Calculation) of Chapter 65 (Medicaid Reimbursement to Nursing Facilities) is amended to read as follows:

6505 NURSING AND RESIDENT CARE COSTS PER DIEM CALCULATION

- 6505.1 Each nursing facility’s allowable nursing and resident care costs shall be adjusted in accordance with Subsection 6501.4.
- 6505.2 The total resident days shall be determined in accordance with Subsection 6512.2.

- 6505.4 For nursing and resident care costs other than those defined at Subsection 6501.7(g), the case mix neutral costs established in Subsection 6505.3 shall be divided by the resident days calculated in accordance with Subsection 6512.2 to determine each nursing facility’s nursing and resident care cost per diem without physical, speech, and occupational therapy services. To this resulting per diem, shall be added the per diem for nursing and resident care costs defined in Subsection 6501.7(g). The per diem for physical, speech, and occupational therapy services shall be calculated by dividing such costs by total Medicaid resident days. The resulting sum of the per diems shall comprise each nursing facility’s nursing and resident care cost per diem unadjusted for case mix.

- 6505.5 The ceiling established in accordance with Subsections 6502.4 through 6502.6 for nursing and resident care costs for each peer group shall be multiplied by 163 percent (163%).
- 6505.6 The nursing and resident care cost per diem rate unadjusted for case mix shall be the lower of the facility-specific per diem calculated pursuant to Subsection 6505.4 or the adjusted ceiling relative to each nursing facility calculated in accordance with Subsection 6505.5.
- 6505.7 Each nursing facility shall be entitled to an incentive payment of forty percent (40%) of the difference between the facility-specific per diem rate established in Subsection 6505.4 and the adjusted ceiling calculated in accordance with Subsection 6505.5, if the facility-specific per diem rate calculated in accordance with Subsection 6505.4 is lower than the adjusted ceiling relative to each nursing facility established pursuant to Subsection 6505.5.
- 6505.8 The nursing and resident care cost per diem adjusted for case mix shall be determined by multiplying the nursing and resident care cost per diem calculated in accordance with Subsection 6505.6, or if applicable, the nursing and resident care cost per diem adjusted for incentive, as set forth in Subsection 6505.7, by the Facility Medicaid Case Mix Index.
- 6505.9 The Facility Medicaid Case Mix Index used to establish the rates at implementation shall be developed from resident assessment data taken from the time period beginning October 1, 2001, through September 30, 2002.
- 6505.10 The nursing and resident care cost per diem shall be adjusted for case mix beginning April 1, 2006, and every six (6) months thereafter. The data used to establish the Facility Medicaid Case Mix Index for the semi-annual adjustment shall be developed as follows:
- (a) October 1 shall be the average of the preceding year fourth calendar quarter and first calendar quarter picture dates; and
 - (b) April 1 shall be the average of the preceding year second calendar quarter and third calendar quarter picture dates.
- 6505.11 DHCF shall substitute the Facility Medicaid Case Mix Index with the District-wide Medicaid Case Mix Index if there are no valid assessments for a nursing facility during a picture date.

DEPARTMENT OF PUBLIC WORKS**NOTICE OF FINAL RULEMAKING**

The Director of the Department of Public Works, pursuant to the authority set forth in Section 2(c) of the District of Columbia Solid Waste Disposal Act of 1989, effective July 25, 1989 (D.C. Law 8-16; 36 DCR 4155), as amended by Section 6012 of the Solid Waste Disposal Cost Recovery Act of 2007, effective September 18, 2007 (D.C. Law 17-20; 54 DCR 7052) and Section 2 of the Solid Waste Disposal Fee Amendment Act of 2008, effective March 21, 2009 (D.C. Law 17-322; 56 DCR 7052), and Mayor's Order 2005-123, dated August 29, 2005, hereby gives notice of this final action to adopt rules to amend Chapter 7 (Solid Waste Control) of Title 21 (Water and Sanitation) of the District of Columbia Municipal Regulations (DCMR).

The rulemaking establishes the fee-setting formula and actual fee for recyclable food waste disposed of at a District of Columbia trash transfer station. The Department of Public Works is implementing a pilot program to provide food waste transfer services, at one of the District's trash transfer stations, to encourage commercial solid waste haulers who collect food waste from businesses to compost the food waste. This program will improve city-wide recycling efforts and provide local composting options to businesses in the District of Columbia.

Proposed regulations were published in a Notice of Proposed Rulemaking on March 8, 2013, in the *D.C. Register* at 60 DCR 2982. No comments were received and no changes were made to the text of the proposed rulemaking. The agency took final rulemaking action on March 25, 2013. This final rulemaking shall become effective upon publication of this notice in the *D.C. Register*.

Chapter 7, SOLID WASTE CONTROL, of Title 21, WATER AND SANITATION, of the DCMR is amended as follows:

Section 719, SOLID WASTE DISPOSAL FEE-SETTING FORMULAS, is amended by adding a new Subsection 719.10 to read as follows:

719.10 The following fee-setting formula is established for the disposal of each ton of food waste:

Solid Waste Disposal Fee for Recyclable Food Waste=Processing cost of recyclable food waste + Recycling Surcharge

Section 720, FEES, is amended by adding a new subsection 720.11 to read as follows:

720.11 Beginning on April 1, 2013, the applicable fee for the disposal of recyclable food waste at the waste-handling facilities shall be sixty-two dollars and fifty-two cents (\$62.52) for each ton disposed; provided, that a minimum fee of thirty-one dollars and twenty-six cents (\$31.26) shall be imposed on each load weighing one thousand pounds (1,000 lbs.) or less.

NOTICE OF FINAL RULEMAKING

Z.C. ORDER NO. 12-08

Z.C. Case No. 12-08

(Text and Map Amendments – 11 DCMR)

**(To Create and Implement the Saint Elizabeths East (StE) District for the Saint Elizabeths
East Campus)**

January 28, 2013

The Zoning Commission for the District of Columbia (Commission), pursuant to its authority under § 1 of the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797; D.C. Official Code § 6-641.01 (2008 Repl.)), hereby gives notice of the adoption of the following amendments to the Zoning Map and to the text of the Zoning Regulations at Title 11 (Zoning) of the District of Columbia Municipal Regulations (DCMR). The text and map amendments permit and guide development of Saint Elizabeths East Campus. The amendments add a new Chapter 33 (Saint Elizabeths East (StE) District) and make conforming amendments to Section 2101 of Chapter 21 (Off-Street Parking Requirements), and Sections 2602, 2603, and 2604 of Chapter 26 (Inclusionary Zoning).

A Notice of Proposed Rulemaking was published in the *D.C. Register* on December 21, 2012 at 59 DCR 14971. As will be explained below, the only difference between the rules as proposed and as adopted is that the reference to the StE District has been moved from existing § 2603.4 to § 2604.3. The amendments shall become effective upon the publication of this notice in the *D.C. Register*.

Description of amendments

In addition to achieving the goals of the Comprehensive Plan and the Saint Elizabeths East Redevelopment Framework Plan, the StE District will provide for a broad mix of uses, including residential, commercial, hospitality, educational and civic uses consistent with the Saint Elizabeths East Master Plan and Design Guidelines. The purposes of the StE District are to reinvigorate the campus as an important neighborhood center with historic resources preserved and adaptively reused and the unique and historic identity of the campus being enhanced by new development.

The new Saint Elizabeths East (StE) District will have nineteen (19) subdistricts, StE-1 through StE-19. Each StE subdistrict will have its own bulk and design provisions, including height, density, lot occupancy, and street frontage requirements for unique conditions associated with the historic nature and architecture of the campus. New parking spaces on the campus will be limited to four thousand eight hundred (4,800) spaces, which will be monitored through each building permit granted. Most of the uses within the StE District will be as a matter-of-right except for a few which will be permitted by special exception or are prohibited.

Building heights range from zero (0) to nine (9) stories with the tallest buildings away from the historic buildings. The proposed building heights address the context of existing to new buildings and allow heights to transition down to adjacent historic buildings. New § 3306.7 through 3306.9 control building massing on StE-6, StE-13, StE-16, StE-17, and StE-18 by requiring step-backs for buildings on StE-17 and StE-18 which abut Alabama Avenue and on StE-6, StE-13, and StE-16, adjacent to the ravine.

To ensure that the overall development maintains the mix of uses envisioned across the campus, a portion of the overall FAR within seven (7) of the subdistricts is required to be dedicated to residential use. Residential uses are described in proposed § 3303.1(x). To provide further flexibility, residential use can be transferred to properties located in other specified subdistricts through a combined lot mechanism, provided the maximum total density and height for the receiving subdistrict remains as specified for that subdistrict. The transfer of required residential use between subdistricts will be effectuated through a declaration of covenants between the owners of sending and the receiving lots and administered in accordance with proposed § 3307.

Development on the site will have the flexibility to provide below-grade, surface, or above-grade structured parking. Within the StE-7, 15, and 17 subdistricts, additional FAR for above-grade structured parking is provided. Any of the additional FAR that is not used for above-grade parking may be utilized for any other use permitted within that subdistrict, but may not be transferred through the combined lot process. Consistent with the Master Plan, the proposed regulations would impose a district-wide cap of four thousand eight hundred (4,800) new below-grade, surface, or above-grade parking spaces which can only be exceeded through a special exception granted by the Board of Zoning Adjustment. To allow for flexibility in location, timing, shared parking, and response to the market, parking minimums or maximums are not established on individual parcels, and are not required to be on the same lot as the use they serve.

As a convenience to the public, the Commission has included at the end of this notice a map that general depicts the location of the nineteen (19) proposed subdistricts. Actual metes and bounds description of each subdistrict are stated as part of the map amendment that follows.

Procedures Leading to Adoption of Amendments

On June 29, 2012, the Office of Planning (OP) submitted a memorandum that served as a petition requesting text and map amendments to create and implement the Saint Elizabeths East (StE) District. The Commission voted to set down the amendments for hearing at its July 9, 2012 public meeting. Prior to advertisement, additional conforming amendments were added after consultation with the Office of the Attorney General. OP's Final Report dated October 5, 2012 included an attachment that set forth the revised text as included in the Notice of Public Hearing.

A public hearing was held and completed on October 18, 2012 and the record was left open for additional information from OP and the District Department of Transportation (DDOT) as well and the written report from Advisory Neighborhood Commission (ANC) 8C.

Through a letter dated October 30, 2012, the Chair of ANC 8C advised the Commission that at a meeting held October 3, 2012 and with a quorum present, the ANC voted unanimously. Although the letter did not indicate what the unanimous vote was for, the Commission will assume that vote was to authorize the submission of a letter that reflected the ANC's recommendations. Those recommendations were:

- The existing chapel should be maintained at its present location, although it is not a historic building;
- StE-2 and 3 are Residential. Therefore, non-residential FAR should be no more than one and one-half (1.50) and the maximum allowable height should be no higher than forty (40) feet. Greater height would create a security risk;
- StE 14, 17, 18 are on the north side of Alabama Avenue. The south side consists of semi-detached and detached one-family dwellings. The seventy (70) to ninety (90) feet of height recommended by OP will not fit into the aesthetics of the current structures on Alabama Avenue. The ANC therefore recommends a reduction of the maximum permitted height to fifty (50) feet; and
- Underground Parking may prove problematic given the existence of underground streams in the area.

OP provided a supplemental report on November 5, 2012. Among other things, the report indicated that during the review for the Transportation Environmental Assessment, an ecological survey identified areas on Parcels 13 and 16 as wetlands. However, the assessment did not identify a stream at the bottom of the ravine. The report indicated that more detailed assessments will be required for each new development along the ravine by the District Department of the Environment. The report further noted that land dispositions for each development parcel, particularly for ones adjacent to the ravine, will include stormwater management as an important goal, to minimize runoff impacts on the ravine.

As to the chapel, OP explained that the chapel was evaluated as part of the St. Elizabeths Hospital National Historic Landmark East Campus Survey in March 2011 and it was determined that the chapel is a non-contributing element of the St. Elizabeths Hospital National Historic Landmark as well as a non-contributing element of the local St. Elizabeths Hospital Historic District. Finally the report provided a further planning analysis of the permitted height on Parcels 17 and 18.

DDOT provided a portion of a presentation entitled "Concept Design for MLK Avenue Improvements: Section 106 Evaluation at St Elizabeths and in Congress Heights."

On November 19, 2012, the Commission authorized the publication of a notice of proposed rulemaking in the *D.C. Register* and a referral to the National Capital Planning Commission (NCPC) for the thirty (30)-day period of review required under § 492 of the District Charter of the proposed amendments as set forth in OP's October 5, 2012 report. In doing so, the Commission authorized OP to include text to address the Commission's concern with the

building massing on StE-6, StE-13, StE-16, StE-17, and StE-18. These additional provisions (codified as § 3306.7 through 3306.8.) provide step-backs for buildings on StE-17 and StE-18 which abut Alabama Avenue and on StE-6, StE-13, and StE-16, adjacent to the ravine.

The Executive Director of NCPD, through a delegated action dated December 12, 2012, found that the proposed text and map amendments would not adversely affect the identified federal interests, nor be inconsistent with the Comprehensive Plan for the National Capital.

A Notice of Proposed Rulemaking was published in the *D.C. Register* on December 21, 2012 at 59 DCR 14971. Councilmember Marion S. Barry, Jr. submitted written comments, in which he made the following main points:

- The emphasis on historic preservation is very positive;
- The density on the StE-8 and StE-11 is too low, and too much open space is set aside at this location;
- The density proposed for the parcel adjacent to the Congress Heights Metro is not sufficient, the zoning does not require preferred uses, and the preferred uses in the adjacent parcel are focused away from Alabama Avenue;
- While StE-7, the proposed neighborhood center, does require preferred uses, and puts them along the Avenue, the proposed building discourages pedestrian traffic from getting to the retail along the Avenue; and
- There should be higher density on StE-3, between Martin Luther King Avenue and Sycamore Drive.

On January 7, 2013, OP submitted a second supplemental report which responded to the Commission's request for information concerning affordable housing and sustainability. The report also provided an attachment generally showing the building forms that could be developed on a sampling of lots.

At a properly noticed public meeting held on January 28, 2013, the Commission decided to defer final consideration of the petition until its February 11, 2013 meeting in order to obtain OP's analysis of Councilmember Barry's comments. In addition, the Commission discussed whether to increase the amount of mandatory Inclusionary Zoning (IZ) within the StE District. The Commission noted that current proposal would have required a residential development within the StE District to reserve either eight percent (8%) or ten percent (10%) of its residential gross floor area for moderate-income households.¹ Given the fact that the District owned the land, the Commission believed that a set-aside level of twenty percent (20%) would be more appropriate and asked OP to respond to that proposal as well.

¹ A moderate-income household is defined by § 2602.1 as a household of one or more individuals with a total annual income adjusted for household size equal to between fifty-one percent (51%) and eighty percent (80%) of the Metropolitan Statistical Area median.

OP submitted a Supplemental Report dated February 5, 2013. As to Councilmember Barry's comments, OP noted that the *Saint Elizabeths Master Plan and Design Guidelines* (Master Plan) is based on the Council-approved Redevelopment Framework Plan which serves as supplemental guidance to the Council-approved Comprehensive Plan. The Master Plan was based on discussion and recommendations of federal and local agencies as well as the ANC, local community elected and business stakeholders on how best to develop the Saint Elizabeths East Campus.

OP stated that as part of the master planning process, the proposals were reviewed by all the preservation organizations for any anticipated adverse effects on historic resources and DDOT completed an Environmental Assessment including analysis of proposed trip generations caused by proposed new development. The levels and locations of density on the campus are the result of these two processes, which both included public review and comment periods. The proposed density for each parcel in the Master Plan is the result of each parcel having a defined character influenced by the presence of existing historic structures, the nationally landmarked historic landscape, topography, and proximity to transportation networks and other features. The proposed density and building massing standards proposed in the zoning are based on the building heights described in the Master Plan and establish an appropriate development scenario for each parcel which addresses the context of existing buildings and allowing heights to transition down to adjacent historic buildings.

The report also included the comments of the Executive Director of Saint Elizabeths East, which is part of the Office of the Deputy Mayor for Planning and Economic Development. The comments stated that the proposed increase in mandatory affordable housing would undermine the District's economic development goals for the campus. The Executive Director also contended that increasing the amount of housing reserved for moderate-income households would do little good because the current prices for market rate and IZ housing within Ward 8 had become roughly equivalent. Buyers at this income level therefore have little interest in IZ units because of the inability to capture any increase in property values through a subsequent sale.

The Commission continued its deliberations on this case at its properly noticed February 11, 2013 meeting. As to Councilmember Barry's comments, the Commission noted that there was a divergence of opinion within the community concerning the appropriate levels of density for the East Campus. Nevertheless, the Commission concluded that the densities proposed by OP were consistent with the recommendations of the Council-approved Comprehensive Plan designations, the Council-approved Redevelopment Framework Plan, and the Master Plan. Further, although the site is at a metro station, its unique historic character calls for lower densities and that the densities and heights recommended by Councilmember Barry would be inconsistent with the recommendations of the identified Plans.

With respect to the amount of affordable housing that should be required, the Commission understood that at present the housing needs of moderate-income households in Ward 8 are being

met by market rate housing, although that is always subject to change. Nevertheless, the present market conditions suggest that the Commission's focus should be on needs of low-income households.² Therefore, rather than increase the percentage of residential gross floor area that a building must set-aside for IZ housing, the Commission voted to require that half of a building's IZ units be reserved for low-income households.

The Commission is required under § 13(d) of the Advisory Neighborhood Commissions Act of 1975, effective March 26, 1976 (D.C. Law 1-21; D.C. Official Code § 1-309.10(d)) to give "great weight" to the issues and concerns raised in the written report of the affected ANC, which in this case is ANC 8C. To satisfy the great weight requirement, District agencies must articulate with particularity and precision the reasons why an affected ANC does or does not offer persuasive advice under the circumstances.

The Commission understands the ANC's view that the chapel should be retained, but has no authority to prevent the demolition or alteration of a structure. The Commission notes that potential developers of this site will receive extra points for proposals that call for the retention of the structure.

As to StE-2 and 3, there is no cap on non-residential density in any StE subdistrict, which is consistent with the Master Plan. The Commission has imposed minimum residential requirements for certain subdistricts, which act to limit non-residential density, but sees no reason to impose a similar requirement for StE-2 and 3. With respect to height, the Commission notes that NCPC has found no inconsistency between the proposed height and any federal interests, which would include security concerns.

The Commission is now comfortable with the seventy (70) and ninety (90) foot heights proposed by OP given the added step-back requirements that will apply within StE-6, StE-13, StE-16, StE-17, and StE-18. These requirements will ensure that any building erected to the maximum heights permitted will be compatible with its surroundings.

Finally, the Commission has not been presented with any evidence of underground streams within the StE District and believes that issues of this kind are best left to the building code and the environmental review process.

Having concluded that the proposed map and text amendments are in the public interest and not inconsistent with the Comprehensive Plan; and having given great weight to the issue and concerns expressed by the affected ANC, the Commission adopts the following amendments.

The Zoning Map is amended as follows:

² A low-income household is defined by § 2602.1 as a household of one or more individuals with a total annual income adjusted for household size equal to less than fifty percent (50%) of the Metropolitan Statistical Area median as certified by the Mayor pursuant to the Act.

Official Code § 1-307.02 (2006 Repl. & 2012 Supp.)) and Section 6 (6) of the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. The purpose of these proposed rules is to provide a one-time, lump-sum, supplemental payment for physician and specialty services to each provider that participated in the District's Medicaid program between January 1, 2011 and February 29, 2012. The purpose of the supplemental payment is to reduce the adverse impact of a retroactive 20% rate reduction on physician and specialty service providers that became effective on January 1, 2011 and was implemented on March 1, 2012. There will not be a net financial impact to either the District or the providers from implementation of these rules.

The corresponding amendment to the District of Columbia State Plan for Medical Assistance ("State Plan") was submitted to the Council of the District of Columbia (Council) for approval. After approval by the Council, the State Plan will be submitted to the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS) for approval. If approved, DHCF will publish a notice of the effective date.

The Director also gives notice of the intent to take final rulemaking action to adopt these proposed rules not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

Section 995 (Medicaid Physician and Specialty Services Rate Methodology) of Chapter 9 (Medicaid Program) of Title 29 (Public Welfare) of the DCMR is amended by adding Sections 995.7 through 995.11 to read as follows:

- 995.8 To qualify for a supplemental payment, a provider must have participated in the Medicaid program and paid claims for physician and specialty services between the period January 1, 2011 and February 29, 2012.
- 995.9 For each provider who qualifies for payment in accordance with Section 995.4, DHCF shall:

- (a) Establish a fund that shall be equal to and shall not exceed the difference between one hundred percent (100%) of the Medicare rate in effect for the period referenced in Section 995.4 and eighty percent (80%) of the Medicare rate in effect for the period referenced in section 995.4 (Medicaid payment rate) for all claims paid to that provider between January 1, 2011 and February 29, 2012;
 - (b) Pay a provider-specific supplemental payment based on the claims submitted to DHCF during the three (3) month period beginning with the effective date of the corresponding State Plan amendment; and
 - (c) Make certain that the total amount paid to each provider shall not exceed the amount set forth in Section 995.5(a).
- 995.10 The supplemental payment shall be calculated as to the total of each provider's fund, divided by the paid claims submitted for the payment period by each provider and added proportionally to the fee-for-service rate paid to that provider during the payment period.
- 995.11 All payments shall be made as a lump sum adjustment at the end of the defined three month payment period.

Comments on the proposed rules shall be submitted in writing to Linda Elam, Ph.D., Deputy Director/Medicaid Director, Department of Health Care Finance, 899 North Capitol Street, N.E., Sixth Floor, Washington, D.C. 20002, by telephone to (202)-442-9115, via email at DHCFPubliccomments@dc.gov, or online at www.dcregs.dc.gov, within thirty (30) days after the date of publication of this notice in the *D.C. DEPARTMENT OF MENTAL HEALTH**NOTICE OF PROPOSED RULEMAKING**

The Director of the Department of Mental Health (Department), pursuant to the authority set forth in Sections 104 and 105 of the Department of Mental Health Establishment Amendment Act of 2001, effective December 18, 2001 (D.C. Law 14-56; D.C. Official Code §§ 7-1131.04 and 7-1131.05 (2008 Repl.)), hereby gives notice of his intent to amend Chapter 51, “Supported Employment Program — Reimbursement,” of Subtitle A, “Mental Health”, of Title 22, “Health” of the District of Columbia Municipal Regulations.

The Department provides an evidence-based supported employment program designed for consumers with significant mental health diagnoses for whom competitive employment has been interrupted or intermittent as a result of a significant mental health problem. The Department has previously published certification standards for certified Mental Health Rehabilitation Services (MHRS) providers to also be qualified to provide supported employment services, and these rules are being amended to reflect that change. Additionally, a rate for a Supported Employment - Group is being added because one of the specific supported employment services - “Supported Employment Job Club” - is often provided in a group, rather than on an individual basis.

The Director gives notice of his intent to take final rulemaking action to adopt the proposed rules in not less than thirty (30) days after the date of publication of this notice in the *D.C. Register*.

Subtitle A, “Mental Health”, of Title 22 of the District of Columbia Municipal Regulations is amended by deleting the current Chapter 51 and substituting the following:

CHAPTER 51 SUPPORTED EMPLOYMENT PROGRAM —REIMBURSEMENT**5100 PURPOSE**

5100.1 This chapter establishes the reimbursement rate for the Supported Employment Program. Establishment of a reimbursement rate allows the Department of Mental Health (“Department”) to reimburse certified mental health providers who are qualified to provide supported employment services pursuant to Chapter A37 of this title to Department consumers.

5100.2 Nothing in this chapter grants to a supported employment provider the right to reimbursement for costs of providing supported employment services. Eligibility for reimbursement for supported employment services is determined solely by the contract between the Department and the supported employment provider and is subject to the availability of appropriated funds.

5101 REIMBURSEMENT RATE

5101.1 The Supported Employment Program rate is as set forth below:

SERVICE	RATE	UNIT	CODE
Supported Employment (non-MHRS)	\$16.25	15 minutes	H2025
Supported Employment - Group (non-MHRS Job Club)	\$4.06	15 minutes	H2025HQ

5102 ELIGIBILITY

5102.1 Only a qualified Mental Health Rehabilitation Services (MHRS) provider who has been certified as a Supported Employment Provider by the Department pursuant to Chapter A37 Mental Health Supported Employment Certification Standards of this title, and has incurred expenses eligible for reimbursement in accordance with its contract with the Department, may bill the Department under this chapter.

5103 SUBMISSION OF CLAIM; PAYMENT OF VOUCHER

5103.1 The supported employment provider shall submit all supported employment (non-MHRS) claims under the contract through the Department’s electronic billing system pursuant to this chapter and the terms of the contract between the Department and the supported employment provider.

5103.2 The supported employment provider shall submit appropriate documentation to support all claims under its contract with the Department.

5103.3 The Department will reimburse a supported employment provider for a claim that is determined by the Department to be eligible for reimbursement pursuant to the terms of the contract between the Department and the supported employment provider, subject to the availability of appropriated funds.

5104 AUDITS

5104.1 A supported employment provider shall, upon the request of the Department, cooperate in any audit or investigation concerning the Supported Employment Program.

5199 DEFINITIONS

5199.1 When used in this chapter, the following terms shall have the meaning ascribed:

Supported employment – non-Medicaid services and support provided by a supported employment provider pursuant to a contract with the Department, consisting of services designed for consumers with significant mental health diagnoses for whom competitive employment has been interrupted or intermittent as a result of a significant mental health problem. Supported employment involves obtaining a part-time or full-time job in which the consumer earns at least minimum wage.

Supported employment job club - a service which assists consumers in understanding how to complete job applications, effective interviewing techniques, resume writing, appropriate grooming, hygiene, and dress for work situations. Supported Employment Job Club is the only supported employment service that may be provided in a group setting.

Supported employment provider – a Mental Health Rehabilitation Service (MHRS) certified provider that has been certified to provide supported employment services pursuant to 22 DCMR A37, and has a contract with the Department to provide these services.

All persons desiring to comment on the subject matter of this proposed rulemaking should file comments in writing not later than thirty (30) days after the date of publication of this notice in the *D.C. Register*. Comments should be filed with Suzanne Fenzel, Deputy Director, Office of Strategic Planning, Policy and Evaluation, Department of Mental Health at 64 New York Avenue, N.E., 3rd Floor, Washington, D.C. 20002, 202-671-4074, or e-mailed to Suzanne Fenzel at Suzanne.Fenzel@dc.gov. **GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT**

Application No. 18395 of CWC WDC LLC, pursuant to 11 DCMR §§ 3104.1, for a special exception under §§ 706, 726, and 2302 to allow the construction of a new gasoline service station in the C-2-B District on a portion of the premises located at 2431 Market Street, N.E. (Square 4327, Lot 5).¹

HEARING DATE: September 11, 2012

DECISION DATE: November 7, 2012

DECISION AND ORDER

This self-certified application was submitted on April 18, 2012 by CWC WDC LLC (the “Applicant”), the owner of the property that is the subject of the application.² The application requests a special exception under §§ 706, 726, and 2302 of the Zoning Regulations to allow a new gasoline service station in the C-2-B district at 2431 Market Street, N.E. (Square 4327, Lot 5). Following a public hearing, the Board voted to grant the requested special exception.

PRELIMINARY MATTERS

Notice of Application and Notice of Hearing. By memoranda dated April 20, 2012, the Office of Zoning provided notice of the application to the Office of Planning; the District Department of Transportation; the Councilmember for Ward 5; Advisory Neighborhood Commission (“ANC”) 5A, the ANC in which the subject property is located; and Single Member District/ANC 5A12. Pursuant to 11 DCMR § 3112.14, on June 1, 2012 the Office of Zoning mailed letters providing notice of the hearing to the Applicant, ANC 5A, and the owners of all property within 200 feet of the subject property. Notice was also published in the *D.C. Register* on June 1, 2012 (59 DCR 6281).

¹ The public hearing notice gave the address of the property that is the subject of this application as 2441 Market Street, N.E. Subsequently, the site was assigned a new address of 2431 Market Street, N.E. The caption has been modified accordingly.

² The Applicant’s “Preliminary Statement of Compliance with Burden of Proof,” filed April 18, 2012, states that “This statement is submitted by Costco Wholesale Corporation, as owner of property located at Square 4327, Lot 5, (the ‘Site’), in support of its application...to permit the construction of a gasoline service station in the C-2-B District at the Site.” (Exhibit 5.) The Applicant’s Pre-Hearing Statement, filed August 28, 2012, was “submitted by CWC WDC LLC (the ‘Applicant’), the owner of property located at 2441 Market Street, N.E. (Square 4327, Lot 5) (the ‘Site’), in support of its application...to allow the construction of a new gasoline station in the C-2-B District on a portion of the Site.” (Exhibit 24.) The Board considers CWC WDC LLC the owner of the subject property and therefore the proper applicant for the requested special exception.

BZA APPEAL NO. 18395**PAGE NO. 2**

Party Status. The Applicant and ANC 5A were automatically parties in this proceeding. The Board granted a request for party status in opposition to the application from the Independent Gas Station Operators Alliance (“IGSOA”), a coalition of “29 small and independent gas station operators who operate a total of 34 retail service stations in the District of Columbia.” (Exhibit 26.)

Applicant’s Case. The Applicant provided testimony from Renee Hanson, an employee of the East Coast division of Costco Wholesale; Jami Milanovich, an expert in transportation planning with Wells & Associates; and Steven E. Sher, an expert in zoning and land use with Holland & Knight. The witnesses described plans to construct and operate a new gasoline service station at the subject property, and asserted that the application met all requirements for approval under the Zoning Regulations. The application included a study prepared by the Applicant’s traffic expert in support of its contention that the planned gasoline service station would “generate [a] nominal amount of traffic” so that “traffic associated with the proposed development will have a negligible impact on the surrounding intersections.” (Exhibit 24.)

Party in opposition. The party in opposition, IGSOA, asserted that the interests of its members would be “significantly and negatively impacted” by approval of the Applicant’s proposed gasoline service station. The party in opposition cited “significant economic hardship” for its members because “the presence of a Costco gasoline station will decrease revenue to these independent gasoline service station operators,” and asserted that a “Costco gasoline service station will likely drive some or all of the IGSOA operators out of business – decreasing access to full automotive services for residents in the District, discouraging local, small and disadvantaged businesses, and reducing competition – eventually providing Costco with a near monopoly over gasoline sales in the District.” (Exhibit 26.)

The party in opposition argued that the application should be denied³ because:

1. Costco’s proposed gasoline station directly violates Section 25-313(d) of the District of Columbia (“DC”) Official Code prohibiting establishments from selling both motor vehicle gasoline and alcohol; (footnote omitted)
2. Costco’s application for the special exception, and its accompanying traffic study, is flawed and unreliable;
3. Costco’s proposed gasoline station is harmful to the community and the environment and inappropriate for The Shops at Dakota Crossing shopping center; and

³ Alternatively, the party in opposition argued that the application should be held in abeyance “until Costco can obtain a valid license from the District of Columbia Alcoholic Beverage Regulation Administration for its current intended use (*i.e.* the sale of alcohol on the premises of a wholesale store with a gasoline service station) rather than the intended use under which Costco made its initial application (*i.e.* for the sale of alcohol on the premises of a wholesale store *with no mention of* a mega gas-n-go service station.” (emphasis in original)

BZA APPEAL NO. 18395

PAGE NO. 3

- 4. In seeking a special exception to construct a gas station in a C-2-B District, Costco fails to offer any supporting evidence and/or empirical data that there is a need for another gasoline station, particularly a “gas-n-go” station, in this area of the district.”

The party in opposition also argued that – even if the Applicant demonstrated compliance with §§ 706, 726, and 2302 of the Zoning Regulations – the application should be denied “in light of § 101.4(d)⁴ of the [Zoning Regulations] since a higher standard for granting the type of exception sought by Costco is set forth under applicable D.C. law.” According to IGSOA, even if § 101.4(d) did not prohibit the Board from granting the requested special exception, “the Board should still deny the request on the basis that it cannot and should not issue a decision that is incompatible with the requirements or policies of another governmental entity in the District (*i.e.* the licensing requirements of the D.C. Alcoholic Beverage Regulation Administration, and the public policies behind the Retail Service Station Amendment Act of 2004).” (Exhibit 31.)

At the public hearing, IGSOA offered testimony from Joe Mehra, an expert in transportation and traffic, as well as from four of its members, Mahboob Ahmed, Mostafa Sadegh, Petros Kiflu, Alexander Anenia, who all asserted that approval of the requested special exception would adversely affect their businesses.

Government Reports. By memorandum dated September 4, 2012, the Office of Planning (“OP”) recommended approval of the application based on OP’s conclusion that the proposed gasoline station would be consistent with zoning requirements.

By memorandum dated August 31, 2012, the District Department of Transportation (“DDOT”) indicated “no objection to the special exception request for a gas station, provided the trips generated by the gas station are mitigated in coordination with the planned mitigations associated with The Shops at Dakota Crossing, currently under construction.” (Exhibit 27.)

ANC Report. By memorandum dated October 5, 2012, ANC 5A described a regularly scheduled public meeting held September 26, 2012, with a quorum present, when the ANC considered the application for special exception approval of a new gasoline service station at the subject property. The ANC indicated that the “main questions raised by the community” with regard to the Applicant’s proposal “concerned the impact of the proposed new gas station on potential traffic impacts, potential environmental and safety concerns on the gas station site, and safety concerns in and around the Fort Lincoln community.” The ANC also “considered the arguments and filings submitted by the Independent Gas Station Operators Alliance (IGSOA).” ANC 5A concluded that “the Applicant meets the special exception standards as set forth in the Zoning

⁴ The subsection reads:

 ...
 (d) Impose higher standards than are required by this title.

Regulations.” (Exhibit 46.) By memorandum dated October 11, 2012, ANC 5A indicated that, at the meeting on September 26, 2012, the ANC voted 6-3-1 in support of the application. In addition, Robert King, the single-member district representative for ANC 5A-12, testified in support of the application at the public hearing.

Persons in support. The Board received a letter in support of the application from Jeff Miller, Director of Real Estate in the Office of the Deputy Mayor for Planning and Economic Development. The letter described the planned gasoline service station as “one component of the overall Dakota Crossings redevelopment” that will “generate new jobs and tax revenue ... for the District.” (Exhibit 35.)

Persons in opposition. The Board heard testimony from several persons in opposition to the application. The witnesses, who included residents of the surrounding community and the owner of two gasoline stations near the subject property, generally cited potential adverse impacts related to traffic, environmental considerations, and the effect on existing businesses.

FINDINGS OF FACT**The Subject Property**

1. The subject property is a generally rectangular corner lot of approximately 2.15 acres (93,598 square feet) with an address of 2431 Market Street, N.E. (Square 4327, Lot 5). The site, which is elevated above the adjacent public right of way, is bounded generally by Fort Lincoln Drive, New York Avenue, South Dakota Avenue, and 33rd Place, N.E. The site has street frontage of approximately 20 feet on New York Avenue and 435 feet on Market Street.
2. The subject property, which is currently unimproved, abuts a property to the north and east (Lot 4 in Square 4327) that is the site of a planned Costco Warehouse store. The gasoline service station and Costco Warehouse store are part of a larger commercial development known as The Shops at Dakota Crossing.
3. Properties in the surrounding area include residential developments in the Fort Lincoln community; warehouses and other light industrial uses; a cemetery; and vacant land, some of which is reserved for future commercial development. The subject property is located approximately 700 to 1,000 feet from the closest residential uses.
4. The subject property is zoned C-2-B, as are properties in the immediate vicinity. No properties within 25 feet of the subject property are located within a Residence district.

BZA APPEAL NO. 18395**PAGE NO. 5****The Applicant's Project**

5. The Applicant proposes to construct and operate a gasoline service station with 16 fuel dispensers, eight drive aisles, a canopy (32 feet by 120 feet), and a controller enclosure (44 square feet) with space for one attendant. No other above-grade structures or uses will be constructed on the site. No grease pits or grease hoists will be constructed at the subject property.
6. The gasoline service station will be constructed and operated with numerous safety and environmental-protection features in place, including that an attendant will be on site at all times when the station is open; various fuel-dispenser safety devices will be installed; alarm systems will be utilized to monitor for leaks and power failures, and to shut down the system if necessary; and a vapor recovery system will be installed to address air pollution control.
7. Vehicles will access the site from Market Street, on the west side of the site, via a private drive network and from the drive aisles on the abutting Costco Warehouse site. The vehicular entrance and exit will be located approximately 325 feet from the nearest intersection.
8. While the gasoline service station use will not generate a minimum parking requirement under the Zoning Regulations,⁵ the Applicant will provide some parking at the site. None of those spaces will be stacked; all will be accessible.
9. The planned gasoline service station will provide queuing on site for 56 vehicles, and will provide drive aisles 22 feet wide and a nine-foot bypass lane that will provide space for vehicles to leave the queue lanes if necessary.
10. The gasoline service station will be available only to members of Costco, and not to the general public.
11. The Applicant's facility will not offer any supplemental services that are often available at gasoline service stations, such as a vehicle service station, convenience market, or car wash.
12. The Applicant will install a landscape buffer on the southern portion of the subject property along South Dakota and New York Avenues.
13. The Applicant will install down lighting at the subject property so that light will not spill over onto other properties.

⁵ Pursuant to § 2101.1, a gasoline service station must provide one parking space for each 300 square feet of gross floor area, excluding any pump island canopy and any kiosk adjacent to the pumps used exclusively as an attendant's shelter. The gasoline service station planned by the Applicant will have less than 300 square feet of gross floor area, as it will provide only a controller enclosure of 44 square feet of gross floor area.

BZA APPEAL NO. 18395**PAGE NO. 6**

14. DDOT “determined that most of the trips generated by the gas station will not be *new*, but rather will be vehicles that are already on the roadway network for other reasons (e.g. commuting, shopping, etc.)” (emphasis in original). According to DDOT, these “pass-by trips and any new trips generated by the gas station will have a small and manageable impact on the District’s roadway network.” (Exhibit 27.)
15. In response to comments from DDOT, the Applicant committed to working with DDOT during the permitting process for the project to ensure that (a) time adjustments recommended at the intersection of South Dakota Avenue and 33rd Place are incorporated into comprehensive signal timing adjustments made in conjunction with the development of the nearby retail center; (b) the design of a new traffic signal, which will be installed at 33rd Place and Fort Lincoln Drive in conjunction with the retail center, will incorporate recommended timing adjustments to accommodate both retail traffic and traffic associated with the new gasoline service station; and (c) new pavement markings and lane-use control signage will be installed on 33rd Place to accommodate both existing and future queues, including traffic from the proposed gasoline service station.

Harmony with Zoning

16. The C-2-B District is designated to serve commercial and residential functions, with higher density residential and mixed uses than in the C-2-A District. (11 DCMR § 720.6.)
17. A gasoline service station is permitted in a C-2 District if approved by the Board as a special exception under § 3104, subject to the provisions of § 706 and chapter 23 of the Zoning Regulations. (11 DCMR § 726.)

CONCLUSIONS OF LAW AND OPINION

The Applicant requests special exception relief under §§ 706, 726, and 2302 of the Zoning Regulations to allow a new gasoline service station in the C-2-B District at 2431 Market Street, N.E. (Square 4327, Lot 5). The Board is authorized under § 8 of the Zoning Act, D.C. Official Code § 6-641.07(g)(2) (2008) to grant a special exception, as provided in the Zoning Regulations, where, in the judgment of the Board, the special exception will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Maps and will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Zoning Map, subject to specific conditions. (*See* 11 DCMR § 3104.1.)

Pursuant to § 706, a gasoline service station may be established in the C-2-B Zone District as a special exception under § 3104, subject to certain requirements. These requirements include that the gasoline service station must not be located within 25 feet of a Residence district unless separated from the Residence district by a street or alley (§ 706.3), and that the operation of the use must not create dangerous or other objectionable traffic conditions (§ 706.4). All parking

BZA APPEAL NO. 18395**PAGE NO. 7**

spaces provided at a gasoline service station must be designed and operated so that sufficient access and maneuvering space is available to permit the parking and removal of any vehicles without moving any other vehicles onto public space. (11 DCMR § 706.6.) The Board may impose requirements pertaining to design, appearance, screening, or lighting, or other requirements found necessary to protect adjacent or nearby property. (11 DCMR § 706.5.)

Additional requirements applicable to the establishment of a gasoline service station are set forth in § 2302 of the Zoning Regulations. These requirements include that no portion of the structure or premises used for a gasoline service station may be located within 25 feet of a Residence district unless separated from that Residence district by a street or alley. (11 DCMR § 2302.2.) The gasoline service station must not have a vehicular entrance or exit connected with a street at a point closer than 25 feet to any existing Residence district, unless separated from that Residence district by a street or alley. (11 DCMR § 2302.3.) The driveway of any entrance or exit to a gasoline service station must not be closer than 40 feet to a street intersection (as measured from the intersection of the curb lines extended). (11 DCMR § 2302.4.) All grease pits or hoists must be within a building. (11 DCMR § 2302.5.)

Based on the findings of fact, the Board finds that the requested special exception satisfies the requirements of §§ 706, 726, 2302, and 3104.1. As shown on the plans submitted by the Applicant, no portion of the structure or premises used for a gasoline service station will be located within 25 feet of a Residence district. No grease pits or hoists will be provided at the Applicant's facility.

Operation of the Applicant's proposed gasoline service station will not create dangerous or other objectionable traffic conditions. The Board credits the testimony of the Applicant's traffic expert, and the conclusion reached by DDOT, that the planned gasoline service station is not likely to generate many new trips, and its impact on traffic in the surrounding roadway network is likely to be small and manageable. The gasoline service station will be located in a largely commercial area and available only to members of Costco, not the general public. The facility will not provide a convenience market, car wash, or other features that might otherwise draw additional traffic to the site.

The means of vehicular access to and from the Applicant's facility will not connect with a street at a point closer to 25 feet from any Residence zone, and will be further than 40 feet from a street intersection. The Applicant designed, and will operate, the parking spaces provided at the gasoline service station to give sufficient access and maneuvering space so that vehicles will not be required to move onto public space while parking. In light of the landscaping and lighting plans submitted by the Applicant, the Board does not find that additional requirements pertaining to design, appearance, screening, or lighting are necessary to protect adjacent or nearby property.

The Board concludes that, in addition to satisfying the specific provisions applicable to a gasoline service station, the requested special exception will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Maps and will not tend to affect

BZA APPEAL NO. 18395**PAGE NO. 8**

adversely the use of neighboring property in accordance with the Zoning Regulations and Zoning Map. The planned use will be consistent with the C-2-B Zone, which is designated in part to serve commercial functions, and will complement other commercial development in the immediate vicinity of the site. A number of safety and environmental-protection measures, which the Applicant states will meet or exceed federal requirements, will be installed at the facility to minimize the potential for adverse impacts associated with the operation of the gasoline service station. The facility has been designed to provide safe and adequate vehicular access to and around the site, and the Applicant will continue to work with DDOT to improve traffic conditions at intersections near the subject property.

The Board was not persuaded by the party in opposition that approval of the requested special exception would violate the Zoning Regulations for reasons relating to its alleged economic impacts and because the Applicant could not demonstrate a need for the new gasoline service station. The Board has previously held that “economic competition is not a proper argument for denial of an application.” *Application No. 13384, of Towers Condominium Association (1980)*. Further, an applicant does not need to show there is a need for a special exception use, only that the proposed use meets the special exception standard.

As to the claim that the facility would be “inappropriate for The Shops at Dakota Crossing shopping center,” the Board has found that the proposed use will not tend to adversely impact neighboring properties and will be in harmony with the zone plan. If the opponent’s “appropriateness” argument is intended to relate to these two elements, the Board rejects it for the reasons stated above. If the argument is not related to these tests, then the Board rejects it as irrelevant to its inquiry.

Similarly, the Board was not persuaded by the party in opposition that this application should be denied or held in abeyance for reasons relating to the sale of alcohol. The Board’s discretion in reviewing this application for special exception approval of a new gasoline service station is limited to a determination of whether the Applicant has complied with the requirements of §§ 706, 726, 2302, and 3104.1 of the Zoning Regulations. If an applicant meets its burden, the Board ordinarily must grant the application. *See, e.g., Stewart v. District of Columbia Board of Zoning Adjustment*, 305 A.2d 516, 518 (D.C. 1973); *Washington Ethical Society v. District of Columbia Bd. of Zoning Adjustment*, 421 A.2d 14, 18-19 (D.C. 1980); *First Baptist Church of Washington v. District of Columbia Bd. of Zoning Adjustment*, 432 A.2d 695, 698 (D.C. 1981); *Gladden v. District of Columbia Bd. of Zoning Adjustment*, 659 A.2d 249, 255 (D.C. 1995). The scope of the Board’s authority is defined by statute. (*See* D.C. Official Code § 6-641.07 (2008).) Where permitted by the Zoning Regulations, the Board may grant a special exception “subject to appropriate principles, standards, rules, conditions, and safeguards *set forth in the regulations*.” (D.C. Official Code § 6-641.07(d) (2008) (emphasis added).) The Board does not have the power to amend any regulation. (D.C. Official Code § 6-641.07(e) (2008).) Accordingly, the Board must deliberate on the merits of the instant application relative to the requirements specified in §§ 706, 726, 2302, and 3104.1. Because those requirements do not address the issues relating to sales of alcohol raised by the party in opposition, the Board lacks the legal

authority to dismiss or deny the application for a special exception solely on the ground that the Applicant's proposed use allegedly will violate statutes or regulations governing the sales of alcohol.⁶

The party in opposition cites § 101.4 (d)⁷ of the Zoning Regulations in arguing that the application should be denied because the Board cannot "issue a decision that is incompatible with the requirements or policies of another governmental entity in the District (*i.e.* the licensing requirements of the D.C. Alcoholic Beverage Regulation Administration, and the public policies behind the Retail Service Station Amendment Act of 2004)." For the reasons discussed above, the Board does not agree. The Board is required to apply the requirements of the Zoning Regulations – and only the Zoning Regulations – to an application for zoning relief; every applicant is responsible for securing compliance with all other statutes and regulations that might govern the applicant's particular circumstances.

In addition, the regulation is inapplicable. The provision essentially repeats § 12 of the Zoning Act of 1938, codified as D.C. Official Code § 6-641.07.11. Section 12 is addressed to District enforcement officials, not the BZA, and simply indicates that where the Zoning Regulations and a District statute or regulation regulate the same thing, such as height, the most stringent standard applies. Thus, an allegation that a proposed special exception use violates a standard not contained in the Zoning Regulations is of no relevance to the Board.

The Board finds no reason to deny or delay approval of the application based on the party in opposition's assertions pertaining to sales of alcohol, which are not subject to this Board's jurisdiction.⁸

The Board is required to give "great weight" to the recommendation of the Office of Planning. In this case, the Board concurs with the recommendation of OP to grant the requested special exception as consistent with the requirements of the Zoning Regulations. The Board is also

⁶ Similarly, the Board finds no reason to hold this application, which concerns only zoning issues, in abeyance pending the disposition of any proceedings that may occur with respect to sales of alcohol.

⁷ Pursuant to § 101.4, "The provisions of any statute or other municipal regulations shall govern whenever they: (a) require larger yards, courts, or other open spaces; (b) require a lower height or bulk of buildings or a smaller number of stories; (c) require a greater percentage of a lot to be unoccupied; or (d) impose higher standards than are required by this title." Conversely, pursuant to § 101.3, the provisions of the Zoning Regulations "shall govern whenever they: (a) require larger yards, courts, or other open spaces; (b) require a lower height or bulk of buildings or a smaller number of stories; (c) require a greater percentage of lot to be unoccupied; or (d) impose other higher standards than are required in or under any statute or by any other municipal regulations."

⁸ In arguing that the application should be held in abeyance, IGSOA acknowledges that the Board "is not empowered to interpret the laws and regulations administered by a separate agency of the D.C. government – in this case, 25-313(d), which is administered and interpreted by [the Alcoholic Beverage Regulation Administration, or ABRA]." The Board does not agree with IGSOA that § 101.4(d) "clearly provides that the requirements under 25-313(d) take precedence in this matter" and thus finds no reason to await "a determination from ABRA as to Costco's compliance under 25-313(d)...before any determination is made by the Board to grant or deny Costco's request for a special zoning exception." (Exhibit 31.)

required to give “great weight” to the issues and concerns raised by the affected ANC. Section 13(d) of the Advisory Neighborhood Commissions Act of 1975, effective March 26, 1976 (D.C. Law 1-21; D.C. Official Code § 1-309.10(d) (2001)). In this case, ANC 5A voted to support the application. The Board concurs with the recommendation of ANC 5A, which did not raise any issues or concerns with the Applicant’s proposal.

Based on the findings of fact and conclusion of law, the Board concludes that the Applicant has satisfied the burden of proof with respect to the request for a special exception under §§ 706, 726, and 2302 of the Zoning Regulations to allow a new gasoline service station in the C-2-B District at 2431 Market Street, N.E. (Square 4327, Lot 5). Accordingly, it is **ORDERED** that the application, subject to Exhibits 10 and 24 - Plans, is hereby **GRANTED**.
