Pursuant to Section 412 of the District of Columbia Home Rule Act, P.L. 93-198 (the Charter), the Council of the District of Columbia adopted Bill 20-31 on first and second readings May 7, 2013 and June 4, 2013 respectively. Following the signature of the Mayor on June 27, 2013, pursuant to Section 404(e) of the Charter, the bill became Act 20-95 and was published in the July 5, 2013 edition of the D.C. Register (Vol. 60, page 9843). Act 20-95 was transmitted to Congress on July 8, 2013 for a 30-day review, in accordance with Section 602(c)(1) of the Home Rule Act.

The Council of the District of Columbia hereby gives notice that the 30-day Congressional review period has ended, and Act 20-95 is now D.C. Law 20-18, effective September 19, 2013.

## IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 1, 2013

To declare the existence of an emergency, due to Congressional review, with respect to the need to amend the School Transit Subsidy Act of 1978 to clarify the fare charged, if any, to students to travel to and from school.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "School Transit Subsidy Congressional Review Emergency Declaration Resolution of 2013".

Sec. 2. (a) As part of the Fiscal Year 2014 Budget Support Act of 2013 ("BSA"), the Council voted to make Metrobus travel free to students traveling to and from school; however, students will still be required to pay to ride on the Metrorail system on school days.

(b) Unfortunately, the language included in the BSA would actually raise the cost of Metrorail travel by students by 40%.

(c) This emergency legislation, which was drafted by the District Department of Transportation, would correct this error and maintain the current policy of selling monthly Metrorail passes to students for \$30.

(d) This emergency legislation is necessary to ensure that the cost of traveling to and from school by Metrorail for students is not increased by 40% when the new school year begins in August 2013.

(e) On July 10, 2013, the Council unanimously approved the School Transit Subsidy Emergency Amendment Act of 2013. The measure expires on October 29, 2013, and the accompanying temporary measure has not yet taken effect. Consequently, Congressional review emergency legislation is needed.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the School Transit Subsidy Emergency Amendment Act of 2013 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Sec. 2. D.C. Act 20-130, the Fiscal Year 2014 Budget Support Emergency Act of 2013, was adopted on an emergency basis on June 26, 2013, and will expire on October 28, 2013. D.C. ## IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 1, 2013

To declare the sense of the Council of the District of Columbia on the September 16, 2013, Navy Yard tragedy.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Sense of the Council of the District of Columbia on the September 16, 2013, Navy Yard Tragedy Resolution of 2013”.

Sec. 2. The Council of the District of Columbia finds that:

(1) We condemn the senseless and horrific acts that occurred on the morning of September 16, 2013, at the District of Columbia Navy Yard, when a lone gunman entered Building 197 and shot, seemingly indiscriminately, at employees of the complex. The shooting rampage resulted in 12 deaths and many injuries.

(2) As we have all done all too often when such unconscionable acts of violence occur, we denounce these acts, and express our deepest sympathies to the family members of those who perished in this tragedy. Like similar tragedies that grip national attention, we feel a preeminent sense of sadness at how such events could unfold, and we empathize with those closely affected by it; unlike those tragedies, however, we are all the more pained at how such events could unfold in *our* neighborhood, and we empathize all the more with the victims and their families because they are *our* friends, neighbors, or relatives.

(3) We search for a reasonable explanation for how such senseless gun violence can occur—and continue to occur. We note that as the echoes of earlier shooting tragedies continue to reverberate as part of our national conversation on such violence, we have found no way, as a country or a culture, to effectively respond. Our inaction means more marks on the map detailing the locations of senseless shooting massacres; the District of Columbia, now, being the location of one of these unfortunate marks.

(4) We, as residents of the District of Columbia and citizens of the United States of America, dismiss inaction in response to such violence as unacceptable.

(5) We condemn the monstrous acts of the individual responsible. His acts not only inflicted violence on the District, but terrorized the entire nation and compounded our fear.

(6) We extend our sincere sympathy and prayers to the 12 individuals who perished—Michael Arnold (59 years old), Martin Bodrog (54 years old), Arthur Daniels (51 years old, resident of Southeast, DC), Sylvia Frasier (53 years old), Kathy Gaarde (62 years old),

**ENROLLED ORIGINAL**

John Roger Johnson (73 years old), Mary Francis Knight (51 years old), Frank Kohler (50 years old), Vishnu Bhalchandra Pandit (61 years old), Kenneth Bernard Proctor (46 years old), Gerald Read (58 years old), and Richard Michael Ridgell (52 years old)—the many who were injured, and the families and friends of all the victims.

(7) We praise and thank the first responders for their heroism and self-sacrifice; their actions surely mitigated the injury and loss of life. We likewise praise and thank the coordinated efforts of local, state, and federal law enforcement in responding to this tragedy.

(9) We express hope, as we have for other jurisdictions similarly effected by such violence, that the District of Columbia will be able to heal quickly from the pain and disruption that has been brought upon us, that our residents will again feel safe and secure, and that all of those who live in or visit here will be without fear of such unprovoked and unexplainable violence as befell the District of Columbia on September 16, 2013.

Sec. 3. It is the sense of the Council of the District of Columbia that:

(1) We proclaim our solidarity as residents of the District of Columbia: honoring the victims of the September 16, 2013, Navy Yard tragedy, supporting those attempting to come to terms with the tragedy and to heal, and standing strong as the Nation’s Capital in defiance of such unconscionable and cowardly acts of violence that has befallen our jurisdiction.

(2) We pledge our continuing support for the efforts of emergency responders and disaster preparedness personnel at the federal, state, and local levels in their work to ensure the safety and security of the Nation’s Capital, and all locations throughout the country; preserving our rights and liberties in a free and democratic society.

October 1, 2013

To declare the existence of an emergency with respect to the need to approve the compensation system changes submitted by the University of the District of Columbia Board of Trustees to authorize salary increases for certain non-collective bargaining unit employees in the Career, Educational, and Legal Service.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “University of the District of Columbia Career, Educational, and Legal Service Non-Collective Bargaining Unit Employees Compensation System Changes Emergency Declaration Resolution of 2013”.

Sec. 2. (a) On March 28, 2013, Mayor Gray announced his intent to provide a cost of living increase to all District employees, including non-union employees of the University of the District of Columbia (“UDC”), pending approval by the UDC Board of Trustees.

(b) On June 4, 2013, the UDC Board of Trustees approved a 3 % salary increase for the Career, Educational, and Legal Service non-collective bargaining unit employees of UDC for fiscal year 2013. This increase is retroactive to the first day of the first pay period beginning on or after April 1, 2013. UDC has sufficient funds to cover the cost of this increase.

(c) On June 18, 2013, the Council passed R20-168, the Compensation Agreement between the District of Columbia Government and Compensation Units 1 and 2 Emergency Approval Resolution of 2013. This resolution provides a 3% increase to individuals included in Compensation Units 1 and 2, which includes UDC employees. Thus, a portion of UDC’s employees have received a salary increase, creating pay disparity between the union and non-union employees of UDC.

(d) The employees included in the accompanying emergency approval resolution have not received a cost of living increase since July 1, 2005.

(e) To establish pay parity between UDC’s union and non-union employees and to provide the employees with the first cost of living increase in 8 years, an immediate need exists to approve the 3% cost of living adjustment for the aforementioned UDC employees.

20-300

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 1, 2013

To declare the existence of an emergency with respect to the need to establish the Government of the District of Columbia’s response to the federal shutdown, or lapse in appropriations, by designating personnel as essential, authorizing the acceptance of voluntary services, and providing for the compensation of personnel through available funds in the contingency cash reserve fund.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Federal Shutdown Response Emergency Declaration Resolution of 2013”.

Sec. 2. (a) The Members of the Council of the District of Columbia, duty bound to serve the residents of the District and to make prudent decisions on their behalf with respect to expenditures for governmental services from the public purse, determine that the full contingent of personnel in the employ of the District and the totality of operations and services performed by these employees to be essential to the public safety, health, and property, such that the continuation of employment, and performance of operations and services, should continue during a lapse in federal appropriations.

(b) With any federal shutdown, the District—unique and in contrast to any other state or municipality in the country—currently must consider and plan for the implications of a lapse in appropriations. The implementation of these plans comes at considerable expense to District finances and with great disruption to residents and workers who rely on District services.

(c) The controversy at the root of this current, possible federal shutdown and mass disruption is completely, and unfairly, unrelated to the District of Columbia, its finances, or its people.

(d) Nevertheless, as the District has been traditionally tethered to the federal appropriations process—a process more and more subject to vacillating whims that lead to stagnation and inaction—it is required to expend considerable amounts of both time and money toward the development of contingency shutdown plans. This ensnares the District in partisan budget squabbles at the federal level, in spite of the District’s 18 consecutive years of maintaining a balanced budget and its current rainy-day fund in excess of a billion dollars, and endangering the District’s strong bond rating and ability to meet its financial obligations.

## ENROLLED ORIGINAL

(e) To ensure the District's operations do not suffer the pernicious effects of the increasingly threatened government shutdowns, and in recognition of the fact that approximately 98% of the District's budget is derived from local revenue and federal grants that are available to all jurisdictions, the District adopted, via a 2012 voter referendum, a local budget autonomy law. The provisions of the Local Budget Autonomy Amendment Act of 2012, effective July 25, 2013 (D.C. Law 19-321; 60 DCR 1724), are applicable beginning January 1, 2014. This important measure enhances the local control over the District's budget, including protecting local funds in the event of federal inaction over partisan national issues.

(f) While anxious for the provisions of D.C. Law 19-321 to take effect, in the interim the District has continued to do what it is required to do, following all of the statutory and regulatory requirements in adopting and submitting to Congress a balanced budget. The fiscal year 2014 budget was adopted by the Council over 4 months ago.

(g) In failing to pass a federal appropriation adopting the District's budget, Congress places at risk the vital municipal, county, and state functions the District fulfills on a daily basis.

(h) With the very real likelihood of a government shutdown, the District is left to determine, as each of the federal governmental agencies, but no other state or municipality, is left to determine, what personnel and services are "essential."

(i) The Federal Shutdown Response Emergency Act of 2013 establishes the District's response to a call for a contingency plan for a government shutdown. In the event of a lapse in appropriations, the emergency act:

(1) Designates all employees and activities of the Council of the District of Columbia as "essential," and authorizes the Council to accept voluntary services during a federal shutdown;

(2) Supports the Mayor's determination that all Executive Branch personnel are "essential" and creates a presumption to that effect, and authorizes the Mayor to accept voluntary services during a federal shutdown; and

(3) Authorizes that the payment of essential personnel, as well as compensation for voluntary services, as determined by the Council or the Mayor, may be paid out of the contingency cash reserve fund provided that funds are available.

(j) The designation of essential personnel under the emergency act is valid only until January 1, 2014, the applicability date for the Local Budget Autonomy Amendment Act of 2012. As is clear from the authority granted by the Local Budget Autonomy Amendment Act of 2012 to the District with regard to expenditure of local dollars, the District will no longer need to participate in the exercise of designating essential personnel for federal shutdown purposes when the provisions of that act take effect.

(k) To ensure continued compliance with the federal Antideficiency Act (31 U.S.C. § 1341 *et seq.*), the associated emergency act permits the use of funds available in the contingency cash reserve fund to keep the District government running. This fund contains congressionally appropriated dollars, meaning expenditures from this fund do not violate the Antideficiency Act so long as the District spends from this fund pursuant to the standards set forth in the statute

**ENROLLED ORIGINAL**

governing the fund. A government shutdown is certainly a “nonrecurring and unforeseen need[ ] that arises during the fiscal year.” It is certainly the expectation of the District, and likely the nation, that a government shutdown should be nonrecurring. It is also the expectation that these funds would be replaced once the District is allowed to spend its fiscal year 2014 budget.

(l) The unfortunate circumstances that have heretofore left the District budget tethered to the federal appropriations process, even though the local budget is largely comprised of local dollars, underscores the need for the local budget autonomy that is soon to be realized. The health, safety, and welfare of District residents and visitors should not be held hostage to the dysfunction that is creating the likely lapse in federal appropriations. It is essential, then, for the Council and the District to take this proposed action.

(m) An orderly society cannot function without government. Residents and businesses depend on government services. Government, therefore, is essential.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Federal Shutdown Response Emergency Act of 2013 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to the need to approve an extension of time to dispose of District-owned real property located at 5131 Nannie Helen Burroughs Avenue, N.E., known as the Strand Theater.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Extension of Time to Dispose of the Strand Theater Emergency Declaration Resolution of 2013".

Sec. 2. (a) On June 16, 2008, the Deputy Mayor for Planning and Economic Development awarded Washington Metropolitan Community Development Corporation ("Developer"), exclusive rights to negotiate to redevelop the District-owned real property located at 5131 Nannie Helen Burroughs Avenue, N.E., known for tax and assessment purposes as Lot 801 in Square 5196 ("Strand Theater"), along with an adjacent developer-owned property, as part of a commercial-use project that will include vibrant, street-front retail, a community and office space, and off-street parking.

(b) Pursuant to the Land Disposition Agreement ("LDA") dated March 30, 2010, the Developer is required to secure all sources of financing for the Strand Theater as a condition precedent to closing. Due to a risk-adverse market, lender underwriting standards were raised in terms of equity requirements and debt-service coverage ratios forcing a slight reduction in the project's scale. Lender requirements that a retail tenant be secured before committing financing to the project have led to further delays. Additionally, other sources of funding, including public lenders, would not have committed until the developer secured a higher loan-to-value ratio.

(c) The developer has secured a letter of intent from a retail tenant and has begun to complete all pre-development activities associated with securing all sources of funding for the project, as required by the LDA. However, due to delays in securing financing, exacerbated by the requirement that a retail tenant be secured, the closing will not occur by the expiration of the Council's extension to October 6, 2013, pursuant to the Extension of Time to Dispose of the Strand Theater Temporary Amendment Act of 2012, effective March 5, 2013 (Law 19-216; 59 DCR 13292).

(d) The proposed legislation will extend the Mayor's authority to dispose of the Property until October 6, 2014, to allow the parties to meet the closing and pre-development deadlines.

Sec. 2. (a) There exists an immediate need to approve the modification to the Delivery Order with Fannon Petroleum Services, Inc. (“Fannon”), to provide fuel and to authorize payment for the goods received and to be received under that contract.

(b) On September 1, 2010, the Office of Contracting and Procurement awarded a Delivery Order to Fannon to provide fuel in an estimated amount of \$13,590,000.

(c) On May 24, 2013, the Department of General Services provided a revised estimate of expenditures to Fannon for purchases already made and to be made prior to the contract expiration date of July 31, 2013. The new revised estimate of all expenditures under the Delivery Order is \$22,603,881. The District has already paid the contractor \$19,393,881.21.

## IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 1, 2013

To declare the existence of an emergency with respect to the need to create a separate fund for fees for project review and mitigation measures by developers, property owners, and utility companies in connection with projects on private property or public space that may impact the District Department of Transportation's ability to manage and maintain the transportation infrastructure in the District.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Transportation Infrastructure Mitigation Emergency Declaration Resolution of 2013".

Sec. 2. The District Department of Transportation ("DDOT") needs authority to receive funds from developers, property owners, and utility companies in connection with projects on private property or public space that may impact the safe flow of buses, trucks, passenger vehicles, and other modes of transportation through the District. Pursuant to Board of Zoning orders or similar directives from outside agencies, developers and property owners are required from time to time, to provide DDOT with funds to study and mitigate the impact of their projects on the transportation infrastructure. Until recently, those funds were transferred to the District using the donation system. However, recent legal review has determined that DDOT must receive those funds through an appropriation approved by Congress. This legislation will enable DDOT to continue receiving these funds and installing the necessary traffic mitigation measures, which in turn will ensure the public safety at or near new or improved developments. Without this legislation, DDOT will not have enough funds to study the impact of new or improved developments and install the necessary traffic signals or other devices to ensure pedestrian and vehicular safety at those locations.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Transportation Infrastructure Mitigation Emergency Amendment Act of 2013 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

October 1, 2013

To declare the existence of an emergency with respect to the need to approve Modification No. 13 to Contract No. DCKA-2010-C-0219 with C&D Tree Service, Inc. and to authorize payment for services received and to be received under the contract.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Modification No. 13 to Contract No. DCKA-2010-C-0219 Approval and Payment Authorization Emergency Declaration Resolution of 2013".

Sec. 2. (a) There exists an immediate need to approve Modification No. 13 to Contract No. DCKA-2010-C-0219 for tree planting services to the District Department of Transportation ("DDOT") and to authorize payment for services received and to be received under this contract.

(b) On November 8, 2012, DDOT's Office of Contracting and Procurement ("OCP") exercised option year 2 of contract no. DCKA-2010-C-0219 with C&D Tree Service, Inc. for tree planting services in the amount of \$999,087.00. The District seeks Council approval of Modification No. 13, which will increase the number of trees to be planted by 4,992 and will increase the funding by \$1,124,402.00, for a total estimated contract amount of \$2,123,489.00 for option year 2. DDOT must plant more trees than previously required in order to comply with changes to the National Pollutant Discharge Elimination System Permit No. DC00021, Municipal Separate Storm Sewer System 4 Permit, issued by the Environmental Protection Agency.

(c) Council approval is necessary because this modification increases the contract by more than \$1 million during a 12-month period. Council approval is necessary to allow the continuation of these vital services and to allow C&D to continue performance under the contract.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Modification No. 13 to Contract No. DCKA-2010-C-0219 Approval and Payment Authorization Emergency Act of 2013 be adopted after a single reading.

The aggregate value of Change Orders No. FY13-002 through No. FY13-007 was less than \$1 million; thus, these change orders did not require Council approval.

(c) Change Order No. FY13-008 will cause the aggregate value of change orders issued after Council approval of Option Year 2 of Contract No. GM-10-S-0707B-FM and approval of Change Order No. FY13-001 to exceed the \$1 million threshold pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. (d) Approval of Change Orders No. FY13-002 through No. FY13-008 and authorization of payment in the aggregate amount of \$3,148,287.37 is necessary to compensate Turner Construction Company for work completed and to be completed pursuant to its Contract No. GM-10-S-0707B-FM for On-Call Small Capital Projects.

Council Chairman Phil Mendelson announces a public oversight hearing of the Committee of the Whole on the District of Columbia's Recommendations on the Federal Height of Buildings Act of 1910. The public oversight hearing will be held Monday, October 28, 2013 at 9:30 a.m. in Hearing Room 412 of the John A. Wilson Building, 1350 Pennsylvania Avenue, NW.

The purpose of the oversight hearing is to receive testimony on the District of Columbia's recommendations to Congress on potential modifications to the federal Height of Buildings Act of 1910 (Height Act). Since the House Committee on Oversight and Government Reform requested a joint study in October 2012, the District of Columbia has been jointly conducting a Height Master Plan with the National Capital Planning Commission in order to assess how the Height Act continues to serve federal and local interests. In its preliminary findings and recommendations, the National Capital Planning Commission did not recommend substantial changes to the Height Act; its recommendations included allowing for human occupancy of penthouses. The District of Columbia, however, in separate draft recommendations, proposed increasing the height limits within the L'Enfant City and that Congress should allow the District to determine the maximum height of buildings outside the L'Enfant City. The Committee invites residents to share their views on the recommendations.

Those who wish to testify are asked to telephone the Committee of the Whole, at (202) 724-8196, or e-mail Jessica Jacobs, Legislative Counsel, at [jjacobs@dccouncil.us](mailto:jjacobs@dccouncil.us) and provide their name, address, telephone number, and organizational affiliation, if any, by the close of business Thursday, October 24, 2013. Witnesses should limit their testimony to four minutes; less time will be allowed if there are a large number of witnesses.

If you are unable to testify at the roundtable, written statements are encouraged and will be made a part of the official record. Copies of written statements should be submitted to the Committee of the Whole, Council of the District of Columbia, Suite 410 of the John A. On Tuesday, October 22, 2013, Councilmember Muriel Bowser, Chairperson of the Committee on Economic Development, and Councilmember Kenyan McDuffie, Chairperson of the Committee on Government Operations, will hold a joint public roundtable to consider Proposed Resolution 20-475, the Hardy School Surplus Declaration Resolution of 2013 and Proposed Resolution 20-476, the Hardy School Lease Approval Resolution of 2013.

Proposed Resolutions 20-475 and 20-476 will, respectively, declare District owned property at 4470 Q Street, NW, as surplus and authorize the Department of General Services to enter in to a new ground lease for the property.

Most commonly known as the Hardy School and more specifically designated for tax and assessment purposes as Square 1363 in Lot 09800 (the Property), the District has not used this

Property as a District of Columbia public school since prior to 1998. At that time the Property was leased to Rock Creek International and in May 2006 Rock Creek declared bankruptcy and the Lab School of Washington (LSW) was declared the successor in interest and acquired a ground lease. LSW has occupied the Property since 2008. That lease expires on December 21, 2013. The land area of the Property is estimated to be roughly 49,853 square feet. The Property is improved with one building containing approximately 17,626 square feet of gross building area.

LSW approached the District to negotiate a new long term ground lease in consideration of completely renovating and remodeling the existing school building without any District funds. LSW serves children in grades K-12 whose special education needs cannot be met in traditional classrooms. Nearly 21% of LSW students are District of Columbia Public School children. 90% of the students continue with their education at a college or university. The legislation proposes a ground lease for a term of 25 years, with a 25 year option. The base rent shall be at a rate of \$16.50 per rentable square foot of the Property, escalated at a 2% annual rate. The lease includes a landlord concession for operating expenses as well as a rent credit in the amount equal to the actual construction costs of the Proposed Lessee's improvements.

The joint public roundtable will begin at 3:00 p.m. in Room 120 of the John A. Wilson Building, 1350 Pennsylvania Avenue, N.W.

Individuals and representatives of community organizations wishing to testify should contact Rob Hawkins, Legislative Director to the Committee on Economic Development, at (202) 724-8052, or [rhawkins@dccouncil.us](mailto:rhawkins@dccouncil.us) and furnish their name, address, telephone number, and organizational affiliation, if any, by the close of business October 28, 2013. Persons presenting testimony may be limited to 3 minutes in order to permit each witness an opportunity to be heard. Please provide the Committee with 20 copies of any written testimony.

If you are unable to testify at the joint public roundtable, written statements are encouraged and will be made a part of the official record. Copies of written statements should be submitted to the Committee on Economic Development, Council of the District of Columbia, Suite 110 of the John A. Wilson Building, 1350 Pennsylvania Avenue, N.W., Washington, D.C. 20004.

This notice is revised to reflect that the joint public roundtable will take place in room 120, not room 500.

The Alcoholic Beverage Control Board (Board) will conduct a hearing to receive public comment on two proposals regarding the renewal of the East Dupont Circle Moratorium Zone. One proposal, submitted by Advisory Neighborhood Commission (ANC) 2B proposes to renew the existing East Dupont Circle Moratorium Zone for another three year period with certain modifications. A second proposal submitted by the Dupont Circle Citizens Association seeks additional time to collect relevant data regarding the existing Moratorium Zone to include the status of inactive licenses. The Board believes both of these proposals merit further evaluation, and thus adopted emergency rules to extend the existing Moratorium for another 120 days to receive public comment.

The hearing will be held on Thursday, October 24, 2013 at 9:30 a.m. at 2000 14<sup>th</sup> Street, N.W., Board Hearing Room, Suite 400, Washington, D.C. 20009. **HISTORIC PRESERVATION REVIEW BOARD****NOTICE OF PUBLIC HEARING**

The D.C. Historic Preservation Review Board will hold a public hearing to consider applications to designate the following properties as historic landmarks in the D.C. Inventory of Historic Sites. The Board will also consider the nomination of the properties to the National Register of Historic Places:

**Case No. 13-22: The Scheele-Brown Farmhouse  
2207 Foxhall Road NW  
Square 1341, Lot 855**

The hearing will take place at **9:00 a.m. on Thursday, November 21, 2013**, at 441 Fourth Street, NW (One Judiciary Square), in Room 220 South. It will be conducted in accordance with the Review Board's Rules of Procedure (10C DCMR 2). A copy of the rules can be obtained from the Historic Preservation Office at 1100 4<sup>th</sup> Street, SW, Suite E650, Washington, DC 20024, or by phone at (202) 442-8800, and they are included in the preservation regulations which can be found on the Historic Preservation Office website.

The Board's hearing is open to all interested parties or persons. Public and governmental agencies, Advisory Neighborhood Commissions, property owners, and interested organizations or individuals are invited to testify before the Board. Written testimony may also be submitted prior to the hearing. All submissions should be sent to the address above.

For each property, a copy of the historic landmark application is currently on file and available for inspection by the public at the Historic Preservation Office. A copy of the staff report and recommendation will be available at the office five days prior to the hearing. The office also provides information on the D.C. Inventory of Historic Sites, the National Register of Historic Places, and Federal tax provisions affecting historic property.

If the Historic Preservation Review Board designates the property, it will be included in the D.C. Inventory of Historic Sites, and will be protected by the D.C. Historic Landmark and Historic District Protection Act of 1978. The Review Board will simultaneously consider the nomination of the property to the National Register of Historic Places. The National Register is the Federal government's official list of prehistoric and historic properties worthy of preservation. Listing in the National Register provides recognition and assists in preserving our nation's heritage. Listing provides recognition of the historic importance of properties and assures review of Federal undertakings that might affect the character of such properties. If a property is listed in the Register, certain Federal rehabilitation tax credits for rehabilitation and other provisions may apply. Public visitation rights are not required of owners. The results of listing in the National Register are as follows:

Consideration in Planning for Federal, Federally Licensed, and Federally Assisted Projects: Section 106 of the National Historic Preservation Act of 1966 requires that Federal agencies allow the Advisory Council on Historic Preservation an opportunity to comment on all projects affecting historic properties listed in the National Register. For further information, please refer to 36 CFR 800.

Eligibility for Federal Tax Provisions: If a property is listed in the National Register, certain Federal tax provisions may apply. The Tax Reform Act of 1986 (which revised the historic preservation tax incentives authorized by Congress in the Tax Reform Act of 1976, the Revenue Act of 1978, the Tax Treatment Extension Act of 1980, the Economic Recovery Tax Act of 1981, and the Tax Reform Act of 1984) provides, as of January 1, 1987, for a 20% investment tax credit with a full adjustment to basis for rehabilitating historic commercial, industrial, and rental residential buildings. The former 15% and 20% Investment Tax Credits (ITCs) for rehabilitation of older commercial buildings are combined into a single 10% ITC for commercial and industrial buildings built before 1936. The Tax Treatment Extension Act of 1980 provides Federal tax deductions for charitable contributions for conservation purposes of partial interests in historically important land areas or structures. Whether these provisions are advantageous to a property owner is dependent upon the particular circumstances of the property and the owner. Because the tax aspects outlined above are complex, individuals should consult legal counsel or the appropriate local Internal Revenue Service office for assistance in determining the tax consequences of the above provisions. For further information on certification requirements, please refer to 36 CFR 67.

Qualification for Federal Grants for Historic Preservation When Funds Are Available: The National Historic Preservation Act of 1966, as amended, authorizes the Secretary of the Interior to grant matching funds to the States (and the District or Columbia) for, among other things, the preservation and protection of properties listed in the National Register.

Owners of private properties nominated to the National Register have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing must submit to the State Historic Preservation Officer a notarized statement certifying that the party is the sole or partial owner of the private property, and objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. If a majority of private property owners object, a property will not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of eligibility for listing in the National Register. If the property is then determined eligible for listing, although not formally listed, Federal agencies will be required to allow the Advisory Council on Historic Preservation an opportunity to comment before the agency may fund, license, or assist a project which will affect the property. If an owner chooses to object to the listing of the property, the notarized objection must be submitted to the above address by the date of the Review Board meeting.

## OFFICE OF CONTRACTING AND PROCUREMENT

**NOTICE OF EMERGENCY AND PROPOSED RULEMAKING**

The Chief Procurement Officer of the District of Columbia (CPO), pursuant to the authority set forth in Sections 204 and 1106 of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code §§ 2-352.04 and 2-361.06) (2012 Repl.)(Act), hereby gives notice of the adoption of the following emergency rules and of the intent to adopt final rulemaking to amend Section 1304.1 of Chapter 13, Publicizing Contract Actions, of Title 27, Contracts and Procurement, of the District of Columbia Municipal Regulations (DCMR).

The rulemaking is necessary to make Section 1304.1 consistent with the recent increase in the small purchase limit from \$5,000 to \$10,000, and with Section 1800.3 of Chapter 18, Small Purchase and Other Simplified Purchase Procedures, of Title 27 of the DCMR. Section 1304.1 is outdated and inconsistent with current policy. This inconsistency will create legal uncertainty regarding the publication requirements for small purchases. Adoption of these emergency rules is therefore necessary for the immediate preservation and promotion of public safety and welfare.

The emergency rules will remain in effect for up to one hundred twenty (120) days from September 19, 2013, the date of their adoption; thus, expiring on January 17, 2014, or upon publication of a Notice of Final Rulemaking in the *D.C. Register*, whichever occurs first.

**Chapter 13, PUBLICIZING CONTRACT ACTIONS, of Title 27, CONTRACTS AND PROCUREMENTS, of the DCMR is amended as follows:**

**Section 1304.1 is amended to read as follows:**

1304.1           A notice of intent to award a sole source contract shall be published on the OCP Internet for at least ten (10) days prior to contract award if the estimated price is over ten-thousand dollars (\$10,000).

All persons desiring to comment on the subject matter of this proposed rulemaking should submit comments, in writing, to the Chief Procurement Officer, 441 4<sup>th</sup> Street, 700 South, Washington, D.C. 20001. Comments may be sent by email to [OCPRulemaking@dc.gov](mailto:OCPRulemaking@dc.gov) or may be submitted by postal mail or hand delivery to the address above. Comments must be received no later than thirty (30) days after the date of publication of this notice in the *D.C. Register*. A copy of this proposed rulemaking may be obtained at the same address.

## DISTRICT OF COLUMBIA BOARD OF ELECTIONS

## NOTICE OF PROPOSED PRECINCT BOUNDARY CHANGES

The Board of Elections hereby gives notice of proposed precinct boundary changes as published in the 2013 Precinct Boundary Efficiency Plan (Plan). The Plan proposes to realign all voting precinct boundaries in the District to correspond with existing Advisory Neighborhood Commission (ANC) Single-Member District (SMD) boundary lines and to revise the precinct numbering system to associate each precinct to its designated ward. The majority of the new precinct boundaries will contain the entirety of only 2 SMDs, while several precincts will contain no more than 4 SMDs.

The assignment of an SMD to a single precinct boundary will achieve the following:

1. Allow voters in the same SMD to vote at a single polling place on Election Day;
2. Provide for a more balanced distribution of voters to a precinct;
3. Introduce several polling place efficiencies that will reduce wait times and enhance poll worker performance on Election Day; and
4. Reduce the ballot printing costs incurred by the Board of Elections and reduce some of its administrative burdens.

As a result of this realignment, some physical polling locations may be moved to a different facility. The public may review the Plan on the Board's website at <http://bit.ly/17CwIMq>, or in the Board's office at One Judiciary Square, 441 4<sup>th</sup> Street, NW, Suite 250 N, Washington DC 20001.

The public may submit written comments on the proposed boundaries contained in the Plan to the Board of Elections by Wednesday, October 30, 2013. Members of the public are also invited to participate in a public hearing on the Plan to be held on **Friday, October 18, 2013 at 10 a.m.** in the Office of Zoning Hearing Room, 2nd Floor South, One Judiciary Square or on **Thursday, October 24 at 6 p.m.** in the Old Council Chambers, 1<sup>st</sup> Floor South Lobby, One Judiciary Square.

## Office of the Secretary of the District of Columbia

### Request for Applications for Grant to Promote District of Columbia Self Determination, Voting Rights or Statehood

**Release Date: Friday, October 11, 2013**

**Applications Due: Tuesday, November 12, 2013 at Noon**

#### SECTION I: FUNDING OPPORTUNITY

The Office of the Secretary of the District of Columbia (OS) hereby invites the submission of applications to provide support for Mayor Vincent C. Gray's initiatives to achieve self-determination, budget and legislative autonomy, full voting rights in the United States Congress and/or statehood for the District of Columbia.

#### Background

The residents of the District of Columbia are United States citizens who serve in the military and pay federal taxes, but continue to lack full democracy and the same rights as residents of other states and municipalities, including autonomy from congressional oversight, voting representation in the United States House of Representatives and the United States Senate and Statehood.

The District of Columbia Home Rule Act of 1973 provided limited "Home Rule" for the District by allowing election of a Mayor and Council of the District of Columbia. Since then the District's elected officials and various groups have pursued strategies to raise awareness and secure changes in law to secure DC voting representatives to the U.S. House of Representatives and U. S. Senate and autonomy from congressional oversight. Unfortunately, democracy for DC has been derailed by non-germane proposals, riders on appropriations bills and failure to garner enough support for enactment of various proposals in the United States Congress.

For over a decade, the District has allocated funds to nonprofit organizations for educating citizens around the nation and pursuing strategies that highlight the continued lack of full democracy in the nation's capital. In addition, since 1990 District residents have elected a "shadow" delegation to Congress in order to promote statehood.

The Office of the Secretary is charged with responsibility for managing the funds allocated for full democracy for DC residents. The Fiscal Year 2014 Budget authorized \$200,000 for the Office of the Secretary of the District of Columbia to issue competitive grants to promote voting rights and statehood for the District of Columbia.

2014

**Purpose of Program**

The objective of this grant is to strengthen support for District representation in Congress and autonomy for the District of Columbia. This will require outreach, canvassing and measurement of support of elected officials and residents across the country and visitors to the nation's capital. The ultimate goal of this program is that the grantee(s) increase congressional and nationwide support for self-determination for the District of Columbia including, but not limited to, voting rights in the United States Congress, legislative and budget autonomy and DC statehood.

This program is funded with FY2014 funds, which must be expended by September 30, 2014, with a full accounting provided to the Office of the Secretary no later than December 31, 2014.

**SECTION II: AWARD INFORMATION**

\$200,000 in District funds will be available on a competitive basis. The release date of this Request for Applications (RFA) is 14 days after the date the Notice of Funding Availability was published in the *DC Register* which was Friday, September 27, 2013. This grant process conforms to the guidelines established in the *Grants Manual of the Office of Partnerships and Grant Services* (which is available at <http://opgs.dc.gov>).

All funds will be disbursed upon award of the grant, with a report and budget accounting required quarterly, and a final report due no later than December 31, 2014. All proposals must include a detailed description of how the funds will be spent, as well as a project plan. Creative proposals are encouraged. However, no grant applications will be considered from organizations without a track record of advocating on these issues and without a financial track record. No applications will be considered which include fiscal agents.

**SECTION III: ELIGIBILITY INFORMATION**

Eligibility for this grant is restricted to non-profit organizations with a 501(c) (3) certification, a current District of Columbia license, a "Clean Hands" certification that the organization does not owe any money to the District or Federal government, and that have a history of advocating for democracy and self-determination for DC including, but not limited to, DC voting rights, legislative and budget autonomy and/or statehood. **SERVE DC****NOTICE OF FUNDING OPPORTUNITY**

Serve DC – The Mayor’s Office on Volunteerism announces the availability of AmeriCorps State Competitive funding for Fiscal Year 2014 – 2015 to eligible organizations. Subject to the availability of appropriations for Fiscal Year 2014 (FY2014) and release of Application Instructions by the Corporation for National and Community Service (CNCS), new applicants with high-quality proposals will compete nationally with other State and National programs for Competitive funds made available through Serve DC and CNCS. The total amount of an applicant’s grant request must not exceed \$13,300 per Member Service Year. Applicants must request no less than five (5) Member Service Years and \$66,500. For Professional Corps, the applicant’s grant request must not exceed \$2,000 per Member Service Year and must request no less than five (5) Member Service Years and \$10,000.

Following Serve DC’s initial review of all applications, a decision will be made as to which programs Serve DC will recommend to CNCS for Competitive funding consideration. The remaining applications – and those not selected by CNCS for Competitive funding – will be considered for AmeriCorps Formula funds. Serve DC reserves the right to reject applicants from both the Competitive process and from consideration for Formula funding. Serve DC anticipates notifying Competitive awardees by mid-April 2014 and anticipates making Competitive grant awards in the first week of July 2014. Applicants considered for Formula funding will follow the Formula application timeline.

AmeriCorps is a national service network that provides full- and less than full-time opportunities for participants, called members, to serve their communities and build the capacity of nonprofit organizations to meet local environmental, educational, public safety, homeland security, or other human needs. Within these issue areas, programs may submit proposals that address specific problems of local communities.

On April 21, 2009, President Obama signed the Edward M. Kennedy Serve America Act, the most sweeping expansion of national service in a generation. This landmark law not only expands service opportunities, but also focuses national service on key outcomes; builds the capacity of individuals, nonprofits, and communities to succeed; and encourages innovative approaches to solving problems. In alignment with the Serve America Act, this AmeriCorps State *Notice of Funding Opportunity* will focus AmeriCorps grant making in six Focus Areas identified by the Act:

- Disaster Services
- Economic Opportunity
- Education
- Environmental Stewardship
- Healthy Futures
- Veterans and Military Families

In order to carry out Congress’ intent and to maximize the impact of the investment in national service, CNCS and Serve DC are seeking to fund programs that can demonstrate community

impact and solve community problems through an evidence-based approach (e.g. performance data, research, theory of change).

Subject to the release of Application Instructions by CNCS, CNCS and Serve DC will give priority consideration to focus areas as outlined in the Request for Application. CNCS and Serve DC will continue to focus on national service programs that improve academic outcomes for children, youth, and young adults. This focus reflects the extensive experience and past success of national service programs in education, and aligns with the efforts of the Department of Education. In addition, CNCS and Serve DC seek to increase its investment in programs that serve veterans and military families or engage veterans in service. CNCS and Serve DC will also focus investment in programs that increase community resiliency through disaster preparation, response, recovery, and mitigation.

Continuation requests for expansion will receive priority consideration and preference in the same manner.

Applicants proposing programs that receive priority consideration are not guaranteed funding. CNCS and Serve DC will pursue a balanced portfolio across the Focus Areas. Furthermore, programs must demonstrate significant program focus, design and impact to receive priority consideration. Applicants are highly encouraged to utilize national performance measures.

### **What types of AmeriCorps grants are available in this competition?**

The types of AmeriCorps grants in this competition are described below. CNCS and Serve DC will not provide more than one grant for the same project in one fiscal year. Also see the AmeriCorps State and National [Fit Finder](http://www.americorps.gov/fitfinder/) to decide which type of grant aligns with the proposed project (<http://www.americorps.gov/fitfinder/>).

**1. *Competitive:*** These grants are awarded to fund a portion of program costs and members' living allowance.

**2. *Professional Corps:*** These grants are awarded to organizations that propose to operate a Professional Corps program. Professional Corps programs place AmeriCorps members as teachers, health care providers, police officers, engineers, or other professionals in communities where there is a documented shortage of such professionals. Applicants are eligible to apply for funding for a portion of program costs. Professional Corps member salaries are paid entirely by the organizations with which the members serve, and are not included in the budget.

### **Match Requirements**

**1. *Cost Reimbursement Grants (non-fixed-amount):*** A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every year to 50 percent by year ten, according to the minimum overall share chart found in 45 CFR 2521.60.

#### ***Alternative Match***

Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in the regulations at 45

CFR §2521.60(b). To qualify, applicants must demonstrate that the proposed program is either located in a rural county or in a severely economically distressed community as defined in the Application Instructions. Applicants that plan to request an alternative match schedule must submit a request. State programs submit requests for alternative match to the State Commission. State Commissions submit on behalf of their state programs and Multi-State Programs (National Direct) submit their requests to [ACAlternateMatchScheduleRequests@cns.gov](mailto:ACAlternateMatchScheduleRequests@cns.gov).

Section 121(e)(5) of the National Community Service Act requires that programs that use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to CNCS on the Federal Financial Report.

<b>AmeriCorps Funding Year</b>	<b>1, 2, 3</b>	<b>4</b>	<b>5</b>	<b>6</b>	<b>7</b>	<b>8</b>	<b>9</b>	<b>10+</b>
Grantee Share Requirements	24%	26%	30%	34%	38%	42%	46%	50%

***What are the requirements regarding member living allowance?***

The proposed budget must include a living allowance for a full-time member is between \$12,100 (minimum) and \$24,200 (maximum) per member except as noted below.

For cost-reimbursement grants, this amount must be included in the proposed budget. The living allowance is not required for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must comply with the maximum limits in the chart below.

**Table 1: Minimum and Maximum Living Allowance**

<b>Service Term</b>	<b>Minimum # of Hours</b>	<b>Minimum Living Allowance</b>	<b>Maximum Total Living Allowance</b>
Full-time	1700	\$12,100	\$24,200
One-year Half-time	900	n/a	\$12,800
Reduced Half-time	675	n/a	\$9,600
Quarter-time	450	n/a	\$6,400
Minimum-time	300	n/a	\$4,260

**2014 AmeriCorps Funding Priorities**

In the FY 2014 AmeriCorps competition, CNCS seeks to prioritize the investment of national service resources in economic opportunity, education, veterans and military families, disaster services, and the Governor and Mayor Initiative (described more fully below). CNCS will continue to focus on national service programs that improve academic outcomes for children, youth, and young adults. This focus reflects the extensive experience and past success of national service programs in education, and aligns with the efforts of the Department of Education. In addition, CNCS seeks to increase its investment in programs that serve veterans and military families or engage veterans and military families in service. CNCS will also focus investment in programs that increase community resiliency through disaster preparation, response, recovery, and mitigation.

CNCS will focus investment in programs that increase economic opportunities for community and AmeriCorps members.

Finally, CNCS will focus on summer programming for K-12 students, especially those programs that address the academic “summer slide.” Proposed activities will engage youth and young adults as summer members to help support summer reading, math, science, and environmental learning activities for youth in rural and urban areas most likely at risk of summer learning loss.

#### Governor and Mayor Initiative

CNCS will be continuing its pilot of the Governor and Mayor Initiative, which will be given priority consideration in Tier 1. CNCS will accept one application per state. The application must address a pressing challenge the Governor wishes to solve in her or his state. A Governor must apply with one Mayor in his or her state and a minimum of two nonprofits. In conjunction with the Mayor, the Governor will be responsible for identifying and selecting those nonprofits that are best able to achieve a demonstrated positive impact on the problem. The application should include letters of commitment from all relevant parties. If the Governor and Mayor have not yet selected partnering nonprofit entities, they should describe the process that the Governor and Mayor will use to select the nonprofit entities. The application, submitted to the State Commission, will respond to the application criteria and explain how several nonprofits working together, with the Governor’s office serving as a convener, will effectively deploy AmeriCorps members for a collective impact. Only the Governor, Mayor, their designated government office (but not the state commission), or a public university may apply for grants under the Governor and Mayor initiative. Applications from other entities will be deemed non-compliant and will not be considered under this initiative.

For example, a Governor and a Mayor in a state could conclude the most pressing challenge facing the state is its high school graduation rate. The Governor and/or Mayor would submit one application describing:

- How the partnership will be organized and AmeriCorps resources will be allocated between the partnering entities (State, locality, and nonprofit entities).
- The proposed theory of change and program model.
- How they will utilize an identified consortium of nonprofits that are well positioned to achieve outcomes identified in the theory of change.

If you would like to be considered as a partner for the Governor and Mayor Initiative in DC, please notify Sarah Watkins at [sarah.watkins@dc.gov](mailto:sarah.watkins@dc.gov) by 5pm on October 25<sup>th</sup>.

Applicants proposing programs that receive priority consideration are not guaranteed funding. CNCS will seek to build a diversified portfolio across the focus areas, and other considerations. Furthermore, programs must demonstrate significant program focus, design, and impact to receive priority consideration. CNCS will give priority consideration to applicants in the following Tiers, in descending order of preference:

**Tier 1:** Programs that select:

- Complementary Program Measures in Economic Opportunity (Programs that select O12, O14, O15, O17 must also select an additional Priority or Complementary Program Measure from Tier 1, 2, or 3 that measures community impact), or
- Priority Measures in Veterans and Military Families, or
- Priority Measures in Disaster Services, or
- A Governor and Mayor Initiative

NOTE: CNCS' expectation is that if Tier 1 is selected at least 30% of your MSYs are in the complementary program measures or priority measures above. If that is not the case and Tier 1 has been selected, please explain in the narrative why it was not possible to meet the 30% threshold. Programs that fit these Priority or Complementary Program Measures should use these measures. These measures can be found in Section IX, Tier 1.

**Tier 2:** Programs that select Priority Measures in:

- Environmental Stewardship, or
- Healthy Futures, or
- Capacity Building
- Education and are not serving 100% in schools that received awards under the School Improvement Grants (SIG) program and are implementing one of the SIG school intervention models and/or Priority Schools identified by a State educational agency (SEA) that has received approval from the Department of Education of its request for Elementary and Secondary Education Act (ESEA) flexibility, or

Programs that have selected Priority Measures other than those in Tier 1 for:

- Economic Opportunity

NOTE: CNCS' expectation is that if Tier 2 is selected at least 30% of your MSYs are in the priority measures above. If that is not the case and Tier 2 has been selected, please explain in the narrative why it was not possible to meet the 30% threshold. 7

Programs that fit these Priority Measures should use these measures. These measures can be found in Section IX, Tier 1 or 2. Applicants whose members will be serving in schools that received awards under the School Improvement Grants (SIG) program and are implementing one of the SIG school intervention models and/or Priority Schools identified by a State educational agency (SEA) that has received approval from the Department of Education of its request for Elementary and Secondary Education Act (ESEA) flexibility must check the box on the Performance Measure tab in eGrants "SIG/Priority Schools" to be considered for Tier 1. The "NCES School ID" will need to be entered in the service location information at the time the members are enrolled.

**Tier 3:** Programs that select Complementary Program Measures. These measures can be found in Section IX, Tier 3.

**Tier 4:** Programs in the Focus Areas with self-nominated measures.

**Tier 5:** Programs outside the Focus Areas with self-nominated measures.

Continuation requests for expansion will receive priority consideration and preference in the same manner as described above.

**Criteria for Eligible Applicants:** Eligible applicants are local nonprofit organizations and/or state and local units of government. Programs applying to Serve DC for funding *must* operate their program only within the District of Columbia. Organizations that have been convicted of a Federal crime are disqualified from receiving funds. An organization described in Section 501(c)(4) of the Internal Revenue Code, 26 U.S.C. 501(c)(4), that engages in lobbying activities is not eligible to apply, serve as a host site for members, or act in any type of supervisory role in the program. **Individuals are not eligible to apply.**

**New Applicants:** CNCS and Serve DC encourage organizations that have never received funding from CNCS or AmeriCorps to apply for the grants described in this Notice. New organizations should submit applications commensurate with the community need with the understanding that the general practice is to award no more than 50 member slots for new grantees. All eligible applicants must meet all of the applicable requirements contained in the Request for Applications (RFA). The RFA will be available in early November 2013 on Serve DC's website at [www.serve.dc.gov](http://www.serve.dc.gov) or in person at Serve DC's office.

**The deadline for submission is November 21, 2013, by 5:00 pm.** Applications must be entered in to the CNCS eGrants online system and all required hard-copy documents must be submitted to Serve DC. Late applications will not be accepted. An application is considered late at 5:01 p.m. Additionally, applicants are **required** to attend one of the following technical assistance (TA) sessions: October 21, from 2:00-3:00pm, Continuation applicants only (Conference Call); October 23, or November 5, from 5:30-7:30pm in the Frank D. No exceptions will be made and late individuals will not be allowed to enter the office**); or October 24<sup>th</sup> from 2:00-4:00pm (Webinar). The original application was pursuant to 11 DCMR § 3104.1, for a special exception for the continued operation of an accessory parking lot under section 214, in the R-1-B District at premises 4434 Connecticut Avenue, N.W. (Square 1971, Lots 831 and 832).

<b>FINAL ORDER ISSUANCE DATE</b> (No. 18496):	February 7, 2013
<b>HEARING DATE FOR MODIFICATION:</b>	September 17, 2013
<b>MODIFICATION DECISION DATE:</b>	September 17, 2013

**SUMMARY ORDER ON REQUEST FOR MODIFICATION**

**BACKGROUND**

On February 5, 2013, the Board of Zoning Adjustment (the “Board” or “BZA”) approved Mid-Cities LLC’s (the “Applicant”) original request for a special exception pursuant to 11 DCMR § 3104.1, for the continued operation of an accessory parking lot under § 214 pursuant to 12 enumerated conditions, including Condition No. 3 which limits the hours of operation of the accessory parking lot in the R-1-B District at premises 4434 Connecticut Avenue, N.W. (Square 1971, Lots 831 and 832).

Specifically, Condition No. 3 stated:

“The hours of operation shall be from 8:00 a.m.to 9:00 p.m.”

BZA Order No. 18496, approving the original request, was issued on February 7, 2013. (Exhibit 30.) As approved in BZA Order 18496, the approval allowed the continued use of the accessory parking lot pursuant to 12 enumerated conditions, including Condition No. 3, hours of operation from 8:00 a.m. to 9:00 p.m.

**MOTION FOR MODIFICATION**

On July 24, 2013, the Applicant filed a Request for Modification of Condition No. 3 in Order No. 18349, pursuant to § 3129.7 of the Zoning Regulations with a Certificate of Service providing notice by electronic mail and first class mail to the Office of Planning (“OP”) and Advisory Neighborhood Commission (“ANC”) 3F, the affected ANC. (Exhibit 33.) The Applicant requested modification of Condition No. 3 to extend the operating hours of the accessory parking lot by four hours: *from* 8:00 a.m.

**BZA APPLICATION NO. 18496-A****PAGE NO. 2**

to 9:00 p.m. to 6:00 a.m. to 11:00 p.m.

Pursuant to § 3129.7, the Board conducted a hearing on the requested modification on September 17, 2013.<sup>1</sup> OP filed a report dated September 3, 2013 (Exhibit 35) recommending approval of the requested modification and appeared at the hearing. The affected ANC, ANC 3F, which was a party in support to the underlying case, filed a report dated July 26, 2013 in support of the request to extend the hours. The ANC's report indicated that at a duly noticed public special meeting with a quorum present, the ANC voted 4-0-0 to support the extending of the operating hours for the accessory parking lot and waived its right under § 3129.4. (Exhibit 34.)

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR § 3129, that the requested modification can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. No parties opposed this modification. Accordingly, a decision of the Board to grant this modification would not be adverse to any Party.

The Board concludes that the Applicant's proposed Modification of Condition No. 3 is well supported and consistent with requirements of § 3129.7 of the Zoning Regulations and represents a modification that does not change the material facts the Board relied upon in approving the original application.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law.

It is therefore **ORDERED** that this application for modification of Condition No. 3 be **GRANTED SO THAT CONDITION NO. 3 IS MODIFIED TO READ AS FOLLOWS:**

3. The hours of operation shall be from 6:00 a.m. to 11:00 p.m.

In all other respects, Order No. 18496 and the conditions approved therein remain unchanged.

**VOTE ON ORIGINAL APPLICATION ON FEBRUARY 5, 2013: 4-0-1**

<sup>1</sup> This case was originally placed on the September 10, 2013 Public Meeting Agenda, but the Board voted to move the case to the September 17, 2013 Public Hearing Agenda for a hearing, in compliance with the Zoning Regulations.

**Application No. 18622 of Laurence and Andrea Gibbons**, pursuant to 11 DCMR § 3103.2, for a variance from the lot area requirements under § 401.3, to construct a new one-family detached dwelling in the R-1-B District at premises 4301 16th Street, N.W. (Square 2698, Lot 37).

**HEARING DATE:** October 1, 2013

**DECISION DATE:** October 1, 2013

**SUMMARY ORDER**

**REVIEW BY THE ZONING ADMINISTRATOR**

The application was accompanied by a memorandum, dated February 7, 2007, from the Zoning Administrator, which stated that Board of Zoning Adjustment (“Board” or “BZA”) approval is needed for a variance from the minimum lot area requirements of § 401.3. (Exhibit 6.)

The Board of Zoning Adjustment (the “Board”) provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission (“ANC”) 4C, and to owners of property within 200 feet of the site. The site is located within the jurisdiction of ANC 4C, which is automatically a party to this application. ANC 4C did not submit a report nor testify at the hearing.<sup>1</sup>

The Office of Planning (“OP”) submitted a timely report in support of the application. (Exhibit 25.) The District Department of Transportation (“DDOT”) submitted a report recommending “no objection” to the requested variance, but indicated that public space permits may be required and detailed items of concern that would need to be addressed before the Applicant could obtain public space permits. (Exhibit 24.)

As directed by 11 DCMR § 3119.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for a variance under § 3103.2 from the strict application of the lot area requirement under § 401.3. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

---

<sup>1</sup> The Office of Planning’s (“OP”) report indicated that a similar application by the same property owner had been approved by the Board in 2008, but at that time the Applicant decided not to construct the home prior to the expiration of the variance approval. OP’s report also explained that for this application the ANC determined that its previous recommendation of approval still stood and decided not to review the requested relief a second time. (Exhibit 25.)

BZA APPLICATION NO. 18622

PAGE NO. 2

Based on the record before the Board and having given great weight to the OP report filed in this case, the Board concludes that in seeking the variance relief that the Applicant has met the burden of proof under 11 DCMR § 3103.2, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the requested relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirements of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that the application is hereby **GRANTED, SUBJECT TO THE PLANS AT EXHIBIT 10.**
