allow the Advisory Council on Historic Preservation an opportunity to comment on all projects affecting historic properties listed in the National Register. For further information, please refer to 36 CFR 800.

Eligibility for Federal Tax Provisions: If a property is listed in the National Register, certain Federal tax provisions may apply. The Tax Reform Act of 1986 (which revised the historic preservation tax incentives authorized by Congress in the Tax Reform Act of 1976, the Revenue Act of 1978, the Tax Treatment Extension Act of 1980, the Economic Recovery Tax Act of 1981, and the Tax Reform Act of 1984) provides, as of January 1, 1987, for a 20% investment tax credit with a full adjustment to basis for rehabilitating historic commercial, industrial, and rental residential buildings. The former 15% and 20% Investment Tax Credits (ITCs) for rehabilitation of older commercial buildings are combined into a single 10% ITC for commercial and industrial buildings built before 1936. The Tax Treatment Extension Act of 1980 provides Federal tax deductions for charitable contributions for conservation purposes of partial interests in historically important land areas or structures. Whether these provisions are advantageous to a property owner is dependent upon the particular circumstances of the property and the owner. Because the tax aspects outlined above are complex, individuals should consult legal counsel or the appropriate local Internal Revenue Service office for assistance in determining the tax consequences of the above provisions. For further information on certification requirements, please refer to 36 CFR 67.

Qualification for Federal Grants for Historic Preservation When Funds Are Available: The National Historic Preservation Act of 1966, as amended, authorizes the Secretary of the Interior to grant matching funds to the States (and the District of Columbia) for, among other things, the preservation and protection of properties listed in the National Register.

Owners of private properties nominated to the National Register have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing must submit to the State Historic Preservation Officer a notarized statement certifying that the party is the sole or partial owner of the private property, and objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. If a majority of private property owners object, a property will not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of eligibility for listing in the National Register. If the property is then determined eligible for listing, although not formally listed, Federal agencies will be required to allow the Advisory Council on Historic Preservation an opportunity to comment before the agency may fund, license, or assist a project which will affect the property. If an owner chooses to object to the listing of the property, the notarized objection must be submitted to the above address by the date of the Review Board meeting.

DISTRICT DEPARTMENT OF TRANSPORTATION

NOTICE OF SECOND PROPOSED RULEMAKING

The Director of the District Department of Transportation (DDOT), pursuant to the authority in Section 8 of the Bicycle Commuter and Parking Expansion Amendment Act of 2007, effective February 2, 2008 (D.C. Law 17-103; D.C. Official Code § 50-1641.07 (2012 Repl.)) and Mayor’s Order 2011-149, dated September 6, 2011, hereby gives notice of the intent to adopt the following rulemaking to amend Chapter 12 (Bicycles, Motorized Bicycles, and Miscellaneous Vehicles) of Title 18 (Vehicles and Traffic) of the District of Columbia Municipal Regulations (DCMR).

The proposed regulations establish requirements for residential buildings with eight (8) or more units to provide sheltered and secure bicycle parking.

An initial Notice of Proposed Rulemaking was published in the *D.C. Register* on October 5, 2012 at 59 DCR 11585. The agency received several comments. Based on the comments received, DDOT has modified the proposed rulemaking in the following ways: to reflect that storage is for short- and medium-term use and reserved for bikes in operable condition; to facilitate an agreement between residents and property management if one or more complaints are received by DDOT; to allow an exemption to the additional lighting requirement if a bicycle area is illuminated enough to be clearly visible; to modify language on building owners requesting hardship waivers; to modify language on design and lighting of bicycle rooms with solid walls; and to modify language on acceptable styles of bicycle racks.

DDOT received some comments that it felt conflicted with the goals of the rulemaking and did not modify the rulemaking as a result. Accordingly, DDOT: retained language on requiring parking to be covered while adding language on allowing parking to be located adjacent to buildings; retained language on interior parking locations; retained language on physical barriers for bicycle parking located in garages; did not add language on when a tenant must remove a bicycle prior to vacancy; and retained the waiver requirement in multiple sections.

The Director gives notice of the intent to take final rulemaking action in not less than thirty (30) days after the date of the publication of this notice in the *D.C. Register*. In addition, this rulemaking proposal will be submitted to the Council of the District of Columbia for approval.

Chapter 12, BICYCLES, MOTORIZED BICYCLES, AND MISCELLANEOUS VEHICLES, of Title 18, VEHICLES AND TRAFFIC, of the DCMR is amended as follows:

New Sections 1214, 1215, and 1216 are added to read as follows:

1214 BICYCLE PARKING REQUIREMENTS FOR RESIDENTIAL BUILDINGS

1214.1 All existing residential buildings with eight (8) or more units shall provide secure bicycle parking spaces for the storage of bicycles in operable condition.

- 1214.2 Each existing residential building covered by § 1214.1 shall provide a reasonable number of bicycle parking spaces within thirty (30) days after written request from one (1) or more tenants or property owners. A reasonable number shall be defined as the lesser of either:
- (a) One (1) bicycle parking space for each three (3) residential units; or
 - (b) Enough bicycle parking to meet the requested demand.
- 1214.3 If a complaint of noncompliance with this requirement is filed with the District Department of Transportation (DDOT) by one or more residents, DDOT shall facilitate discussions between the parties to determine the number of bicycle parking spaces that the residential building will provide. If the resident(s) and residential building cannot reach an agreement, DDOT shall make a determination of the number of bicycle parking spaces that the residential building shall provide.
- 1214.4 All new residential buildings with eight (8) or more units shall have at least one (1) secure bicycle parking space for each three (3) residential units.
- 1214.5 All substantially rehabilitated buildings with eight (8) or more units shall have at least one (1) secure bicycle parking space for each three (3) residential units or the same number of secure parking spaces as were in the building before the rehabilitation, whichever is greater.
- 1214.6 Where it can be demonstrated that providing sufficient bicycle parking spaces required under § 1214.2 or § 1214.4 is not physically practical, that undue economic hardship would result from strict compliance with the regulation, or that the nature of the building use is such that bicycle parking spaces would not be used, the District Department of Transportation Bicycle Program Office may grant, upon written application of the owner of the building, an appropriate exemption or reduced level of compliance. In such cases, the Bicycle Program Office shall issue to the building owner a written certificate documenting the exemption or reduced level of compliance.
- 1214.7 Any residential buildings that have been exempted from the requirements of this section due to the nature of the use of the building shall provide a minimum number of bicycle parking spaces equal to at least five percent (5%) of the number of people employed in the building or one (1) space, whichever is greater.
- 1214.8 The following types of buildings are exempt from the requirements of this section, in addition to those exempted under § 1214.6:
- (a) Elderly housing buildings;

- (b) Assisted living facilities; and
- (c) Nursing homes.

1214.9 A residential building shall be deemed new or substantially rehabilitated if the building permit is issued on or after the date of the publication of these rules.

1215.1 If possible, all required bicycle parking spaces in a residential building shall be located within the building.

1215.2 If bicycle parking spaces must be located outside of the building, the spaces shall be secure, covered, and adjacent to the building.

1215.3 Interior bicycle parking spaces shall be located no lower than the first cellar level or the first complete parking level below grade, and no higher than the first above-grade level.

1215.4 Spaces shall be available to employees, residents, and other building occupants.

1215.5 Required bicycle parking shall be provided as racks or lockers.

1215.6 Interior bicycle racks for required parking shall be provided in a parking garage or a bicycle storage room.

1215.7 Where required bicycle parking is provided in a garage, it shall be clearly marked and separated from adjacent motor vehicle parking spaces by wheel stops or other physical automobile barriers.

1215.8 For a bicycle room with solid walls, the entirety of the interior of the bicycle room shall be visible from the entry door. A motion-activated security light enclosed in a tamper-proof housing shall be provided in each bicycle room, unless otherwise illuminated in such a manner as to allow the bicycles to be clearly visible.

1215.9 Where required bicycle parking is provided in lockers, the lockers shall be securely anchored and meet the following minimum dimensions:

- (a) Twenty-four inches (24 in.) in width at the door end;
- (b) Eight inches (8 in.) in width at the opposite end;
- (c) Seventy-two inches (72 in.) in length; and
- (d) Forty-eight inches (48 in.) in height.

- 1215.10 Each required bicycle parking space shall be directly accessible by means of an aisle of a minimum width of forty-eight inches (48 in.) and have a minimum vertical clearance of seventy-five inches (75 in.). Aisles shall be kept clear of obstructions at all times.
- 1215.11 Bicycle parking spaces shall allow the bicycles to be placed horizontally on the floor or ground. In addition, vertical bicycle space racks may be utilized provided they support the bicycle without the bicycle being suspended. Bicycle parking spaces may not exclusively consist of vertical bicycle space racks.
- 1215.12 Each required bicycle parking space shall be a minimum width of twenty-four inches (24 in.), and shall be:
 - (a) A minimum of seventy-two inches (72 in.) in length if the bicycles are to be placed horizontally; or
 - (b) A minimum of forty inches (40 in.) in length if the bicycles are to be placed vertically.

1216 BICYCLE PARKING IN RESIDENTIAL BUILDINGS: FINES

- 1216.1 A violation of Section 1214 or 1215 shall be a Class 4 civil infraction pursuant to Chapter 32 of Title 16 of the D.C. Municipal Regulations.
- 1216.2 Adjudication of any infraction of Section 1214 or 1215 shall be pursuant to Titles I-III of the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985.

DEPARTMENT OF BEHAVIORAL HEALTH

NOTICE OF SECOND EMERGENCY AND PROPOSED RULEMAKING

The Director of the Department of Behavioral Health (“the Department”), pursuant to the authority set forth in Sections 5113, 5115, 5117 and 5118 of the “Fiscal Year 2014 Budget Support Act of 2013”, effective December 24, 2013 (D.C. Law 20-0061; 60 DCR 12472 (September 6, 2013)), hereby gives notice of the adoption of the following amendments to Subsection 2405.1 of Chapter 24 (Choice in Drug Treatment) of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR), on an emergency basis.

The Acting Director of the Department of Health adopted the emergency rule on August 15, 2013 and published it in the *D.C. Register* on August 23, 2013 at 60 DCR 12234. Since that time, the Department of Health Addiction Prevention and Recovery Administration merged with the Department of Mental Health into the new Department of Behavioral Health. Emergency action is necessary by the Department of Behavioral Health to immediately preserve public health, safety, and welfare by expanding the acceptable proofs of residency for substance abuse treatment in harmony with acceptable proofs of residency for other behavioral health programs. The emergency and proposed rules would amend the proof of residency requirements for participation in the Choice in Drug Treatment Program to harmonize residency requirements for substance abuse treatment with other behavioral health programs.

This second emergency rulemaking was adopted by the Director of the Department of Behavioral Health on March 18, 2014 and it became effective on that date. The emergency rules shall remain in effect for one hundred and twenty (120) days or until July 17, 2014 unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*.

The Director also gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the date of publication of this notice in the *D.C. Register*.

Subsection 2405.1(a) of Chapter 24 (Choice in Drug Treatment), Title 29 (Public Welfare) of the DCMR is amended to read as follows:

- (a) The applicant shall provide proof of District residency by presenting one (1) of the following:
 - (1) A valid motor vehicle operator’s permit issued by the District;
 - (2) A non-driver identification card issued by the District;
 - (3) A voter registration card with an address in the District;
 - (4) A copy of a lease or a rent receipt for real property located in the District;

- (5) A water, gas, or electric bill in the applicant's name for real property located in the District;
- (6) A letter from a D.C. homeless shelter verifying that the shelter is a place of residence for an individual with the intent to remain in the District;
- (7) A letter from a nonprofit agency verifying D.C. residency;
- (8) Confirmation of District Medicaid eligibility;
- (9) For applicant's under the age of 18, verification from a custodial parent or legal guardian who resides in the District that the applicant is a District resident; or
- (10) Written verification by Child and Family Services Administration, Division of Youth Rehabilitation Services or Court Social Services that the applicant is in their care or custody.

All persons desiring to comment on the subject matter of this proposed rulemaking should file comments in writing not later than thirty (30) days after the date of publication of this notice in the *D.C. Register*. Comments should be filed with Matthew Caspari, Department of Behavioral Health, 64 New York Avenue, N.E., Third Floor, Washington, D.C. 20002, or at Matthew.Caspari@dc.gov. Copies of the proposed rules may be obtained Monday through Friday, except holidays, between the hours of 8:45 A.M. and 4:45 P.M. at the same address. Questions concerning the rulemaking should be directed to Matthew Caspari, DBH General Counsel, at Matthew.Caspari@dc.gov or (202) 673-7505.

THE DISTRICT OF COLUMBIA HOUSING AUTHORITY**NOTICE OF EMERGENCY AND PROPOSED RULEMAKING**

The Board of Commissioners of the District of Columbia Housing Authority (“DCHA”) hereby gives notice, pursuant to the District of Columbia Housing Authority Act of 1999, as amended, effective May 9, 2000 (D.C. Law 13-105; D.C. Official Code § 6-203 (2012 Repl.)), of its intent to adopt, on an emergency basis, the following proposed amendments to Chapter 61 (Public Housing: Admission and Recertification) of Title 14 (Housing) of the District of Columbia Municipal Regulations (“DCMR”).

Per 1 DCMR 311.4(e), emergency rulemakings are promulgated when the action is necessary for the immediate preservation of the public peace, health, safety, welfare, or morals. There is an urgent need to adopt these emergency regulations to ensure that persons, including those in the shelter system, can receive immediate access to housing during this critical housing shortage for low income persons.

These emergency regulations were adopted by the Board on March 12, 2014 and became effective immediately. They will remain in effect for up to one hundred twenty (120) days from the date of adoption, until July 21, 2014, or upon publication of a Notice of Final Rulemaking in the *D.C. Register*, whichever occurs first.

The Board of Commissioners of DCHA also gives notice of intent to take rulemaking action to adopt these proposed regulations as final in not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

Chapter 61 (Public Housing: Admission and Recertification) of Title 14 (Housing) of the DCMR is amended as follows:

14 DCMR Section 6125 (Preferences for Placement Eligibility for Housing Choice Voucher Program Applicants), is amended to add a new Subsection 6125.12, to read as follows:

6125.12 Shelter System Relief—Applicants are included under this preference if an applicant is referred to DCHA by District of Columbia Department of Human Services (“DHS”) or some other District agency as designated by the Office of the Mayor as a homeless individual or family temporarily housed in a shelter and such applicant meets the DHS eligibility requirements in addition to the DCHA HCVP program requirements. Up to 113 vouchers are authorized for this purpose. Such vouchers will be available for issuance to individuals/families that are referred to DCHA by September 30, 2014 and any vouchers not issued to the referred families will no longer be available and will be returned to DCHA’s general voucher inventory for issuance to individuals/families selected from the DCHA waiting list. Any extension of this allocation will be made at the sole discretion of DCHA’s Executive Director.

Interested persons are encouraged to submit comments regarding this Proposed Rulemaking to

DCHA's Office of General Counsel within thirty (30) days of publication of this notice in the *D.C. Register*. Copies of this Proposed Rulemaking can be obtained at www.dcregs.gov, or by contacting Karen Harris at the Office of the General Counsel, 1133 North Capitol Street, NE, Suite 210, Washington, DC 20002-7599 or via telephone at (202) 535-2835. DEPARTMENT OF HUMAN SERVICES

NOTICE OF EMERGENCY AND PROPOSED RULEMAKING

The Director of the Department of Human Services (DHS), pursuant to the authority set forth in Section 31 of the Homeless Services Reform Act of 2005 (HSRA), effective October 22, 2005 (D.C. Law 16-35; D.C. Official Code § 4-756.02 (2012 Repl.)), and Mayor's Order 2006-20, dated February 13, 2006, hereby gives notice of adoption of amendments to Chapter 25 (Shelter and Supportive Housing for Individuals and Families) of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR) on an emergency basis.

The purpose of the proposed rulemaking is to align the terminology in the District of Columbia's (District) homeless services regulations with its practices for selecting available housing units for clients in the Scattered-Sites Transitional Housing Initiative (STI) and Permanent Supportive Housing (PSH) programs. DHS had previously described the standard it used as the U.S. Department of Housing and Urban Development's (HUD) Fair Market Rent (FMR) Standard; however, DHS has learned that the standard it uses is better described as HUD's Rent Reasonableness Standard. In an effort to assure that the terminology used in the homeless services regulations are consistent with the District's practices, DHS is seeking to amend the necessary sections in 29 DCMR Chapter 25 by replacing the FMR Standard with the Rent Reasonableness Standard. Further, the 29 DCMR § 2599 (Definitions) will be amended by removing the definition for "HUD Fair Market Rent" and adding "Rent Reasonableness Standard."

Emergency rulemaking action, pursuant to Section 6(c) of the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1206; D.C. Official Code § 2-505(c)), is necessary for the immediate preservation of the health, safety and welfare of District residents who are homeless. It is essential that DHS continue to apply the Rent Reasonableness Standard for identifying housing units for its supportive housing clients. Applying the FMR Standard, as opposed to the Rent Reasonableness Standard, could result in disruption of the DHS subsidy for clients housed under inconsistent housing standards, which is counter to the District's goal of moving people into affordable supportive housing.

DHS adopted the emergency rules on February 25, 2014. The emergency rules shall remain in effect until June 24, 2014; one hundred twenty (120) days after the rules were adopted, unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*. Pursuant to Section 31 of the HSRA (D.C. Official Code § 4-756.02), the proposed rules will be transmitted to the Council of the District of Columbia for a forty-five (45) day review period.

The Director gives notice of the intent to take final rulemaking action in not less than thirty (30) days after publication of this notice in the *D.C. Register*.

Section 2528 (STI Program – Determination of the Applicant Household's Housing Cost Contribution and Housing Assistance) of Chapter 25 (Shelter and Supportive Housing for Individuals and Families) of Title 29 (Public Welfare) of the DCMR is amended as follows:

Paragraph (a) of § 2528.3 is amended by replacing “HUD Fair Market Rent standards” with “Rent Reasonableness Standard” so that it reads as follows:

- (a) A clear statement of the maximum rental costs for which the family qualifies pursuant to the Rent Reasonableness Standard for their family size;

Section 2529 (STI Program – Tenant Housing Cost Contribution and Program Housing Cost Assistance) of Chapter 25 (Shelter and Supportive Housing for Individuals and Families) of Title 29 (Public Welfare) of the DCMR is amended as follows:

Subsection 2529.2 is amended to read as follows:

2529.2 The STI Program shall pay the difference between the household’s housing cost contribution and the cost of housing. For purposes of this section, the cost of housing shall include the cost of utilities, the relative share of which shall be determined as set forth in the DCHA Housing Choice Voucher Program regulations found at 14 DCMR § 6200. Subject to the availability of funds, the Department may pay an increased share of rent or utilities, when the housing cost exceeds the Rent Reasonableness Standard.

Section 2532 (STI Program – Unit Identification) of Chapter 25 (Shelter and Supportive Housing for Individuals and Families) of Title 29 (Public Welfare) of the DCMR is amended as follows:

Subsections 2532.1 and 2532.2 are amended to read as follows:

- 2532.1 Participation in the STI Program is conditional on accepting a unit that passes a housing inspection and meets the Rent Reasonableness Standard.
- 2532.2 An applicant shall be assigned one unit in the Program’s unit inventory list. An applicant may also find a unit of their choice, except that the unit shall pass a housing inspection and shall not exceed the Rent Reasonableness Standard for their family size.

Paragraph (c) of § 2532.3 is amended to read as follows:

- (c) Accept a unit that meets the Rent Reasonableness Standard for their family size.

Paragraph (b) of § 2532.5 is amended to read as follows:

- (b) Identifies an alternate unit that passes a housing inspection and does not exceed the Rent Reasonableness Standard for their family size;

Section 2540 (The Department’s Housing Subsidy Program for PSH Program Participants) of Chapter 25 (Shelter and Supportive Housing for Individuals and Families) of Title 29 (Public Welfare) of the DCMR is amended as follows:

Paragraph (a) of § 2540.5 is amended to read as follows:

- (a) A clear statement of the maximum rental costs for which the household qualifies pursuant to the Rent Reasonableness Standard for their household size;

Section 2542 (PSH Program – Unit Identification and Acceptance) of Chapter 25 (Shelter and Supportive Housing for Individuals and Families) of Title 29 (Public Welfare) of the DCMR is amended as follows:

Subsections 2542.1 and 2542.2 are amended to read as follows:

2542.1 Participants in the PSH Housing Program shall accept a unit that passes a housing inspection and meets the Rent Reasonableness Standard.

2542.2 A PSH Program participant shall be assigned one (1) unit in the available unit inventory list. The Program shall consider the participant’s stated needs and preferences when assigning the unit to the extent possible considering the PSH Program inventory and the housing market. Participants may also find a unit of their choice, as long as such unit passes a housing inspection required by the PSH Program and does not exceed the Rent Reasonableness Standard for their household size.

Paragraph (d) of § 2542.3 is amended to read as follows:

- (d) Accept a unit that meets the Rent Reasonableness Standard for their household size.

Section 2599 (Definitions) of Chapter 25 (Shelter and Supportive Housing for Individuals and Families) of Title 29 (Public Welfare) is amended by removing the term, “HUD Fair Market Rent” and its corresponding definition.

Section 2599 (Definitions) of Chapter 25 (Shelter and Supportive Housing for Individuals and Families) of Title 29 (Public Welfare) is amended by adding the following term and definition in alphabetical order:

Rent Reasonableness Standard – is defined by the United States Housing and Urban Development, and means that the total rent charged for a unit must be reasonable in relation to the rents being charged during the same time period for comparable units in the private unassisted market and must not be in excess of rents being charged by the owner during the same time period for comparable non-luxury unassisted units.

All persons who desire to comment on these proposed rules should submit their comments in writing to David A. Berns, Director, Department of Human Services, 64 New York Avenue, N.E., 6th Fl., Washington, DC 20002, Attn: Ms. Michele Salters Williams, Family Services Administrator, or by email to Michele.Williams@dc.gov. All comments must be received by the Department of Human Services not later than thirty (30) days after publication of this notice in the *D.C. Register*. Copies of these rules and related information may be obtained by writing to the above address, or by calling the Department of Human Services at (202) 671-4200.

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT**

Application No. 18654 of Craig and Laura Hickein, pursuant to 11 DCMR § 3104.1, for a special exception for an addition to a row dwelling used as a two-family flat¹ under section 223, not meeting the lot area (section 401), lot occupancy (section 403), nonconforming structure (subsection 2001.3), and rear yard (section 404)² requirements in the R-4 District at premises 4008 3rd Street N.W. (Square 3313, Lot 100).

HEARING DATE: March 4, 2014

DECISION DATE: March 4, 2014

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibit 8.)

The Board of Zoning Adjustment (“Board” or “BZA”) provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to the Applicant, Advisory Neighborhood Commission (“ANC”) 4C, and to all owners of property within 200 feet of the property that is the subject of this application. The subject property is located within the jurisdiction of ANC 4C, which is automatically a party to this application. A letter recommending approval was received from ANC 4C. (Exhibit 30.)

The Office of Planning (“OP”) submitted a report in support of the application, subject to a condition. (Exhibit 29.) The District Department of Transportation (“DDOT”) submitted a letter stating “no objection”. (Exhibit 25.)

As directed by 11 DCMR § 3119.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for a special exception under § 3104.1 from the strict application of the regulations pertaining to §§ 223, 401, 403, 2001.3, and 404. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

The Board concludes that the Applicant has met the burden of proof for special exception relief, pursuant to 11 DCMR §§ 3104.1, 223, 401, 403, 2001.3, and 404, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the

² As proposed in Applicant’s request for amended relief (Exhibit 31)

BZA APPLICATION NO. 18654

PAGE NO. 2

requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirements of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that this application, pursuant to revised plans contained in Exhibit 31, be **GRANTED, SUBJECT** to the following **CONDITION**:

1. The Applicant shall retain the rear yard parking pad with a minimum vertical clearance above the pad of 6-feet, 6-inches for the additional deck, in accordance with subsection 2115.5 of the Zoning Regulations.

VOTE: **5-0-0** (Lloyd L. Jordan , Marcie I. Cohen, S. Kathryn Allen, Marnique Y. Heath, and Jeffrey L. Hinkle to approve.)

BY ORDER OF THE D.C. BOARD OF ZONING ADJUSTMENT

The majority of the Board members approved the issuance of this order.

HEARING DATE: March 4, 2014

DECISION DATE: March 4, 2014

SUMMARY ORDER ON 3rd REQUEST FOR MODIFICATION

SELF CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board of Zoning Adjustment (“Board”) provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission (“ANC”) 3F and to owners of property within 200 feet of the site.

By its order No. 14619, dated September 15, 1987 (“the original Order”), the Board granted the Applicant herein approval to establish a community center building, including a tennis court and a swimming pool at the Subject Property. Subsequent orders were issued, to wit, No. 14619¹ (issued May 5, 1988 modifying the plans) and 14619-B (issued June 15, 2010 modifying one condition). The instant order relates back to the most recent modification – 14619-B.

In Order No. 14619-B, Condition A provides as follows: “The membership of the Lenore Pool and Tennis Club, or any successor entity that will use the recreational facilities, shall be limited to no more than 20 families. No more than three of the member families may reside in excess of 1,000 feet from the subject site.” The Applicant herein has requested a modification of this condition to increase the number of memberships from 20 to 25 and to increase the number of families that can live more than 1,000 feet from the site from three to five. Given the true nature of the Applicant’s request, the Board, on its own motion amended this application to include a modification of the previous Order – No. 14619-B pursuant to § 3129.7, *et. seq.*, which provides as follows:

3129 MODIFICATION OF APPROVED PLANS

...
3129.7 A request to modify other aspects of a Board order may be made at any

time, but shall require a hearing.

3129.8 The scope of a hearing conducted pursuant to § 3129.7 shall be limited to impact of the modification on the subject of the original application, and shall not permit the Board to revisit its original decision.

3129.9 The filing of any modification request under this section shall not act to toll the expiration of the underlying order and the grant of any such modification shall not extend the validity of any such order.

Addressing the impact test of § 3129.8, the Applicant noted in testimony at the hearing of March 4, 2014 that the change would not create an adverse impact on the community and that neighbors have raised no issues related to the facility. In light of this testimony, the Board concludes that the Applicant has met the requirements for a modification under § 3129.7.

Regarding the special exception aspect of the relief, the Applicant maintains that the previously-approved use remains unchanged.

The Board notes that the site of this application is located within the jurisdiction of ANC 3F, which is automatically a party to this application. ANC 3F filed a report, dated March 4, 2014. In the report, the ANC stated that at a regularly scheduled public meeting on February 18, 2014, with a quorum of Commissioners present, the ANC voted to approve the application. (Exhibit 26.)

The Office of Planning (“OP”) submitted a timely report, dated February 25, 2014, recommending approval of the application with the modified condition. (Exhibit 24.)

The District Department of Transportation (“DDOT”) submitted a report, dated February 25, 2014, stating that the proposed project will have no adverse impacts on the travel conditions of the District’s transportation network. (Exhibit 25.)

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1 for a special exception for continuing a community center use under § 209. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the ANC and OP reports, the Board concludes that the Applicant has met the burden of proof under 11 DCMR §§ 3104.1 and 209 that the requested special exception can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested special exception will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

PAGE NO. 3**

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case. It is therefore **ORDERED** that this application be **GRANTED WITH THE FOLLOWING CONDITIONS, AS MODIFIED by the Board²**:

- A. The membership of the Lenore Pool and Tennis Club, or any successor entity that will use the recreational facilities, shall be limited to no more than 25 families. No more than six of the member families may reside in excess of 1,000 feet from the subject site.
- B. Except for security lighting, the recreational facilities shall not be illuminated at night.
- C. No parking shall be provided on the site.
- D. The Applicant shall provide for private trash collection service from the site on a regular basis.
- E. The Applicant shall provide evergreen landscaping along the boundaries of the site bordering public rights-of-way to screen the facilities from the streets.

(Square 238, Lot 802).

DECISION DATE: March 11, 2014

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

Pursuant to 11 DCMR § 3181 this application was tentatively placed on the Board's expedited calendar for decision without hearing as a result of the applicant's waiver of their right to a hearing. The Board waived the late filing of the affidavit of posting.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 1B, and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 1B, which is automatically a party to this application. ANC 1B did not submit a report in support of the application. The ANC Single Member representative submitted a letter in support of the application. The Office of Planning ("OP") submitted a report and testified at the hearing in support of the application. The Department of Transportation submitted a letter of no objection.

No objections to expedited calendar consideration were made by any person or entity entitled to do by §§ 2118.6 and 2118.7 and no requests for party status were received. The matter was therefore called on the Board's expedited calendar for the date referenced above and the Board voted to grant the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for a special exception under subsection 223.

Based upon the record before the Board and having given great weight to the OP report, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 223, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that

granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application (pursuant to Exhibits 8 – Plans) be **GRANTED**.
