(a) The Mayor shall supervise the implementation of this subtitle and manufacturer, partnership, and representative organization activities conducted in connection with this subtitle, including commercial and competitive behavior, provided, that nothing in this section is intended to, or does, create a private right of action against the government of the District of Columbia and its officers, employees, agents, representatives, contractors, successors, and assigns based upon compliance or noncompliance with its provisions.

(b) Notwithstanding the provisions of Chapter 45 of Title 28, a manufacturer or manufacturers and a partnership or representative organization may negotiate, enter into agreements with, share the burdens of their operation with, and conduct business with each other in accordance with this subtitle in ways that may affect competition. partnership, or representative organization shall be prosecuted, held liable, or subject to penalties or damages under Chapter 45 of Title 28, for actions conducted in accordance with this subtitle

Sec 124 Reporting requirements

(a) On March 1, 2017, and annually thereafter, the Mayor shall submit a report to the Council regarding implementation of the provisions in this subtitle and estimating, based on best available information, the progress the District has made toward achieving the goal outlined in section 116. The annual reports shall be posted on the Mayor's website by April 1 of each year.

(b) By March 1, 2019, the Mayor shall submit a report to the Council analyzing the effectiveness of the provisions outlined in this subtitle in meeting the goal established in section 116, and recommending any changes necessary to ensure that the goal may be met as early as possible. The report shall further advise the Council whether the convenient collection service alternative to the minimum collection share requirement allowed under section 119(a)(3) has generated per capita collection rates similar to the best performing electronics waste programs in other jurisdictions, considering relevant differences in covered electronic equipment and the electronics waste stream.

Sec 125 Limitation in the event of a federal program

Upon the establishment and implementation of a federal program for the collection and recycling or reuse of covered electronic equipment discarded by households, sections 115, 116, 117, 118, 119, 120, 121, 122, 123, and 124 shall not apply to that covered electronic equipment.

(2) The Mayor may expand the definition of covered electronic equipment to include items exempted in section 115(4), provided, that the Mayor shall not do so before January 1, 2018, provided further, that the Mayor shall not include household appliances. Before issuing such a rule, the Mayor shall provide a report and economic analysis to the Council outlining the reasons that expanding the definition is beneficial to the District's electronics waste diversion activities and will likely result in higher recycling or reuse rates of the electronic equipment that the Mayor proposes to include.

(b) The Mayor may establish civil penalties or fines to enforce the provisions of this subtitle and the regulations promulgated pursuant to this subtitle.

SUBTITLE P. UNITED MEDICAL CENTER TRANSFORMATION INITIATIVE**Sec 5151 Short title**

This subtitle may be cited as the “United Medical Center Transformation Initiative Act of 2014”

Sec 5152 Findings and policy

(a) It is the policy of the District government that there shall be an enduring, full-service hospital east of the Anacostia River To effect this policy, the government is committed to improving the United Medical Center (“UMC”) with the expectation that its improved financial condition (i.e., solvency) will enable eventual divestiture of UMC from District ownership and management

(b) The government recognizes and supports the proposition that maintaining full hospital service may likely entail more than renovation of the current facility on Southern Avenue, S E

(c) Substantial funding has been made available to UMC in the Capital Improvement Plan accompanying the Fiscal Year 2015 budget Although most of these dollars are strategic investment in facilities, equipment, and information technology, the Council would be supportive of utilizing these dollars toward a viable proposal, which may involve a public-private partnership, to construct a new hospital facility rather than renovation of the existing facility

(d) The Council affirmatively approved a contract in 2012 with Huron Consulting Group (“Huron”) in part to improve the operations of UMC and to assist with the divestiture of UMC from District ownership and management Huron is urged to solicit bidders for ownership and management without constraint as to a particular business model or financing structure other than to obtain an offer that is both in the best interest of the District government and the policy to maintain an enduring, full-service hospital east of the Anacostia River

(e) The Executive is urged to move forward expeditiously with improving UMC operations and soliciting proposals for private sector takeover of the ownership and management of the United Medical Center

The written notice shall set forth the damages, penalties and other costs for which the respondent may be liable, the rights and obligations of the parties, and the process for contesting the complaint

“(2) The Mayor shall also include an additional notice to employees stating that an investigation is being conducted and providing information to employees on how they may participate in the investigation. Upon receipt, the respondent shall post this additional notice for a period of at least 30 days

The Mayor may also proceed with any audit or subpoena to determine if the rights of employees other than the complainant have also been violated

“(5) If a respondent denies the allegations, the respondent must notify the Mayor of that decision and may provide any written supporting evidence within 20 days of the date the complaint is mailed

“(6) If a respondent fails to respond to the allegations within 20 days of the date the complaint is delivered, the allegations in the complaint shall be deemed admitted and the Mayor shall issue an initial determination requiring the respondent to pay any unpaid wages, compensation, liquidated damages, and fine or penalty owed and requiring the respondent to cure any violations

The initial determination shall set forth a brief summary of the evidence considered, the findings of fact, the conclusions of law, and an order detailing the amount owed by the respondent or other relief deemed appropriate, if any. The initial determination shall be provided to both parties and set forth the losing party’s right to appeal under this section or to seek other relief available under this act

“(8) In addition to determining whether the complainant has demonstrated that the employer has violated one or more provisions of this act, or the Minimum Wage Revision Act, the Sick and Safe Leave Act, or the Living Wage Act, by applying the presumption required by section 5(b), the Mayor shall make an initial determination of whether the complainant is entitled

“(9) If the Mayor fails to issue an initial determination within 60 days of the filing of a complaint, the complainant shall have a right to request a formal hearing before an administrative law judge

“(d)(1) The Mayor shall work with the parties in an attempt to conciliate. Any conciliation agreement shall be between the respondent and the complainant and shall be reduced to an administrative order requiring the respondent to pay any unpaid wages, compensation, liquidated damages, and fine or penalty owed and requiring the respondent to cure any violations

“(2) When an administrative order issued as a result of a conciliation agreement is subsequently breached, the Mayor or the complainant may enforce the administrative order pursuant to this section

“(e)(1) Within 30 days of the issuance of the initial determination or administrative order, not issued as a result of conciliation, either party may file for a formal hearing before an administrative law judge. If the initial determination was not issued within the 60-day period specified in subsection (c)(7) of this section, a complainant may file for a formal hearing before an administrative law judge. An administrative law judge shall conduct a hearing to determine whether a violation of this act or the Minimum Wage Revision Act, the Living Wage Act, or the Sick and Safe Leave Act has occurred. The hearing shall be scheduled within 30 days of a request, except that the administrative law judge shall issue an order based on the findings from the hearing. The administrative law judge may grant each party one discretionary continuance due to hardship or scheduling of up to 15 days. The administrative law judge may grant any other request for continuance only for good cause

“(2) The administrative law judge shall have the authority to administer oaths, issue subpoenas, compel the production of evidence, receive evidence, and consolidate 2 or more complaints into a single hearing where such complaints involve sufficiently similar allegations of fact to justify consolidation

“(3) All parties shall appear at the hearing, with or without counsel, and may submit evidence, cross-examine witnesses, obtain issuance of subpoenas, and otherwise be heard. Testimony taken at the hearing shall be under oath, and a transcript shall be made available at cost to any individual unless the case is sealed. Testimony may also be given and received by telephone

“(4) The burden of proof by a preponderance of the evidence shall rest upon the complainant, but shall shift to the respondent when the following conditions are met

“(A) A respondent failed to keep records of an employee's hours worked, or records of compensation provided to an employee are imprecise, inadequate, missing, fraudulently prepared or presented, or are substantially incomplete, and

“(B) A complainant presents evidence to show, as a matter of just and reasonable inference, the amount of work done or the extent of work done or what compensation is due for the work done

ENROLLED ORIGINAL

“(5) Where the conditions in paragraph 4(A) and (B) of this subsection are met, the respondent must present compelling evidence of the precise amount of work performed and exact compensation promised or present compelling evidence to negate the reasonableness of the inferences drawn from the complainant's evidence. If the respondent fails to meet this burden, the administrative law judge shall award damages based on the complainant's evidence and may award approximate damages where necessary.

“(6) If a respondent does not appear after receiving notice of a hearing pursuant to this section, the administrative law judge shall proceed to hear proof of the complaint and render judgment accordingly. If, after receiving notice of a hearing pursuant to this section, the complainant does not appear, the administrative law judge shall dismiss the complaint without prejudice.

“(f)(1) At the conclusion of the hearing, the administrative law judge shall issue a decision setting forth a brief summary of the evidence considered, findings of fact and conclusions of law, and an order detailing the relief determined appropriate to the parties and their representatives within 30 days of the hearing.

“(2) Appropriate relief may include any and all unpaid wages, reasonable attorneys' fees and costs, pursuant to subsection (b) of this section, and any liquidated damages.

“(3) The decision and order shall be considered a final administrative ruling, enforceable in a court of competent jurisdiction, and reviewable as provided by applicable law.

“(g)(1) Respondents shall comply with the provisions of any order or conciliation agreement affording relief and shall furnish proof of compliance to the Mayor as specified in the order. If the respondent refuses or fails to comply with the administrative order or conciliation agreement, the Mayor or the complainant may record a lien and may sue in the Superior Court of the District of Columbia for a remedy, enforcement, or assessment or collection of a civil penalty.

“(2) The Superior Court of the District of Columbia shall have no jurisdiction to adjudicate the merits of the underlying claim, but is limited to enforcement of the administrative order or conciliation agreement.

“(3) The Mayor may, at the request of an employee, take an assignment in trust for the assigning employee of such wages and join in a proceeding or action such claims against the same employer as the Mayor considers appropriate, and the Mayor shall have power to settle and adjust any such claim or claims on such terms the Mayor may consider just, provided, that no settlement for an amount less than the amount awarded by the administrative law judge shall be agreed to without the complainant's consent. The Mayor shall maintain regular contact with the complainant concerning the procedural status of any legal actions brought under the assignment and the complainant shall have the right to inquire about and receive information regarding the status of the enforcement action.

“(h) If a respondent fails to timely comply with an administrative order or conciliation agreement that has not been stayed, the Mayor shall

“(1) Assess an additional late fee equal to 10% of the total amount owed for each month any portion of the award and any already accrued late penalty remains unpaid,

ENROLLED ORIGINAL

“(2) Require the respondent to post public notice of their failure to comply in a form determined by the Mayor, and

“(3) Consider any unpaid amount to be owed the District as past due restitution on behalf of an employee and suspend any licenses issued to do business in the District as set forth in subsection (1) of this section. Penalty amounts, including civil and criminal penalties and late fees, and any wages, damages, interest, costs, or fees awarded to an employee or representative shall be a lien upon the real estate and personal property of the person who owes them. The lien shall take effect by operation of law on the day immediately following the due date for payment, and, unless dissolved by payment, shall as of that date be considered a tax due and owing to the District, which may be enforced through any and all procedures available for tax collection.

“(i) The Mayor shall

“(1) Deny an application for any license to do business issued by the District if, during the 3-year period before the date of the application, the applicant admitted guilt or liability or has been found guilty or liable in any judicial or administrative proceeding of committing or attempting to commit a willful violation of this act, the Minimum Wage Revision Act, the Living Wage Act, or the Sick and Safe Leave Act, or any other District, federal, or state law regulating the payment of wages. This subparagraph shall not apply to any person whose final administrative adjudication or judicial judgment or conviction was entered before the effective date of the Wage Theft Prevention Amendment Act of 2014, passed on 2nd reading on July 14, 2014 (Enrolled version of Bill 20-671), and

“(2) Suspend any license to do business issued by the District if the licensee has failed to comply with an administrative order or conciliation agreement issued under this section. Once alerted to an alleged lack of compliance, the Mayor shall notify the business that its license will be suspended in 30 days until the business provides proof that it is in full compliance with the administrative order or conciliation agreement, including any requirements for accelerated payment, interest, or additional damages in the event of a breach. Before the license suspension, the business will have an opportunity to request a hearing to be held pursuant to the Administrative Procedure Act.

“(j) The administrative remedies established in this act shall be in addition to any other criminal, civil, or other remedies established by law that may be pursued to address violations of this act and shall not prejudice or adversely affect any other action, civil or criminal, that may be brought to abate a violation or to seek compensation for damages suffered.

“(k) Any person may be represented by counsel in any proceeding under this act. Any party, including corporate entities, as an alternative to counsel, may be assisted by a non-lawyer authorized by that party in accordance with 1 DCMR § 2835, except where such representation is prohibited by law or disallowed by the administrative law judge for good cause.

“(l)(1) Any party may request that a subpoena be issued by the administrative law judge. Witnesses summoned by subpoena shall be entitled to the same witness and mileage fees as are witnesses in proceedings in the Superior Court of the District of Columbia. Fees payable to a witness summoned by subpoena issued at the request of a party shall be paid by that party.

“(2) Within 10 days after service of a subpoena upon any person, the person may petition the administrative law judge to quash or modify the subpoena. The administrative law judge shall grant the petition if he or she finds that the subpoena

“(A) Requires appearance or attendance at an unreasonable time or place,

“(B) Requires production of evidence that does not relate to the matter, or

“(C) Does not describe with sufficient particularity the evidence to be produced, that compliance would be unduly onerous, or for other good reason

“(3) In the case of refusal to obey a subpoena, the administrative law judge or any party may seek enforcement of a subpoena issued under the authority of this act by filing a petition for enforcement in a court of competent jurisdiction. In the enforcement proceeding, the court may award to the party prevailing in the enforcement proceeding all or part of the costs and attorney’s fees incurred in obtaining the enforcement order

“(4) Any person who fails or neglects to attend and testify or to answer any lawful inquiry or to produce records, documents, or other evidence, without good cause, may be fined by a court of competent jurisdiction not more than the amount set forth in section 101 of the Criminal Fine Proportionality Amendment Act of 2012, effective June 11, 2013 (D C Law 19-317, D C Official Code § 22-3571 01) or imprisoned not more than 60 days, or both

“(m)(1) The administrative law judge, in any action brought under this section shall, in addition to any administrative order awarded to the prevailing plaintiff, allow costs of the action, including costs or fees of any nature, and reasonable attorney’s fees, to be paid by the defendant. In any administrative order in favor of any employee under this section, and in any proceeding to enforce an administrative order, the court shall award to each attorney for the employee an additional judgment for costs, including attorney’s fees computed pursuant to the matrix approved in *Salazar v District of Columbia*, 123 F Supp 2d 8 (D D C 2000), and updated to account for the current market hourly rates for attorney’s services. The administrative law judge shall use the rates in effect at the time the determination is made

“(2) If the fees remain unpaid to the attorney at the time of any subsequent review, supplementation, or reconsideration of the fee award, the administrative law judge shall update the award to reflect the hours actually expended and the market rates in effect at that time. No reduction shall be made from this rate, or from the hours actually expended, except upon clear and convincing evidence that the reduction will serve the remedial purposes of this law

“(3) Costs shall also include expert witness fees, depositions fees, witness fees, juror fees, filing fees, certification fees, the costs of collecting and presenting evidence, and any other costs incurred in connection with obtaining, preserving, or enforcing the administrative order

Councilmember Vincent B. Orange, Sr. announces the rescheduling of a public hearing by the Committee on Business, Consumer, and Regulatory Affairs on B20-892, the “Small and Certified Business Enterprise Development and Assistance Waiver Certification Amendment Act of 2014”. The public hearing is rescheduled from Wednesday, October 15, 2014 to Wednesday, October 22, 2014. The hearing will be held at 10:00 a.m. in Room 500 of the John A. Wilson Building, 1350 Pennsylvania Ave., NW, Washington, DC 20004. *This notice is revised to announce the rescheduling of the hearing for Wednesday, October 22, 2014 at 10:00 a.m. in Room 500. In addition, the notice is being revised in order to add two new items to the hearing agenda: B20-938, the “Certified Business Re-Certification Amendment Act of 2014” and B20-939, the “Small and Certified Business Enterprise Quarterly Expenditure Amendment Act of 2014”.*

B20-892, the “Small and Certified Business Enterprise Development and Assistance Waiver Certification Amendment Act of 2014” amends the Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005 (“Act”) to require the Director of the Department of Small and Local Business Development (“DSLBD”), prior to granting a waiver under Section 2346 of the Act, to conduct a good faith effort to determine that there are no qualified small or certified business enterprises to perform the contract solicitation. Further, the Director would be required to wait 20 days before granting a proposed waiver and must issue a written waiver certification that all good faith requirements have been met.

B20-938, the “Certified Business Re-Certification Amendment Act of 2014” would amend the Act to allow for self-certification, longer re-certification times for a business that has been previously certified and to reduce the amount of paperwork necessary for re-certification.

B20-939, the “Small and Certified Business Enterprise Quarterly Expenditure Amendment Act of 2014” would amend the Act to require all District agencies spend at least 25% of its expendable budget on a quarterly basis with Small Business Enterprises (SBE), prohibit agencies from spending more than 50% of its non-SBE expendable budget with non-SBE’s, and provides a penalty for agency directors for non-compliance.

Individuals and representatives of organizations who wish to testify at the public hearing are asked to contact Faye Caldwell of the Committee on Business, Consumer, and Regulatory Affairs at (202) 727-6683 or by email at fcaldwell@dccouncil.us and provide their name(s), address, telephone number, email address and organizational affiliation, if any, by close of business Wednesday, October 15, 2014. FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 13-08 (Square 5914, LLC and the Washington Metropolitan Area Transit Authority – Consolidated Planned United Development & Related Map Amendment @ Square 5914)

THIS CASE IS OF INTEREST TO ANCs 8E and 8C

On May 2, 2013, the Office of Zoning received an application from Square 5914, LLC (the “Applicant”). The Applicant is requesting approval of a planned unit development (“PUD”) and related Zoning Map Amendment application. The Office of Planning provided its report on June 28, 2013, and the case was set down for hearing on July 8, 2013. The Applicant provided its prehearing statement on September 12, 2014.

The Subject Property is currently improved with an entrance to the Congress Heights Metro Station and four residential buildings. The Kiss and Ride Parking Lot for the Congress Heights Metro station and the Alabama Avenue entrance to the St. Elizabeth's Hospital East Campus property are located across Alabama Avenue from the Subject Property. The Subject Property consists of approximately 88,486 square feet of land area. The Subject Property is currently included in the R-5-A Zone District and is included in the mixed-use medium density residential/medium density commercial land use categories on the District of Columbia's Comprehensive Plan Future Land Use Map. The Applicant proposes to rezone the Subject Property to the C-3-B Zone District.

The Applicant proposes the development of a mixed-use, transit-oriented project consisting of two buildings with frontage along Alabama Avenue, S.E. and 13th Street, S.E. The PUD project will maintain the entrance to the Congress Heights Metro Station and will include an enhanced plaza area around the entrance to the Metro Station. The PUD project will include approximately 205-215 apartment units and ground floor retail in the building located at the intersection of Alabama Avenue and 13th Street. The residential building will have a measured building height of approximately 90 feet. The residential portion of the project will include an amount of affordable housing that will satisfy the District's Inclusionary Zoning requirements. The PUD project will also include an office building, with ground floor retail, located along Alabama Avenue. The office building will include approximately 236,000 square feet and will have a measured building height of approximately 90 feet. Approximately 26,000 square feet of ground floor retail will be provided in the project, with approximately 1,600 square feet of that retail space reserved for local tenants at reduced rent rates.

**Z.C. NOTICE OF PUBLIC HEARING
Z.C. CASE NO. 13-08
PAGE 2**

The proposed project will include a total of approximately 443,470 square feet of gross floor area, resulting in a floor area ratio (“FAR”) of approximately 5.01. The project will include approximately 218 parking spaces which will be accessed from a new private alley at the rear of the Subject Property via Alabama Avenue and 13th Street.

The C-3-B Zone District permits a maximum density of 5.0 FAR (4.0 commercial) as a matter-of-right and 5.5 FAR (4.5 commercial) in a PUD project. The maximum height allowed as a matter-of-right in the C-3-B Zone District is 70 feet. A PUD project in the C-3-B Zone District permits a maximum height of 90 feet.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. The applicable time limits for oral testimony are described below. Written statements, in lieu of personal appearances or oral presentation, may be submitted for inclusion in the record.

How to participate as a party.

Any person who desires to participate as a party in this case must so request and must comply with the provisions of 11 DCMR § 3022.3.

A party has the right to cross-examine witnesses, to submit proposed findings of fact and conclusions of law, to receive a copy of the written decision of the Zoning Commission, and to exercise the other rights of parties as specified in the Zoning Regulations. If you are still unsure of what it means to participate as a party and would like more information on this, please contact the Office of Zoning at dcoz@dc.gov or at (202) 727-6311.

Except for the affected ANC, any person who desires to participate as a party in this case must clearly demonstrate that the person’s interests would likely be more significantly, distinctly, or uniquely affected by the proposed zoning action than other persons in the general public. Persons seeking party status **shall file with the Commission, not less than 14 days prior to the date set for the hearing, a Form 140 – Party Status Application, a copy of which may be downloaded from the Office of Zoning’s website at: <http://dcoz.dc.gov/services/app.shtm>.** This form may also be obtained from the Office of Zoning at the address stated below.

If an affected Advisory Neighborhood Commission (ANC), pursuant to 11 DCMR 3012.5, intends to participate at the hearing, the ANC shall also submit the information cited in

Z.C. CASE NO. 13-08
PAGE 3

§ 3012.5 (a) through (i). The written report of the ANC shall be filed no later than seven (7) days before the date of the hearing.

All individuals, organizations, or associations wishing to testify in this case are encouraged to inform the Office of Zoning their intent to testify prior to the hearing date. This can be done by mail sent to the address stated below, e-mail (donna.hanousek@dc.gov), or by calling (202) 727-0789.

| 4. | Individuals | 3 minutes each |

Pursuant to § 3020.3, the Commission may increase or decrease the time allowed above, in which case, the presiding officer shall ensure reasonable balance in the allocation of time between proponents and opponents.

The public is encouraged to submit written testimony through the Interactive Zoning Information System (IZIS) at <http://app.dcoz.dc.gov/Login.aspx>; however, written statements may also be submitted by mail to 441 4th Street, N.W., Suite 200-S, Washington, DC 20001; by e-mail to zcsubmissions@dc.gov; or by fax to (202) 727-6072. Please include the case number on your submission. **FOR FURTHER INFORMATION, YOU MAY CONTACT THE OFFICE OF ZONING AT (202) 727-6311.**

Add a new Section 970, DESCRIPTION OF THE MONOPOLY MILLIONAIRES' Club™, to Chapter 9, DESCRIPTION OF ONLINE GAMES, to read as follows:

970 DESCRIPTION OF THE MONOPOLY MILLIONAIRES' Club™

Except as provided in these rules, all other prizes are paid on a fixed cash basis.
- 970.2 Only when a Jackpot Prize has been won in a MONOPOLY MILLIONAIRES' CLUB™ drawing, a second drawing will be held to select Monopoly Club Prize winning tickets. At the start of each new MONOPOLY MILLIONAIRES' CLUB™ roll cycle, ten (10) Monopoly Club Prizes will be available. As determined by the Product Group, more Monopoly Club Prizes may be added, during the roll cycle, with each drawing until the Jackpot Prize is won and the Monopoly Club Prizes are drawn.
- 970.3 MONOPOLY MILLIONAIRES' CLUB™ and Monopoly Club Prize drawings shall use random number generators, and otherwise shall be determined by the Product Group.

The second number may be the same as one of the first five numbers selected by the player. The second number shall be represented on the player's ticket both as a number and as the associated Monopoly game board property. Each play shall also have a unique, non-repeating transactional number associated with that play to be used in determining MONOPOLY Club Prize winning plays, only in the event the Jackpot Prize is won and a separate MONOPOLY Club Prize drawing is held.
- 970.6 Plays and Ticket Purchases. The price of each MONOPOLY MILLIONAIRES' CLUB™ plays shall be five dollars (U.S. \$5.00). There are no sales of multi draw tickets permitted. Each ticket represents only one board of play and Monopoly Property, containing one Millionaires' Club number, one webcode is valid for only one game draw. - 970.7 MONOPOLY MILLIONAIRES' CLUB™ tickets may be purchased in the District of Columbia only at a licensed location or a D.C. Lottery Agent. No MONOPOLY MILLIONAIRES' CLUB™ ticket purchased outside of the District of Columbia may be presented to a D.C. Lottery Agent for payment or validation.
- 970.8 Claims. A valid ticket shall be the only proof of a game play, and the submission of a valid winning ticket to the Agency or its authorized sales agent shall be the sole method of claiming a prize or prizes. A play slip has no pecuniary or prize value and shall not constitute evidence of ticket purchase or of numbers selected. A terminal-produced paper receipt has no pecuniary or prize value and shall not constitute evidence of ticket purchase or of numbers selected.
- 970.9 Entry of Plays. Plays may only be entered manually using the licensed sales agent terminal touch screen or by means of a play slip provided by the Agency and hand-marked by the player or by such other means approved by the Agency. Licensed sales agents shall not permit the use of facsimiles of Play slips, copies of play slips, or other materials that are inserted into the terminal's play slip reader that are not approved by the Agency. Licensed sales agents shall not permit any device to be connected to a lottery terminal to enter plays, except as approved by the Agency.
- 970.10 Player Responsibility. It shall be the sole responsibility of the player to verify the accuracy of the game play or plays and other data printed on the ticket. The placing of plays is done at the player's own risk through the licensed sales agent who is acting on behalf of the player in entering the play or plays.

- 970.11 Drawings. MONOPOLY MILLIONAIRES' CLUB™ drawings shall be held every Friday (or such other day of the week as required by the Product Group's MONOPOLY MILLIONAIRES' CLUB™ Game Rules), held at the time(s) and location set out in the MONOPOLY MILLIONAIRES' CLUB™ Product Group Rules.
- 970.12 A given play may win in the Monopoly Millionaires' Club™ drawing, the Monopoly Club Prize drawing (if any), or both drawings.
- 970.13 Prize Pool and Prize Reserve.
- (a) Prize Pool. The prize pool for all prize categories shall consist of fifty percent (50.00%) of each drawing period's sales, after the prize pool accounts and prize reserve accounts are funded to the amounts set by the Product Group.
- (b) Prize Pool Accounts and Prize Reserve Accounts.
- (1) MUSL will deduct an amount up to four percent (4%) of the Agency's MONOPOLY MILLIONAIRES' CLUB™ sales from the MONOPOLY MILLIONAIRES' CLUB™ Top Prize contribution and Millionaires' Club Prize Pool contribution and place in trust in one or more prize pool accounts and prize reserve accounts until the prize pool accounts and the D.C. Lottery Lottery's share of the prize reserve account(s) reach the amounts designated by the Product Group.
- (2) The prize pool accounts established for the MONOPOLY MILLIONAIRES' CLUB™ game include:
- (A) Top Prize and Millionaires' Club Prize Pool (TP&MC Prize Pool), which is used to fund the immediate Top Prize and Millionaires' Club Prizes and shall consist of the Top Prize and Millionaires' Club Prize Pool contributions less amounts to fund the Prize Reserve Account (PRA); and
- (B) Set Prize Pool Account, which holds the temporary balances that may result from having fewer than expected winning plays in the Set Prize categories. The source of the Set Prize Pool Account is the participating Lotteries' weekly prize contributions less actual Set Prize liability.
- (3) The Prize Reserve Account is established for the MONOPOLY MILLIONAIRES' CLUB™ game, which is used to guarantee the payment of the minimum or starting Top Prize and Millionaires' Club Prizes, guarantee the payment of valid, but unanticipated,

Top Prize and Millionaires' Club Prize claims that may result from a system error or other reason, and to fund deficiencies in Set Prize payments (subject to the limitations of this rule).

- (4) Once the prize pool accounts and the Agency's share of the PRA exceed the designated amounts, the excess shall become part of the TP&MC Prize Pool. The Product Group, with review and comment of the MUSL Finance & Audit Committee, may establish a maximum balance for the prize pool accounts and the PRA.
- (5) The Product Group may determine to expend all or a portion of the funds in the PRA and the Set Prize Pool Account: (1) for the purpose of indemnifying the Lotteries in the payment of prizes to be made by the Lotteries, subject to the approval of the MUSL Board; and (2) for the payment of prizes or special prizes in the MONOPOLY MILLIONAIRES' CLUB™ game, limited to Set Prize Pool and prize reserve contributions from Lotteries participating in the special prize promotion, subject to the review and comment of the MUSL Finance and Audit Committee. The prize reserve shares of a Lottery may be adjusted with refunds to the Lottery from the PRA as may be needed to maintain the approved maximum balance and shares of the Lotteries. As approved by the Product Group, any amount remaining in the prize pool accounts or PRA when the Product Group declares the end of the MONOPOLY MILLIONAIRES' CLUB™ game shall be returned to all Lotteries participating in the accounts after the end of all applicable claim periods of all Lotteries, carried forward to the replacement PRA or expended in a manner as directed by the individual Lotteries in accordance with jurisdictional requirements.

Add a new Section 971, MONOPOLY MILLIONAIRES' CLUB™ FIXED PRIZE STRUCTURE AND PROBABILITY, to Chapter 9, DESCRIPTION OF ONLINE GAMES, to read as follows:

971 MONOPOLY MILLIONAIRES' CLUB™ FIXED PRIZE STRUCTURE AND PROBABILITY

971.1 The Top Prize shall be determined on a pari-mutuel basis. The following table sets forth the probability of winning plays and the probable distribution of winning plays in and among each prize category, based upon the total number of possible combinations in MONOPOLY MILLIONAIRES' CLUB™, and prize pool funding by prize category. Except as otherwise provided for in this rule, all other prizes awarded shall be paid as Set Prizes with the following expected prize payout percentages:

Top Prize & Millionaires' Club Prizes	32.2148%	64.4296%
---------------------------------------	----------	----------

971.3 Player Responsibility. It shall be the sole responsibility of the player to verify the accuracy of the game play or plays and other data printed on the ticket. The

placing of plays is done at the player's own risk through the licensed sales agent who is acting on behalf of the player in entering the play or plays.

971.4 The prize money allocated to the Top Prize category shall be divided equally by the number of plays winning the Top Prize.

971.5 Prize Pool Account Rollovers and Carry Forwards.

(a) Any monies not paid for Top Prize and Millionaires' Club Prizes in the TP&MC Prize Pool following a drawing shall roll over and be added to the TP&MC Prize Pool for the following drawing.

(b) The Set Prize Pool for prizes of one hundred thousand dollars (\$100,000.00) or less shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the Set Prizes awarded in the current draw.

971.6 Pari-Mutuel Prize Determinations

(a) If the total of the Set Prizes awarded in a drawing (prize levels 2-10) exceeds the percentage of the prize pool allocated to the Set Prizes, then the amount needed to fund the Set Prizes awarded shall be drawn from the following sources, in the following order: (1) the amount allocated to the Set Prizes and carried forward from previous draws, if any; (2) an amount from the PRA, if available, not to exceed twenty million dollars (\$20,000,000.00) per drawing.

(b) If, after these sources are depleted, there are not sufficient funds to pay the Set Prizes awarded, then the highest Set Prize shall become a pari-mutuel prize. If the amount of the highest Set Prize, when paid on a pari-mutuel basis, drops to or below the next highest Set Prize and there are still not sufficient funds to pay the remaining Set Prizes awarded, then the next highest Set Prize shall become a pari-mutuel prize. This procedure shall continue down through all Set Prize levels, if necessary, until all Set Prize levels become pari-mutuel prize levels.

971.7 Fund Transfer. On a weekly basis, or as otherwise determined by the Product Group, the Agency will transfer, in trust, an amount as determined by the Product Group to be the Agency's total proportionate share of the MONOPOLY MILLIONAIRES' CLUB™ license and vendor fees, which include the television game show prizes, and studio audience member travel expenses.

971.8 Unclaimed Top Prizes and Millionaires' Club Prizes. All funds to pay a Top Prize or Millionaires' Club Prize that had been collected by the MUSL central office and that went unclaimed shall be returned to the Lotteries in proportion to

sales by the Lotteries for the prize(s) in question, after the claiming period set by the Lottery selling the winning ticket expires.

971.9 Prize Payments

(a) Top Prizes

- (1) The Top Prize shall begin at an annuitized amount of fifteen million dollars (\$15,000,000.00) and shall increase following each consecutive drawing in which the Top Prize is not won, except that the annuitized Top Prize amount shall not exceed twenty-five million dollars (\$25,000,000.00) and will remain at this amount for each subsequent drawing until the Top Prize is won. Top Prizes shall be paid as an annuity or a single lump-sum payment. At the time of ticket purchase, a player may select the option for payment of the cash value or annuitized payments of a share of the Top Prize if the play is a winning play. If no payment option is selected by the player, the default payment option will be the cash value option. Selection of the option for payment of the cash value or annuitized payments of a share of the Top Prize if the play is a winning play is a selection made at the time of purchase and is final and cannot be revoked, withdrawn or otherwise changed.
- (2) Shares of the Top Prize shall be determined as provided in section 971.12 of this chapter. A player(s) who elects a single lump-sum payment (cash value payment) shall be paid his/her share(s) in a single cash payment. If individual shares of the cash held to fund an annuity are less than two-hundred and fifty thousand dollars (\$250,000.00), the Agency, in its sole discretion, may elect to pay the holders of tickets with winning plays their share of the funds of the cash pool to fund the annuity prizes as described in section 971.12 of this chapter.
- (3) All annuitized prizes shall be paid annually in thirty (30) payments with the initial payment being made in cash, to be followed by twenty-nine (29) payments funded by the annuity. All annuitized prizes shall be paid annually in thirty (30) graduated payments (increasing each year) at a rate as determined by the Product Group. Prize payments may be rounded down to the nearest one thousand dollars (\$1,000.00). Annual payments after the initial payment shall be made by the Lottery on the anniversary date or if such date falls on a non-business day, then the first business day following the anniversary date of the selection of the Top winning numbers. Funds for the initial payment of an annuitized prize or the single lump-sum cash prize shall be made available by MUSL

for payment by the Lottery no earlier than the fifteenth calendar day (or the next banking day if the fifteenth (15) day is a holiday) following the drawing. If necessary, when the due date for the payment of a prize occurs before the receipt of funds in the prize pool account sufficient to pay the prize, the transfer of funds for the payment of the full lump-sum cash amount may be delayed pending receipt of funds from all Lotteries. The identification of the securities to fund the annuitized prize shall be at the sole discretion of the Agency. If the Agency purchases the securities, or holds the prize payment annuity for a Top Prize won in this state, the prize winner will have no recourse against MUSL or any other Lottery for payment of that prize.

- (4) Payment of Prize Payments upon the Death of a Prize Winner. In the event of the death of a prize winner, payments may be made in accordance with 30 DCMR § 610.1.

- 971.10 Millionaires' Club and Set Prize Payments. All Millionaires' Club Prizes and Set Prizes (all prizes except the Top Prize, whether described as "cash" payment prizes or otherwise) for tickets sold by licensed sales agents in the District of Columbia and validated according to the Agency's rules shall be paid by the Agency and at the discretion of the Agency by check, warrant, or wire transfer. The Agency may begin paying Millionaires' Club Prizes and Set Prizes after receiving authorization to pay from the MUSL central office.
- 971.11 Prizes Rounded. Annuitized payments of the Top Prize or a share of the Top Prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on an annuitized Top Prize win shall be added to the first payment to the verified winner or winners. Set Prizes, which, under this rule, may become single-payment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding Set Prizes shall be carried forward to the prize pool for the next drawing.
- 971.12 Funding of Guaranteed Prizes. The Product Group may offer guaranteed minimum Top Prize amounts, guaranteed minimum numbers of Millionaires' Club winners, minimum increases in the Top Prize amount between drawings, minimum increases in the number of Millionaires' Club winners between drawings, or make other changes in the allocation of prize money where the Product Group finds that it would be in the best interest of the game. If a minimum Top Prize amount or a minimum increase in the Top Prize between drawings is offered by the Product Group, then shares of the Top Prize shall be determined as follows: If there are multiple Top Prize winning plays during a single drawing, each selecting the annuitized option prize, then a winning play's share of the guaranteed annuitized Top Prize shall be determined by dividing the guaranteed annuitized Top Prize by the number of winning plays. If there are multiple Top Prize winning plays during a single drawing and at least one (1) of

the Top Prize claimants has elected the annuitized option prize, then the best bid submitted by the MUSL central office's pre-approved qualified brokers shall determine the cash pool needed to fund the guaranteed annuitized Top Prize. If no claimant of the Top Prize during a single drawing has elected the annuitized option prize, then the amount of cash in the Top Prize Pool shall be an amount equal to the guaranteed annuitized amount divided by the average annuity factor of the most recent three (3) best quotes provided by pre-approved qualified brokers submitting quotes. In no case shall quotes be used which are more than two (2) weeks old, and if less than three (3) quotes are submitted, then the MUSL central office shall use the average of all quotes submitted. Changes in the allocation of prize money shall be designed to retain approximately the same prize allocation percentages, over a year's time, as set out in MUSL's MONOPOLY MILLIONAIRES' CLUB™ Game Rules. Minimum guaranteed prizes or increases may be waived if the alternate funding mechanism set out in subsection 971.11 of this Chapter becomes necessary. The annuity factor is determined by the best total securities price obtained through a competitive bid of qualified, pre-approved brokers made after it is determined that the prize is to be paid as an annuity prize. Neither MUSL, the Product Group, nor the Lotteries shall be responsible or liable for changes in the advertised or estimated annuity prize amount and the actual amount purchased after the prize payment method is actually known to the MUSL central office.

971.13 Prize Limited to Highest Prize Won. Except for the Millionaires' Club Prizes, the holder of a winning ticket may win only one (1) prize for that ticket's play and shall be entitled only to the prize won by those numbers in the highest matching prize category. The status of a ticket with a winning play based on a match between the play and the Winning Numbers on that ticket shall have no effect on that ticket's ability to win (if drawn) a Millionaires' Club Prize.

971.14 Millionaires' Club Prize. Independent of a ticket's status as an apparent winning ticket due to a match with the Winning Numbers, each ticket in a MONOPOLY MILLIONAIRES' CLUB™ drawing is eligible to win a Millionaires' Club Prize if (and only if), on that game draw, Millionaires' Club Prizes are awarded. If a ticket is a winning play under both drawings, the prize paid shall be the sum of both the Top Prize or Set Prize (Level 2-10 prizes) and the Millionaires' Club Prize. At the start of each new MONOPOLY MILLIONAIRES' CLUB™ roll cycle, ten (10) Millionaires' Club Prizes will be available. As determined by the Product Group, more Millionaires' Club Prizes may be added, during the roll cycle, with each drawing until the Top Prize is won and the Millionaires' Club Prizes are drawn.

Add a new Section 972, MONOPOLY MILLIONAIRES' CLUB™ Television Game Show, to Chapter 9, DESCRIPTION OF ONLINE GAMES, to read as follows:

972 MONOPOLY MILLIONAIRES' CLUB™ Television Game Show

- 972.1 Television Game Show. The Product Group may decide to add a television game show to the MONOPOLY MILLIONAIRES’ CLUB™ game. The MONOPOLY MILLIONAIRES’ CLUB™ television game show (“TV Show”) will be produced at times and places approved by the Product Group for broadcast at times approved by the Product Group.

- 972.2 Basic TV Show Design; Alterations. The basic design of the TV Show shall be as described in this subsection, except that any alteration of the basic design of the TV Show may be approved by the Product Group. Contests played on the TV Show shall be as approved by the Product Group.

- 972.3 Eligibility. Unless otherwise indicated by the Agency, a D.C. Lottery player may become eligible for TV Show studio audience member selection by registering a MONOPOLY MILLIONAIRES’ CLUB™ ticket or tickets with one or more qualifying MONOPOLY game board properties according to the requirements of this game rule.

- 972.4 Members of the studio audience shall be eligible to be selected to participate in MONOPOLY-themed contests on the TV Show. Guests of players who are not proxied by the player to appear as an on-stage participant in the place of the player are not eligible to be selected as an on-stage game participant.

- 972.5 How to Register. To register a MONOPOLY MILLIONAIRES’ CLUB™ ticket for participation in the selection of studio audience members, a D.C. Lottery player must visit the D.C. Lottery’s Players Club section at <http://dclottery.com/memberbenefits.aspx> of the D.C. Lottery website, where the player will be asked to sign into his/her existing Players Club account or open a new account and enter the webcode printed on the MONOPOLY MILLIONAIRES’ CLUB™ ticket. The MONOPOLY game board property on the ticket, together with a randomly generated additional bonus MONOPOLY game board property assigned when the ticket is registered at the Players Club website, will be put in the player’s account. As shown in the following table in Subsection 972.6 of this chapter, for each complete MONOPOLY property group, the player will be awarded a number of entries in a drawing from which studio audience members will be selected.

- 972.6 Monopoly Property Groups

972.7 Selection of Studio Audience Members. The Agency (or its authorized designee) shall, from time to time as specified by the Product Group, conduct a promotional drawing from among those MONOPOLY MILLIONAIRES’ CLUB™ registered D.C. Lottery’s Players Club account holders who have accumulated enough MONOPOLY properties to participate in the drawing. For each drawing, the Agency shall select a minimum of three (3) studio audience participants, each of whom shall be awarded: (i) transportation, meals, and lodging expenses for himself or herself and a guest to travel to and return from the TV Show; and (ii) the opportunity to be chosen as an on-stage participant on the TV Show and play MONOPOLY-themed contests for prizes.

972.8 No transfers; No cash option; Exceptions. A D.C. Lottery player selected to participate as a studio audience member for the TV Show shall not have the right to transfer such selection to another person, except that the Agency, in its sole discretion, may permit or require the player to appoint another person to participate as a studio audience member (a proxy), subject to player eligibility requirements set by the Agency. If the player selects, or the Agency requires, a proxy to participate as a studio audience member in his/her place, the transportation, meals, and lodging expenses, together with any prize(s) awarded as a result of participation in the studio audience or in a contest on the TV Show shall be deemed to be received by the player initially selected to participate, not the proxy. Nothing in this rule requires the Agency to permit studio audience members to appoint a replacement to attend the TV Show taping. A player selected to participate as a studio audience member for the TV Show shall not have the right to decline the payment of expenses for transportation, meals, and lodging in exchange for a sum of money equivalent to the value of such expenses. The Agency, in its sole discretion, may select another player to attend the TV show taping should the player initially selected to participate in the studio audience decline the invitation or be determined to be ineligible to claim such prize under District Law and or this title. Nothing in this rule requires the Agency to offer a cash option in lieu of the opportunity to attend the TV Show.

DISTRICT OF COLUMBIA PUBLIC SCHOOLS

NOTICE OF FINAL RULEMAKING

The Chancellor of the District of Columbia Public Schools (DCPS), pursuant to section 103 of the District of Columbia Public Education Reform Amendment Act of 2007, effective June 12, 2007 (D.C. Law 17-9; D.C. Official Code § 38-172(c) (2012 Repl.)), and Mayor's Order 2007-186, dated August 10, 2007, hereby gives notice of the adoption of the following amendment to repeal Section 2405 (Student Grievance Procedure) of Chapter 24 (Student Rights and Responsibilities) of Subtitle E (Original Title 5), Title 5 (Education), of the District of Columbia Municipal Regulations (DCMR), and replace it with a new Section 2405 in Subtitle B (District of Columbia Public Schools), Title 5 (Education), of the DCMR.

The purpose of this rule is to amend the language regarding the procedures for the filing, investigation, and resolution of complaints or grievances filed by students in cases of discrimination, bullying, or harassment. The amendment is necessary because DCPS must ensure that its grievance procedures contain language that satisfies requirements set forth by the U.S. Department of Education, Office of Civil Rights.

A Notice of Emergency and Proposed Rulemaking was published in the *D.C. Register* on November 29, 2013 at 60 DCR 16340. No changes have been made to the text of the proposed rulemaking. Additionally, the "Student Grievance Procedure Regulations Approval Resolution of 2013" was submitted to the Council on December 3, 2013. The Council neither approved nor disapproved the rules during the 45-day period of review, and so these rules are deemed approved pursuant to Section 103 of the Act. These rules were adopted as final on May 9, 2014, and will become effective upon publication.

Section 2405, STUDENT GRIEVANCE PROCEDURE, of Chapter 24, STUDENT RIGHTS AND RESPONSIBILITIES, of Subtitle E, ORIGINAL TITLE 5, Title 5, EDUCATION, of the DCMR is repealed.

A new Section 2405, STUDENT GRIEVANCE PROCEDURE, of Subtitle B, DISTRICT OF COLUMBIA PUBLIC SCHOOLS, of Title 5, EDUCATION, of the DCMR is added to read as follows:

2405 STUDENT GRIEVANCE PROCEDURE

2405.1 The grievance procedure set forth in this section shall apply to all grievances or complaints brought for any suspected violation of the following laws:

- (a) Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability;
- (b) Title II of the Americans with Disabilities Act of 1990, which also prohibits discrimination on the basis of disability;

9100 PROGRAM PURPOSE

9100.1 The United States Department of Housing and Urban Development (HUD) is conducting the Moving to Work (MTW) Housing Choice Voucher Program Rent Reform Demonstration program (Rent Reform Demonstration or Program), designed to implement and evaluate an alternative rent policy, implemented by several MTW agencies. DCHA has been selected to participate in the demonstration, and as such, shall modify its policies and rent calculations for a group of program participants (study group), and shall compare the results to a group of program participants who are assisted under the rent policies used for all other DCHA assisted households (control group). The HUD Rent Reform Demonstration Program is designed to implement and assess an alternative strategy to standard HUD operating rules for HCVP. The proposed alternative rent policies shall include the following five key features:

- (d) Require that the family rent to owner is the greater of 28% of gross monthly income less any applicable utility allowance or at least the minimum rent of \$75.
- (g) Prior to issuing a recommendation for termination, DCHA will exercise its discretion on a case-by-case basis in issuing a recommendation for termination based solely on a study group Family’s failure to pay a new higher rent due to the program rent calculation.

Section 9101 is amended by adding subparagraph (k) to Subsection 9101.2:

9101 SELECTION OF STUDY GROUP AND CONTROL GROUP

9101.2 The following households shall be excluded from the study:

- (h) Households exercising the portability option
- (i) Households who end participation in the program (either voluntarily or involuntarily)
- (j) Mixed households of eligible and non-eligible household members
- (k) Families currently receiving a child care deduction.

Subsection 9107.1 is amended to read as follows:

9107 ADJUSTED INCOME AND DETERMINATION OF RENT

9107.1 The alternative rent policy does not use adjusted income to calculate rent and Housing Assistance Payment (HAP); therefore there are no deductions or allowances applied to the gross income calculated in accordance with 14 DCMR Section 5306, and with the following exception.

Subsection 9108.1 is amended to read as follows:

9108 OVERVIEW OF RENT AND SUBSIDY CALCULATIONS

9108.1 In order to calculate family rent to owner for the Rent Reform Demonstration, DCHA shall calculate annual income and the TTP pursuant to Section 9107, but shall require the family rent to owner to be at least 28% of gross income less any applicable utility allowance, or the minimum rent of \$75, whichever amount is greater.

Subsection 9109.1 is amended to read as follows:

9109 DCHA’S HOUSING ASSISTANCE PAYMENT

9109.1 DCHA shall pay a monthly HAP for a family that is equal to the lower of the applicable payment standard or the gross rent, minus the greater of the family’s TTP less any applicable utility allowance or the minimum rent of \$75.

Section 9111's title is amended to read as follows, and adds Subsection 9111.5 to read as follows:

9111 CHANGES IN FAMILY SHARE AND HOUSING ASSISTANCE PAYMENT

9111.5 If the removal of a household member from the family composition results in a reduction in income that cannot be feasibly replaced, that Household member's income shall not be included in the retrospective income calculation at the interim recertification.

Subsection 9112.2 is amended to read as follows:

9112 TRIENNIAL RECERTIFICATION OF INCOME

9112.2 All triennial recertifications shall have an effective date of the first of the month that the family was initially recertified as part of the rent reform demonstration.

Subsection 9114.3(a) is amended to read as follows:

9114 INTERIM RECERTIFICATIONS

9114.3 Family's may request and receive an interim reduction in rent when their family income decreases subject to the following conditions:

- (a) Households may request an interim re-certification of their income. An interim shall be conducted only when a household has a reduction in income of more than 10% from the retrospective income used to calculate their TTP.

Subsection 9116.2 is amended to read as follows:

9116 FAMILY MOVES

9116.2 DCHA shall not approve requests to move a Family more than once in a twelve (12) month period unless one of the following exceptions applies:

- (a) A victim or Family seeks to move under the protections enumerated in the VAWA;
- (b) DCHA terminates the HAP contract with the owner;
- (c) The move is necessary to grant a request for a reasonable accommodation;

9118 HARSHIP WAIVER POLICY

9118.1 A Family may request a Hardship waiver at any time if the family can demonstrate one of the following circumstances listed below. If the family receives a temporary TTP during the initial grace period, then the family may request a hardship waiver no more than thirty (30) days before the expiration of the initial grace period or thereafter.

- (a) After the effective date of the TTP, the new TTP has put the Family at imminent risk of eviction as a result of non-payment of rent, and the hardship cannot be remedied by the one interim recertification permitted each year (which cannot reduce a household's TTP below the minimum level);
- (b) The Family is at an income level or experiences a loss of income and/or a TTP increase such that its total monthly TTP exceeds forty percent (40%) of its current monthly gross income. Any amount by which the gross rent exceeds the payment standard must be paid by the family and is not used in determining this forty percent (40%) rent burden. The gross income shall include imputed income in the same manner as current calculations;
- (c) Zero household income;
- (d) Loss of eligibility for a federal state, or local assistance program which reduces the Family income such that the total monthly TTP exceeds forty percent (40%) of its current monthly gross income;
- (e) Temporary or permanent disability, incapacitation or illness, or death of a household member, which reduces the Family income such that the total monthly TTP exceeds forty percent (40%) of its current monthly gross income;

- (f) Significant income loss because of other changed circumstances, including the loss of employment, reduction in work hours or pay, or loss of public benefits; or
- (g) Other circumstances as determined by DCHA.

9118.2 The process for requesting a Hardship Waiver is as follows:

- (a) The Head of Household may request a justifiable Hardship Waiver at any time during the Rent Reform Demonstration Program.
- (b) The Head of Household must initiate a request for a Hardship Waiver by completing and submitting a written hardship request to the Housing Choice Voucher Program.
- (c) The Head of Household may submit evidence to DCHA in support of the Hardship Waiver Request.
- (d) The Head of Household must supply information and documentation that supports a hardship claim with their written request. For example, a household must provide proof of the following: loss of eligibility for a federal state, or local assistance program; loss of employment, reduction in work hours, or loss of federal, state or local assistance; or the temporary or permanent disability, incapacitation or illness, or death of a household member and amount of lost income.
- (e) If the Head of Household claims zero household income as part of its hardship request, it must provide a detailed accounting of funds used to cover basic costs of living (food, personal/family care necessities, etc.).
- (f) To receive a hardship based on the risk of eviction for non-payment of rent, a household must provide a copy of a rent ledger showing an accruing balance, a notice from the landlord, a thirty (30) day Notice to Vacate or Cure or a Summons and Complaint from the landlord for non-payment of rent or any other proof acceptable to DCHA.
- (g) To receive hardship based on the risk of utility shut-off, a household must provide a copy of a shut-off notice, a recent bill from the utility company showing an accruing balance, a notice from the landlord, or any other proof acceptable to DCHA.

9118.3 The Hardship Review Process is as follows:

- (a) The Head of Household may review and obtain a copy of the Family's HCVP file and/or copies of documents or evidence that DCHA relies upon in making any Hardship determination.
- (b) DCHA shall review the Hardship Request and any evidence submitted by the Head of Household in accordance with this section and provide written notice to the Head of Household within ten (10) business days of its decision to grant or deny the Hardship requests.
- (c) DCHA shall review all information submitted by the Head of Household regarding the request for Hardship and document its decision in the Head of Household file.
- (d) Where a Hardship Waiver is denied, the Head of Household may request an informal review of DCHA's denial to the Director of the Housing Choice Voucher Program or his/her designee within thirty (30) days of the denial of the Hardship Request.
- (e) If an Informal Review is timely requested, DCHA shall within thirty (30) days review the Hardship Request and any evidence submitted by the Head of Household and issue a written determination and the basis for the approval or denial of the Hardship Waiver.
- (f) For hardship claims related to imminent risk of eviction or utility shut-off, DCHA shall conduct an expedited informal review.

9118.4 At the sole discretion of DCHA, the Hardship Remedies may include any of the following:

- (a) Allowing an additional interim recertification beyond the normal one-per-year option. This could lower a household's TTP, which includes lowering the minimum rent until the next triennial recertification;
- (b) Setting the household's TTP below the minimum, at twenty-eight percent (28%) of current income, for up to one hundred eighty (180) days;
- (c) Offering a "transfer voucher" to support a move to a more affordable unit (including a unit with lower utility expenses); or
- (d) Any combination of the above remedies.

9118.5 During the one hundred eighty (180) day period when the TTP is reduced, DCHA shall recalculate the subsidy payment based on the reduced TTP. DCHA shall notify the Landlord and the Head of Household of the change in subsidy payment.

- 9118.6 In addition to the remedy or remedies offered, the Head of Household may be referred to federal, state or local assistance programs to apply for assistance, or to obtain verification that they are ineligible to receive benefits.
- 9118.7 The Hardship remedies are subject to the following limitations:
- (a) The new Family rent to owner shall be effective on the first (1st) of the month following the submission of an approved hardship request;
 - (b) Remedies shall not affect any rent attributable to a gross rent that exceeds the applicable payment standard;
 - (c) Opting out of the alternative rent policy is not a remedy option.
- 9118.8 Expiration of the Hardship Waiver Period:
- (a) If after the one hundred eighty (180)-day Hardship period expires and the Family's hardship continues, the Family may submit a request for an extension of the hardship remedy.
 - (b) The Family may within thirty (30) days before the expiration of the initial grace period or thereafter submit an additional hardship request.
 - (c) The Hardship Waiver shall never go past the triennial recertification date.
 - (d) At the end of the Hardship Waiver period, the household's regular TTP shall be reinstated.

DISTRICT OF COLUMBIA TAXICAB COMMISSION

NOTICE OF PROPOSED RULEMAKING

The District of Columbia Taxicab Commission (“Commission”), pursuant to the authority set forth in Sections 8(c) (2), (3), (4), (5), (7), (19), 14, 20, and 20f of the District of Columbia Taxicab Commission Establishment Act of 1985 (“Establishment Act”), effective March 25, 1986 (D.C. Law 6-97; D.C. Official Code §§ 50-307(c)(2), (3), (4), (5), (7), (19) (2012 Repl. & 2014 Supp.), § 50-313 (2012 Repl. & 2014 Supp.), § 50-319 (2012 Repl. & 2014 Supp.), and § 50-325 (2012 Repl. & 2014 Supp.)), and D.C. Official Code § 47-2829 (b), (d), (e), (e-1), and (i) (2012 Repl. & 2014 Supp.); hereby gives notice of its intent to amend Chapter 5 (Taxicab Companies, Associations, and Fleets), Chapter 6 (Taxicab Parts and Equipment) and Chapter 10 (Public Vehicles for Hire of Title 31 (Taxicabs and Public Vehicles for Hire) of the District of Columbia Municipal Regulations (DCMR).

The proposed rulemaking for Chapters 5, 6, and 10 would accomplish important purposes of the Commission under the Establishment Act, including creating new incentives and requirements to add wheelchair-accessible and fuel efficient vehicles to the fleet, while continuing to allow the retirement of existing gasoline-powered vehicles under the existing rules in § 609 (Age of Taxicabs).

The proposed amendments to Chapter 5 would create a new form of licensing by the Office of Taxicabs (“Office”), based on meeting the eligibility and operating requirements for approval of a modern taxicab association (“MTA”), in addition to the existing requirements for operating authority as a taxicab association. The members of an MTA would be permitted by § 1010 to apply to the Department of Motor Vehicles (“DMV”) to register vehicles jointly as necessary with the MTA provided they reside within the Washington Metropolitan Area and their vehicles meet an approved vehicle plan requiring that, within five (5) years, one hundred percent (100%) of the MTA’s vehicles will be wheelchair accessible and use the most efficient propulsion then available. Each member of an MTA would have the right under the MTA’s bylaws to withdraw from the MTA without penalty at any time and to retain the additional rights granted to members by the amendments to § 1010 proposed in this notice.

The proposed amendments to Chapter 6 would impose new requirements on vehicle owners who place new vehicles into service, to further incentivize the purchase of vehicles which have the most fuel efficient propulsion and are wheelchair-accessible. The proposed amendments to Chapter 6 would not require any gasoline-powered vehicle to be retired sooner than under the current Age of Taxicabs rule in § 609. The proposed rules would allow owners of less efficient or non-accessible vehicles to apply to the Office for approval of a professional conversion to more efficient propulsion or wheelchair accessibility allowing the owner to extend the vehicle’s time in service.

The proposed amendments to Chapter 10 would alter § 1010 as necessary to carry out the Commission’s objectives concerning MTAs and their members, described above, and to make further changes to § 1010 which are intended to incentivize owners to place wheelchair accessible and fuel efficient vehicles into service throughout the fleet. Any person who places into service, as a

replacement vehicle, a new vehicle which utilizes the most fuel efficient propulsion and is wheelchair accessible, and any person who is a member or subsequent transferee of a member of an approved MTA, would own the right under § 1010 to apply to DMV for registration of a vehicle which is the most fuel efficient propulsion available and is wheelchair accessible, and to transfer such right to any other person in perpetuity. Transferability of the right under § 1010 would be conditioned upon pre-approval of each proposed transfer by the Office to ensure compliance with all applicable provisions of this title and other applicable laws, including further transferability and assurance to the satisfaction of the Office that the vehicle will be operated only by an individual who possesses a DCTC accessible vehicle identification (“AVID”) operator’s license. An AVID license would be the only DCTC operator’s license allowing its bearer to operate a wheelchair accessible vehicle. A member of an MTA who jointly owns, with any taxicab company, a vehicle required to be replaced under the existing § 609 (Age of Taxicabs) by December 31, 2014, and who has been unable to secure the taxicab company’s consent to be added to the title of a replacement vehicle, would be permitted by the Office to apply to DMV for a new registration jointly with the MTA, if necessary, while preserving the taxicab’s company rights in the existing registration.

Nothing in the proposed rulemaking would alter the legal rights or obligations of any person under the District of Columbia Municipal Regulations (DCMR) other than the Commission’s rules and regulations which appear in Title 31, including the rules and regulations of DMV.

Directions for submitting comments may be found at the end of this notice. The Commission also hereby gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the publication of this notice of second proposed rulemaking in the *D.C. Register*.

CHAPTER 5, TAXICAB COMPANIES, ASSOCIATIONS AND FLEETS, is amended as follows:

Section 500, APPLICATION AND SCOPE, is amended to read as follows:

A new Subsection 500.3 is added to read as follows:

500.3 In the event of a conflict between a provision of this section and any other provision of this title, the more restrictive provision shall apply.

A new Section 504 is added to read as follows:

504 MODERN TAXICAB ASSOCIATIONS

504.1 A taxicab association (“association”) interested in receiving approval from the Office of Taxicabs (“Office”) to operate as a modern taxicab association (“MTA”) may apply to the Office for approval under this section.

504.2 An association may apply for approval as an MTA together with its application for a certificate of operating authority under § 501, or at any time thereafter, pro-

vided it meets all requirements of this section at the time of application.

- 504.3 Nothing in this chapter shall be construed as soliciting or creating a contractual relationship, agency relationship, or employer-employee relationship between the District of Columbia and any other person.
- 504.4 Nothing in this chapter shall be construed as creating a right of action against the District of Columbia based on the loss or reduction in value of, or in the loss of transferability of, any legal right or property interest which was due in whole or in part to the action or inaction of any person in violation of the provisions of this title.
- 504.5 Nothing in this chapter shall be construed to alter the legal rights or obligations of any person under any provision of the District of Columbia Municipal Regulations other than the rules and regulations of this title.
- 504.6 An association shall be eligible to apply for approval as an MTA if it meets the requirements of §§ 501-502 and the following additional requirements:
- (a) It shall be in compliance with all applicable provisions of this title and other applicable laws;
 - (b) If the association has not previously been issued an existing certificate of operating authority, it shall have current operating authority under this title, and be in good standing with the Office, including having no pending enforcement actions;
 - (c) It shall have one hundred (100) or more members all of whom are in compliance with the applicable provisions of this section;
 - (d) Each of the association's members who possesses a DCTC operator's license, or owns a vehicle for which registration as a taxicab is sought pursuant to § 1010 in connection with the application, shall be in good standing with the Office, including having no pending enforcement actions against such member; and
 - (e) It shall be in compliance with, or ready and able to comply with, all operating requirements in § 504.14.
- 504.7 Each applicant shall provide the following information and documentation to the Office:
- (a) The name of and contact information for the applicant and its manager;
 - (b) The trade name(s) and logo used by the applicant, if any;

- (c) The name of and contact information for each of the applicant's members;
- (d) For each vehicle which is currently owned exclusively or jointly by a member and used or intended to be used by a member as a taxicab:
 - (1) The make, model, model year, propulsion type, and wheelchair accessibility of the vehicle; and
 - (2) The names and addresses of all owners of the vehicle, the date and place of registration, and whether or not there is a lien on the vehicle;
- (e) Information and documentation showing that the applicant, its members, and its members' vehicles are in compliance with, or ready and able to comply with, all the eligibility requirements of § 504.6 and all the operating requirements in § 504.14;
- (f) A copy of the applicant's bylaws and all other documents which evidences or establishes the legal relationship between the applicant and its members;
- (g) A proposed vehicle plan which would ensure that one hundred percent (100%) of the association's vehicles will be both wheelchair accessible and use the most fuel efficient propulsion within five (5) years from the date of approval of the MTA; and
- (h) Such other information and documentation as stated in any applicable administrative issuance, instruction, or guidance issued by the Office.

504.8 Each application filed with the Office under this section shall be:

- (a) Full and complete;
- (b) Accompanied by full and complete documentation;
- (c) Provided under penalty of perjury and notarized before a notary public;
- (d) Submitted no later than the deadline stated in any applicable administrative issuance, instruction, or guidance issued by the Office; and
- (e) Accompanied by an application fee of five hundred dollars (\$500).

504.9 The Office shall review each application pursuant to the Clean Hands Before Receiving a License of Permit Act, effective May 11, 1996 (D.C. Law 11-118, D.C. Official Code §§ 47-2861, *et seq.*) ("Clean Hands Act") and shall deny the appli-

cation of the applicant or any of its members which are not in compliance with the Clean Hands Act.

- 504.10 An application may be denied if the applicant or any of its members does not cooperate with the Office during the application process, if the application is not complete, or if the applicant or any of its members provides materially false information for the purpose of inducing the Office to grant the application.
- 504.11 If the Office denies an application:
- (a) The Office shall state the reasons for its decision in writing; and
 - (b) The applicant may appeal the decision to the Chief of the Office within fifteen (15) calendar days, and, otherwise, the decision shall constitute a final decision of the Office. The Chief shall issue a decision on an appeal within thirty (30) calendar days. A timely appeal of a denial shall extend any existing approval pending the Chief's decision. A decision of the Chief to affirm or reverse a denial shall constitute a final decision of the Office. A decision of the Chief to remand to the Office for further review of an application shall extend any existing approval pending the final decision of the Office.
- 504.12 Each approval shall be effective for the duration of the MTA's operating authority as a taxicab association provided, however, that notwithstanding other provisions of this section, the MTA may seek to renew its certificate of operating authority at any time within twelve (12) months following its expiration, which, if granted, shall be retroactive for all purposes of this title to the date of expiration. If, at any time or for any reason an association loses its approval to operate as an MTA or its operating authority as an association, its members shall retain all rights granted by this section and by § 1010 which exist at the time the MTA approval is lost.
- 504.13 The Office shall provide to the association a physical certificate reflecting the Office's approval of the association as an MTA, which shall remain the property of the Office and which shall be returned to the Office if, at any time or for any reason the association loses its approval to operate as an MTA or its operating authority as an association.
- 504.14 Each MTA shall at all times be in compliance with the following operating requirements:
- (a) It shall remain in compliance with the eligibility requirements of § 504.6 and all other applicable provisions of this title and other applicable laws;
 - (b) It shall be associated with a single payment service provider ("PSP");

- (c) It shall be associated with not more than one (1) digital dispatch service (DDS);
- (d) Each vehicle associated with it shall be compliant with the MTA's approved vehicle plan unless a modification of the plan is approved in advance by the Office;
- (e) It shall allow each member to apply for registration of a vehicle pursuant to § 1010 and shall consent, when requested by a member, to appear on the title and/or registration as necessary to allow the vehicle to be registered under all applicable DMV regulations and other applicable laws; and
- (f) It shall allow each member to withdraw from the MTA without financial payment or penalty, and shall make no legal or equitable claim to such member's vehicle or to such member's rights created by § 1010 as the result of a joint titling or registration of such vehicle.

504.15 No MTA shall alter its bylaws or other documents which evidence or establish its legal relationship with its members without obtaining prior approval from the Office. Any attempt to violate this subsection shall be null, void, and unenforceable.

504.16 No vehicle associated with an MTA may be placed into service unless it complies with the MTA's approved vehicle plan, provided however, that a modification of the plan may be granted by the Office for good cause shown where the proposed modification would not impair the rights or obligations of any person under this section or § 1010.

If the conversion is approved, it shall be timely performed, and following inspection of the vehicle by the Office, the vehicle's service life pursuant to §§ 609.3-609.5 shall be based on the conversion. Chapter 10, PUBLIC VEHICLES FOR HIRE, of Title 31, TAXICABS AND PUBLIC VEHICLES FOR HIRE, of the DCMR, is amended to read as follows:

Section 1010 is amended to read as follows:

1010 ISSUANCE OF DCTC VEHICLE LICENSES

- 1010.1 Nothing in this chapter shall be construed as creating a right of action against the District of Columbia based on the loss or reduction in value of, or in the loss of transferability of, any legal right or property interest which was due, in whole or in part, to the action or inaction of any person in violation of the provisions of this title.
- 1010.2 Nothing in this chapter shall be construed to alter the legal rights or obligations of any person under any provision of the District of Columbia Municipal Regulations other than the rules and regulations of this title.
- 1010.3 Each owner of a public vehicle-for-hire prior to operating in the District shall obtain a DCTC vehicle license from the Office, except as provided in § 1010.4.
- 1010.4 A DCTC vehicle license is not required for the following vehicles:
- (a) Sightseeing vehicles owned by a school, school board, or similar body;

The Office’s determination shall be noted upon the application.

- (b) Each application shall demonstrate to the satisfaction of the Office that the proposed transfer would ensure and not impair the continued transferability of the DCTC vehicle license (and corresponding privilege to apply to DMV for registration and tags under its regulations and all other applicable laws) pursuant to § 1010.7.

- 1010.9 If the Office determines that the vehicle need not be registered in the District, the applicant shall meet the requirements of § 1010.12.

- 1010.12 Each applicant shall present evidence satisfactory to the Office that the vehicle is insured under the provisions of Chapter 9. The Office shall act as agent for the purpose of enforcing insurance regulations and shall maintain records necessary to perform that function.
- 1010.13 Each application shall be made on a form provided by the Office, and shall state the owner's full name, place of residence and business addresses, and any other information and documentation required by the Office.

Copies of this proposed rulemaking can be obtained at www.dcregs.dc.gov or by contacting Juanda Mixon, Secretary to the Commission, District of Columbia Taxicab Commission, 2041 Martin Luther King, Jr., Avenue, S.E., Suite 204, Washington, D.C. 20020. All persons desiring to file comments on the proposed rulemaking action should submit written comments via e-mail to dctc@dc.gov or by mail to the DC Taxicab Commission, 2041 Martin Luther King, Jr., Ave., S.E., Suite 204, Washington, DC 20020, Attn: Juanda Mixon, Secretary to the Commission, no later than thirty (30) days after the publication of this notice in the *D.C. Register*.

DISTRICT OF COLUMBIA TAXICAB COMMISSION**NOTICE OF SECOND PROPOSED RULEMAKING**

The District of Columbia Taxicab Commission (“Commission”), pursuant to the authority set forth in Sections 8(c)(2), (3), (4), (5), (7), (19), 14, 20, and 20a of the District of Columbia Taxicab Commission Establishment Act of 1985 (“Establishment Act”), effective March 25, 1986 (D.C. Law 6-97; D.C. Official Code §§ 50-307(c)(2) (3), (4), (5), (7), (19)), 50-313, 50-319, and 50-320 (2012 Repl. & 2014 Supp.)), and D.C. Official Code § 47-2829 (b), (d), (e), (e-1), and (i) (2012 Repl. & 2014 Supp.); hereby gives notice of its intent to adopt amendments to Chapter 8 (Operation of Taxicabs) of Title 31 (Taxicabs and Public Vehicles for Hire) of the District of Columbia Municipal Regulations (DCMR).

The amendments to Chapter 8, in combination with the new Chapter 99 and proposed amendments to Chapters 12, 14, 16, and 17 of Title 31, create a regulatory framework for the licensing and regulation of a new class of public vehicle-for-hire service to be called “private sedan service”, to address the unique issues raised by private sedan service, including rules to require adequate insurance, to ensure the safety of passengers, drivers, and the general public, to protect consumers, to require payment to the District of a passenger surcharge, and for other lawful purposes within the authority of the Commission. The proposed amendments to Chapter 8 would allow digital dispatch services (not taxicab owners or operators) to set the entire fare when dispatching a taxicab, without use of the metered rates set by the Commission, while requiring the operator to continue to use the modern taximeter system to ensure that payment service providers continue to report trip data to the Office of Taxicabs (“Office”) for dispatched trips, for enforcement, research, passenger surcharge reconciliation, and other lawful purposes.

All definitions applicable to this chapter appear in the new Chapter 99 that contains definitions for the entire title.

The original proposed rulemaking was adopted by the Commission on April 9, 2014 and published in the *D.C. Register* on May 9, 2014 at 61 DCR 4737. The Commission held a public hearing on the proposed rules on April 30, 2014, to receive oral comments on the proposed rules. The Commission received valuable comments from the public at the hearing and throughout the comment period which expired on June 15, 2014. The comments received were carefully considered and necessitate a second publication. The second proposed rulemaking was adopted by the Commission on August 6, 2014.

Directions for submitting comments may be found at the end of this notice. The Commission also hereby gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the publication of this notice of second proposed rulemaking in the *D.C. Register*.

CHAPTER 8, OPERATION OF TAXICABS, is amended as follows:

Section 801, PASSENGER RATES AND CHARGES, is amended to read as follows:

Subsections 801.3 through 801.4 are repealed.

Subsections 801.5 through 801.8 are amended to read as follows:

- 801.5 Each taxicab company, independent owner, taxicab operator, payment service provided, and digital dispatch service shall charge only the applicable taxicab fare established by § 801.7 and shall use only the equipment specified in § 801.6 to process payments.
- 801.6 Equipment to process payments shall be operated as follows:
- (a) The taximeter shall be engaged when a trip is booked by a street hail, telephone dispatch, or digital dispatch, regardless of how payment is made.
 - (b) If a taxicab trip is booked through a street hail, a telephone dispatch, or a DDS which does not process digital payments, the operator shall use the vehicle's MTS unit to process an in-vehicle payment for the entire trip and shall not use any other device.
 - (c) If a taxicab trip is booked through a DDS which processes digital payments, the operator shall use the digital payment solution (handheld or tablet running an app) provided by the DDS to allow the DDS to process a digital payment for the entire trip and shall not use the vehicle's MTS unit to process the payment (except where permitted by an integration agreement between the DDS and the payment service provider ("PSP") approved by the Office pursuant to Chapter 4).
- 801.7 Taxicab fares shall be as follows:
- (a) Each taximeter fare shall consist only of the time and distance charges, and authorized additional charges, provided in this subsection, as applicable.
 - (b) Fare for trips booked on a time basis by advance contract. The hourly rate for a taxicab trip booked on a time basis shall be thirty-five dollars (\$35) for the first one (1) hour or fraction thereof, and eight dollars and seventy-five cents (\$8.75) for each additional fifteen (15) minutes or fraction thereof, without regard to distance. No additional charges are authorized.
 - (c) Fare for trips booked by a street hail, a telephone dispatch or a digital dispatch by a DDS that does not process digital payments (in-vehicle payment only).

 - (A) Three dollars and twenty-five cents (\$3.25) for entry (drop rate) and the first one-eighth (1/8) of a mile;
 - (B) Twenty-seven cents (\$0.27) for each one-eighth (1/8) of a mile after the first one-eighth (1/8) of a mile;
 - (C) The rate for wait time is twenty-five dollars (\$25.00) per hour. Wait time begins five (5) minutes after the taxicab arrives at the place to which it was dispatched. No wait time shall be charged for premature response to a dispatch. Wait time shall also be charged for time consumed while the taxicab is stopped or slowed to a speed of less than ten (10) miles per hour for longer than sixty (60) seconds and for time consumed for delays or stopovers en route at the direction of the passenger. Wait time shall be calculated in sixty (60) second increments. Wait time does not include time lost due to taxicab or operator inefficiency
- (2) Authorized additional charges. The additional charges which shall be included in the taximeter fare for a trip booked by a street hail, or a telephone dispatch, or a digital dispatch by a DDS that does not process digital payments are the following:

 - (D) An airport surcharge or toll paid by the taxicab operator, if any, which shall be charged in an amount equal to the amount paid by the operator;
 - (E) An additional passenger fee, if there is more than one (1) passenger, which shall be one dollar (\$1.00) regardless of the number of additional passengers (the total fee shall not exceed one dollar (\$1.00)); and

- (F) A snow emergency fare when authorized under § 804.
- (d) Fare for trips booked by digital dispatch and paid by digital payment.
- (1) Time and distance charges. The time and distance charges for a taxicab trip booked by a digital dispatch are established as follows: zero dollars (\$0) regardless of the amount displayed on the taximeter.
 - (2) Authorized additional charges. The additional charges which shall be included in the taximeter fare for a trip booked by a digital dispatch are the following: zero dollars (\$0) regardless of the amount displayed on the taximeter.
 - (3) DDS charges. The only charges, if any, which may be assessed to the passenger for a trip paid by digital payment shall be those charges billed directly to the passenger by the DDS, which shall not be displayed on the taximeter, and which shall adhere to the requirements of § 1402.11, in the same manner and to the same extent as if the taxicab were a black car or a private sedan, including the requirement that the District be paid the passenger surcharge in the manner required by this title.

801.8 Group or shared riding shall be charged as follows:

- (a) Trips booked by street hail, telephone dispatch, or digital dispatch with no digital payment. If more than one (1) passenger enters a taxicab at the same time on a pre-arranged basis (group riding or shared riding) bound for different destinations, the fare shall be charged as follows: As each passenger arrives at his or her destination, the fare then due shall be paid by the passenger(s) leaving the taxicab. There then shall be a new flag drop and the passenger(s) remaining in the group shall pay in the same manner until the last passenger(s) arrives at his or her destination and the final taxicab fare is then paid. The proposed amendments to Chapters 8 and 99 would clarify the definition of “shared riding” and allow the Chief of the Office of Taxicabs to have the flexibility to designate share ride locations as needed to best serve the interests of passengers, owners, operators, and the venues at which shared riding may be allowed, for other lawful purposes within the authority of the Commission.

The proposed rulemaking was adopted on August 6, 2014. Directions for submitting comments may be found at the end of this notice. The Commission also hereby gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the publication of this notice of proposed rulemaking in the *D.C. Register*.

CHAPTER 8, OPERATION OF TAXICABS, is amended as follows:**Section 808, GROUP RIDING AND SHARED RIDING, is amended to read as follows:****Subsection 808.2 is amended to read as follows:**

808.2 Shared riding, as defined in § 9901.1 is authorized under this chapter only at a shared riding location designated by the Chief of the Office in an administrative issuance issued pursuant to Chapter 7. DISTRICT OF COLUMBIA TAXICAB COMMISSION**NOTICE OF SECOND PROPOSED RULEMAKING**

The District of Columbia Taxicab Commission (“Commission”), pursuant to the authority set forth in Sections 8(c)(2), (3), (4), (5), (7), (19), 14, 20, and 20a of the District of Columbia Taxicab Commission Establishment Act of 1985 (“Establishment Act”), effective March 25, 1986 (D.C. Law 6-97; D.C. Official Code §§ 50-307(c)(2) (3), (4), (5), (7), (19)), 50-313, 50-319, and 50-320 (2012 Repl. & 2014 Supp.)), and D.C. Official Code § 47-2829 (b), (d), (e), (e-1), and (i) (2012 Repl. & 2014 Supp.), hereby gives notice of its intent to adopt amendments to Chapter 12 (Luxury Services – Owners, Operators, and Vehicles) of Title 31 (Taxicabs and Public Vehicles for Hire) of the District of Columbia Municipal Regulations (DCMR).

The amendments to Chapter 12, in combination with the new Chapter 99 and proposed amendments to Chapters 12, 14, 16, and 17 of Title 31, create a regulatory framework for the licensing and regulation of a new class of public vehicle-for-hire service to be called “private sedan service”, to address the unique issues raised by private sedan service, including rules to require adequate insurance, to ensure the safety of passengers, drivers, and the general public, to protect consumers, to require payment to the District of a passenger surcharge, and for other lawful purposes within the authority of the Commission. The proposed amendments to Chapter 8 would allow digital dispatch services (not taxicab owners or operators) to set the entire fare when dispatching a taxicab, without use of the metered rates set by the Commission, while requiring the operator to continue to use the modern taximeter system to ensure that payment service providers continue to report trip data to the Office of Taxicabs (“Office”) for dispatched trips, for enforcement, research, passenger surcharge reconciliation, and other lawful purposes.

All definitions applicable to this chapter appear in the new Chapter 99 that contains definitions for the entire title.

The original proposed rulemaking was adopted by the Commission on April 9, 2014 and published in the *D.C. Register* on May 9, 2014 at 61 DCR 4743. The Commission held a public hearing on the proposed rules on April 30, 2014, to receive oral comments on the proposed rules. The Commission received valuable comments from the public at the hearing and throughout the comment period which expired on June 15, 2014. The comments received were carefully considered and necessitate a second publication. The second proposed rulemaking was adopted by the Commission on August 6, 2014.

Directions for submitting comments may be found at the end of this notice. The Commission also hereby gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the publication of this notice of second proposed rulemaking in the *D.C. Register*.

- (a) Neither a "smoking" vehicle nor a vehicle in which smoking has occurred in the three (3) years prior to the use of the vehicle as a public vehicle-for-hire shall be re-designated a "non-smoking" vehicle. For a private sedan, such a designation shall be consistent with any policy of the private sedan business regarding smoking.

- 1403.9 No operator who possesses a private sedan operator's license shall be signed into the digital payment system and providing private sedan service for more than twenty (20) hours per week.
- 1403.10 No operator shall accept a payment from a passenger, or provide service, unless the amount of the fare (including any gratuity), and the method of payment, comply with all applicable provisions of this chapter and Chapter 16.

DISTRICT OF COLUMBIA TAXICAB COMMISSION

NOTICE OF SECOND PROPOSED RULEMAKING

The District of Columbia Taxicab Commission (“Commission”), pursuant to the authority set forth in Sections 8(c)(2), (3), (4), (5), (7), (19), 14, 20, and 20a of the District of Columbia Taxicab Commission Establishment Act of 1985 (“Establishment Act”), effective March 25, 1986 (D.C. Law 6-97; D.C. Official Code §§ 50-307(c)(2) (3), (4), (5), (7), (19), 50-, 50-319, and 50-320 (2012 Repl. & 2014 Supp.)), and D.C. Official Code § 47-2829 (b), (d), (e), (e-1), and (i) (2012 Repl. & 2014 Supp.), hereby gives notice of its intent to adopt amendments to Chapter 16 (Dispatch Services) of Title 31 (Taxicabs and Public Vehicles for Hire) of the District of Columbia Municipal Regulations (DCMR).

The proposed amendments would, in sum, create a regulatory framework for the licensing and regulation of a new class of public vehicle-for-hire service to be called “private sedan service”, to address the unique issues raised by private sedan service, including rules to require adequate insurance, to ensure the safety of passengers, drivers, and the general public, to protect consumers, and to require payment to the District of a passenger surcharge, and for other lawful purposes within the authority of the Commission. The proposed amendments in this chapter would, *inter alia*: (1) establish rules to allow digital dispatch services to register with the Office of Taxicabs to book trips with taxicabs, black cars, and/or private sedans; and (2) require that any passenger surcharge payments by the DDS for black car or private sedan service, and accompanying trip data, be submitted on a quarterly basis. All definitions applicable to this chapter will be moved to a new Chapter 99 that contains definitions for the entire title.

The rules and regulations proposed in this notice would minimally regulate digital dispatch services only in the manner and to the extent authorized by law, including, *inter alia*, recent amendments to the Act allowing the Commission to establish procedures for the implementation of a passenger surcharge and for the administration of a passenger surcharge amount, and to promulgate rules and regulations respecting digital dispatch services that are necessary for the safety of customers and drivers or consumer protection, which protect personal privacy rights of customers and drivers which do not result in the disclosure of confidential business information and which allow providers to limit the geographic location of trip data to individual census tracts. Under the proposed rules, the digital dispatch service must: (1) maintain an inventory of active private sedan drivers and vehicles with the Office for enforcement, data reconciliation, and other lawful purposes; and (2) must report, on a quarterly basis, trip data to the Office for dispatched trips (which may be generalized to census tract level for pickup and drop off locations), for enforcement, research, data reconciliation, passenger surcharge reconciliation, and other lawful purposes. There is no other practicable and reliable source for these two sets of information, nor for the collection and payment of passenger surcharges. These obligations at most impose a de minimis burden on a digital dispatch service, as it is already in possession of this information for its own business purposes, and it processes all payments.

The proposed rules were adopted on April 9, 2014. The proposed rules amending Chapter 16 of DCMR Title 31 were originally approved by the Commission for publication on April 9, 2014, and published in the *D.C. Register* on May 16, 2014, at 61 DCR 5009. The Commission held a

public hearing on the proposed rules on April 30, 2014 to receive oral comments from the public on the proposed rules. The Commission received valuable comments from the public at the hearing and throughout the comment period which expired on June 15, 2014. The comments received were carefully considered and necessitate a second publication.

Directions for submitting comments may be found at the end of this notice. The Commission also hereby gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the publication of this Notice of Proposed Rulemaking in the *D.C. Register*.

1603.3 Each dispatch service shall store its business records in compliance with industry best practices and all applicable laws, make its business records related to compliance with its legal obligations under this title available for inspection and copying as directed by the Office, and retain its business records for five (5) years.

- 1605.1 Each trip by black car shall be booked by a DDS registered under this chapter and paid for using a digital payment system ("DPS").

- 1605.2 Each DPS used for black car service or private sedan service shall consist of any technology selected by the DDS (such as a tablet or smartphone running an app provided by the DDS) that allows the DDS, the operator, the vehicle, and, where applicable, the associated private sedan business to comply with all applicable provisions of this title. (4) Process each payment for each trip.

1605.3 All costs associated with a DPS shall be the responsibility of the DDS, but may be allocated, by written agreement, among the DDS and the private sedan businesses (if any), owners, and operators with which it associates.

1606 PASSENGER SURCHARGE FOR BLACK CAR AND PRIVATE SEDAN SERVICE

1606.1 Each DDS that dispatches black cars or private sedans shall ensure that the passenger surcharge is collected from the passenger and paid to the District for each trip, and shall:

(a) Remit a payment to the D.C. Treasurer at the end of each quarter, on the last business day of March, June, September, and December, of each year during the licensing period, reflecting the sum of all passenger surcharges owed to the Office for black car and private sedan trips during the prior quarter based on the trip data for such period;

 - (e) A brief technical description of the dispatch or payment solution (for taxicabs), digital payment system (for black cars and private sedans), or both, including the names of the applications, platforms, and operating systems used;
 - (f) A blank sample of each agreement or policy, including any user agreement or privacy policy, applicable to the DDS’s association with passengers, or a URL web address where such information may be found;
 - (g) If the DDS dispatches private sedans, the name of the private sedan business with which it is associated, a description of the legal relationship between the applicant and the private sedan business, and a certification from the DDS that the private sedan business will maintain the inventory of active operators and vehicles required by Chapter 17;
 - (h) If the DDS dispatches black cars, the DDS’s initial inventory of active black car operators and vehicles;
 - (i) A certification by the applicant that the DDS owns the right to, or holds licenses to, all the intellectual property used by the DDS for all technology it uses to process digital dispatch and digital payments, and for its DPS, if any;

- (j) Proof that it is licensed by DCRA to do business in the District; and
- (k) Such other information and documentation as the Office may determine is reasonably necessary in order to verify that the DDS will comply with all applicable provisions of this title and other applicable laws.

1607.3 Each application:

- (a) Shall be provided under oath;
- (b) Shall be accompanied by a passenger surcharge bond of fifty thousand dollars (\$50,000) payable to the District, provided however, that if the DDS has provided a bond in connection with the dispatch of taxicabs under Chapter 4, no further bond shall be required, but the existing bond shall be extended to cover all public vehicle-for-hire services provided by the DDS. The passenger surcharge bond shall be returned to the DDS within thirty (30) days after an event that causes the DDS to no longer be registered, provided however, that the bond shall not be returned while there remains a discrepancy in the amount owed for passenger surcharges for any class of service dispatched by the DDS.
- (c) Shall be accompanied by an application fee of five hundred dollars (\$500), regardless of how many classes of service the DDS dispatches, except that if the application is to amend an existing registration, regardless of how many classes of services will be added to the existing registration, the application shall be accompanied by an application fee of two hundred dollars (\$200).
- (d) Shall include a brief demonstration of the functionality of its dispatch or payment solution for taxicabs, and the DDS's digital payment system for black cars and private sedans as applicable, including how District enforcement personnel can access any licensing and insurance documents which the DDS chooses to make available on its app pursuant to § 1402.7 (b). At such time, the Office's enforcement and technical staff may examine the DDS's equipment to ascertain compliance with this title and other applicable laws. Members of the DDS's technical staff shall attend the demonstration to answer questions.

1607.4 The Office shall determine whether to grant or deny registration within ten (10) days after an application is filed, provided however, that such period may be extended by the Office for no more than ten (10) days with notice to the DDS if the DDS is not registering to dispatch private sedans. If the DDS is registering to dispatch private sedans, the Office may further extend the period as necessary to complete the review and licensing under Chapter 17 of the DDS's associated private sedan business. The Office shall deny registration only if it determines

that the DDS is clearly not in compliance with the provisions of this title or other applicable laws.

1607.5 If the Office grants the registration, it shall provide notice to the DDS in writing.

1607.6 If the Office denies registration, it shall state the reasons for its decision in writing, including the specific facts upon which the Office has determined that the DDS is not or will not be in compliance with the provisions of this title or other applicable laws. A decision to deny registration may be appealed to the Chief of the Office within fifteen (15) calendar days. If the decision to deny is not appealed within the fifteen (15) calendar day period, it shall constitute a final decision of the Office. If the decision to deny is appealed within the fifteen (15) business day period, the Chief shall issue a decision within thirty (30) days. A timely appeal of a denial shall extend an existing certificate or registration pending the Chief's decision. A decision of the Chief to affirm or reverse a denial shall constitute a final decision of the Office. A decision of the Chief to remand to the Office for further review of the filing shall extend an existing registration pending the final decision of the Office.

1607.7 Each registration shall continue in force and effect for twenty four (24) months, during which time no substantial change may be made to a DDS's dispatch or payment solution for taxicabs, or to a DDS's digital payment system for black cars and/or private sedans, unless the DDS informs the Office of the proposed substantial change at least fifteen (15) days before its implementation, during which time the DDS shall cooperate with the Office as necessary so the Office is fully informed of the nature of the proposed change and is able to verify that the proposed change does not alter the DDS' compliance with this title and other applicable laws. A "substantial change" for purposes of this subsection means a replacement of an existing DDS dispatch or payment solution for taxicabs, or digital payment system for sedans, or a material change in the DDS's manner of compliance with § 1602.10(a)-(d) (other than a change in rates and charges established by the DDS), such as a material change in how the electronic manifest can be accessed for use in enforcement. A substantial change does not include any update to an application or to an operating system, a service update, or other routine modification or incremental improvement of an existing DDS dispatch or payment solution for taxicabs, or digital payment system for sedans. Each registered DDS shall notify the Office of any other change in the information contained in its registration or its supporting documentation, such as the URL for its website, within three (3) days after the change.

1607.8 Each DDS registered under this section may at any time file an application to amend its registration to include additional classes of public vehicles-for-hire it wants to dispatch.

1607.9 The name of each registered DDS, and the trade names of its dispatch or payment solution for taxicabs, and its digital payment system for black cars and/or sedans, shall be listed on the Commission's website.

1608 RENEWAL OF REGISTRATION

1608.1 Each DDS registered under this section shall file an application to renew its registration at least sixty (60) days prior to the expiration of its registration, by completing a form as determined by the office, including the information and documentation required by § 1607. A registration shall continue in force and effect beyond its expiration if the DDS files an application for renewal at least sixty (60) days prior to the expiration of its registration and the application is pending acceptance by the Office.

1609 BIENNIAL REPORTING REQUIREMENT

1609.1 A registered DDS shall, on the first (1st) day of the thirteenth (13th) month after it registers or renews its registration, provide to the Office:

 - (1) A passenger dispute concerning a payment, where the dispute involves fifty dollars (\$50) or more;
 - (2) An incident involving fraud or criminal activity; or
 - (3) A charge of discrimination by any person that would constitute a violation of § 508.

1610 PROHIBITIONS

1610.1 No person shall operate a dispatch service that is not registered with the Office under this chapter for all the classes of public vehicle-for-hire it dispatches.

- 1610.2 No DDS shall knowingly allow its dispatch service to be used or accessed by any person where an associated operator, vehicle, taxicab company, taxicab association, taxicab fleet, luxury class organization, and/or private sedan business that participate in providing the service do not have a current and valid license as required by this title.

- 1610.4 No DDS shall substitute a higher-priced vehicle for a booked trip except where the passenger has granted permission prior to pick up unless the higher-priced vehicle is provided at the same rate as the booked vehicle.
- 1610.5 No DDS shall dispatch a vehicle, or process a digital payment, except as provided in this chapter.
- 1610.6 No DDS shall impose terms and conditions on a passenger, or an associated operator or entity which participates in providing a public vehicle-for-hire service dispatched by such DDS which, in the opinion of Department of Insurance, Securities and Banking (“DISB”), are inconsistent with any insurance requirements in this title, or which directly threaten the safety of passengers, operators, or the general public.

1611 PENALTIES

- 1611.1 A dispatch service that violates this chapter shall be subject to:
- (a) A civil fine of five hundred dollars (\$500) for the first violation of a provision, one thousand dollars (\$1,000) for the second violation of the same provision, and one thousand five hundred dollars (\$1,500) for each subsequent violation of the same provision;

DISTRICT OF COLUMBIA TAXICAB COMMISSION**NOTICE OF SECOND PROPOSED RULEMAKING**

The District of Columbia Taxicab Commission (“Commission”), pursuant to the authority set forth in Sections 8(c)(2), (3), (4), (5), (7), (19), 14, 20, and 20a of the District of Columbia Taxicab Commission Establishment Act of 1985 (“Establishment Act”), effective March 25, 1986 (D.C. Law 6-97; D.C. Official Code §§ 50-307(c)(2) (3), (4), (5), (7), (19) (2012 Repl. & 2014 Supp.), § 50-313 (2012 Repl. & 2014 Supp.), § 50-319 (2012 Repl. & 2014 Supp.), and § 50-320 (2012 Repl. & 2014 Supp.)), and D.C. Official Code § 47-2829 (b), (d), (e), (e-1), and (i) (2012 Repl. & 2014 Supp.), hereby gives notice of its intent to create a new Chapter 17 (Private Sedan Service – Businesses, Operators, and Vehicles) of Title 31 (Taxicabs and Public Vehicles for Hire) of the District of Columbia Municipal Regulations (DCMR).

The proposed Chapter 17 would, in combination with proposed amendments to Chapters 99, 8, 12, 14, and 16, of Title 31, create a regulatory framework for the licensing and regulation of a new class of public vehicle-for-hire service to be called “private sedan service”, which is within the Commission’s jurisdiction to license or regulate, to address the unique issues raised by private sedan service, including rules to require adequate insurance, to ensure the safety of passengers, drivers, and the general public, to protect consumers, and to require payment to the District of a passenger surcharge, and for other lawful purposes within the authority of the Commission.

The proposed amendments in this chapter would, *inter alia*: (1) establish rules for the licensing of the drivers who provide service, setting criteria for criminal background checks and driving records; (2) establish rules for the licensing of the private vehicles used to provide service, setting criteria for safety inspections; (3) establish rules for the licensing of the businesses which provide private sedan services, setting criteria for screening drivers and inspecting vehicles, and requiring businesses to provide minimal training to new drivers and to limit non-professional drivers to part-time (a limit that would not apply to a driver who possesses a DCTC commercial operator’s license); and (4) establish rules for the operation of the private sedan business, requiring businesses to maintain adequate liability insurance to protect all participants in the service, as well as the general public, and to maintain an inventory of active private sedan drivers and vehicles with the Office of Taxicabs (“Office”) for enforcement, data reconciliation, and other lawful purposes. All definitions applicable to this chapter would appear in a new Chapter 99 that contains definitions for the entire title. The proposed rules amending Chapter 17 of DCMR Title 31 were originally approved by the Commission for publication on April 9, 2014, and published in the *D.C. Register* on May 16, 2014, at 61 DCR 5024. The Commission held a public hearing on the proposed rules on April 30, 2014 to receive oral comments from the public on the proposed rules. The Commission received valuable comments from the public at the hearing and throughout the comment period which expired on June 15, 2014. The comments received were carefully considered and necessitate a second publication.

Directions for submitting comments may be found at the end of this notice. The Commission also hereby gives notice of the intent to take final rulemaking action to adopt these proposed

rules in not less than thirty (30) days after the publication of this notice of second proposed rulemaking in the *D.C. Register*.

The Commission intends to add Chapter 17, PRIVATE SEDAN SERVICE – BUSINESSES, OPERATORS, AND VEHICLES, of Title 31, TAXICABS AND PUBLIC VEHICLES FOR HIRE, of the DCMR to read as follows:

Official Code § 2-534(a)(1) (trade secrets and commercial or financial information obtained from outside the government, to the extent that disclosure would result in substantial harm to the competitive position of the person from whom the information was obtained), and the provision expressly allows the filing to be made pursuant to this subsection, the following procedures shall apply:

 - (2) Not later than three (3) days prior to the deadline: inform the business of the Office’s position as to whether it is in the public interest to withhold the filing in whole or in part, whether redaction of the document is required under FOIA, and whether additional information must be provided to support withholding; and
 - (3) The Office shall release the filing if the information required by § 1701.4(e)(2) is not received by the Office at least one (1) day before the deadline.

1701.5 A private sedan business and a DDS which together provide a private sedan service may be organized and associated in any lawful manner, including as separate, associated entities, or as a single entity which performs the functions of both the private sedan business and the DDS. Where a private sedan service is offered by a single entity, such entity shall comply with the applicable provisions of this chapter and Chapter 16.

Official Code § 1-307.02 (2012 Repl. & 2014 Supp.)), and Section 6(6) of the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. Official Code § 7-771.05(6) (2012 Repl.)), hereby gives notice of the adoption, on an emergency basis, of an amendment to Section 1915, entitled “Host Home Services”, of Chapter 19 (Home and Community-Based Waiver Services for Individuals with Intellectual and Developmental Disabilities) of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR).

These emergency and proposed rules establish standards governing reimbursement of host home services provided to participants in the Home and Community-Based Waiver Services for Individuals with Intellectual and Developmental Disabilities (ID/DD Waiver) and conditions of participation for providers.

The ID/DD Waiver was approved by the Council of the District of Columbia and renewed by the U.S Department of Health and Human Services, Centers for Medicaid and Medicare Services, for a five-year period beginning November 20, 2012. Host home without transportation services provide essential supports whereby a homeowner assists the person with multiple activities, including activities of daily living, to enable him/her to live successfully in the community. These rules amend the previously published final rules by increasing the rates, using the approved rate methodology, to reflect the increase in the D.C. Living Wage to comply with the Living Wage Act of 2006, effective June 8, 2006 (D.C. Law 16-118; D.C. Official Code §§ 2-220.01 *et seq.* (2012 Repl.)).

Emergency action is necessary for the immediate preservation of the health, safety, and welfare of ID/DD Waiver participants who are in need of host home without transportation services. The ID/DD Waiver serves some of the District’s most vulnerable residents. The rate increase is necessary to ensure a stable workforce and provider base. In order to ensure that the residents’ health, safety, and welfare are not threatened, it is necessary that that these rules be published on an emergency basis.

The emergency rulemaking was adopted on September 12, 2014 and became effective on that date. The emergency rules shall remain in effect for one hundred and twenty (120) days until January 10, 2015, unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*. The Director of DHCF also gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the date of publication of this notice in the *D.C. Register*.

DEPARTMENT OF HEALTH CARE FINANCE

NOTICE OF EMERGENCY AND PROPOSED RULEMAKING

The Director of the Department of Health Care Finance (DHCF), pursuant to the authority set forth in An Act to enable the District of Columbia to receive federal financial assistance under Title XIX of the Social Security Act for a medical assistance program, and for other purposes, approved December 27, 1967 (81 Stat. 774; D.C. Official Code § 1-307.02 (2012 Repl. & 2014 Supp.)) and Section 6(6) of the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. Official Code § 7-771.05(6) (2012 Repl.)), hereby gives notice of the adoption, on an emergency basis, of an amendment to Section 1919, entitled “Behavioral Support Services” of Chapter 19 (Medicaid Program) of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR).

These emergency and proposed rules establish standards governing reimbursement of behavioral support services provided to participants in the Home and Community-Based Services Waiver for Individuals with Intellectual and Developmental Disabilities (Waiver) and conditions of participation for providers.

The Waiver was approved by the Council of the District of Columbia and renewed by the U.S. Department of Health and Human Services, Centers for Medicaid and Medicare Services for a five-year period beginning November 20, 2012. These rules amend the previously published final rules by increasing the rates, using the approved rate methodology, to reflect the increase in the D.C. Living Wage to comply with the Living Wage Act of 2006, effective June 8, 2008 (D.C. Law 16-118; D.C. Official Code §§ 2-220.01 *et. seq.* (2012 Repl.)).

Emergency action is necessary for the immediate preservation of the health, safety, and welfare of ID/DD Waiver participants who are in need of behavioral support services. The ID/DD Waiver serves some of the District’s most vulnerable residents. The rate increase is necessary to ensure a stable workforce and provider base. In order to ensure that the residents’ health, safety, and welfare are not threatened, it is necessary that that these rules be published on an emergency basis.

The emergency rulemaking was adopted on September 12, 2014 and became effective on that date. The emergency rules shall remain in effect for one hundred and twenty (120) days until January 10, 2015, unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*. The Director of DHCF also gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the date of publication of this notice in the *D.C. Register*.

PUBLIC SERVICE COMMISSION OF THE DISTRICT OF COLUMBIA**PUBLIC NOTICE****FORMAL CASE NO. 1102, IN THE MATTER OF THE INVESTIGATION INTO THE CONTINUED USE OF VERIZON WASHINGTON, DC, INC.'S COPPER INFRASTRUCTURE TO PROVIDE TELECOMMUNICATIONS SERVICES**

1. This Notice informs the public that the Public Service Commission of the District of Columbia (“Commission”) seeks input on its investigation regarding Verizon Washington, DC, Inc.’s (“Verizon DC”) continued use of its copper infrastructure for the provision of telecommunications services in the District of Columbia and whether, and under what circumstances, the Company plans to transition customers from the telecommunications services provided over copper facilities to telecommunications services provided over fiber facilities. On December 3 and 4, 2014, the Commission will hold an evidentiary hearing on the following nine (9) issues:

1. Are there services, capabilities and functionalities of voice telecommunications service provided within a wire center service area that can be provided by copper lines connected to TDM-based circuit switched equipment which cannot also be provided by fiber lines connected to TDM circuit switched equipment or to fiber lines connected to IP softswitch equipment? If yes, specify and explain the importance of such to residential and business customers.
2. Do voice telecommunications services provided within a wire center service area that utilize fiber lines connected to either TDM-based circuit switch equipment or to IP softswitch equipment provide the same or better call and response capabilities for emergency services (including: fire, police and medical emergency response services and Personal Emergency Response System services), crisis management, priority access and security services (including law enforcement call monitoring services) as are provided when copper lines connected to TDM circuit switches are utilized to provide such services? If the answer is no, what additional equipment or services are needed to achieve the same level of response capabilities as exist with copper facilities?
3. Are there significant differences between voice telecommunications services provided over: copper lines connected to TDM-based circuit switch equipment; fiber lines connected to TDM-based circuit switched equipment; fiber lines connected to IP softswitch equipment; and VoIP service utilizing fiber lines connected to the public Internet or to private Internet networks? If so, should each of these voice telecommunication

services be classified as separate types of voice telecommunications service and treated differently for regulatory purposes? If so, why?

4. Are there services, capabilities and functionalities of voice telecommunications service provided within a wire center service area that telecommunications service providers should be required to provide to customers irrespective of whether the carrier utilizes copper lines connected to TDM-based circuit switch equipment or fiber lines connected to TDM-based circuit switched equipment? If so, what are those services, capabilities and functionalities?
5. What network reliability, public safety, and service quality standards should be applied to voice telecommunications services provided within an exchange area that utilize fiber lines connected to TDM-based circuit switched equipment?
6. Are Verizon DC's circuit-switched fiber or FiOS voice services, technically structured and provisioned at the customer's premises and within Verizon's network in the District to be classified as Internet Protocol-enabled Service or Voice Over Internet Protocol Service as defined in D.C. Code § 34-2001(7A) or 34-2001(23)?
7. Are there areas in the District where there are poorly performing copper-based facilities but no immediate plans to transition to fiber facilities? If so, what is the timeframe for Verizon DC's deployment of fiber-based facilities to these areas and what are the plans for maintaining adequate and safe voice service in these areas, including plans for deploying alternate facilities, if any?
8. What information and disclosures should Verizon DC provide to District consumers about the features of voice service on fiber facilities before they switch from copper to fiber facilities, and what information and disclosures should Verizon DC provide to District consumers about the features of unregulated VoIP services before they may switch from regulated voice to unregulated VoIP services and why?
9. Are District customers who want to retain or return to copper facilities being allowed to do so and if not, why not?¹

BOARD OF ZONING ADJUSTMENT**

Application No. 18770-A¹ of &pizza, pursuant to 11 DCMR §§ 3104.1 and 3103.2, for a special exception to allow a fast food establishment (first floor) under section 733, and a variance from the rear yard requirements under section 774, for a one-story rear addition to an existing building in the CHC/C-2-A District at premises 405 8th Street, S.E. (Square 902, Lot 825).²

HEARING DATES: June 10, 2014, June 17, 2014, and September 9, 2014³

DECISION DATE: September 9, 2014

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibits 5 and 24.)

The Board of Zoning Adjustment ("Board") provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register*, and by mail to Advisory Neighborhood Commission ("ANC") 6B and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 6B, which is automatically a party to this application. Ultimately, the ANC submitted a letter in support of the application with conditions. At first, the ANC opposed the application, per its first letter report dated May 19, 2014, citing its concerns regarding how the collection and storage of trash would exacerbate an existing serious rodent problem in the neighborhood and asked for the Board to grant the Applicant's request for a postponement so the ANC and neighbors and the Applicant could resolve the outstanding issues. In this initial report the ANC stated that it believed the Applicant's operation would exacerbate the already existing serious rodent issue in the area. (Exhibit 26.) The Applicant, with the ANC's agreement, asked for a postponement in order to work with the ANC and neighbors on a solution.⁴ The Board granted the postponement. Subsequently, after extensive meetings and negotiations between the Applicant, the ANC and the neighbors, the Office of Planning ("OP"), the Department of Health, the District Department of Transportation ("DDOT"), and experts in the areas of noise mitigation, odor mitigation, rodentology, and trash containment procedures, the ANC submitted a second letter report, this time in support of the application and with a consolidated list of

¹ This is a corrected Order of a single typo in the original Order.

² The application was revised by the Applicant. (Exhibit 24.)

³ The application was postponed from the June 10th and June 17th public hearings at the Applicant's request.

⁴ In addition to the party status applications in opposition, almost 100 neighbors signed a petition opposing the project.

PAGE NO. 2

conditions, including indoor trash, noise mitigation, and odor control, that would satisfy the ANC and the neighbors. The ANC's letter dated July 12, 2014, indicated that the ANC at a duly noticed, regularly scheduled public meeting on July 8, 2014, with a quorum present, the ANC voted 7-4-0 in support of the Applicant's variance request and 6:4:0 to support the Applicant's special exception request provided that the Board: (1) limit the grant of special exception to allow a fast food establishment on the first floor to a period of seven years; (2) approve the variance from the rear yard requirements for a one-story rear addition to the existing building; and (3) include in its order the enclosed list of conditions agreed to by the Applicant. (Exhibit 34.)

The Office of Planning ("OP") submitted a report in support of the application with conditions, including a 10-year period. (Exhibit 36.) OP submitted a supplemental report dated September 2, 2014, still in support of the application but revising some of the conditions to reflect the conditions agreed to by the Applicant and the ANC, but inadvertently omitted in the first OP report. (Exhibit 37.) The Department of Transportation ("DDOT") submitted a report and indicated it no objection to the application. (Exhibit 29.) Also according to the OP report, the Department of Health ("DOH") has no objection to taking the refuse through the breezeway to the street for collection. (Exhibit 36.)

A letter of support was submitted to the record by Chris Floyd, who resides in the neighborhood at 6th and South Carolina, S.E. (Exhibit 38.) He also testified in support of the application.

John West and Linda Elliot of 414 7th Street, S.E., each filed applications for party status in opposition to the application, which the Board granted. Ms. Elliot testified at the September 9th hearing about the process of how the neighbors and ANC went from their initial opposition and came to agreement with the Applicant on the application and developed the proposed conditions. Both Mr. West and Ms. Elliot withdrew their opposition and changed their position to one of support at the hearing on September 9th.

There was agreement between the ANC and neighbors and the Applicant as to all the conditions but for the term of approval. A representative of the ANC appeared at the September 9th hearing in support of the application and recommended a term of seven years. That ANC representative testified that the ANC had voted to reject a 10-year term. The ANC representative further testified that some of the ANC members had wanted even fewer years. Although the Applicant had requested a 10-year term and OP agreed to that term, the ANC did not and continued to recommend a seven-year term. Ultimately, based on the record submitted, a majority of the Board chose to grant its approval of the application with a seven-year term.

Variance Relief

The Board closed the record at the conclusion of the hearing. As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case, pursuant to § 3103.2, for a variance from the rear yard requirements under § 774, to allow a fast food establishment in the

BZA APPLICATION NO. 18770-A

PAGE NO. 3

CHC/C-2-A District. As the parties in opposition had changed their opposition to support, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports filed in this case together with the conditions listed therein, the Board concludes that in seeking a variance from § 774, the Applicant has met the burden of proving under 11 DCMR § 3103.2, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Special Exception Relief

As directed by 11 DCMR § 3119.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for a special exception from the requirements under § 733 to allow a fast food establishment. As the parties in opposition had changed their opposition to support, a decision by the Board to grant this application would not be adverse to any party.

The Board concludes that the Applicant has met the burden of proof for special exception relief, pursuant to 11 DCMR §§ 3104.1 and 733, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED THAT THIS APPLICATION IS HEREBY GRANTED SUBJECT TO THE PLANS AT EXHIBIT 40C AND WITH THE FOLLOWING CONDITIONS:**

1. Approval shall be for a period of **SEVEN (7) YEARS** from the effective date of this Order.
2. Hours of operation shall not exceed:

SUMMARY ORDER

REVIEW BY THE ZONING ADMINISTRATOR

The application was accompanied by a memorandum from the Zoning Administrator certifying the required relief.

The Board of Zoning Adjustment (“Board”) provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register*, and by mail to Advisory Neighborhood Commission (“ANC”) 2B and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 2B, which is automatically a party to this application. ANC 2B submitted a report in support of this application. (Exhibit 32.) The Office of Planning (“OP”) submitted a report expressing that it could not support the application, (Exhibit 33); however in testimony at the public hearing, OP revised its position and recommended approval, having found that the Applicant meets the requirements for variance relief based on information gathered during OP’s site visit and in the Applicant’s submissions to OP. The District Department of Transportation filed a report expressing no objection to the application. (Exhibit 34.) Also, there were several letters of support submitted from neighbors. (Exhibits 21, 25-28, 30, and 36.)

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case, pursuant to § 3103.2, for variances from §§ 403, 404, 406, and 2001.3. The only parties to this case were the Applicant and ANC 2B which supported the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the ANC and OP reports filed in this case, the Board concludes that in seeking variances from §§ 403, 404, 406, and 2001.3, the Applicant has met the burden of proving under 11 DCMR § 3103.2, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief

can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application is hereby **GRANTED, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 5.**

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibit 6.)

Pursuant to 11 DCMR § 3181, this application was tentatively placed on the Board of Zoning Adjustment's expedited calendar for decision without hearing as a result of the Applicant's waiver of its right to a hearing.

The Board of Zoning Adjustment ("Board") provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 3C, and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 3C, which is automatically a party to this application. ANC 3C submitted a letter in support of the application. The Office of Planning ("OP") submitted a report in support of the application. The Department of Transportation submitted a report of no objection. A letter of support was submitted for the record by a neighbor, N. S. Altman of 3401 Macomb Street, N.W.

No objections to expedited calendar consideration were made by any person or entity entitled to do so by §§ 2118.6 and 2118.7 and no requests for party status were received. The matter was therefore called on the Board's expedited calendar for the date referenced above and the Board voted to grant the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for a special exception under § 223. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof,

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED THAT THIS APPLICATION IS HEARBY GRANTED SUBJECT TO THE PLANS AT EXHIBIT 8.**

SUMMARY ORDER

REVIEW BY THE ZONING ADMINISTRATOR

The application was accompanied by a memorandum, dated June 24, 2013, from the Zoning Administrator, which stated that Board of Zoning Adjustment (“Board” or “BZA”) approval is required for a special exception pursuant to § 2713.2(a). (Exhibit 7.)

The Board of Zoning Adjustment (“Board” or “BZA”) provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission (“ANC”) 7E and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 7E, which is automatically a party to this application. The ANC did not submit a resolution on the application nor did it testify at the public hearing. No party in opposition appeared at the public hearing.

The Office of Planning (“OP”) submitted a timely report on September 9, 2014, recommending approval of the application (Exhibit 34) and testified in support of the application at the hearing. OP also recommended an expedited hearing to avoid the unnecessary delay of this component of the District’s public safety radio system. The District Department of Transportation (“DDOT”) submitted a timely report of no objection to the application. (Exhibit 35.)

The Board closed the record at the end of the hearing. As directed by 11 DCMR § 3119.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for special exceptions under § 2713(a), to allow the construction of a new 205-foot tall radio tower/monopole and associated equipment in the R-5-A District. No parties appeared at the public hearing in opposition to the

¹ The Board altered the relief granted by changing the height of the tower/monopole to 205 feet from the 200 feet requested. The caption has been amended accordingly.

² The Board waived the public hearing notice requirements for cause (public safety) and permitted an expedited hearing that was requested.

application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

The Board concludes that the Applicant has met the burden of proof for special exception relief, pursuant to 11 DCMR §§ 3104.1 and 2713.2(a), and that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED THAT THIS APPLICATION IS HEREBY GRANTED SUBJECT TO THE APPROVED PLANS IN THE RECORD AT EXHIBIT 2.**
