IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

February 3, 2015

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the District of Columbia Procurement Practices Act of 1985 to align minimum qualifications for the position of Inspector General with federal standards.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Inspector General Qualifications Congressional Review Emergency Declaration Resolution of 2015”.

Sec. 2. (a) The Inspector General, who serves in an independent role to investigate waste, fraud, and abuse, is vital to the efficient and effective operation of the District government.

(b) In 2014, the Council enacted legislation to amend the requisite qualifications for the position of Inspector General to reflect best practices criteria generally adhered to nationally to enable the District to obtain the most highly accomplished candidate for the position.

(c) The Inspector General Qualifications Emergency Amendment Act of 2014, effective November 6, 2014 (D.C. Act 20-464; 61 DCR 11828) (“emergency legislation”), will expire on February 4, 2015.

(d) The Inspector General Qualifications Temporary Amendment Act of 2014, enacted on December 8, 2014 (D.C. Act 20-505; 61 DCR 12711) (“temporary legislation”), and the Inspector General Qualifications Amendment Act of 2014, enacted on January 6, 2015 (D.C. Act 20-562; 62 DCR 489) (“permanent legislation”), must both complete the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)), and will not become law until after the expiration of the emergency legislation.

(e) The temporary legislation is projected to become law on March 7, 2015. The permanent legislation does not yet have a projected law date.

(f) It is important that the provisions of the emergency legislation continue in effect, without interruption, until the temporary legislation is law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Inspector General Qualifications Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

February 3, 2015

To declare the existence of an emergency, due to congressional review, with respect to the need to establish that it shall be unlawful for the owner or operator of a grocery store to impose a restrictive land covenant or use restriction on the sale, or other transfer, or lease of real property used as a grocery store that prohibits the subsequent use of the property as a grocery store.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Grocery Store Restrictive Covenant Prohibition Congressional Review Emergency Declaration Resolution of 2015”.

Sec. 2. (a) In late 2014, it was reported that the Safeway at 4865 MacArthur Boulevard was offered for sale. In previous store and property sales, Safeway required that a purchaser of its property agree to a covenant prohibiting reuse of the property for a similar or analogous use; that is, that the property may not be used as a grocery store or retail food establishment of any kind. This type of restriction is harmful to residents. And, in the Macarthur Boulevard instance, it is harmful to the residents of the neighborhood as the next closest grocer is approximately 2.5 miles away.

(b) Restrictive covenants and other use restriction policies related to grocery stores are harmful and limit a community’s access to fresh food.

(c) Maintaining a grocery store within an urban neighborhood is vital, particularly since many residents rely heavily on walking as a means of access to fresh food.

(d) Seniors and low-income residents especially rely on food retailers in close proximity to their homes as they often face mobility challenges or have limited access to vehicles.

(e) A lack of stores offering healthy food options leads to unhealthy food choices and related health problems.

(f) These restrictive covenants are contrary to the American standard of a free market and open competition.

(g) As development in the District continues and the city sees continued population increases, it is vital that every neighborhood has access to essential grocery-store services. Restrictive covenants undermine food-services competition and the advent of revitalized communities with large and small retailers, including independent butchers and bakeries.

(h) The circumstances described in this section underscore the need for the Council to act to prohibit such restrictive covenants and prevent the creation of food deserts in the District.

(i) Further, this congressional review emergency legislation is necessary to ensure that there is no gap between when the original emergency legislation expires and when the temporary version of this legislation becomes effective.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Grocery Store Restrictive Covenant Prohibition Congressional Review Emergency Act of 2015 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

February 3, 2015

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Legalization of Marijuana for Medical Treatment Initiative of 1998 to expand the definition of a qualifying medical condition to allow physicians to determine whether a patient would benefit from medical marijuana treatment and to increase the number of living plants a medical marijuana cultivation center can possess at any time.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Medical Marijuana Expansion Congressional Review Emergency Declaration Resolution of 2015”.

Sec. 2. (a) In 2010, the Council passed the Legalization of Marijuana for Medical Treatment Initiative of 1998, effective February 25, 2010 (D.C. Law 13-315; D.C. Official Code § 7-1671.01 *et seq.*), in order to “ensure that the cultivation, distribution, possession, and use of medical marijuana is properly regulated.”

(b) Four years later, the District’s medical marijuana program had only 452 registered patients.

(c) On October 21, 2013, during a Committee on Health public roundtable on the medical marijuana program and how the program can be improved 2 primary suggestions emerged from that discussion: (1) Expanding the list of qualifying conditions; and (2) Allowing cultivation centers to possess more living marijuana plants.

(d) At the time, the current law severely limited the qualifying conditions, leaving many District residents suffering unnecessarily from significant pain, seizures, and numerous other conditions that are alleviated by medical marijuana use.

(e) The limits on the number of plants impeded cultivators’ ability to provide medical marijuana to patients in a manner other than smoking.

(f) A joint hearing was held on June 12, 2014, between the Committee on the Judiciary and Public Safety and the Committee on Health. There was only one public witness who spoke in opposition to the legislation and the Executive was supportive.

(g) On July 1, 2014, the Judiciary Committee marked up the combined bills and favorably approved them. On September 17, 2014, the Committee on Health marked up the combined bills and favorably approved them.

(h) In light of the significant time for permanent legislation to work its way through the congressional review period and the wrenching testimony of witnesses on conditions they are experiencing, the Council passed emergency legislation, the Medical Marijuana Expansion

(j) Temporary legislation, the Medical Marijuana Expansion Temporary Amendment Act of 2014, enacted on October 8, 2014 (D.C. Act 20-396; 61 DCR 8255), was recently re-transmitted to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)). It is projected to become law on February 26, 2015.

(k) A second congressional review emergency is needed to prevent a gap in the law as the Department of Health has already begun accepting patient registrations for an expanded range of medical conditions. The permanent legislation is projected to become law on March 10, 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Medical Marijuana Expansion Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 2. (a) On January 18, 2014, Chairman Phil Mendelson, at the request of the Mayor, introduced Bill 20-71, the Boards and Commissions Reform Act of 2013. That legislation was referred to the Committee of the Whole, which held a hearing on the bill on June 5, 2014, and approved the bill with amendments on October 7, 2014. That bill had 1st and 2nd readings on October 7, 2014 and October 28, 2014.

(b) On October 28, 2014, the Council enacted Bill 20-986, the New Columbia Statehood Initiative, Omnibus Boards and Commissions, and Election Transition Reform Emergency Amendment Act of 2014 on an emergency basis. Emergency action was warranted because it was important to implement the reforms set forth in Bill 20-71 without delay, particularly given the need to assist the incoming Mayor-elect and Attorney General-elect with their transitions into office.

(c) The emergency legislation expires on February 16th, and the corresponding permanent legislation (D.C. Act 20- 615) has not yet been transmitted for congressional review. The congressional review emergency is necessary to prevent a gap in the law.

To declare the existence of an emergency with respect to the need to amend the Recreation Act of 1994 to clarify that the Department of Parks and Recreation's implementation of its nutritional requirements is not contingent upon the agency's promulgation of unrelated regulations concerning field and facility permitting.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Department of Parks and Recreation Fee-based Use Permit Authority Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) In December 2012, the Council enacted D.C. Law 19-280, the Department of Parks and Recreation Fee-based Use Permit Authority Amendment Act of 2012. This law authorized the Department of Parks and Recreation ("DPR") to issue fee-based use permits and made other changes to the agency's permitting process. Additionally, this law enacted Bill 19-930, the Healthy Parks Act, which established nutritional standards for DPR facilities.

(b) Technical amendments to this law inadvertently made the implementation of the nutritional standards contingent upon the agency's adoption of an unrelated set of new regulations concerning permitting that the agency has not yet issued. During the Fiscal Year 2013 oversight process, the agency cited this language in explaining why it has not implemented its nutritional standards.

(c) This emergency legislation clarifies that the nutritional standards for DPR are not contingent upon an unrelated set of rules concerning permitting.

(d) Further, this emergency legislation is necessary to ensure that there is no gap between when the Department of Parks and Recreation Fee-based Use Permit Authority Clarification Temporary Amendment Act of 2014 expires and when the Department of Parks and Recreation Fee-based Use Permit Authority Clarification Amendment Act of 2014 becomes effective.

To declare the existence of an emergency with respect to the need to amend the Wage Theft Prevention Amendment Act of 2014 to exempt an employer from keeping precise time records for bona fide executive, administrative, and professional, as well as certain other, employees; to require an employer or a temporary staffing firm to provide notice regarding payment to an employee in a second language if the Mayor has made available a translation of the sample notice template in that second language and the employer knows that second language to be the employee's primary language or the employee requests notice in that second language; and to require the Mayor to make available, in any language required for a vital document under the Language Access Act of 2004, a translation of the sample template to be used by an employer or a temporary staffing firm when providing notice to an employee regarding payment; and to amend section 2 of An Act To provide for the payment and collection of wages in the District of Columbia to continue to exempt an employer from paying wages to bona fide executive, administrative, and professional employees at least twice during each calendar month; provided, that the employer pays wages to such employees at least once per month..

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Wage Theft Prevention Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) On July 14, 2014, the Council unanimously passed the Wage Theft Prevention Amendment Act of 2014 to prevent employers' failure to pay earned wages through enforcement by the District and to create a private right of action for injured employees.

(b) The Mayor signed the Wage Theft Prevention Amendment Act of 2014 on September 19, 2014 (D.C. Act 20-246; 61 DCR 10157)("Act"), and it is currently under congressional review with a projected law date of February 26, 2015.

(c) Subsequently, on December 2, 2014, the Council passed clarifying and technical corrections to the Act through an emergency measure, the Wage Theft Prevention Correction and Clarification Emergency Act of 2014.

(d) Since the passage of both bills, the Council has identified several unintended consequences of the bills, including the requirement that all employees, including white-collar, salaried employees, be paid at least twice per month, the requirement that employers keep records of the "precise time worked" each day and each workweek by all employees, including

ENROLLED ORIGINAL

those not compensated on an hourly or other unit-of-time basis, and the requirement that an employer provide notice to an employee regarding payment in an employee's primary language, without providing a limit on the languages in which that notice must be furnished.

(e) It was not the Council's intent to require that white-collar, salaried employees be paid at least twice a month or to require an employer to keep records of the precise time worked by all employees, including those not compensated on an hourly or other unit-of-time basis. Further, requiring notice to be furnished in any language that might be an employee's primary language will be unnecessarily burdensome and costly.

(f) Because the Wage Theft Prevention Amendment Act of 2014 is projected to become District law on February 26, 2015, approval of emergency legislation is necessary to avoid these unintended effects.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Wage Theft Prevention Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

September 23, 2014

To celebrate the life and contributions of Marshall Logan’s and Willa (Jeff) Logan’s 50 years on Mount Pleasant Street.

WHEREAS, Marshall Logan and Willa (Jeff) Logan opened Logan’s Tailor and Dry Cleaners at 3125 Mount Pleasant Street, N.W., in September 1964, and at about the same time, the pair embarked on what would become a lifelong passion of collecting art and antiques;

WHEREAS, within a dozen years, the new endeavor had led to a new business, “Logan’s Antiques”, across from the tailor shop, which has been a veritable resource for collectors, artists, stage productions, and “pickers” of fine objects;

WHEREAS, the Logans filled the shop’s 2 floors at 3118 Mount Pleasant Street, N.W., with all types of wonderful collectibles, which included toys, jewelry, books, African masks, watches, plates and glassware, political papers, ethnic memorabilia, cameras, posters, art, maps, tools, photo and record albums, clothing, furniture, housewares, and much more;

WHEREAS, the Logans bravely remained in their store during the riots of 1968, likely resulting in the sparing of the store from destruction;

WHEREAS, in 1991 during the uprisings on main street Mount Pleasant, the Logans kept their doors open, as they also did during the economic crisis of 2008;

WHEREAS, Marshall Logan sadly passed away in 2012, and Jeff Logan has continued to manage the business;

WHEREAS, September of this year marks Jeff Logan’s 50th year on Mount Pleasant Street;

WHEREAS, because of Jeff Logan’s many years of hard work and ability to sustain the changing economies that affected many District of Columbia businesses, she is an inspiration to women and minority business owners everywhere; and

ENROLLED ORIGINAL

WHEREAS, Jeff Logan’s integrity and business sense has made Logan’s Antiques what many call one of the District of Columbia’s hidden treasures.

HISTORIC PRESERVATION REVIEW BOARD**NOTICE OF PUBLIC HEARING**

The D.C. Historic Preservation Review Board will hold a public hearing to consider an application to designate the following properties as a historic district in the D.C. Inventory of Historic Sites. The Board will also consider the nomination of the area to the National Register of Historic Places:

Case No. 15-07: Grant Circle Historic District

4 through 33 Grant Circle, 519 (513) Varnum Street and 510 Webster Street NW and Reservations 312 (Grant Circle), 312A and 312I

Square 3224, Lot 800; Square 3226, Lots 63-65, 806 and 807; Square 3243, Lots 41-45, 48 and 49; and Square 3244, Lots 29-33 and 801; Reservations 312, 312A and 312I

Applicant: Off Boundary Preservation Brigade

Affected Advisory Neighborhood Commission: 4C

The hearing will take place at **9:00 a.m. on Thursday, April 2, 2015**, at 441 Fourth Street, NW (One Judiciary Square), in Room 220 South. It will be conducted in accordance with the Review Board's Rules of Procedure (10C DCMR 2). A copy of the rules can be obtained from the Historic Preservation Office at 1100 4th Street SW, Suite E650, Washington, DC 20024, or by phone at (202) 442-8800, and they are included in the preservation regulations which can be found on the Historic Preservation Office website.

The Board's hearing is open to all interested parties or persons. Public and governmental agencies, Advisory Neighborhood Commissions, property owners, and interested organizations or individuals are invited to testify before the Board. Written testimony may also be submitted prior to the hearing. All submissions should be sent to the Historic Preservation Office.

A copy of the historic district application is currently on file and available for inspection and is posted on the office's website. A copy of the staff report and recommendation will be available from the office five days prior to the hearing. The office also provides information on the D.C. Inventory of Historic Sites, the National Register of Historic Places, and Federal tax provisions affecting historic property.

If the Historic Preservation Review Board designates the properties, they will be included in the D.C. Inventory of Historic Sites, and will be protected by the D.C. Historic Landmark and Historic District Protection Act of 1978. The Review Board will simultaneously consider the nomination of the area to the National Register of Historic Places. The National Register is the Federal government's official list of prehistoric and historic properties worthy of preservation. Listing in the National Register provides recognition and assists in preserving our nation's heritage. Listing provides recognition of the historic importance of properties and assures review of Federal undertakings that might affect the character of such properties. If a property is listed in the Register, certain Federal rehabilitation tax credits for rehabilitation and other provisions may apply. Public visitation rights are not required of owners. The results of listing in the National Register are as follows:

Consideration in Planning for Federal, Federally Licensed, and Federally Assisted Projects: Section 106 of the National Historic Preservation Act of 1966 requires that Federal agencies allow the Advisory Council on Historic Preservation an opportunity to comment on all projects affecting historic properties listed in the National Register. For further information, please refer to 36 CFR 800.

Eligibility for Federal Tax Provisions: If a property is listed in the National Register, certain Federal tax provisions may apply. The Tax Reform Act of 1986 (which revised the historic preservation tax incentives authorized by Congress in the Tax Reform Act of 1976, the Revenue Act of 1978, the Tax Treatment Extension Act of 1980, the Economic Recovery Tax Act of 1981, and the Tax Reform Act of 1984) provides, as of January 1, 1987, for a 20% investment tax credit with a full adjustment to basis for rehabilitating historic commercial, industrial, and rental residential buildings. The former 15% and 20% Investment Tax Credits (ITCs) for rehabilitation of older commercial buildings are combined into a single 10% ITC for commercial and industrial buildings built before 1936. The Tax Treatment Extension Act of 1980 provides Federal tax deductions for charitable contributions for conservation purposes of partial interests in historically important land areas or structures. Whether these provisions are advantageous to a property owner is dependent upon the particular circumstances of the property and the owner. Because the tax aspects outlined above are complex, individuals should consult legal counsel or the appropriate local Internal Revenue Service office for assistance in determining the tax consequences of the above provisions. For further information on certification requirements, please refer to 36 CFR 67.

Qualification for Federal Grants for Historic Preservation When Funds Are Available: The National Historic Preservation Act of 1966, as amended, authorizes the Secretary of the Interior to grant matching funds to the States (and the District of Columbia) for, among other things, the preservation and protection of properties listed in the National Register.

Owners of private properties nominated to the National Register have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing must submit to the State Historic Preservation Officer a notarized statement certifying that the party is the sole or partial owner of the private property, and objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. If a majority of private property owners object, a property will not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of eligibility for listing in the National Register. If the property is then determined eligible for listing, although not formally listed, Federal agencies will be required to allow the Advisory Council on Historic Preservation an opportunity to comment before the agency may fund, license, or assist a project which will affect the property. If an owner chooses to object to the listing of the property, the notarized objection must be submitted to the above address by the date of the Review Board meeting.

- (b) No such agreement shall be entered into unless the foreign country offers the same reciprocity to persons holding a valid operator license of an equivalent class issued by the District of Columbia and the Director determines that the laws of such foreign country relating to the operation of motor vehicles are sufficiently similar to such laws of the District such that driving safety shall not be compromised.

- (c) The provisions of this subsection notwithstanding, the Department shall not be authorized to enter into any reciprocal agreement with any foreign country that is designated as a state sponsor of terrorism by the United States Department of State.

DISTRICT OF COLUMBIA TAXICAB COMMISSION

NOTICE OF FINAL RULEMAKING

The District of Columbia Taxicab Commission (“Commission”), pursuant to the authority set forth in Section 8(c) (2), (3), (7), (16), and (19), 14 and 20 of the District of Columbia Taxicab Commission Establishment Act of 1985 (“Establishment Act”), effective March 25, 1986 (D.C. Law 6-97; D.C. Official Code §§ 50-307(c) (2), (3), (7), (16), (19), 50-313 and 50-319 (2014 Repl.)), hereby gives notice of its intent to adopt amendments to Chapters 4 (Taxicab Payment Service Providers), 7 (Enforcement), 8 (Operation of Public Vehicles for Hire), 10 (Public Vehicles for Hire), 13 (Licensing and Operations of Taxi Meter Companies), and 15 (Licensing and Operations of Dome Light Installation Companies) of Title 31 (Taxicabs and Public Vehicles for Hire) of the District of Columbia Municipal Regulations (“DCMR”).

These rules establish procedures for appealing a denial of an application for a new or renewal license issued under this title. These rules provide for the suspension or revocation of the privilege to operate in the District under the reciprocity rules where a non-District operator has engaged in violations of this title and other applicable laws which would justify suspension or revocation of a license issued by the Office. These rules also eliminate redundant enforcement provisions throughout the title to clarify that the procedures for all enforcement actions are governed by Chapter 7.

The proposed rulemaking was adopted by the Commission on November 12, 2014 and published in the *D.C. Register* on December 12, 2014 at 61 DCR 12620. The Commission did not receive any comments on the proposed rulemaking during the comment period which ended on January 11, 2015. The Commission did not need to make any substantial changes and no substantial changes have been made. Any changes made correct grammar, clarify initial intent, clarify proposed procedures, or lessen the burdens established by the proposed rules.

The Commission voted to adopt these rules as final on January 14, 2015, and they will become effective upon publication in the *D.C. Register*.

Student Rider Card - a fare card provided to eligible persons, as defined in § 1700.1 and § 1701.4(a), that grants the user access to student travel privileges on Metrorail, Metrobus, or DC Circulator Transit Systems within the District of Columbia. The Student Rider Card may include but is not limited to the DC One Card or its successor.

Student travel privileges – privileges provided to eligible persons, as defined in § 1700.1 and § 1701.4(a), that grants the user access to reduced or other defined fares for eligible student travel as determined by the School Transit Subsidy Act of 1978, effective March 6, 1979 (D.C. Law 2-152; D.C. Official Code §§ 35-231 *et seq.*).

DISTRICT OF COLUMBIA DEPARTMENT OF TRANSPORTATION

NOTICE OF FINAL RULEMAKING

The Director of the District Department of Transportation (DDOT), pursuant to the authority of Sections 3(b), 5(2)(L), 11b(1) and 11(e)(a) of the Department of Transportation Establishment Act of 2002, effective May 21, 2002 (D.C. Law 14-137; D.C. Official Code §§ 50-921.02(b), 50-921.04(2)(L), 50-921.32(1) and 50-921.35(a) (2014 Repl.)); and Mayor's Order 2009-43, dated March 26, 2009, hereby gives notice of adoption of rules to modify Chapter 15 (DC Circulator) of Title 18 (Vehicles and Traffic) of the District of Columbia Municipal Regulations (DCMR).

The final rules will clarify fare categories to be consistent with WMATA bus fare categories, and establish new procedures for soliciting and evaluating public comment before any adjustments are made to Circulator service.

A Notice of Proposed Rulemaking was published in the *D.C. Register* on October 3, 2014, at 61 DCR 10373. DDOT received five (5) comments from the public concerning the proposed rules during the thirty (30)-day comment period, which expired on November 1, 2014. Two comments were general in nature and unrelated to the substance of this rulemaking. Two comments suggested additional steps to involve various segments of the public before implementing a fare increase. However, DDOT believes that the proposed process provides sufficient opportunities for the public to comment before a fare increase is considered by the agency. One comment requested the number of children less than five years of age allowed to ride with an adult be reduced from three to one. However, the proposed number of three children with one adult is more consistent with the practice in neighboring jurisdictions and the agency has determined that it will serve the best interest of the District. Therefore, no changes were made to the rules.

The Director adopted these rules as final on February 27, 2015, and they shall become effective upon publication of this notice in the *D.C. Register*.

Chapter 15, DC CIRCULATOR, of Title 18 DCMR, VEHICLES AND TRAFFIC, is amended as follows:

The implementation plan shall include a summary of the public comments received and DDOT's responses to the comments; and
- (2) Issue a Notice of Final Rulemaking amending § 1502 or § 1501 and setting forth the revised fares, routes, or hours of operation; and
- (3) Place notices of the adjusted fare or service on Circulator buses at least ten (10) business days before the fare adjustment or service adjustment is implemented.

**DISTRICT OF COLUMBIA
DEPARTMENT OF INSURANCE, SECURITIES, AND BANKING**

NOTICE OF PROPOSED RULEMAKING

The Commissioner of the Department of Insurance, Securities and Banking, pursuant to the authority set forth in Section 28 of the Life Insurance Act, effective March 14, 1985 (D.C. Law 5-160; D.C. Official Code § 31-4728 (2013 Repl.)), and the Department of Insurance and Securities Regulation Establishment Act of 1996, effective May 21, 1997 (D.C. Law 11-268; D.C. Official Code § 31-103(a)(1) (2013 Repl.)), hereby gives notice of his intent to adopt the following amendments to Subtitle A (Insurance) of Title 26 (Insurance, Securities, and Banking), Chapter 11 (Annuity Mortality Tables), of the District of Columbia Municipal Regulations (“DCMR”), in not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

The purpose of the amendments are to adopt the 2012 Individual Annuity Reserving (2012 IAR) Table for use in determining the minimum standard of valuation for annuity and pure endowment contracts, and to make other conforming amendments to the National Association of Insurance Commissioner’s Model Rule for Recognizing a New Annuity Mortality Table for Use in Determining Reserve Liabilities for Annuities.

Chapter 11, ANNUITY MORTALITY TABLES, of Title 26-A DCMR, INSURANCE, is amended as follows:

Section 1100, INDIVIDUAL ANNUITY OR PURE ENDOWMENT CONTRACTS, is amended as follows:

Subsection 1100.1 is amended by striking “Subsections 1100.2 and 1100.3” and inserting “Subsections 1100.2, 1100.2a, and 1100.3” in its place.

Subsection 1100.2 is amended by striking “Subsection 1100.3” and inserting “Subsections 1100.2a and 1100.3”.

A new Subsection 1100.2a is added to read as follows:

1100.2a Except as provided in Subsection 1100.3 of this section, the 2012 IAR Mortality Table shall be used for determining the minimum standard of valuation for any individual annuity or pure endowment contract issued on or after January 1, 2015.

A new Section 1103 is added to read as follows:

1103 APPLICATION OF THE 2012 IAR MORTALITY TABLE

1103.1 In using the 2012 IAR Mortality Table, the mortality rate for a person age x in year $(2012 + n)$ is calculated as follows:

$$q_x^{2012+n} = q_x^{2012} (1 - G2_x)^n$$

The resulting q_x^{2012+n} shall be rounded to three decimal places per 1,000, *e.g.*, 0.741 deaths per 1,000. Also, the rounding shall occur according to the formula above, starting at the 2012 period table rate.

For example, for a male age 30, $q_x^{2012} = 0.741$.

$q_x^{2013} = 0.741 * (1 - 0.010) ^ 1 = 0.73359$, which is rounded to 0.734.

$q_x^{2014} = 0.741 * (1 - 0.010) ^ 2 = 0.7262541$, which is rounded to 0.726.

A method leading to incorrect rounding would be to calculate q_x^{2014} as $q_x^{2013} * (1 - 0.010)$, or $0.734 * 0.99 = 0.727$. It is incorrect to use the already rounded q_x^{2013} to calculate q_x^{2014} .

Section 1199, DEFINITIONS, is amended by adding new Subsections 1199.5 through 1199.9 to read as follows:

- 1199.5 “Period table” means a table of mortality rates applicable to a given calendar year (the Period).
- 1199.6 “Generational mortality table” means a mortality table containing a set of mortality rates that decrease for a given age from one year to the next based on a combination of a Period table and a projection scale containing rates of mortality improvement.
- 1199.7 “2012 IAR Table” means that Generational mortality table developed by the Society of Actuaries Committee on Life Insurance Research and containing rates, q_x^{2012+n} , derived from a combination of the 2012 IAM Period Table and Projection Scale G2, using the methodology stated in § 1103 of this chapter.
- 1199.8 “2012 Individual Annuity Mortality Period Life (2012 IAM Period) Table” means the Period table containing loaded mortality rates for calendar year 2012. This table contains rates, q_x^{2012} , developed by the Society of Actuaries Committee on Life Insurance Research and is shown in Appendices 1-2.
- 1199.9 “Projection Scale G2 (Scale G2)” is a table of annual rates, $G2_x$, of mortality improvement by age for projecting future mortality rates beyond calendar year 2012. This table was developed by the Society of Actuaries Committee on Life Insurance Research and is shown in Appendices 3-4.

ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA

NOTICE OF PROPOSED RULEMAKING

Z.C. Case No. 14-05
(Text Amendment – 11 DCMR)
(Text Amendments to the Yards West)

The for the District of Columbia, pursuant to its authority under § 1 of the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797, as amended; D.C. Official Code § 6-641.01 (2012 Repl.)), hereby gives notice of its intent to amend § 1803 of Chapter 18 (Southeast Federal Center Overlay District) of Title 11 (Zoning) of the District of Columbia Municipal Regulations (DCMR).

The proposed text amendments would allow for additional height, density, and flexibility intended to encourage residential development in the Yards West portion of the Southeast Federal Center Overlay District (SEFC)/CR Zone District. The proposed amendments would also require that buildings utilizing additional height and density devote a minimum of eight percent (8%) of the additional density gained to three (3)-bedroom units, based on issues raised by ANC 6D. In addition, the amendments would require the petitioner, as part of the Zoning Commission's review of each proposed building on Parcel A, to demonstrate proactive engagement with the Washington Metrorail Area Transit Authority to accommodate the design of a public entrance to the Navy Yard Metrorail Station on that parcel.

Final rulemaking action shall be taken in not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

The following amendments to the Zoning Regulations are proposed:

Chapter 18, SOUTHEAST FEDERAL CENTER OVERLAY DISTRICT, § 1803, SEFC/CR ZONING DISTRICT, is amended as follows:

Subsection 1803.3 is amended by adding a new paragraph (i) so that the entire subsection reads as follows:

This requirement shall not apply to (i) buildings directly south of the

historic wall along M Street, S.E. between 4th Street, S.E. and the Washington Navy Yard, for so long as the wall remains or (ii) any addition to a building with frontage on M Street, S.E. or N Street, S.E. if the addition to such building has no frontage on such streets but, as allowed pursuant to § 1803.3(b) below, preferred uses may be provided on the ground floor level of such buildings;

- (b) In addition to the locations in which preferred uses are required pursuant to §1803.3(a), preferred uses may be provided on the ground floor level of buildings in other areas within the SEFC/CR District, but are not required. If provided, such preferred use area shall not be required to conform to the requirements of §§ 1803.3(a), (e), (f), and (g);
- (c) In addition to the preferred uses listed in § 1807.2, the preferred use space requirement of § 1803.3(a) may also be met by any use listed in § 1803.2, other than those listed in § 1803.2(b), (g), or (o), if reviewed and approved by the Zoning Commission in accordance with the standards specified in § 1808 and procedures specified in § 1809 of this title;
- (d) For good cause shown, the Commission may authorize interim occupancy of the preferred use space required under § 1803.3(a) by other uses permitted in the SEFC Overlay District for up to a five (5) year period; provided that the ground-floor space is suitably designed for future occupancy by preferred uses;
- (e) Not less than fifty percent (50%) of the surface area of the street wall, including building entrances, of those building frontages described in § 1803.3(a), shall be devoted to doors or display windows having clear or low emissivity glass;
- (f) Preferred uses shall provide direct, exterior access to the ground level;
- (g) The minimum floor-to-ceiling height for portions of the ground floor level devoted to preferred uses shall be fourteen feet (14 ft.);
- (h) Ground floor area required for preferred uses may not be transferred to any other lot through combined lot development; and
- (i) Changes to the type, amount, and location of preferred uses required under § 1803.3(a) shall be permitted if reviewed and approved by the Commission in accordance with the standards specified in § 1808 and procedures specified in § 1809.

Subsection 1803.5 is amended by including within a new paragraph (a) the existing exception to the SEFC/CR District height limit and establishing a second exception within a new paragraph (b), so that the entire subsection reads as follows:

 - (b) A building within Parcels A, F, G, H, and I shall be permitted a maximum density of 7.0 FAR, provided that the additional 1.0 FAR is devoted solely to residential uses, which for purposes of this subsection does not include a hotel.

DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS**NOTICE OF EMERGENCY RULEMAKING**

The Director of the Department of Consumer and Regulatory Affairs (DCRA), pursuant to Sections 104 and 105 of the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985, effective October 5, 1985 (D.C. Law 6-42; D.C. Official Code §§ 2-1801.04 and 2-1801.05), Mayor's Order 1986-38, dated March 4, 1986, and Mayor's Order 2004-46, dated March 22, 2004, hereby gives notice of the adoption of the following emergency rulemaking to amend Sections 3306 and 3309 of Chapter 33 (Department of Consumer & Regulatory Affairs (DCRA) Infractions), and Section 3401 of Chapter 34 (Fire and Emergency Medical Services (EMS) Department Infractions), of Title 16 (Consumers, Commercial Practices, and Civil Infractions) of the District of Columbia Municipal Regulations (DCMR).

This emergency rulemaking is necessary to address a gap in the enforcement of compliance with the District of Columbia Construction Code Supplements of 2013 (the "2013 Construction Codes"), adopted March 28, 2014 (61 DCR 3251), as amended, since violations of the 2013 Construction Codes would not be subject to notices of violation and enforcement proceedings to the extent that the existing regulations refer to a previous version of the Construction Codes. Violations of the 2013 Construction Codes pose an immediate and continuing threat to the public health and safety. This emergency rulemaking is limited to changes in the numbering of provisions between the 2013 Construction Codes and the previous version of the Construction Codes, and does not change the substance or classification of infractions.

This emergency rulemaking does not apply to violations or infractions committed prior to March 28, 2014, whether the prosecution or adjudication of those violations or infractions is instituted before or after said date. Such violations or infractions will be adjudicated pursuant to the existing Title 16.

This emergency rulemaking was adopted on January 23, 2014, to become effective immediately. This emergency rulemaking will remain in effect for up to one hundred twenty (120) days from the date of effectiveness. The rules will expire on May 23, 2014.

The DC Department of Housing and Community Development (“DHCD”), pursuant to the authority set forth in Section 107 of the Inclusionary Zoning Implementation Act of 2006, effective March 14, 2007 (D.C. Law 16-275; D.C. Information about the size, sale price and details about these Inclusionary Units is available at www.dchousingsearch.org.

DHCD is hereby establishing the Alternative Selection Procedure for the selection of Households eligible to purchase the two (2) Inclusionary Units at 2910 Georgia Avenue NW, Washington, District of Columbia. Households that previously registered for the Inclusionary Zoning Program lottery will continue to be eligible for future lotteries for other upcoming Inclusionary Units.

Alternative Selection Procedure:

Households must also obtain a Housing Counseling Certificate of completion.

9. DHCD will review the documents required in paragraph six (6). If a Household has properly submitted all the required documents, DHCD will notify the Household and the Inclusionary Development Owner that the Household is eligible to purchase one of the two Inclusionary Units. DHCD will approve documents on a rolling basis, and interested Households are encouraged to submit their documentation as soon as possible if they are interested in purchasing the unit. Notified Households do not have any exclusive right to purchase the Inclusionary Unit. The Inclusionary Units may be sold to the first ready and able Household.

10. The Inclusionary Development Owner may sell the Inclusionary Unit to the first ready and able Household for each of the Inclusionary Units that submits all the documents required in paragraph six (6). The Inclusionary Development Owner may sell the Inclusionary Unit prior to June 26, 2015, if an interested Household has had its documentation approved.

11. DHCD may, at its sole discretion, reopen registration after June 26, 2015. If DHCD reopens registration, it will do so by republishing the Alternative Selection Procedure.

12. Once the Inclusionary Development Owner sells to the first ready and able buyer, all other registered Households for that Inclusionary Unit become ineligible for that Inclusionary Unit and must re-register for future lotteries if they wish to purchase other upcoming Inclusionary Units.

13. All notices by DHCD to registered and selected Households, Certifying Entities, and the Inclusionary Development Owner shall be by email only.

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT**

Application No. 18908 of Donald E. Hurlbert and Barbara Watanabe, pursuant to 11 DCMR § 3103.2, for variances from the lot occupancy requirements under § 403.2, the rear yard requirements under § 404.1, and the non-conforming structure requirements under § 2001.3, to allow the construction of a two-story addition to an existing single-family dwelling in the R-4 District at premises 1401 A Street, S.E. (Square 1059, Lot 119).

HEARING DATE: February 3, 2015
DECISION DATE: February 3, 2015

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibits 5 and 6.)

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 6B and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 6B, which is automatically a party to this application. ANC 6B filed a report which indicated that at its regularly scheduled, properly noticed meeting held on January 13, 2015, with a quorum of Commissioners present, the ANC voted 10-0-0 to support the application. (Exhibit 36.)

The Office of Planning ("OP") submitted a timely report indicating its support of the application. (Exhibit 39.) The District Department of Transportation did not file a report related to the application. Three letters were entered into the record containing a total of nine signatures from neighbors in support of the application. (Exhibit 34.) A letter from the residents at 1403 A Street, S.E. was also filed in support of the application. (Exhibit 35.) By letter dated February 2, 2015, the Capitol Hill Restoration Society stated that at a meeting held on January 7, 2015, its Zoning Committee voted unanimously to support the application. (Exhibit 40.)

As directed by 11 DCMR § 3119.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for a variance under § 3103.2 from the lot occupancy requirements under § 403.2, the rear yard requirements under § 404.1, and the non-conforming structure requirements under § 2001.3, to allow the construction of a two-story addition to an existing single-family dwelling in the R-4 District. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

BZA APPLICATION NO. 18908
PAGE NO. 2

Based upon the record before the Board, and having given great weight to the ANC and OP reports filed in this case, the Board concludes that the Applicant has met the burden of proof pursuant to 11 DCMR § 3103.2 for variances under §§ 403.2, 404.1, and 2001.3, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the requested relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirements of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that the application is hereby **GRANTED, SUBJECT TO THE APPROVED PLANS AT EXHIBITS 10 AND 38 (REVISED PLANS)**.

VOTE: 5-0-0 (Lloyd L. Jordan, S. Kathryn Allen, Marnique Y. Heath,
Jeffrey L. Hinkle, and Marcie I. Cohen to APPROVE.)

DECISION DATE: February 10, 2015

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibits 4-5 (original) and 29-30 (revised).¹)

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 7E and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 7E, which is automatically a party to this application. ANC 7E did not submit a report. The ANC 7E representative testified that the ANC has not had a formal meeting in 2015 and therefore did not meet nor did it vote on the application.

The Office of Planning ("OP") submitted a timely report recommending approval of the application and testified in support at the public hearing. (Exhibit 33.) The District Department of Transportation ("DDOT") submitted a timely report (Exhibit 34) and testified at the public hearing, stating that DDOT was withholding a recommendation until additional information was received from the Applicant.

Seventy-nine letters in support were submitted into the record. (Exhibits 32H, 36E1, and 36E2.)

Barbara Williamson, Barbara Watson, ANC 7E SMD 04 Commissioner Myron Smith, and Erin Carter testified in support of the application.

As directed by 11 DCMR § 3119.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for a special exception under §§ 3104.1 and 353, to construct a new affordable multi-family residential development for seniors and 21 affordable one-family dwellings in the R-5-A District. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

¹ The self-certification forms were revised to correct lot area computations. (Exhibits 29 and 30.)

BZA APPLICATION NO. 18916
PAGE NO. 2

Based upon the record before the Board and having given great weight to the OP report, the Board concludes that the Applicant has met the burden of proof for special exception relief, pursuant to 11 DCMR §§ 3104.1 and 353, and that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirements of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that the application is hereby **GRANTED SUBJECT TO THE APPROVED PLANS AT EXHIBITS 32 AND 36² AND THE FOLLOWING CONDITIONS:**

1. The Applicant shall have flexibility to modify the Plans as shown on Exhibit 36A so long as the Applicant achieves the required GAR score of 0.40.
