University of the District of Columbia David A. Clarke School of Law

4340 Connecticut Avenue, N.W.  
Washington, D.C. 20008**

On Wednesday, June 22, 2016, Councilmember Kenyan R. McDuffie, Chairperson of the Committee on the Judiciary, will convene a public roundtable titled “Considering Civil *Gideon*: Expanding Access to Justice in the District of Columbia”. In 1963, the United States Supreme Court held in *Gideon v. Wainwright* that criminal defendants have a fundamental right to counsel at the government’s expense if they cannot afford one. The phrase “civil *Gideon*” refers to the national movement to expand this right to counsel to civil cases.

The need for civil representation in the District of Columbia is dire, particularly for low- and moderate-income residents. Recent reports have indicated that 98 percent of litigants in domestic violence cases in the D.C. Superior Court proceeded *pro se*, in addition to 77 percent of plaintiffs in divorce and custody cases, 98 percent in paternity and child support cases, and 97 percent in landlord/tenant court. The roundtable will include a robust discussion of best practices in other jurisdictions and will explore policy recommendations for the expansion of the right to civil counsel in the District of Columbia. The roundtable will be held in the Moot Court Room of the University of the District of Columbia David A. Clarke School of Law, located at 4340 Connecticut Avenue, N.W., from 6:00 p.m. to 9:00 p.m.

The Committee has invited subject matter experts to provide oral testimony. The Committee invites the public to submit *written testimony*, which will be made part of the official record. The public is invited to attend, but those who wish to provide oral testimony will be offered the opportunity to do so at a later date.

Copies of written statements should be submitted either to the Committee by emailing [judiciary@dccouncil.us](mailto:judiciary@dccouncil.us) or to Nyasha Smith, Secretary to the Council, 1350 Pennsylvania Avenue, N.W., Suite 5, Washington, D.C. 20004. **The record will close at the end of the business day on Friday, July 8, 2016.**

**FIRE AND EMERGENCY MEDICAL SERVICES DEPARTMENT****NOTICE OF FINAL RULEMAKING**

The Chief of the Fire and Emergency Medical Services Department (“Department”), pursuant to the authority under Section 517 of the Firefighter Retirement While Under Disciplinary Investigation Amendment Act of 2014 (Act), effective March 11, 2015 (D.C. Law 20–236; D.C. Official Code §§ 5–1031 to 5–1057 (2012 Repl. & 2015 Supp.)), hereby gives notice of amendments to Chapter 8 (Career Service) of Title 6 (Personnel), Subtitle B (Government Personnel), of the District of Columbia Municipal Regulations (DCMR).

These rules implement the Act by providing procedures applicable to Department members who resign or retire while under disciplinary investigation. The rules place any Department member in a conditional retirement status until the disciplinary investigation is completed. The investigation must occur within twenty-five (25) days from the date of retirement or resignation. While in conditional retirement status, the Department member will not receive pay or retirement benefits. If the Department member is absolved of wrongdoing, the Department member’s retirement benefits will be paid retroactive to the date of his or her retirement or resignation. If the wrongdoing is upheld, the Department member will be penalized as prescribed in the Act, which includes a fine between one hundred dollars (\$100) and five thousand dollars (\$5,000) for an offense that would result in a suspension, and a fine between one thousand dollars (\$1,000) and five thousand dollars (\$5,000) for an offense that would result in demotion or termination.

A Notice of Emergency and Proposed Rulemaking was published in the *D.C. Register* on February 5, 2016, at 63 DCR 001357. The comment period officially closed on March 5, 2016, during which time the Chief received no comments. Therefore, no changes to the Emergency and Proposed Rules have been made.

These rules were adopted as final on May 11, 2016, and will become effective upon publication in the *D.C. Register*.

**Chapter 8, CAREER SERVICE, of Title 6-B DCMR, GOVERNMENT PERSONNEL, is amended by adding new Sections 878 and 879 to read as follows:**

**878            NOTIFICATION OF RETIREMENT OR RESIGNATION OF A MEMBER  
OF THE FIRE AND EMERGENCY MEDICAL SERVICES  
DEPARTMENT**

878.1        Pursuant to Section 5 of An Act To classify the officers and members of the fire department of the District of Columbia, and for other purposes, approved January 20, 1906 (34 Stat 315; D.C. Official Code § 5-407), a member who decides to resign from FEMS shall submit a written notification through his or her chain of command to the Fire and EMS Chief at least thirty (30) days before the date the member wishes to resign. The written notification shall include:

- (a)        The member’s name;

- (b) Appointment date;
- (c) Forwarding address;
- (d) Social security number;
- (e) Date of separation;
- (f) Reason for resignation;
- (g) If accepting another position with the District of Columbia or federal government, the name and address of the government agency; and
- (h) If desired, a request for waiver of the thirty (30) day notification period.

878.2 Pursuant to Section 12(h) of the Policemen and Firemen's Retirement and Disability Act, approved September 1, 1916 (39 Stat. 718; D.C. Official Code § 5-712), and FEMS Special Order No. 77, Series 2013 (effective August 14, 2013), a member who decides to voluntarily retire from FEMS shall submit a request for optional retirement through his or her chain of command to the Fire and EMS Chief at least sixty (60) days before the date the member wishes to retire.

878.3 The definitions set forth in Section 879 shall apply to this section.

**879 RETIREMENT OR RESIGNATION OF A MEMBER OF THE FIRE AND EMERGENCY MEDICAL SERVICES DEPARTMENT WHILE UNDER DISCIPLINARY INVESTIGATION**

879.1 Upon receipt of a notification of resignation or request for optional retirement, the Assistant Fire Chief of Operations and/or the Assistant Fire Chief of Services shall:

- (a) Determine whether the member is under disciplinary investigation; and
- (b) Forward the notification of resignation or request for optional retirement to the Fire and EMS Chief with a notation as to whether the member is under disciplinary investigation.

879.2 Upon receipt of a notification of resignation or request for optional retirement that includes a notation that the member is under disciplinary investigation, the Fire and EMS Chief shall:

- (a) Deny the request for waiver of the thirty (30) day notification requirement for members seeking to resign, if such a waiver was requested;

- (b) Deny the request for waiver of the sixty (60) day notification requirement for members seeking to retire, if such a waiver was requested;
- (c) Order the expedited completion of the investigation;
- (d) Inform the member that he or she is under conditional resignation or conditional retirement due to the pending disciplinary investigation for allegations of serious misconduct and that the final accounting of the member's salary and annual leave balance is conditioned upon final resolution of the investigation; and
- (e) Inform the Director of the Department of Human Resources and the Chief Financial Officer that the member's resignation or retirement is conditional and that the final accounting with respect to the member's salary and annual leave balances are to be held in abeyance pending resolution of the disciplinary investigation.

879.3 A member who is in conditional resignation or conditional retirement shall not be paid a pension or receive other accrued benefits of any kind, including salary, compensatory time, or accrued leave, during the pendency of the disciplinary investigation.

879.4 The investigation of a member for alleged serious misconduct shall be completed within twenty-five (25) days after the effective date of the member's resignation or retirement. If FEMS does not complete the investigation within twenty-five (25) days after the date of retirement or resignation, the matter shall be deemed to be closed and the allegations of misconduct not sustained. The member's pension rights and accrued benefits shall be paid retroactive to the date on which the member initially retired or resigned.

879.5 If at any time during a member's conditional retirement or conditional resignation FEMS finds that the serious misconduct allegation is not sustained or is unfounded, the matter shall be deemed closed and the member's pension rights and accrued benefits shall be paid retroactive to the date on which the member initially retired or resigned.

879.6 If FEMS sustains the serious misconduct allegation, the disciplinary process shall proceed as if the member in conditional retirement or conditional resignation continued to be a member of FEMS.

- (a) The member shall be accorded all rights to which he or she is entitled under federal and District of Columbia law and regulations, Department regulations, and any applicable labor agreement.
- (b) If FEMS, through the disciplinary process, ultimately determines that a member in conditional retirement or conditional resignation should be

subject to discipline as provided by law and regulation, the member shall be subject to penalties in lieu of discipline.

- (c) A member in conditional retirement or conditional resignation who would have received a suspension as discipline had he or she remained a member of FEMS, shall be assessed a penalty of not less than one hundred dollars (\$100) and not more than five thousand dollars (\$5,000), as determined in the discretion of the Fire and EMS Chief based on the length of suspension, and FEMS Order Book Article VII, *Maintenance of Discipline*.
- (d) A member in conditional retirement or conditional resignation who would have been demoted or terminated as discipline had he or she remained a member of FEMS, shall be assessed a penalty of not less than one thousand dollars (\$1,000) and not more than five thousand dollars (\$5,000) as determined in the discretion of the Fire and EMS Chief based on FEMS Order Book Article VII, *Maintenance of Discipline*.
- (e) Penalties assessed against a member in conditional retirement or conditional resignation as provided shall be treated as a debt owed to the District of Columbia government, pursuant to Section 2903 of the District of Columbia Government Comprehensive Merit Personnel Act of 1978 (CMPA), effective March 3, 1979 (D.C. Law 2-139; D.C. Official Code § 1-629.03), and may be collected by the District of Columbia government, pursuant to Section 2904 of the CMPA (D.C. Official Code § 1-629.04), or by any other means authorized by law.
- (f) A member in conditional retirement or conditional resignation may challenge the imposition of penalties in an administrative proceeding before the District of Columbia Office of Employee Appeals, pursuant to the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1204; D.C. Official Code §§ 2-501 *et seq.*).

879.7 A member who retires or resigns without knowing that he or she was under disciplinary investigation for serious misconduct shall not be deemed to be in conditional retirement or conditional resignation, but shall instead be provided the opportunity to continue employment with FEMS during the pendency of the disciplinary investigation. Should the member decide to retire or resign after being informed of the disciplinary investigation, he or she shall be deemed to be in conditional retirement or conditional resignation as provided in these regulations.

879.8 The following terms, when used in this section or Section 878, shall have the meanings ascribed:

## DEPARTMENT OF PARKS AND RECREATION

NOTICE OF FINAL RULEMAKING

The Director of the Department of Parks and Recreation (the Department or DPR), pursuant to Sections 5 and 7a of the Recreation Act of 1994 (the Recreation Act), effective March 23, 1995 (D.C. Law 10-246; D.C. Official Code §§ 10-304 and 307 (2013 Repl.)), and Sections 6 and 6a of An Act to Vest in the Commissioners of the District of Columbia Control of Street Parking in said District, approved July 1, 1898 (30 Stat. 571; D.C. Official Code §§ 10-137 and 10-137.01 (2013 Repl.)), gives notice of amendments to Chapter 7 (Department of Parks and Recreation) of Title 19 (Amusements, Parks, and Recreation) of the District of Columbia Municipal Regulations (DCMR).

The rulemaking amends and adds the following sections to Chapter 7: 1) Section 716 (Establishment of Fees); 2) Section 717 (Priority of Permitted Uses); 3) Section 719 (Establishment of User Fees for the Southeast Tennis and Learning Center and Other Similar Tennis Facilities); 4) Section 720 (Support for Parks, Facilities, Recreational Activities and Events); 5) Section 723 (Recreational Activities); 6) Section 724 (Residency); 7) Section 725 (Permits); 8) Section 729 (Commercial Activities for the Sale of Goods); and 9) Section 799 (Definitions). The Department also repeals and reserves Sections 721, 722, and 726.

The revised Sections implement the amendments to the Recreation Act made by the Department of Parks and Recreation Fee-based Use Permit Authority Amendment Act of 2012, effective April 23, 2013 (D.C. Law 19-280; 60 DCR 2124 (February 22, 2013)), and found in D.C. Official Code §§ 10-301, 10-302, and 10-307, by updating permit fees and establishing the requirements for fee-based use permits when private groups charge fees to participants for activities, events, classes, programs, operations, services, or products for the benefit, enjoyment, education, amusement or convenience of the public. The regulations also provide guidance for a more objective “priority of use” for issuing permits for property that is in demand by multiple users.

The revised sections also provide procedures to prioritize registration and reduced costs for District residents for both permits and recreational activities and for the operations of markets or special events on Department property, and provide for nutrition requirements of any food or beverages sold or offered to the public.

Finally, the regulations establish the standards for which the Department may accept a proposal under the amendments to the Recreation Act made by the Department of Parks and Recreation Revenue Generation Clarification Amendment Act of 2012, effective April 23, 2013 (D.C. Law 19-275; 60 DCR 2058 (February 22, 2013)), found in D.C. Official Code §§ 10-301, 10-302, and 10-303, which authorizes partnerships, sponsorships or donations for Department programs and property.

The proposed rulemaking was published in the *D.C. Register* on January 1, 2016, at 63 DCR 74. The Department received and reviewed public comments received through February 1, 2016. The clarifications are listed below:

The Department clarified Subsection 716.2 Table A, by omitting the word “Basketball” under the “Courts” section, because the fee applies to all courts.

The Department clarified Subsection 716.2 Table A, by adding a six (6) hour maximum for full day use.

The Department clarified Subsection 716.2 Table D, by correcting the medium and small show mobile fees and deposits, which were mistakenly switched.

The Department clarified Subsection 716.2 Table F, by adding the phrase “DPR” in the title of the table.

The Department clarified Subsection 716.8, that admission fees for nonresidents are one and one half (1.5) times the amounts set forth in in Tables A through “E” and an additional twenty-five percent (25%) of the cost of the admission or an activity in Table F.

The Department removed the overtime fee amount in Subsection 716.12, because all overtime is calculated on a case-by-case basis.

The Department clarified Subsection 716.13, now stating that deposits are for “special events and equipment” only.

The Department clarified Subsection 716.14 by adding the sentence “If a permit is applied for less than thirty (30) days before the date of the requested use, and DPR determines that the permit may be issued notwithstanding Subsection 725.7, then payment will be due upon the date determined by DPR, which may be less than fourteen (14) days after the date of invoice.”

The Department added the word “individuals” in Subsection 716.16(a) for waivers.

The Department clarified in Subsection 716.16(d) that schools qualify for waivers “for school day activities” and not “special events” or “after school activities.”

The Department added “Civic Associations” to Subsection 716.16(e) for waivers.

The Department clarified Subsection 716.16(f) that income-eligible senior citizens qualify for one hundred percent (100%) waiver for recreational activities.

The Department added Subsection 716.16(h), allowing for DPR to consider a credit for fees for DPR “adopt a park/facility” written agreements.

The Department clarified Subsection 716.19 by clarifying the requirement to show financial hardship “for participants” even if “incidental fees are charged.”

The Department changed Subsection 717.1 by deleting “league activities” and adding “applicants for seasonal permits”, to be consistent with Section 725.

The Department in Subsection 717.2 (b) removed the word “District” from the beginning of the sentence because it was not needed.

The Department moved Subsection 717.5 to Subsection 717.3 to ensure that the mediation occurs before a final permit decision is made, and that the weighing factors are considered in mediation and not after.

The Department clarified Section 717.3 by inserting the word “proportionate” to show its intent that the schedule is for shared use where appropriate.

The Department added Section 717.5 to provide for notice to the mediating parties as to DPR’s rationale for its decision regarding the permit application.

The Department clarified Subsection 717.6 by distinguishing “Community Use.”

The Department clarified Subsection 720.5 that donations cannot create an actual or perceived conflict.

The Department clarified Subsection 725.3 that “members of a league” or groups using space on “more than one occasion around the same place and time” are required to have a permit.

The Department clarified Subsection 725.12 by providing the type of documentation needed to demonstrate need.

The Department clarified Subsection 725.14 that the Department has twenty-one (21) days after the “close of the application window” to provide notice.

The Department clarified Subsection 725.28 by providing the type of documentation that will be considered in agency records.

The revised rulemaking was transmitted to the Council for its review and approval as the Fee Based Use and Revenue Generation Resolution of 2016 and was deemed approved by the Council on June 2, 2016 (PR21-0658).

This final rulemaking reflects clarifications to the original intent of the proposed rules and does not require republication for a new public comment period. This rulemaking was adopted as final on April 13, 2016 and shall become effective upon its publication in the *D.C. Register*.

**Application No. 19173 of Equity Trust Company, Custodian FBO**, pursuant to 11 DCMR § 3104.1, for a special exception from the conversion to apartment house requirements pursuant to § 336, to permit the enlargement of a pre-1958 residential building into a three-unit apartment house in the R-4 District at premises 1264 Holbrook Terrace N.E. (Square 4055, Lot 840).<sup>1</sup>

**HEARING DATES:** February 9, March 1, March 15, April 5, April 19, and May 17, 2016<sup>2</sup>  
**DECISION DATE:** May 17, 2016

**SUMMARY ORDER**

**SELF-CERTIFIED**

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Original – Exhibit 6; Revised – Exhibit 39.) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 5D and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 5D, which is automatically a party to this application. The ANC submitted a report indicating that, at its regularly scheduled and properly noticed public meeting of March 8, 2016, at which a quorum was in attendance, ANC 5D voted 7-0-0 to oppose the application. (Exhibits 33 and 34.) The concerns raised by the ANC included insufficient time to review the proposal and community concerns regarding the adverse impacts of building density and construction damage. ANC 5D02 Commissioner, Keisha Shropshire, testified in opposition at the public hearing on April 19, 2016. The Board continued the hearing to provide additional time for the ANC and community to review the plans and engage in discussions with the Applicant. The negotiations continued at the public hearing on May 17, 2016, at which time Commissioner Shropshire testified that an agreement had been reached with

<sup>1</sup> The Applicant submitted revised plans on March 9, 2016 that modified the original proposal to construct an eight-unit apartment house. (Exhibit 35.) The caption has been revised accordingly.

<sup>2</sup> The hearing for this case was postponed from February 9, 2016 (Exhibit 26), March 1, 2016 (Exhibit 27), March 15, 2016 (Exhibit 37) and April 5, 2016. (Exhibit 38.) The case was heard on April 19, 2016 and continued to May 17, 2016.

the Applicant. Commissioner Shropshire indicated that the ANC would reverse its position to one of support, based on that agreement. Commissioner Shropshire testified that the Applicant agreed to:

1. Provide a housing accommodation for the adjacent neighbor during the period of heaviest construction for a period not to exceed 30 days;
2. Install barriers around the property to prevent dust, debris, and sound from travelling onto adjacent properties during construction;
3. Accept liability for damages during construction, including agreement to:
  - a. Participate in a walk-through before and after construction to assess damages; and
  - b. Replace the adjoining neighbor's roof.

As indicated by Commissioner Shropshire and the Applicant's counsel, the agreement had not been signed at the time of the public hearing; however, the parties expected that the agreement would be memorialized in the near future.

The Office of Planning ("OP") submitted a timely report recommending approval of the application, based on revised plans. (Exhibit 32.) OP also testified in support of the application at the public hearings. The District Department of Transportation ("DDOT") submitted a timely report indicating that it had no objection to the grant of the application. (Exhibit 28.)

The Board granted the request for party status in opposition of Vonetta Dumas, representing the Holbrook Terrace Alliance ("HTA" or "Opposition Party"). (Exhibit 29.) The Opposition Party raised concerns about the impacts of the proposed development at the public hearing on April 19, 2016 and presented three witnesses in opposition, Mary Purnell, Felicia Gray, and adjacent property owner Michael Mathis. The Board continued the hearing to allow for the HTA to participate in negotiations with the Applicant and ANC to address the Opposition Party's concerns about the project. At the public hearing on May 17, 2016, the representative of the Opposition Party testified that, after discussions with the Applicant and ANC, the proposed project would be a more favorable option than the possible by-right development, but she raised continued concerns regarding the side setback. Nonetheless, the HTA agreed to withdraw its party status in opposition, based on the agreement reached with the Applicant, as discussed in Commissioner Shropshire's testimony.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for a special exception from the conversion to apartment house requirements pursuant to § 336, to permit the enlargement of a pre-1958 residential building into a three-unit apartment house in the R-4 District. Because the HTA withdrew its party status in opposition and the ANC reversed its position to one of support, no parties appeared at the public hearing in opposition to this

application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 336, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.5, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that the application is hereby **GRANTED, AND PURSUANT TO § 3125.8, SUBJECT TO THE APPROVED REVISED PLANS AT EXHIBIT 51.**

(Square 2917, Lot 37).

**HEARING DATES:** March 29, April 26, and May 24, 2016<sup>1</sup>  
**DECISION DATE:** May 24, 2016

**SUMMARY ORDER**

**SELF-CERTIFIED**

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibits 5 (original) and 33D (revised).) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 4C and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 4C, which is automatically a party to this application. ANC 4C also filed a report in support of the application, with conditions, which indicated that at a duly noticed and regularly scheduled meeting on April 13, 2016, at which a quorum was present, ANC 4C voted 6:3:0 to approve the application with conditions. (Exhibit 34.) ANC 4C Chair Hayworth testified in support of the application, but noted that the vote was split and that there was opposition in the community. The Applicant testified that it had agreed to the conditions and proffered language in its PowerPoint presentation for the May 24<sup>th</sup> public hearing. (Exhibit 48.) The Board accepted the proffered conditions, including restrictions on residents in the building from obtaining residential parking permits ("RPP"), as modified by the Board in its deliberations.

The single member district ("SMD") representative for ANC4C01 testified at the May 24 hearing in opposition to the application and in opposition to the proposed RPP restriction. ANC SMD 4C01 also submitted three letters in opposition to the application. (Exhibits 35, 40, and 45.)

---

<sup>1</sup>This case was postponed from March 29, 2016 and continued from April 26, 2016 to May 24, 2016. On April 26, the Board completed its hearing procedures, but requested supplemental filings and testimony from DDOT. The Board held a limited hearing on May 24, 2016.

In addition to the testimony in opposition from ANC SMD 4C01, there was testimony in opposition to the application at the April 26th hearing from Doyle Betters and Senait Abebaw. In addition to the letters in opposition from ANC SMD 4C01, there was a letter in opposition from Karen Feinstein. (Exhibit 38.) There were letters in support from three nearby residents. (Exhibits 28, 29, and 31.)

The Office of Planning (“OP”) submitted a timely report and testified in support of the application with conditions. (Exhibit 36.) The District Department of Transportation (“DDOT”) submitted a timely report indicating that it had no objection to the grant of the application.<sup>2</sup> (Exhibit 37.)

As directed by 11 DCMR § 3119.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3103.2 for area variances from the rear yard requirements under § 774.1, and the parking requirements under § 2101.2, to permit the construction of a mixed-use project in the C-2-A District. The only parties to the case was the ANC and the Applicant. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be averse to any party.

Based upon the record before the Board, and having given great weight to the ANC and OP reports filed in this case, the Board concludes that in seeking variances from 11 DCMR §§ 774.1 and 2101.2, the Applicant has met the burden of proof under 11 DCMR § 3103.2, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.5, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that the application is hereby **GRANTED, AND PURSUANT TO § 3125.8, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 30 AND THE FOLLOWING CONDITIONS:**

1. The Applicant shall install a TransitScreen.
2. The Applicant shall provide three long-term bicycle parking spaces on the property.

---

<sup>2</sup> In its report, DDOT indicated that the Applicant would have to provide three long-term bicycle parking spaces and continue coordinating with DDOT with respect to public space issues.

3. The Applicant shall either commit \$10,000 to establishing a nearby Capital Bikeshare dock or create space for a bikeshare dock to be located on the property.
4. The Applicant shall schedule and locate deliveries so as not to interfere or restrict parking on Allison Street.
5. The Applicant shall offer an annual car sharing or Capital Bikeshare membership for all new tenants for a period of five years.
6. Residents will be restricted from obtaining Residential Permit Parking (“RPP”) stickers:
  - (a) If the units are rentals, all residential leases shall include provisions that prohibit residents from obtaining RPP under penalty of fines and possible lease termination. If the units are owned as condominium, the condominium documents, public offering statement and bylaws shall include language restricting owners from obtaining RPP. Those documents shall state that an owner who violated the RPP restriction could be subject to fines, as well as potential notification to the mortgagor that could trigger default and/or condominium liens.
  - (b) Before obtaining a Certificate of Occupancy, the Applicant shall record a covenant against the property among the land records prohibiting any lessee or owner of residential units from obtaining an RPP.
  - (c) Condominium Documents and/or leases shall include written authorization from each unit owner or tenant that allows the Department of Motor Vehicles (“DMV”) to release to the condominium board and/or the Applicant any and all records of that owner/tenant requesting or receiving an RPP for the Property.
  - (d) The condominium board or the Applicant shall monitor owner/ tenant compliance with the RPP lease restriction by requesting from the DMV, every six months, any and all records of residential tenants requesting or receiving RPPs for the Property. Either the condominium board or the Applicant, as applicable, shall provide updates on the status of these FOIA requests semi-annually to the Single Member District representative for the Property to share with the other the ANC Commissioners.
  - (e) Marketing for the sale or rental of the units in the Project, be it on the Project’s marketing webpage, MRIS or written handouts, shall clearly identify that the Project is “car-free” and that potential owners and/or tenants are restricted from obtaining RPP.

**SUMMARY ORDER**

**REVIEW BY THE ZONING ADMINISTRATOR**

The application was accompanied by a memorandum from the Zoning Administrator (“ZA”) certifying the required relief. (Exhibit 9 – original; Exhibit 27 – revised.)

The Board of Zoning Adjustment (“Board”) provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register*, and by mail to Advisory Neighborhood Commission (“ANC”) 1B and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 1B, which is automatically a party to this application. ANC 1B submitted a report dated May 10, 2016, indicating that at a duly noticed and scheduled public meeting on May 5, 2016, at which a quorum was in attendance, the ANC voted 12-0-0 in support of the application. (Exhibit 28.)

The Office of Planning (“OP”) submitted a timely report recommending approval of the application. (Exhibit 30.)

The D.C. Department of Transportation submitted a report expressing no objection to the application. (Exhibit 25.)

---

<sup>1</sup> This case was originally filed pursuant to 11 DCMR § 3103.2, for variances from the lot occupancy requirements under § 403.2, the rear yard requirements under § 404.1, and the construction of more than one structure on one record lot requirements under § 2516.1, to allow the construction of a new two-story carriage house. (Exhibits 1 and 9.) On April 13, 2016, the Applicant filed a revised ZA’s Memo amending the requested relief as captioned above. (See Exhibit 27.)

<sup>2</sup> This case was postponed from April 19 to the hearing of May 24, 2016 at the Applicant’s request. (See postponement request, Exhibit 26.)

**Variance Relief:**

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case, pursuant to § 3103.2, for a variance from § 2500.4, the accessory structure height and story requirements. The only parties to this case were the Applicant and ANC 1B which supported the application. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be averse to any party.

Based upon the record before the Board, and having given great weight to the ANC and OP reports filed in this case, the Board concludes that in seeking a variance from § 2500.4, the Applicant has met the burden of proving under 11 DCMR § 3103.2, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

**Special Exception Relief:**

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exception relief under § 223, not meeting the lot occupancy requirements under § 403.2. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be averse to any party.

Based upon the record before the Board, and having given great weight to the ANC and the OP reports filed in this case, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1, 223, and 403.2, that the requested relief can be granted, as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.5, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case. It is therefore **ORDERED** that the application is hereby **GRANTED, AND PURSUANT TO § 3125.8, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 7 - ARCHITECTURAL PLANS AND ELEVATIONS.**

**SELF-CERTIFIED**

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibit 5.) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. The District Department of Transportation filed a report expressing no objection to the application. (Exhibit 32.)

---

<sup>1</sup> This case was postponed from May 10, 2016 to May 24, 2016 at the Applicant's request. (Exhibit 33.)

The record in this case contained two petitions in support signed by 10 neighbors. (Exhibits 14 and 15.) There were two letters of support from two neighbors (Exhibits 29 and 30), and a letter in support from the LeDroit Park Civic Association (Exhibit 16).

Finally, the record contained a letter in opposition from a nearby resident (Exhibit 35) raising concerns about construction affecting alley access. However, at the hearing, the Board noted that the neighbor's concerns which focused on construction impacts are outside of the Board's jurisdiction.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case, pursuant to § 3103.2, for variances from § 400.1 - the limit on number of story requirements, § 403.2 - the lot occupancy requirements, § 404.1 - the rear yard requirements, and § 2101.1 - the off-street parking requirements. The only parties to the application were the Applicant and ANC 1B which supported the application. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be averse to any party.

Based upon the record before the Board and having given great weight to the ANC and OP reports filed in this case, the Board concludes that in seeking variances from §§ 400.1, 403.2, 404.1, and 2101.1, the Applicant has met the burden of proving under 11 DCMR § 3103.2, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.5, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case. **SELF CERTIFICATION**

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibits 9 and 11.) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

Pursuant to 11 DCMR § 3118, this application was tentatively placed on the Board's expedited review calendar for decision without hearing as a result of the Applicant's waiver of its right to a hearing.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 1D, and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 1D, which is automatically a party to this application. The ANC submitted a report indicating that at a regularly scheduled and properly noticed meeting on April 25, 2016, at which a quorum was in attendance, ANC 1D voted 5-0-0 to support the application. (Exhibit 25.)

The Office of Planning ("OP") submitted a timely report (Exhibit 28) and testified at the hearing in support of the application. The District Department of Transportation ("DDOT") submitted a report of no objection to the approval of the application. (Exhibit 26.)

No objections to expedited calendar consideration were made by any person or entity entitled to do so by §§ 2118.6 and 2118.7. The matter was therefore called on the Board's expedited calendar for the date referenced above and the Board voted to grant the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for a special

exception under §§ 223 and 403.2. No parties appeared at the public meeting in opposition to this application. Accordingly, a decision by the Board to grant this application would not be averse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1, 223, and 403.2, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.5, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO § 3125.8, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 4.**

**VOTE:**       **5-0-0** (Marnique Y. Heath, Frederick L. Hill, Anita Butani D'Souza, Jeffrey L. Hinkle, and Anthony J. Hood to APPROVE).

**BY ORDER OF THE D.C. BOARD OF ZONING ADJUSTMENT**

A majority of the Board members approved the issuance of this order.

**FINAL DATE OF ORDER:** May 25, 2016

PURSUANT TO 11 DCMR § 3125.9, NO ORDER OF THE BOARD SHALL TAKE EFFECT UNTIL TEN (10) DAYS AFTER IT BECOMES FINAL PURSUANT TO § 3125.6.

PURSUANT TO 11 DCMR § 3130, THIS ORDER SHALL NOT BE VALID FOR MORE THAN TWO YEARS AFTER IT BECOMES EFFECTIVE UNLESS, WITHIN SUCH TWO-YEAR PERIOD, THE APPLICANT FILES PLANS FOR THE PROPOSED STRUCTURE WITH THE DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS FOR THE PURPOSE OF SECURING A BUILDING PERMIT, OR THE APPLICANT FILES A REQUEST FOR A TIME EXTENSION PURSUANT TO § 3130.6 AT LEAST 30 DAYS PRIOR TO THE EXPIRATION OF THE TWO-YEAR PERIOD AND THAT SUCH REQUEST IS GRANTED. NO OTHER ACTION, INCLUDING THE FILING OR GRANTING OF AN APPLICATION FOR A MODIFICATION PURSUANT TO §§ 3129.2 OR 3129.7, SHALL EXTEND THE TIME PERIOD.

PURSUANT TO 11 DCMR § 3125, APPROVAL OF AN APPLICATION SHALL INCLUDE APPROVAL OF THE PLANS SUBMITTED WITH THE APPLICATION FOR THE

AN APPLICANT SHALL CARRY OUT THE CONSTRUCTION, RENOVATION, OR ALTERATION ONLY IN ACCORDANCE WITH THE PLANS APPROVED BY THE BOARD AS THE SAME MAY BE AMENDED AND/OR MODIFIED FROM TIME TO TIME BY THE BOARD OF ZONING ADJUSTMENT.

IN ACCORDANCE WITH THE D.C. HUMAN RIGHTS ACT OF 1977, AS AMENDED, D.C. OFFICIAL CODE § 2-1401.01 *ET SEQ.* (ACT), THE DISTRICT OF COLUMBIA DOES NOT DISCRIMINATE ON THE BASIS OF ACTUAL OR PERCEIVED: RACE, COLOR, RELIGION, NATIONAL ORIGIN, SEX, AGE, MARITAL STATUS, PERSONAL APPEARANCE, SEXUAL ORIENTATION, GENDER IDENTITY OR EXPRESSION, FAMILIAL STATUS, FAMILY RESPONSIBILITIES, MATRICULATION, POLITICAL AFFILIATION, GENETIC INFORMATION, DISABILITY, SOURCE OF INCOME, OR PLACE OF RESIDENCE OR BUSINESS. **REQUEST FOR APPLICATIONS**

**Grant to Promote District of Columbia  
Voting Rights and Statehood**

**Release Date: Friday, June 10, 2016**  
**Application Due Date: Friday, July 8, 2016 at 12:00 Noon**

**SECTION 1: FUNDING OPPORTUNITY**

Effective June 10, 2016, the Office of the Secretary, pursuant to the City-Wide Grants Manual and Sourcebook (Section 7.2) issues the Request For Application (RFA) entitled Grant to Promote District of Columbia Voting Rights and Statehood to provide all eligible applicants the opportunity to submit specific program activities that provide support for Mayor Muriel E. Bowser's initiatives to achieve full voting rights in the United States Congress, and, ultimately, statehood for the District of Columbia. This RFA will be open on June 10, 2016 and will close on July 8, 2016 at Noon.

**Background**

The residents of the District of Columbia serve in the military and pay federal taxes but continue to lack full democracy and the rights that residents of other states and municipalities enjoy, including autonomy from congressional oversight, voting representation in Congress and statehood.

The District of Columbia Home Rule Act of 1973 provided limited "Home Rule" for the District by allowing election of a Mayor and Council of the District of Columbia. Since the inception of Home Rule, the District's elected officials and various groups have pursued strategies to raise awareness and work towards achieving voting representation in the U.S. House of Representatives and U.S. Senate and statehood. Yet democracy for the District has been derailed by the Charter itself, the courts, non-germane proposals restricting the District on must-pass Congressional legislation, riders on appropriations bills, and insufficient support for enactment of various budget autonomy and statehood proposals in the United States Congress.

For over a decade, the District has allocated funds to nonprofit organizations for educating citizens around the nation and pursuing strategies that highlight the continued lack of full democracy in the nation's capital. In addition, since 1990, District residents have elected a "shadow" delegation to Congress in order to promote statehood, and District residents have voted for, and the Mayor has supported, amending the Charter to allow for budget autonomy.

*RFA: Grant to Promote DC Voting Rights and Statehood 2016*

The Office of the Secretary is charged with responsibility for managing the funds allocated for voting rights and statehood initiatives for District residents. The Fiscal Year 2016 Budget authorized \$200,000 for the Office of the Secretary to issue competitive grants to promote voting rights and statehood.

### **Purpose of the Program**

The objective of this grant is to strengthen support for District representation in Congress and statehood for the District of Columbia. This effort will require outreach, canvassing, and measurement of support of elected officials and residents across the country and visitors to the nation's capital. The ultimate goal of this program is that the grantee(s) increase congressional and nationwide support for self-determination for the District of Columbia including, but not limited to, voting rights in Congress and statehood.

This program is funded with FY2016 funds, which must be expended by September 30, 2016, with a full accounting provided to the Office of the Secretary no later than December 31, 2016.

## **SECTION II: AWARD INFORMATION**

\$200,000 in District of Columbia funds will be available on a competitive basis as follows:

- A. 20% of the funds will be awarded on a competitive basis to an organization or organizations dedicated specifically to engaging youth (high school, college students and/or graduate students or other young adults) in civics, government, and/or voting rights in innovative ways by raising awareness through campaigns that include a branding and messaging strategy that include new media, social media and other fresh ideas. Such dedication can be evidenced by the organization's purpose, or through dedicated programming within the organization aimed at youth engagement.
- B. 80% of the funds will be awarded to a non-profit organization or organizations that engage in general or targeted public education, organizing, or legal strategy to advance District of Columbia voting rights and statehood.

The release date of this Request for Applications (RFA) is June 10, 2016. This grant process conforms to the guidelines established in the District's City-Wide Grants Manual and Sourcebook (which is available at <http://opgs.dc.gov>).

All funds will be disbursed upon award of the grant, with a report and budget accounting required to be filed by September 30, 2016, and a final report due no later than December 31, 2016. All proposals must include a detailed description of how the funds will be spent, as well as a project plan. Creative proposals (which include fresh ideas) that specifically address the requirements for an award are required to ensure success.

This list does not include those who are required to file Public Financial Disclosure Statements from the University of the District of Columbia and its Board of Trustees. The list of required filers was not timely provided to BEGA by the University as required by DPM sec 1810.4 and at this time the University remains out of compliance

This list includes both those employees who did not request or receive an extension and those who may have received an extension but still did not file within the extension period. This list also includes former employees of the District who are nonetheless required to file an FDS statement if the employee worked for at least 30 days during the 2015 calendar year. This list is current as of June 7, 2016 and may not reflect employees who have since filed.
