COUNCIL OF THE DISTRICT OF COLUMBIA
COMMITTEE ON HOUSING AND COMMUNITY DEVELOPMENT
NOTICE OF PUBLIC HEARING
1350 Pennsylvania Avenue, NW, Washington, DC 20004

**COUNCILMEMBER ANITA BONDS, CHAIRPERSON
COMMITTEE ON HOUSING AND COMMUNITY DEVELOPMENT**

ANNOUNCES A PUBLIC HEARING OF THE COMMITTEE ON

B21-0837, the “Historic Preservation of Derelict District Properties Act of 2016”

on

Thursday, October 6, 2016, at 3:00 PM
John A. Wilson Building, Room 120
1350 Pennsylvania Avenue, NW
Washington, DC 20004

Councilmember Anita Bonds, Chairperson of the Committee on Housing and Community Development, will hold a public hearing on B21-0837, the “Historic Preservation of Derelict District Properties Act of 2016”. The public hearing will be held on Thursday, October 6, 2016, at 3:00 PM in Room 120 of the John A. Wilson Building.

The Historic Preservation of Derelict District Properties Act of 2016 proposes that the District convey four abandoned, derelict historic homes in Historic Anacostia to the L’Enfant Trust for the purpose of renovation and development as workforce housing. The L’Enfant Trust would fund the projects using its nonprofit revolving fund, which it maintains for the purpose of rehabilitating such properties without the necessity of making a profit. In addition to requiring the homes to be developed as workforce housing, the bill would also require that such development conform to historic preservation standards.

Those who wish to testify are requested to telephone the Committee on Housing and Community Development, at (202) 724-8900, or email omontiel@dccouncil.us, and provide their name, address, telephone number, organizational affiliation and title (if any), by close of business on October 5, 2016. Persons wishing to testify are encouraged to submit 15 copies of written testimony. Oral testimony should be limited to three minutes for individuals and five minutes for organizations.

If you are unable to testify at the public hearing, written statements are encouraged and will be made a part of the official record. Written statements should be submitted to the Committee on Housing and Community Development, John A. Wilson Building, 1350 Pennsylvania Avenue, N.W., Suite 112, Washington, D.C. 20004. The record will close at 5:00 p.m. on Thursday, October 6, 2016.

Council Chairman Phil Mendelson announces a public roundtable before the Committee of the Whole on Proposed Resolution 21-822, the “Office of Public-Private Partnership Rules Approval Resolution of 2016.” The roundtable will be held at 10:00 a.m. on Thursday, September 29, 2016 in room 412 of the John A. Wilson Building.

The purpose of PR 21-822 is to approve the proposed rules to establish procedures for the Office of Public-Private Partnerships. The proposed rules were published in the D.C. Register on April 29, 2016. The Office of Public-Private Partnerships was established through legislation in 2014 and the office was funded and stood up in Fiscal Year 2016. The enabling statute for the Office exempts it from the Procurement Practices Reform Act of 2010 which governs most procurements in the District. However, the Office must develop its own rules to govern its procurements, which must be approved by the Council. The proposed rules will be deemed approved on October 15, 2016 without Council action.

Those who wish to testify are asked to email the Committee of the Whole at cow@dccouncil.us, or call Evan Cash, Committee Director at (202) 724-8196, and to provide your name, address, telephone number, organizational affiliation and title (if any) by close of business Tuesday, September 27, 2016. Persons wishing to testify are encouraged, but not required, to submit 15 copies of written testimony. If submitted by the close of business on September 27, 2016 the testimony will be distributed to Councilmembers before the roundtable. Witnesses should limit their testimony to four minutes; less time will be allowed if there are a large number of witnesses. A copy of the legislation can be obtained through the Legislative Services Division of the Secretary of the Council’s office or on <http://lims.dccouncil.us>.

If you are unable to testify at the roundtable, written statements are encouraged and will be made a part of the official record. Written statements should be submitted to the Committee of the Whole, Council of the District of Columbia, Suite 410 of the John A. Wilson Building, 1350 Pennsylvania Avenue, N.W., Washington, D.C. 20004. The record will close at 5:00 p.m. on October 10, 2016.

DISTRICT OF COLUMBIA PUBLIC CHARTER SCHOOL BOARD**NOTIFICATION OF CHARTER AMENDMENT**

The District of Columbia Public Charter School Board (DC PCSB) hereby gives notice of Children's Guild DC Public Charter School's (Children's Guild PCS) request to amend its goals and academic achievement expectations. Since Children's Guild PCS serves a large population of students with disabilities, the school is proposing to revise its existing goals so that DC PCSB may assess students' progress based on a comparison between like-populations of students. Children's Guild PCS is also proposing to remove its goal regarding the Fountas and Pinnell assessment, since the school now uses a more standardized assessment for growth known as iReady. Lastly, the school plans to modify its existing goal around the National School Climate Survey for Parents, in order to specify a target response rate for the survey and ensure validity of its results. If approved, the proposed goals changes will be effective for school year 2016-2017 and beyond. A public hearing regarding this item will be held on October 17, 2016 at 6:30 p.m.; a vote will be held on November 21, 2016 at 6:30 p.m. To submit public comments, you may October 17, 2016 at 4:00pm. For questions, please contact Laterica (Teri) Quinn, Equity and Fidelity Specialist, at 202-328-2660 or lquinn@dcpsb.org.

DISTRICT OF COLUMBIA PUBLIC CHARTER SCHOOL BOARD**NOTIFICATION OF CHARTER AMENDMENT**

The District of Columbia Public Charter School Board (DC PCSB) hereby gives notice of Meridian Public Charter School's (Meridian PCS) request to amend its goals and academic achievement expectations. Meridian PCS is requesting to adopt DC PCSB's Performance Management Framework as its goals and academic expectations, and use the following assessments for the grade levels it serves: NWEA MAP for K-2 Literacy, NWEA MAP for K-2 Math and TS Gold for Preschool and Prekindergarten. The school reports that due to recent changes with the use of Common Core State Standards and the Partnership for Assessment of Readiness for College and Careers (PARCC) assessments, Meridian PCS's goals, as written, do not fully measure the school's current program. Therefore, if approved, this amendment will be effective for SY 2016-2017 and beyond. A public hearing regarding this item will be held on October 17, 2016 at 6:30 p.m.; a vote will be held on November 21, 2016 at 6:30 p.m. To submit public comments, you may October 17, 2016 at 4:00pm. 2914.17 DISB shall not disburse monies related to its purchase of a portion of a loan enrolled in the Loan Participation Program at or prior to the closing of the loan by an Eligible Lender and Eligible Recipient. Section 2922, ELIGIBLE RECIPIENTS AND INVESTMENT REQUIREMENTS – INNOVATION FINANCE PROGRAM, is amended to read as follows:

2922 ELIGIBLE RECIPIENTS AND INVESTMENT REQUIREMENTS – INNOVATION FINANCE PROGRAM

2922.1 To qualify for an Investment, an Eligible Recipient shall:

- (a) Be a non-public company that is registered in the District and is subject to tax under the laws of the District;
- (b) Have at closing, or sign an agreement pledging that it will have within six (6) months after funding:

- (1) Its principal offices within the District, demonstrated by a lease or a deed; and
- (2) At least seventy-five percent (75%) of its employees working in the District; and
- (c) Have less than seven hundred and fifty (750) existing employees, including those of its affiliates and subsidiaries

2922.2 To qualify for an Investment, an Eligible Recipient may also be subject to at least one of the following requirements:

- (a) Provide proof by the time of funding that District residents are employed in at least fifty percent (50%) of its W-2 and 1099 employee positions;
- (b) Sign an agreement by the time of funding pledging that at least fifty percent (50%) of its W-2 and 1099 employee positions will be occupied by District residents within six (6) months of funding;
- (c) Provide proof by the time of funding that the Eligible Recipient is at least fifty percent (50%) owned by District residents and provides at least twenty-five percent (25%) of its W-2 and 1099 employee positions to District residents; or
- (d) Demonstrate by the time of funding that the Eligible Recipient will, within six months of funding, create or retain at least one District resident job for every one hundred thousand dollars (\$100,000) in investment support that the District provides.

2922.3 If the funding from the District of Columbia to an Eligible Recipient that is not a Certified Business Enterprise is three hundred thousand dollars (\$300,000) or more, the Eligible Recipient shall execute a First Source Agreement if District law requires.

2922.4 The provisions of § 2922.1 and, where applicable § 2922.2, may be waived, and the deadlines extended, in whole or in part, by the Commissioner if the Eligible Recipient demonstrates a reasonable need for waiver, if the waiver will not violate the SSBCI Guidelines of the U.S. Department of the Treasury, and if the waiver is in the best interest of the District.

2922.5 The Eligible Recipient and any owner of the Eligible Recipient that has at least a twenty percent (20%) interest in the Eligible Recipient shall execute covenants, pledging to continue to comply with the Program requirements from § 2922.1 and, where applicable § 2922.2, for the later of (i) a Liquidation Event or (ii) ten (10) years.

- 2922.6 In addition to its own pro rata share in the total return on investment (ROI) on a performing investment, the Innovation Finance Company may receive a maximum of twenty-five percent (25%) carried interest of DISB's pro rata share of the total ROI. The Parties agree that the twenty-five percent (25%) share of DISB's pro rata share as set forth in this section is specifically in lieu of the payment of any Innovation Finance management fees or administrative fees that may be assessed to DISB pro rata with other investors, if any, in respect of an investment in an Eligible Recipient.
- 2922.7 If the District's investment involves a Limited Partnership interest in a Fund where at least two thirds of the capital is from the private sector, the DISB may agree to pay a maximum annual management fee of two percent (2%) of assets under management in addition to a maximum of twenty percent (20%) carried interest on DISB's pro rata share of the total ROI provided the carried interest and management fee are deferred and only paid from the total ROI.
- 2922.8 Under the Enhanced Investment category, an Eligible Recipient of an Enhanced Investment shall also sign an agreement to comply with at least one (1) of the following additional enrollment criteria for which an enhanced investment return of five percent (5%) shall be provided to the Eligible Recipient for each:

 - (1) Be a Certified Business Enterprise or pledge to become a Certified Business Enterprise within six (6) months of funding; or
 - (2) Be a business enterprise more than fifty percent (50%) woman or minority owned.
 - (c) The Eligible Recipient shall have its principal office located in a census tract where the poverty rate exceeds twenty percent (20%); and

- 2922.10 The Eligible Recipient of an Enhanced Investment may receive five percent (5%) of DISB's pro rata share of the total ROI for meeting each of the economic development goals stated in § 2922.8, up to a total of fifteen percent (15%).
- 2922.11 In both categories of enrollment, DISB shall receive the proportional benefit of all amounts received from the Eligible Recipient or realized from the Eligible Recipient's collateral following default or loss.
- 2922.12 An Enrolled Investment may be used to refinance a loan or line of credit from a different lender under the Innovation Finance Program.

 - (e) A business that earns more than half of its annual net revenue from lending activities, unless the business is a non-bank or non-bank holding company or community development financial institution;
 - (f) A business engaged in pyramid sales, where a participant's primary incentive is based on the sales made by an ever-increasing number of participants; or
 - (g) A business engaged in activities that are prohibited by federal or District of Columbia law.
- 2922.14 For the purpose of these Eligible Recipient restrictions, as described in § 2922.13(a), (b), and (c) above, the terms "executive officer," "director," "principal shareholder," "immediate family," and "related interest" refer to the

same relationship to an Innovation Finance Company as the relationship described in 12 C.F. R. part 215 or any successor to such part.

- 2922.15 An Eligible Recipient under the Innovation Finance Program shall certify that no principal of the Eligible Recipient has been convicted of a sex offense against a minor as such term is defined in Section 111 of the Sex Offender Registration and Notification Act (42 U.S.C. § 16911).

- 2922.17 An Eligible Recipient shall use the investments facilitated by the Innovation Finance Program for a business purpose, including working capital, inventory, expansion, renovations, start-up costs, and refinancing. The entire proceeds of the investment shall be used within the District.
- 2922.18 The investment from the Innovation Finance Program shall not be used:
- (a) To repay delinquent federal or District of Columbia income taxes unless the Eligible Recipient has a payment plan in place with the relevant taxing authority;
 - (b) To repay taxes held in trust or escrow, for example, payroll or sales taxes;
 - (c) To reimburse funds owed to any owner, including any equity injection or injection of capital for the business’s continuance;
 - (d) To purchase any portion of the ownership interest of any owner of the business;
 - (e) To acquire or hold passive investments;
 - (f) For legal or illegal gambling; or

- 2922.21 DISB shall review the investment and related transaction documents that memorialize the terms and conditions of the investment, and DISB shall issue a final approval if the investment, Innovation Finance Company, Eligible Recipient, and other aspects of the transaction, are determined to comply and satisfy all applicable requirements.
- 2922.22 The Innovation Finance Company and Eligible Recipient shall execute all documentation requested by DISB to memorialize the terms and conditions of the investment to be enrolled in the Innovation Finance Program.
- 2922.23 The Innovation Finance Company, Eligible Recipient, and all other parties to the transaction, shall execute all of the documents required to close or settle the transaction. The terms, conditions, and material language of the executed documents shall be consistent with those upon which DISB issued a final approval.
- 2922.24 The investment shall be considered enrolled in the Finance Innovation Program when DISB receives copies of all executed transaction documents that it previously approved and submits a funding request to the Office of the Chief Financial Officer.
- 2922.25 DISB shall not commit capital from SSBCI Program Funds to an Innovation Finance Company until the Innovation Finance Company has met all requirements set forth in § 2922.1 and, where applicable, § 2922.22.

Section 2923, REPORTING REQUIREMENTS – INNOVATION FINANCE PROGRAM, is amended to read as follows:

2923 REPORTING REQUIREMENTS – INNOVATION FINANCE PROGRAM

2923.1 Each Eligible Recipient under the Innovation Finance Program shall annually submit the following information to DISB within sixty (60) days after the year-end and at any other time DISB reasonably requests:

2923.2 Failure to file a complete annual report may result in a fine of twenty-five dollars (\$25.00) per day for each violation. This fine shall not exceed one percent (1%) of the Enrolled Investment for each violation. Section 2924, TERMINATION OF INVESTMENT – INNOVATION FINANCE PROGRAM, is added as follows:

DISTRICT OF COLUMBIA DEPARTMENT OF HEALTH

NOTICE OF PROPOSED RULEMAKING

The Director of the District of Columbia Department of Health, pursuant to the authority set forth in Section 17 of the District of Columbia Health Professional Recruitment Program Act of 2005, effective March 8, 2006 (D.C. Law 16-71; D.C. Official Code § 7-751.16 (2012 Repl.)) and Mayor's Order 2009-176, dated October 13, 2009, hereby gives notice of proposed rulemaking to amend Chapter 61 (Health Professional Recruitment Program), of Title 22 (Health), Subtitle B (Public Health and Medicine), of the District of Columbia Municipal Regulations (DCMR).

The proposed amendment will replace the current requirement that eligible Service Obligation Sites (Sites) renew their certification annually at the start of the District's fiscal year (October 1) with a requirement that such Sites renew their certification at the beginning of each even fiscal numbered year.

This rulemaking action is necessary to mitigate an unwieldy and unnecessary administrative burden both on the Department of Health (Department) and the Sites by reducing the re-certification requirement from once a year to once every other year. Enactment of this amendment will both ease the administrative burden on the Department and the individual sites and allow for administrative staffs to focus their efforts on other important tasks.

The Director of the Department hereby gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the publication of this notice in the *D.C. Register*.

Chapter 61, HEALTH PROFESSIONAL RECRUITMENT PROGRAM, of Title 22-B DCMR, PUBLIC HEALTH AND MEDICINE, is amended as follows:

Subsection 6108.3 of Section 6108, ELIGIBLE SITES, is amended as follows:

6108.3 An eligible site that seeks to participate in the Program shall submit a site certification application in such manner and on such form as is determined by the Department of Health. An eligible site that participates in the Program shall submit an application for renewal of its eligibility to participate in the Program in such manner and on such form as is determined by the Department of Health, no later than September 30th of the next even numbered year and every even numbered year thereafter.

Copies of the proposed rulemaking can be obtained at www.dcregs.dc.gov or by contacting Phillip Husband, General Counsel of the District of Columbia Department of Health, 899 North Capitol Street, N.E., 5th Floor, Washington, D.C. 20002. All persons desiring to file comments on the proposed rulemaking action should submit written comments via e-mail to Angli.Black@dc.gov or by mail to the District of Columbia Department of Health, Attn: Phillip Husband, General Counsel, no later than thirty (30) days after the publication of this notice in the *D.C Register*.

District of Columbia Motor Fuel Tax Remains Unchanged Effective
October 1, 2016

Pursuant to D.C. Official Code §47-2301, the District of Columbia is required to levy and collect a tax on motor vehicle fuels equal to 8 percent of the average wholesale price of a gallon of regular unleaded gasoline. The average wholesale price is to be calculated semi-annually and in no case shall the price computed be less than \$2.94. The computed average wholesale price should also not vary by more than 10 percent from the prior period's average price. The average wholesale price is computed by using the monthly Regular Gasoline Wholesale/Resale Price by Refiners provided by the Energy Information Administration for the Central Atlantic (PADD 1B) region for the six month periods ending in June and December each year.

For the six-month period ending June 30, 2016, the computed average wholesale price of a gallon of gasoline was less than \$2.94. Accordingly, the tax, computed at 8 percent of the \$2.94 minimum price, remains at 23.5 cents per gallon for the period of October 1, 2016 through March 31, 2017.

DEPARTMENT OF ENERGY AND ENVIRONMENT**PUBLIC NOTICE****Proposed Air Quality Source Category Permit to Construct and Operate Temporary Portable Concrete Plants**

Notice is hereby given that, pursuant to 40 C.F.R. Part 51.161, and D.C. Official Code §2-505, and 20 DCMR §§200 and 210, the Air Quality Division (AQD) of the Department of the Energy and Environment (DOEE), located at 1200 First Street NE, 5th Floor, Washington, DC, intends to issue a source category permit to operate temporary portable concrete plants in the District of Columbia. This source category permit will be designated Permit No. 7123-SC.

To ensure that certain regulatory limits are not exceeded and that more complex or potentially controversial projects of this type are subject to case-by-case permitting, a number of limitations have been established on the applicability of this source category permit, including limiting the duration of the operation at the site to two years total, limiting operating hours to eight hours per day, limiting the size of the equipment, and limiting the total production of the equipment.

Applicants who apply for coverage under a source category permit must document that their equipment meets the applicability criteria specified in the permit prior to approval of coverage and authorization to operate the unit under the authority of the source category permit.

The proposed emission limits to be included in the permit are as follows:

- a. Emissions of dust shall be minimized in accordance with the requirements of 20 DCMR 605 and the “Operational Limitations” of this permit.
- b. The emission of fugitive dust from any material handling, screening, crushing, grinding, conveying, mixing, or other industrial-type operation or process is prohibited. [20 DCMR 605.2]
- c. The discharge of total suspended particulate matter (TSP) into the atmosphere from any process shall not exceed three hundredths (0.03) grains per dry standard cubic foot of the exhaust. [20 DCMR 603.1]
- d. The discharge of TSP from the portable concrete plant shall not exceed 40 pounds per hour. [20 DCMR 603.1 and Appendix 6-1]
- e. Emissions of PM₁₀ shall be less than 15 tons in any consecutive 12-month period. [20 DCMR 204]
- f. Visible emissions shall not be emitted into the outdoor atmosphere from stationary sources; provided, that the discharges not exceeding forty percent (40%) opacity (unaveraged) shall be permitted for two (2) minutes in any sixty (60) minute period and for an aggregate of twelve (12) minutes in any twenty-four hour (24 hr.) period during start-up, cleaning, soot

blowing, adjustment of combustion controls, or malfunction of the equipment. [20 DCMR 606.1]

- g. An emission into the atmosphere of odorous or other air pollutants from any source in any quantity and of any characteristic, and duration which is, or is likely to be injurious to the public health or welfare, or which interferes with the reasonable enjoyment of life or property is prohibited. [20 DCMR 903.1]

Emissions Estimate:

Operational limits have been put in place to limit potential emissions of particulate matter with an aerodynamic diameter less than 10 microns (PM₁₀) to less than 15 tons per year (TPY). Additionally, the operational limits ensure that total emissions from the concrete plant will not exceed 40 pounds of total particulate matter in any given hour. Some concrete plants operate small hot water heaters/boilers. The limits placed on the size and operating hours of these units are expected to ensure that emissions from these units do not exceed 0.17 TPY of total particulate matter, 1.04 TPY of oxides of nitrogen (NO_x), 0.26 TPY of carbon monoxide (CO), 0.018 TPY of volatile organic compounds (VOC), and 0.011 TPY of oxides of sulfur (SO_x).

The draft permit and supporting documentation are available for public inspection at AQD and copies may be made available between the hours of 8:15 A.M. and 4:45 P.M. Monday through Friday. Interested parties wishing to view these documents should provide their names, addresses, telephone numbers and affiliation, if any, to Stephen S. Ours at (202) 535-1747.

Interested persons may submit written comments or may request a hearing on this subject within 30 days of publication of this notice. The written comments must also include the person's name, telephone number, affiliation, if any, mailing address and a statement outlining the air quality issues in dispute and any facts underscoring those air quality issues. All relevant comments will be considered in issuing the final permit.
