Bill 22-100, "Preservation of Affordable Rent Control Housing Amendment Act of 2017"

on

Thursday, June 22, 2017, at 11:00 AM
John A. Wilson Building, Room 500
1350 Pennsylvania Avenue, NW
Washington, DC 20004

On Thursday, June 22, 2017, Councilmember Anita Bonds, Chairperson of the Committee on Housing & Neighborhood Revitalization, will hold a public hearing on Bill 22-100, "Preservation of Affordable Rent Control Housing Amendment Act of 2017". The hearing will take place in Room 500 of the John A. Wilson Building, 1350 Pennsylvania Avenue, N.W., at 11:00 a.m.

The purpose of B22-0100 is to prohibit agreements between a tenant and a housing provider that inequitably treats current and future tenants. B22-0100 would bar agreements that would result in other current or future tenants paying a rent adjustment, rent surcharge, or change in related services and facilities that would be greater than the amount paid by the tenant or members of the tenant association entering the agreement. The goal of the legislation is to prevent affordable rent control housing from permanently becoming market rate housing.

Those who wish to testify are requested to telephone the Committee on Housing and Neighborhood Revitalization, at (202) 724-8198, or email omontiel@dccouncil.us, and provide their name, address, telephone number, organizational affiliation and title (if any), by close of business on June 21, 2017. DEPARTMENT ON DISABILITY SERVICES

NOTICE OF PROPOSED RULEMAKING

The Director of the Department on Disability Services (DDS), pursuant to the authority set forth in Title I of the Department on Disability Services Establishment Act of 2006, effective March 14, 2007 (D.C. Law 16-264; D.C. Official Code §§ 7-761.01 *et seq.* (2012 Repl. & 2016 Supp.)), hereby give notice of the adoption of a new Chapter 131 entitled “Contribution to Costs of DDA Residential Supports” of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR), containing four new sections as follows: Section 13100(Application and Relevant Financial Documentation); Section 13101 (Amount to Be Collected and Method and Time of Payments); Section 13102 (Due Process Protections); and Section 13199 (Definitions).

These proposed rules establish a mechanism for the DDS Developmental Disabilities Administration (DDA) to evaluate, calculate and collect the amount a person contributes to the costs of residential supports for persons who receive waiver services funded either locally or through the District of Columbia Medicaid Home and Community-Based Services (HCBS) Waiver for Persons with Intellectual and Developmental Disabilities (IDD). These rules also establish the procedures by which DDS will collect the calculated amount of the contribution to costs of residential supports and due process protections.

This proposed rulemaking is consistent with the provisions of the Contribution to Costs of Supports Fund Amendment Act of 2016, effective October 8, 2016 (D.C. Law 21-160; D.C. Official Code §§ 7-761.05b, 7-761.05c and 7-761.09(a-1) (63 DCR 10775 (Aug. 26, 2016)), which requires the Mayor to issue rules “establishing who has the ability to pay the contribution to costs of supports, the amount to be collected, the method and time of payments to DDS for such purposes, and due process protections.” In accordance with D.C. Official Code § 7-761.09(a-1)(2), the proposed rules must be submitted to the Council of the District of Columbia for a forty-five (45)-day period of review.

The DDS Director gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the date of publication of this notice in the *D.C. Register*.

A new Chapter 131, CONTRIBUTION TO COSTS OF DDA RESIDENTIAL SUPPORTS, of Title 29 DCMR, PUBLIC WELFARE, is adopted to read as follows:

**CHAPTER 131 CONTRIBUTION TO COSTS OF DDA
RESIDENTIAL SUPPORTS**

- 13100 APPLICATION AND RELEVANT FINANCIAL DOCUMENTATION**
- 13101 AMOUNT TO BE COLLECTED AND METHOD AND TIME OF PAYMENTS**
- 13102 DUE PROCESS PROTECTIONS**
- 13199 DEFINITIONS**

13100 APPLICATION AND RELEVANT FINANCIAL DOCUMENTATION

13100.1 Persons applying for or receiving residential supports, as defined in Section 13199 of this chapter, in conjunction with services through the Medicaid Home and Community-Based Services (“HCBS”) Waiver for Persons with Intellectual and Developmental Disabilities (“IDD”) or other locally-funded services, shall be required to submit to the Department on Disability Services (“DDS”) relevant financial documentation indicating that person’s income and assets. Such relevant financial documentation shall be provided during a person’s initial intake process and on a regular basis, at least annually, as part of the person’s Individual Support Plan (“ISP”) and Individual Financial Plan (“IFP”) to the person’s Service Coordinator.

13100.2 As set forth in Section 13199 of this chapter, relevant financial documentation includes evidence of income and assets that the DDS Developmental Disabilities Administration (“DDA”) will use in calculating the amount of a person’s contribution to costs of residential supports including, but not limited to, wages, checking and savings accounts, Social Security Income (“SSI”), Social Security Disability Insurance (“SSDI”), Veteran Benefits (“VB”), and other statutory benefits. DDA may also consider other income, including but not limited to pensions, earned income, and unearned income, including worker’s compensation, insurance proceeds and death benefits, inheritances, dividends and interest, rental income and royalties, prizes, awards, gambling proceeds, and awards for punitive and non-physical damages to the person and the income of a spouse or domestic partner, as defined in D.C. Official Code § 32-701(3), of a person shall be considered part of the person’s income.

13101 AMOUNT TO BE COLLECTED AND METHOD AND TIME OF PAYMENTS

13101.1 DDA shall use the following formula in computing a person’s required monthly contribution to costs of residential supports:

- (a) A person whose only income is SSI, SSDI, and/or any other statutory benefits, shall keep one hundred dollars (\$100) of his or her benefits each month as a personal needs allowance, and shall contribute the remainder to costs of residential supports consistent with 29 DCMR § 1450, 20 CFR § 266.10, 20 CFR § 404.2040, and 20 CFR § 416.640.
- (b) A person who receives SSI, SSDI, and/or any other statutory benefits, as well as employment or other income shall, on a monthly basis:
 - (1) Keep \$100 of his or her benefits as a personal needs allowance and contribute the remainder to his or her cost of residential supports; and

(2) From his or her employment or other income, contribute to the cost of residential supports an amount equivalent to the amount that his or her SSI, SSDI and/or any other statutory benefits have been reduced due to employment.

(c) A person who is employed in such a way that they are not eligible for statutory benefits shall have their monthly contribution to costs of residential supports calculated using the following formula: the current maximum monthly SSI payment amount minus \$100. As of January 2017, this would be $\$735 - \$100 = \$635$ in contribution to costs of residential supports.

(d) A person who resides in a Host Home, as defined in Section 1999 of Chapter 29, and receives more than the current maximum monthly SSI payment shall contribute an amount equivalent to the current maximum monthly SSI payment amount minus \$100. The person shall also keep the amount of funds greater than the current maximum monthly SSI payment.

13101.2 For a person whose only income is SSI, SSDI, and/or any other statutory benefits, the person's Social Security representative payee, if he or she has one, is responsible for ensuring that each month the person pays to DDA his or her contribution to costs of residential supports and receives his or her personal needs allowance. If the person does not have a representative payee, then the person's residential provider is responsible for collecting his or her contribution to costs of residential supports each month. DDA's payment to the provider will be reduced by the amount of the person's contribution to costs of residential supports.

13101.3 For a person who receives SSI, SSDI, and/or any other statutory benefits and also has employment and other income, the person's Social Security representative payee, if he or she has one, is responsible for ensuring that each month the person pays to DDA the portion of his or her contribution to costs of residential supports that comes from statutory benefits income, and that the person receives his or her personal needs allowance. If the person does not have a representative payee, then the person's residential provider is responsible for collecting his or her contribution to costs of residential supports from statutory benefits. The person's residential provider is also responsible for collecting the remainder of his or her contribution to costs of residential supports each month, based on the person's employment and other income. DDA's payment to the provider will be reduced by the amount of the person's contribution to costs of residential supports.

13101.4 For a person who has employment income only, the person's residential provider is responsible for collecting the payment for the person's contribution to costs of residential supports each month. DDA's payment to the provider will be reduced by the amount of the person's contribution to costs of residential supports.

13102 DUE PROCESS PROTECTIONS

- 13102.1 The amount of the monthly contribution to costs of residential supports will be determined during intake, or, for persons already receiving DDA services, at the next ISP meeting following the effective date of these regulations. At that time, the person will be informed of the requirement for contribution to costs of residential supports, including an explanation of how that contribution is calculated consistent with these regulations. This information shall be included in the person's ISP as part of their IFP. The amount will be reevaluated at least annually during each person's ISP meeting.
- 13102.2 The person, or a family member, friend, attorney, or any other representative, if so designated by the person, may make a request in writing, by telephone, or in person at DDA to his or her Service Coordinator for recalculation of his or her contribution to costs of residential supports at any time.
- 13102.3 The person's request for recalculation must set forth the factual and/or legal basis for the disagreement in the calculated contribution to costs of residential supports.
- 13102.4 A DDA Rights and Advocacy Specialist shall provide assistance to a person in the appeal process upon request. A person may also be assisted by a family member, friend, attorney, or any other representative.
- 13102.5 The DDS Deputy Director for DDA will provide a final, written administrative decision to the person and his or her representative within thirty (30) calendar days of his or her receipt of the person's reconsideration request. The final written decision shall include information about the person's right to bring an appeal in the Superior Court of the District of Columbia. The person seeking review of DDS's final written decision must file this appeal in the Superior Court not later than thirty (30) calendar days after the date he or she receives notice of the final decision.

DEPARTMENT OF SMALL AND LOCAL BUSINESS DEVELOPMENT

NOTICE OF FUNDING AVAILABILITY (NOFA)

COMMERCIAL WASTE COMPACTOR PILOT PROGRAM GRANTS

The Department of Small and Local Business Development (DSLBD), through a grant manager, is soliciting applications from eligible DC business owners for the **Commercial Waste Compactor Pilot Program** (the “Program”) grants. Applications will be accepted on a rolling basis June 30, 2017. **The submission deadline is Friday, September 8, 2017 at 2:00 p.m.**

The Program comprises:

1. grants to offset compactor costs, which is funded by the Department of Public Works (DPW), administered by DSLBD and managed by a grants manager; and
2. business owner education and impact metrics measurement of rodent activity and sanitation violations through a partnership with Department of Health (DOH)’s *Rat Riddance Initiative*.

For the grant component, DPW will fund, through DSLBD, the **purchase or lease of commercial waste compactors** by businesses to collect and compact bulk trash and other waste including recyclables. Through the installation of commercial waste compactors and the education of business and property owners, DPW, DSLBD, and DOH seek to reduce: 1) the likelihood of accidental pollution through spills or wind-blown debris; 2) rodent activity near businesses; and 3) the number of trips to haul waste. In doing so, the Program will support the Sustainable DC goals to minimize the generation of greenhouse gas emissions and reduce the volume of waste disposed (www.sustainabledc.org).

Eligible applicants are DC-based for-profit businesses that are: a) incorporated (domestic or foreign incorporation); b) licensed in the District of Columbia; c) open and operating in the District of Columbia; and d) in good standing with the Government of District of Columbia.

Amount and Number of Awards: DSLBD, through a grants manager, will award individual businesses **up to \$13,500 for the purchase** of an eligible compactor or **up to \$9,000 for the lease** of an eligible compactor, which must be installed at a business located in the District of Columbia. DSLBD’s grant manager will continue to award grants to eligible applicants with approved applications until the grant fund is depleted or through September 22, 2017, whichever comes first (up to approximately 65 awards). An eligible business may only receive one grant award to purchase or lease. Multiple businesses, which are located in same vicinity and would like to share a compactor, may apply individually for the pro-rated cost of the shared compactor (i.e., the total cost divided but number of businesses sharing the compactor) as long as the pro-rated amount does not exceed the individual award limit (\$13,500 purchase or \$9,000 lease).

The **applicant is responsible for associated costs** to install, use and maintain the compactor, which may include: a) electrical wiring to supply adequate power; b) creating adequate installation surface for the compactor (e.g., installing concrete pad); c) permit fees if installation location is in public space; and/or d) hauling of compacted waste.

The **grant performance period** begins when the business owner signs the grant agreement and ends 12 months later, or at the end of the lease, whichever is greater. As a grant recipient, the business must allow DPW, DSLBD and/or its grant manager access to monitor installation and use of the waste compactor. Business owners must also report on the number of hauling trips, rodent incidents, and other metrics as outlined in the grant agreement.

Application Process: Request for Applications (RFA or “Application”) will be available on or before Friday, June 30, 2017 and can be accessed from a link on DSLBD’s home page at www.dslbd.dc.gov. Applications will be accepted on a rolling basis. Interested applicants must complete and submit their application anytime on or before **Friday, September 8, 2017 at 2:00 p.m.** Late submissions will not be reviewed.

Selection Criteria for applications includes: a) Applicant (business owner)’s demonstrates its eligibility to receive public funds; b) request for eligible equipment; c) submission of complete application including estimates and installation plan (brief contractor questionnaire); d) attestation the equipment will be installed at the applicant business’ location in the District of Columbia; and e) the availability of grant funds at the time of application review and approval.

Selection Process: Grant recipients will be selected through a competitive application process using the selection criteria listed above, and awarded grants based on the order their complete application was received. Applicants will be notified if their grant application was approved within 15 business days of application receipt.

Information Sessions: There will be one or more information sessions scheduled during the application period. Dates and locations to be announced in the RFA.

Expression of Interest: Interested business owners may email their contact information to dslbd@dc.gov to receive notification when the application is posted and information sessions scheduled. The email subject line should read *Waste Compactor Grant* and the email message should include: *business name, street address, email address and phone.*

Funding for this award is contingent on continued funding from the grantor. The NOFA does not commit the DPW or DSLBD to make an award.

DSLBD and its grant manager reserve the right to issue an addenda and/or amendments subsequent to the issuance of the NOFA or RFA, or to rescind the NOFA or RFA.

The authorizing legislation for this program is the Trash Compactor Tax Incentive Act of 2014 (Law 20-0223).

BOARD OF ZONING ADJUSTMENT**

Application No. 19472 of Behnam Farahpour, pursuant to 11 DCMR Subtitle X, Chapter 9, for a special exception under the height requirements of Subtitle E § 5203.3, to permit the construction of a third-story addition to convert an existing one-family dwelling into a flat in the RF-1 Zone at premises 723 Girard Street N.W. (Square 2886, Lot 214).

HEARING DATES: April 12,¹ May 3, and May 10, 2017

DECISION DATE: May 10, 2017

SUMMARY ORDER

REVIEW BY THE ZONING ADMINISTRATOR

The application was accompanied by a memorandum, dated February 2, 2017, from the Zoning Administrator, certifying the required relief. (Exhibit 7.)

The Board of Zoning Adjustment (“Board”) provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission (“ANC”) 1B and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 1B, which is automatically a party to this application. The ANC submitted a report dated April 7, 2017, recommending approval of the application. The ANC’s report indicated that at a regularly scheduled, properly noticed public meeting on April 6, 2017, at which a quorum was present, the ANC voted 11-0-0 to support the application, with four conditions: 1) The existing porch shall remain or be reconstructed out of metal; 2) The existing stairway shall remain for the two units with one common entry from the porch; 3) The parapet section noted on sheet A08 shall be removed; and 4) The height shall not exceed 35 feet per the zoning regulations. (Exhibit 39.) At the public hearing of May 3, 2017, the Applicant testified that the revised plans (Exhibit 45) submitted at the hearing were shown to the ANC and the ANC agreed that they satisfy the ANC’s concerns.

The Office of Planning (“OP”) submitted a timely report, dated April 21, 2017. OP noted that it was not in support of the original proposal (Exhibit 8), but that the Applicant submitted a revised design (Exhibit 42) and OP recommended approval of that proposal, with one condition - that the porch canopy be constructed of a more substantive material and permanent fixture. (Exhibit 43.) OP submitted a supplemental report at the Board’s request. In its supplemental report, OP noted that it recommended conditioned approval of the Applicant’s revised proposal (also see, Exhibit

¹ The hearing was postponed from April 12, 2017 to the hearings of April 19, 2017 and May 3, 2017 at the Applicant’s request (Exhibit 36), then continued to May 10, 2017.

45). At the May 10, 2017 hearing, OP testified that, with the revised plans, OP had no outstanding issues, and OP remained in support subject to the condition it previously cited. (Exhibit 47.)

The District Department of Transportation (“DDOT”) submitted a timely report indicating that it had no objection to the grant of the application. (Exhibit 37.)

Letters of support were submitted by both adjacent neighbors at 721 Girard Street, N.W. (Exhibit 32) and 725 Girard Street, N.W. (Exhibit 33).

A letter in opposition was submitted by the neighbor at 719 Girard Street, N.W. (Exhibit 40.)

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for a special exception under Subtitle E § 5203.3 – the height requirements. The only parties to the case were the ANC and the Applicant. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be averse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2, and Subtitle E § 5203.3, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR Subtitle Y § 101.9, the Board has determined to waive the requirement of 11 DCMR Subtitle Y § 604.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 49 – UPDATED PLANS - AND WITH THE FOLLOWING CONDITION:**

1. The porch canopy shall be constructed of a more substantive material and permanent fixture.

VOTE: 3-0-2 (Carlton E. Hart, Lesylleé M. White, and Anthony J. Hood² to APPROVE; Frederick L. Hill not voting, being necessarily absent; one Board seat vacant.)

² Mr. Hood read the case record and attended the continued hearing to participate in the vote on this application.

Stage PUD 2 Square 473 – Southwest Waterfront – Phase 2)****May 18, 2017****THIS CASE IS OF INTEREST TO ANC 6D**

On May 12, 2017, the Office of Zoning received an application from Wharf 3 REIT Leaseholder, LLC (the “Applicant”) for approval of a modification of significance to a first-stage planned unit development (“PUD”), and a second-stage PUD for the above-referenced property.

The property that is the subject of this application consists of Lots 878, 881, 887, 888, and 921* in Square 473 in southwest Washington, D.C. (Ward 6), on property generally bounded by the pier head line of the Washington Channel of the Potomac River on the southwest and Maine Avenue on the northeast, between 6th and 11th Streets, S.W. The property is zoned C-3-C, for the purposes of this project, through a previously approved map amendment.

The Applicant is requesting to modify the approved project by changing the mix of uses for Parcel 8 to include residential and hotel uses above ground-floor retail, instead of the previously approved residential or office uses above ground-floor retail.

The Applicant is also requesting second-stage PUD approval for the buildings and structures located on Parcels 6-10; two below-grade parking structures; three principal waterside buildings, known as Water Buildings 1-3; and the completion of the Wharf Marina. The parcels are proposed to be developed generally as follows:

- Parcel 6/7 – a 130-foot tall (plus 20-foot penthouse) mixed-use building containing approximately 523,770 square feet of office and retail/service uses;
- Parcel 8 – a 130-foot tall (plus 20-foot penthouse) mixed-use building containing approximately 370,859 square feet of mixed-income residential, hotel, and retail/service uses;
- Parcel 9 – a 130-foot tall (plus 20-foot penthouse) mixed-used building containing approximately 227,962 square feet of residential and retail/service uses; and
- Parcel 10 – a 60-foot tall (plus 18-foot, six-inch penthouse) containing approximately 76,314 square feet of office and retail/services uses.

This case was filed electronically through the Interactive Zoning Information System (“IZIS”), which can be accessed through <http://dcoz.dc.gov>. For additional information, please contact Sharon S. Schellin, Secretary to the Zoning Commission at (202) 727-6311.
