HISTORIC PRESERVATION REVIEW BOARD

NOTICE OF PUBLIC HEARINGS

The D.C. Historic Preservation Review Board will hold a public hearing to consider application to designate the following properties historic landmarks in the D.C. Inventory of Historic Sites. The Board will also consider the nominations of the properties to the National Register of Historic Places:

Case No. 16-07: Washington Animal Rescue League Animal Shelter
71 O Street NW
Square 616, Lot 110
Affected Advisory Neighborhood Commission: 5E

Case No. 18-16: Folger Shakespeare memorial Library amendment (to designate interiors)
201 East Capitol Street SE
Square 760, Lot 31
Affected Advisory Neighborhood Commission: 6B

The hearing will take place at **9:00 a.m. on Thursday, December 20, 2018**, at 441 Fourth Street, NW (One Judiciary Square), in Room 220 South. It will be conducted in accordance with the Review Board's Rules of Procedure (10C DCMR 2). A copy of the rules can be obtained from the Historic Preservation Office at 1100 4th Street SW, Suite E650, Washington, DC 20024, or by phone at (202) 442-8800, and they are included in the preservation regulations which can be found on the Historic Preservation Office website.

The Board's hearing is open to all interested parties or persons. Public and governmental agencies, Advisory Neighborhood Commissions, property owners, and interested organizations or individuals are invited to testify before the Board. Written testimony may also be submitted prior to the hearing. All submissions should be sent to the address above.

For each property, a copy of the historic designation application is currently on file and available for inspection by the public at the Historic Preservation Office. A copy of the staff report and recommendation will be available at the office five days prior to the hearing. The office also provides information on the D.C. Inventory of Historic Sites, the National Register of Historic Places, and Federal tax provisions affecting historic property.

If the Historic Preservation Review Board designates a property, it will be included in the D.C. Inventory of Historic Sites, and will be protected by the D.C. Historic Landmark and Historic District Protection Act of 1978. The Review Board will simultaneously consider the nomination of the property to the National Register of Historic Places. The National Register is the Federal government's official list of prehistoric and historic properties worthy of preservation. Listing in the National Register provides recognition and assists in preserving our nation's heritage. Listing provides recognition of the historic importance of properties and assures review of Federal undertakings that might affect the character of such properties. If a property is listed in the Register, certain Federal rehabilitation tax credits for rehabilitation and other provisions may

apply. Public visitation rights are not required of owners. The results of listing in the National Register are as follows:

Consideration in Planning for Federal, Federally Licensed, and Federally Assisted Projects: Section 106 of the National Historic Preservation Act of 1966 requires that Federal agencies allow the Advisory Council on Historic Preservation an opportunity to comment on all projects affecting historic properties listed in the National Register. For further information, please refer to 36 CFR 800.

Eligibility for Federal Tax Provisions: If a property is listed in the National Register, certain Federal tax provisions may apply. The Tax Reform Act of 1986 (which revised the historic preservation tax incentives authorized by Congress in the Tax Reform Act of 1976, the Revenue Act of 1978, the Tax Treatment Extension Act of 1980, the Economic Recovery Tax Act of 1981, and the Tax Reform Act of 1984) provides, as of January 1, 1987, for a 20% investment tax credit with a full adjustment to basis for rehabilitating historic commercial, industrial, and rental residential buildings. The former 15% and 20% Investment Tax Credits (ITCs) for rehabilitation of older commercial buildings are combined into a single 10% ITC for commercial and industrial buildings built before 1936. The Tax Treatment Extension Act of 1980 provides Federal tax deductions for charitable contributions for conservation purposes of partial interests in historically important land areas or structures. Whether these provisions are advantageous to a property owner is dependent upon the particular circumstances of the property and the owner. Because the tax aspects outlined above are complex, individuals should consult legal counsel or the appropriate local Internal Revenue Service office for assistance in determining the tax consequences of the above provisions. For further information on certification requirements, please refer to 36 CFR 67.

Qualification for Federal Grants for Historic Preservation When Funds Are Available: The National Historic Preservation Act of 1966, as amended, authorizes the Secretary of the Interior to grant matching funds to the States (and the District or Columbia) for, among other things, the preservation and protection of properties listed in the National Register.

Owners of private properties nominated to the National Register have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing must submit to the State Historic Preservation Officer a notarized statement certifying that the party is the sole or partial owner of the private property, and objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. If a majority of private property owners object, a property will not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of eligibility for listing in the National Register. If the property is then determined eligible for listing, although not formally listed, Federal agencies will be required to allow the Advisory Council on Historic Preservation an opportunity to comment before the agency may fund, license, or assist a project which will affect the property. If an owner chooses to object to the listing of the property, the notarized objection must be submitted to the above address by the date of the Review Board meeting.

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

NOTICE OF FINAL RULEMAKING

The Director of the Department of Housing and Community Development ("Department"), pursuant to the authority set forth in Section 437 of the Rental Housing Conversion and Sale Act of 1980, effective December 24, 2008 (D.C. Law 17-286; D.C. Official Code § 42-3404.37 (2012 Repl.)), and Mayor's Order 2010-157, dated September 21, 2010, hereby gives notice of the adoption of a new Chapter 24, entitled "District Opportunity To Purchase," of Title 14 (Housing) of the District of Columbia Municipal Regulations ("DCMR").

The new chapter establishes procedures implementing the District's Opportunity to Purchase Program, which grants the District the opportunity to purchase certain rental housing accommodations, subordinate to the rights of tenants.

On December 22, 2017, a Notice of Proposed Rulemaking was published in the *D.C. Register* at 64 DCR 13102. In response to public comments received after the issuance of that notice, certain changes were determined necessary to effectively implement the District Opportunity to Purchase Program. On June 15, 2018, changes were published in a Second Notice of Proposed Rulemaking in the *D.C. Register* at 65 DCR 6602. The Department received one joint set of comments from the Coalition for Nonprofit Housing and Economic Development ("CNHED") and DC Appleseed Center for Law and Justice ("DC Appleseed") during the comment period which expired on July 15, 2018. The stakeholder advocacy groups suggested language to clarify the second proposed rules.

To ensure clarity, the Department made three (3) clarifying amendments to the final rulemaking as follows: (1) the definition of Affordable Rental Unit has been revised to add that any unit subject to a subsidy under Section 8 of the United States Housing Act of 1937 or any comparable local or federal rental assistance program be considered an Affordable Rental Unit; (2) the definition of Monthly Rent has been revised to include a carve out to ensure that projects with a significant number of Section 8 units are not exempt from the District Opportunity to Purchase Program under the definition of Affordable Rental Unit; and (3) the definition of Allowable Annual Increase has been updated to reflect that any increase to the level that a tenant who receives a Section 8 or similar subsidy is required to pay under Section 8 rules (or corresponding rules) must always be considered an Allowable Increase.

The Department received a comment from CNHED and DC Appleseed which recommended that the property selection criteria for which the Mayor will exercise the opportunity to purchase be added to the rules. The Department has decided to publish the selection criteria separately to allow for flexibility to alter the criteria to meet changing priorities.

In addition, CNHED and DC Appleseed suggested that a provision be added to outline the methodology for soliciting bids for DOPA eligible properties. The Department decided to include this methodology in a Request for Proposal process which will be published in a similar manner as other departmental programs.

Changes were also made to correct grammar and clarify initial intent. No substantial changes were made.

This rulemaking will become effective upon publication of this notice in the *D.C. Register*.

A new Chapter 24 is added to Title 14 DCMR, HOUSING, to read as follows:

DEPARTMENT OF FOR-HIRE VEHICLES

NOTICE OF PROPOSED RULEMAKING

The Director of the Department of For-Hire Vehicles ("Department" or "DFHV"), pursuant to the authority set forth in Sections 8(c) (2), (3), (5), (7), (10), (12) and (19), 14, and 20 of the District of Columbia Taxicab Commission Establishment Act of 1985 ("Establishment Act"), effective March 25, 1986 (D.C. Law 6-97; D.C. Official Code §§ 50-301.07(c) (2), (3), (5), (7), (10), (12), and (19), 50-303.13, and 50-301.19 (2014 Repl. & 2017 Supp.), and D.C. Official Code § 47-2829 (b), (d), (e), (e-1), and (i) (2015 Repl. & 2017 Supp.)), hereby gives notice the intent to amend the District of Columbia Municipal Regulations (DCMR) by adding a new Title 31 (Vehicles for-Hire).

This proposed rulemaking would revise the entire Title 31. Written over the course of the agency's 30 year history (the Department's predecessor, the D.C. Taxicab Commission, was created by the Establishment Act in 1986), the existing title has been the subject of many changes. Many of these and prior regulatory changes over the title's history have grafted new concepts onto old ones as statutory law changed and the industry progressed. The result is a patchwork of old and new rules across 442 pages. This revision eliminates unnecessary legacy rules and redundancy; incorporates best practices of other jurisdictions; modifies provisions to use plain language; and reorganizes the title to be more user-friendly, among other streamlining and organizational changes.

While this proposed rulemaking is chiefly a transparency exercise along the foregoing lines, there are substantive changes in the proposed rules which would otherwise be the subject of individual notices of proposed rulemakings, but instead are included here because they were identified as necessary and appropriate during the revision process. Where a change is dependent on a legislative change, the language of the rulemaking reflects that the regulation's efficacy as requiring a statutory basis in order to be effective. These changes, deviating in substance from the existing rules, are:

- Section 202 refines the Department's authority to use pilot programs;
- Subsection 606.1 deleted provisions allowing taxi companies participating in Transport DC to renew after the deadline;
- The provisions authorizing a 180-day extension for taxicab companies to meet wheelchair accessibility vehicle requirements have been removed;
- Subsection 1001.3 adds a provision allowing vehicles to change classes;
- Subsection 1002.5(d) is amended to authorize the issuance of H-tags to the owners of fully electric or hybrid electric taxicabs;
- Subsection 1004.1 adds provisions for livery time contracts;
- Subsection 1204 creates conditions for decommissioning taxicabs;
- Subsection 1304.2 prohibits equipment in taxicabs other than those provided by the manufacturer, required for customer service or allowed in an administrative issuance;

- Subsection 1401.4 removes provisions allowing taxicab equipment manufacturers to renew their licenses after the deadline; and
- Changes have been made throughout to eliminate references to the legacy modern taximeter systems and payment service providers, which were abolished by final rulemaking on February 23, 2018; *See* 65 DCR 001870.

This proposed rulemaking also incorporates the following rulemakings which have been adopted by the Department:

- Emergency & proposed rulemaking for Chapters 18 and 20: Transport DC fares, vehicle purchase rules, and reinstitutes fines for serious violations; and

- Emergency and Proposed Rulemaking for Chapters 8 and 99: Establishing a special shared ride distance rate and reducing the wait time rate from $35.00 per hour to $25.00 per hour

The rules establishing the Office of Hearing Examiners are included in this rulemaking for renumbering purposes only and are not open to public comment. These rules were subject to a notice and comment period after which they were published in the August 11, 2017 *D.C. Register* at 64 DCR 007895.

The Digital Taxicab Solution ("DTS") rules are included in this rulemaking for renumbering purposes only and are not open to public comment. These rules were subject to two rounds of notice and comment and two public hearings, after which they were published in the February 23, 2018, *D.C. Register* at 65 DCR 001870.

The Director hereby gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than forty-five (45) days after the publication of this notice in the *D.C. Register*. A public hearing will be held on the proposed rulemaking in not fewer than twenty (20) days from the date of publication. Directions for submitting comments may be found at the end of this notice.

Title 31 DCMR, TAXICABS AND PUBLIC VEHICLES FOR HIRE, is amended as follows:

The name of Title 31 is amended to read as follows:

CHAPTER 3 - COMPLIANCE AND ENFORCEMENT

300 APPLICATION AND SCOPE

300.1 This chapter is intended by the Department to establish fair and consistent rules for enforcement of and compliance with this title.

300.2 This chapter applies to all persons regulated by this title.

300.3 The provisions of this chapter shall apply to all matters and contested cases pending as of the effective date of this rulemaking, to the extent allowed by the Administrative Procedure Act and any other applicable laws.

300.4 The Department's failure to comply with a deadline established by a provision of this title shall not be a basis for the dismissal of an enforcement action except where the Respondent proves that the Respondent's substantial legal rights would be violated in the absence of a dismissal, and that no reasonable procedural remedy, such as a continuance or enlargement of time, can be fashioned to cure the violation.

301 ENFORCEMENT ACTIONS

301.1 The Department may take one or more of the following enforcement actions, in accordance with this chapter, where there are reasonable grounds to believe that a person has violated, or is violating, a provision of this title or other applicable law:

(a) Issue a notice of infraction ("NOI");

(b) Issue an order to cease and desist;

(c) Issue an order of immediate suspension of a license;

(d) Issue a notice of proposed suspension or revocation of a license; or

(e) Issue an order of impoundment of a vehicle pursuant to the Impoundment Act.

301.2 In addition to any other penalty or action authorized by a provision of this title, the Department may recommend to another government agency the denial, revocation or suspension of any license that may be issued by the other agency.

301.3 Each respondent shall respond to a notice of an enforcement action within the time stated in the notice or, if no time for a response is stated in the notice, as specified in this chapter. Failure to respond within the time required shall subject the respondent to the civil penalties and fines imposed therein.

301.4 The Department may modify, supplement or withdraw any enforcement action at any time, provided such action is consistent with fundamental fairness and the due process rights of the respondent.

301.5 The enumeration of enforcement actions in this section shall not limit or proscribe any legal remedy available to the Department in a court proceeding at law or in equity, including, but not limited to, entering into consent decrees and settlements, and enforcing the terms thereof.

301.6 The Department may, through the Office of the Attorney General, petition the District of Columbia Superior Court for injunctive relief, or take any other action authorized by law to enforce compliance with a provision of this title or other applicable law.

301.7 In addition to any other enforcement action authorized by this title or other applicable law, where a private sedan business certifies an intentionally false or misleading statement on a form required by this title or other applicable law, the Department may refer the matter for civil and/or criminal investigation by an appropriate agency of the District or Federal Government.

301.8 The circumstances giving rise to a respondent's suspension, or any other enforcement action, may be considered by the Department in any determination of whether to issue or renew a license to the respondent.

301.9 Each impoundment of a vehicle shall be conducted in compliance with the Impoundment Act.

301.10 The Department may audit the compliance of any licensees with the applicable eligibility of this title, and may initiate compliance or enforcement proceedings based on the outcome.

301.11 Except as otherwise specified, an appeal from any enforcement action under this chapter may be referred to the OHE or to the OAH as designated by the Department in its sole discretion. Decisions by hearing examiners shall be issued in accordance with this title but shall in no instances be appealable to the OAH.

301.12 In computing any applicable time period measured in days under this chapter:

(a) The day of the act, event, or default from which the period begins to run shall not be included;

(b) The last day of the period shall be included; and

(c) Unless otherwise specified, any reference to "days" means calendar days including holidays and weekends.

301.13 For purposes of this section, service shall be effective at the moment it is made.

302 ADMINISTRATIVE ISSUANCES

302.1 The Department may promulgate an administrative issuance ("AI") when it deems it necessary and appropriate to aid in the administration, enforcement, or interpretation of one or more provisions of this title. Each administrative issuance shall contain the following sections as appropriate:

(a) Background – explaining the issue;

(b) Purpose – identifying the goal;

(c) Policy – stating the findings and intent;

(d) Definitions – defining any new relevant term;

(e) Authority – cites to statutory or regulatory authority allowing the administrative issuance; and

(f) Procedures – instructions to licensees on how to comply with the administrative issuance.

302.2 Each issuance, instruction, and guidance shall be posted on the Department's website and shall become effective twenty-four (24) hours after it is posted or at such later time as stated in the issuance, instruction, or guidance provided, however, that an issuance, instruction, or guidance shall become effective upon posting if it states that it is effective upon posting based on a determination that such action is required to immediately protect passenger, operator, or public safety; for consumer protection; or where otherwise permitted by law.

302.3 Failure to comply with an administrative issuance may be evidence of the violation of the provisions of this title to which the administrative issuance applies.

302.4 Persons whose conduct is regulated by this title may contest the legality or wisdom of any or all provisions of an administrative issuance in any administrative hearing.

303 COMPLIANCE ORDERS

303.1 An authorized employee or official of the Department, or a District enforcement official, may issue a written or oral compliance order to any person licensed or regulated by this title or other applicable law. Oral compliance orders may be issued during traffic stops, as provided in this chapter.

303.2 A compliance order may require the respondent to take any lawful action related to enforcement, compliance, or verification of compliance, with this title or other applicable law, to the extent authorized or required by this title and the Establishment Act or other applicable law.

303.3 Each compliance order shall include the following information:

(a) The action the respondent must take to comply;

(b) Except for oral compliance orders, the deadline for compliance; and

(c) If the compliance order is in writing:

(1) A statement of the circumstances giving rise to the order;

(2) A citation to the relevant chapter of this title or other applicable law; and

(3) If the order requires a person to provide information to assist the Department or a District enforcement official in an enforcement action against a person with whom the respondent is believed to be or has been associated: the name of and contact information for such person to the extent available.

303.4 Where a compliance order is issued to a private sedan business to allow the Department to inspect and copy records, the following limitations shall apply:

(a) The Department's inspection shall be limited to safety and consumer protection-related records to ensure compliance with the applicable provisions of Chapter 16, where the Department has a reasonable basis to suspect noncompliance; and

(b) Any records disclosed to the Department shall not be released by the Department to a third party, including through a FOIA request.

303.5 The OHE or OAH may draw an adverse inference where any person who is required by this title or other applicable law to maintain documents or information fails to maintain such documents or information as required.

303.6 A written compliance order shall be served in the manner prescribed by this chapter.

303.7 The civil penalties for failure to comply with a compliance order are as provided by Chapter 5 of this title.

303.8 Each traffic stop shall comply with all applicable provisions of this title, any other applicable laws, and the following requirements:

(a) Compliance checks may conducted on any vehicle for-hire anytime it is found on a public street in the District of Columbia provided, however, no vehicle shall be stopped while transporting a passenger without reasonable suspicion of a violation of this title or other applicable laws.

(b) A traffic stop of an on-duty private or public vehicle for-hire in the act of transporting a fare shall only be conducted if there is a reasonable suspicion of a violation of this title or other applicable law.

(c) An oral compliance order may be issued in connection with a traffic stop for the purpose of determining compliance with this title and other

applicable laws, ensuring public safety and order, and for other lawful reasons as may be outlined in an administrative issuance.

(d) Notwithstanding the requirements of paragraph (b) of this section, a vehicle inspection officer shall not take possession of a device which may contain evidence relevant to the enforcement of this title or other applicable law, unless:

(1) The device is or appears to be a component of a taxicab's);

(2) The operator denies ownership, possession, or custody of the device;

(3) The operator abandons the device or attempts to transfer its possession with intent to prevent access to the device for purposes of enforcement; or

(4) The operator is determined to be an unlawful operator in violation of D.C. Official Code § 47-2829.

(e) The term "possession" as used in paragraph (c) of this section shall not include handling, operation, or examination of a device for purposes of enforcement of this title or other applicable law.

(f) A private sedan operator's lack of registration with a private sedan business registered under Chapter 16 may be considered evidence of a violation of D.C. Official Code § 47-2829.

304 NOTICES OF INFRACTION

304.1 The Department or a District enforcement official (including a vehicle inspection officer) may issue a Notice of Infraction (NOI), imposing a civil fine or other civil penalty, whenever the Department or the District enforcement official has reasonable grounds to believe the respondent is in violation of a provision of this title or other applicable law.

304.2 An NOI shall be in writing in a form prescribed by the Department.

304.3 Each NOI shall be served and filed in the manner prescribed by this chapter.

304.4 In response to an NOI, a respondent shall file a written answer with OAH within thirty (30) days of the date the NOI is served on the respondent. The answer shall:

(a) Admit the infraction and pay the fine;

(b) Admit the infraction with an explanation, and providing any supporting documentation; or

(c) Deny the infraction and request a hearing.

304.5 Payment of the fine shall not relieve the respondent of the obligation to abate the infraction cited in the NOI.

304.6 If a respondent admits an infraction in the NOI, the respondent may provide an explanation with his or her answer and include payment of the fine. If respondent pays the stated fine but fails to indicate a specific answer, the respondent shall be deemed to have admitted the infraction.

304.7 If a respondent responds to an NOI, does not pay the stated fine, and fails to state an answer as required by this chapter, the respondent shall be deemed to have denied the infraction.

304.8 If the respondent admits an infraction with an explanation, the respondent shall state on the NOI whether the respondent requests a hearing on the papers or an in-person hearing. The OAH may hold an in-person hearing in its sole discretion.

304.9 If a respondent denies an infraction, OAH may schedule an in-person hearing in accordance with its rules.

304.10 If a respondent does not answer the NOI within thirty (30) calendar days:

(a) OAH shall issue a default order; and

(b) A civil penalty equal to the amount of the fine imposed by the NOI shall be imposed by OAH in the default order.

304.11 A civil penalty, including a fine, may be downwardly modified by OAH if:

(a) The downward modification is not inconsistent with the provision of this title or other applicable law which is the basis for the penalty;

(b) The Department is provided with an opportunity to present to OAH its opinion on a proposed downward modification or fine reduction; and

(c) The downward modification is based on a consideration of all relevant mitigating and aggravating factors.

305 CEASE AND DESIST ORDERS

305.1 If the Department has reason to believe that a person is violating a provision of this title or other applicable law and the violation has caused or may cause immediate and irreparable harm to the public, the Department may issue a cease and desist order requiring the person to immediately, or within a specified period of time, cease the conduct or activity which is allegedly in violation of a provision of this title or other applicable law.

305.2 A cease and desist order shall be in writing in a form prescribed by the Department and shall include:

(a) The grounds for the order, including a citation to the law or regulation that the respondent is violating;

(b) A statement identifying the conduct which the respondent must cease, or the action the respondent must take, in order to correct the violation;

(c) The deadline by which such conduct must cease or such action must be taken. The date and time may be immediately upon service of the order;

(d) A statement that the respondent has a right to request a hearing, in writing, within fifteen (15) calendar days of service of the order;

(e) A statement explaining the process by which the respondent may request a hearing;

(f) A statement that the respondent's request for a hearing shall not stay, suspend, or delay the effectiveness or enforcement of the order; and

(g) A statement of the requirements, terms, and conditions of the cease and desist order, if any.

305.3 Each cease and desist order shall be served and filed in the manner prescribed by this chapter.

305.4 Upon receipt of a timely request for a hearing, the OHE, or OAH, as designated by the Department, shall conduct a hearing within fifteen (15) calendar days after the date of receipt of the request for a hearing and shall issue a decision within thirty (30) calendar days after the close of the record of the hearing.

305.5 If the respondent does not request a hearing, in writing, within fifteen (15) calendar days after service of the cease and desist order, the Order shall become final and shall incorporate the requirements, terms, and conditions of the cease

and desist order.

305.6 A cease and desist order shall be enforced pending a final decision on the merits.

305.7 If a respondent fails to comply with a cease and desist order, the Department may, through the Office of the Attorney General, petition the District of Columbia Superior Court for injunctive relief, or take any other action authorized by law to enforce compliance with a provision of this title or other applicable law.

306 IMMEDIATE SUSPENSION OF A VEHICLE OPERATOR'S LICENSE

306.1 The Department may order the immediate suspension of a license that allows an individual to operate a public vehicle for-hire whenever the Department has reasonable grounds to conclude that the licensee poses an imminent danger to the health, safety, or welfare of an operator, a passenger, or the public.

306.2 A determination of imminent danger to the health, safety, or welfare of an operator, a passenger, or the public, under this chapter, shall be based on evidence that the licensee:

(a) Has committed murder, manslaughter, mayhem, malicious disfiguring of another, arson, abduction, kidnapping, burglary, theft, breaking and entering, robbery, larceny, assault or battery, or any other felony;

(b) Has committed a sexual offense proscribed by D.C. Official Code § 22-1901 (incest), §§ 22-3101 to 22-3103 (sexual performance using minors), § 22-2701 to § 22-2722 (prostitution and pandering), §§ 22-3002 to 22-3020 (sexual abuse), or §§ 22-1831 *et seq*. (human trafficking);

(c) Has violated the District of Columbia Uniformed Controlled Substances Act of 1981, effective August 5, 1981 (D.C. Law 4-29; D.C. Official Code §§ 48-901.01 *et seq*.) or the Drug Paraphernalia Act of 1982, effective September 17, 1982 (D.C. Law 4-149; D.C. Official Code §§ 48-1101 *et seq.)*;

(d) Has committed a criminal act outside the District which, if committed in the District, would fall into one of the categories in paragraphs (a)-(c) of this section;

(e) Has committed a criminal offense in connection with the operation of a vehicle which is licensed by the Department as a public vehicle for-hire;

(f) Has violated a traffic regulation in the District or outside the District in a manner that reflects recklessness, gross negligence, depravity; or wanton

disregard for the safety of other persons or property; or

(g) Has acted or failed to act in any manner which otherwise poses an imminent threat to the health or safety of passengers, operators, or the public, or to consumer protection or passenger privacy.

306.3 A determination of imminent danger to the health, safety, or welfare of an operator, a passenger, or the public, under this chapter, shall be made irrespective of evidence that the licensee:

(a) Has not been arrested, charged, prosecuted, presented, indicted, or convicted of a crime in connection with the facts giving rise to the determination;

(b) Has not been the subject of a civil or administrative proceeding in connection with the facts giving rise to the determination; or

(c) Has not engaged in prior, similar misconduct.

306.4 In determining whether a licensee poses an imminent danger to the health, safety, or welfare of an operator, a passenger, or the public, the Department may consider any and all relevant evidence, including evidence which may not be admissible in a criminal, civil, or administrative proceeding, including without limitation, a statement against interest, an admission, an arrest record, or a court order.

306.5 Each order of immediate suspension shall be in writing and shall be in a form prescribed by the Department in an administrative issuance.

306.6 Each order of immediate suspension pursuant to this section shall be served and filed in the manner prescribed by this chapter.

306.7 A preliminary hearing on an order of immediate suspension shall be held before OAH, or if authorized by the Establishment Act, by OHE, within three (3) business days of service of the order on the licensee. At the preliminary hearing, either party may request an evidentiary hearing on the order of immediate suspension. If a party requests an evidentiary hearing, OAH shall hold the evidentiary hearing within fifteen (15) calendar days of service of the order on the licensee.

306.8 Any review by OAH of an order of immediate suspension, at a preliminary hearing held pursuant to this chapter, or at any subsequent hearing, shall be limited to a determination of whether the Department has sufficient evidence to conclude that reasonable grounds exist to believe that the licensee poses an imminent danger to the health, safety, or welfare of an operator, a passenger, or

the public, as provided in this chapter. If OAH determines that the Department has sufficient evidence to conclude that reasonable grounds exist to believe that the licensee poses an imminent danger to the health, safety, or welfare of an operator, a passenger, or the public, as provided in this chapter, the order of immediate suspension shall remain in effect without modification by OAH through the end of the immediate suspension as stated in the order, or until a final ruling on the merits on a concurrent notice of proposed suspension or revocation is issued pursuant to this chapter, whichever is later.

306.9 Each order of immediate suspension issued pursuant to this section shall be issued concurrently with a notice of proposed suspension or revocation issued pursuant to this chapter.

307 IMMEDIATE SUSPENSION OF A LICENSE OTHER THAN A VEHICLE OPERATOR'S LICENSE

307.1 The Department may order the immediate suspension of a license other than a license allowing an individual to operate a public vehicle for-hire whenever the Department has reasonable grounds to believe the licensee poses an imminent danger to the public.

307.2 A determination under this section shall be based on evidence that the licensee:

(a) Has committed a willful or repeated violation of any provision of this title or other applicable law which carries a civil penalty of at least five hundred dollars ($500) for the current or most recent violation or for which license suspension is stated as an available civil penalty;

(b) Has allowed or induced activity by another person which would provide a ground for such person's suspension or revocation under this chapter;

(c) Poses an imminent or significant threat to the health or safety of passengers, operators, or the public, consumer protection, or passenger privacy; or

(d) Is using the license to engage in an activity prohibited by a provision of this title or other applicable law.

307.3 In determining whether a licensee poses an imminent danger to the public, the Department or District enforcement official may consider any and all relevant evidence, including evidence which may not be admissible in a criminal or civil, proceeding, including without limitation a statement against interest, an admission, an arrest record, or court order.

307.4 Each order of immediate suspension pursuant to this section shall be served and filed in the manner prescribed by this chapter.

307.5 Subsection 306.3 shall apply to all proceedings under this section. The adjudication of an order of immediate suspension of a license under this section shall be as set out in § 306.7 and § 306.8.

307.6 In addition to any other enforcement action available under this chapter, a digital dispatch service registered with the Department under chapter 7 which fails to comply with § 703.4 shall be subject to a cease and desist order and notice of proposed suspension until the digital dispatch service provides the Department with the bond(s) required by Chapter 7, consistent with any applicable administrative issuance.

307.7 Each order of immediate suspension issued pursuant to this section shall be issued concurrently with a notice of proposed suspension or proposed revocation issued pursuant to this chapter.

308 NOTICE OF PROPOSED SUSPENSION OR REVOCATION OF A LICENSE

308.1 Proposed suspension. The Department may issue a notice of proposed suspension of a license issued under this title based on any of the following grounds:

(c) A determination that a basis for suspension exists pursuant to a provision of another chapter of this title;

(d) The existence of one or more grounds for suspension of a license pursuant to § 306.2 or § 307.2, without regard to whether the Department has issued an order of immediate suspension;

(c) The respondent has committed substantial or repeated acts that constitute grounds for proposed suspension under § 308.1;

(d) A determination that a basis for revocation exists pursuant to a provision of another chapter of this title; or

308.3 A notice of proposed suspension or proposed revocation may be issued concurrently with an order of immediate suspension or at any time at least fourteen (14) days prior to a hearing on the merits, provided however, that such notice shall not be issued fewer than fourteen (14) days prior to a hearing on the merits without good cause shown by the Department, including access to new evidence, and a change in the law or regulations applicable to the action.

308.4 A notice of proposed suspension or proposed revocation of a license shall be in writing and shall state:

(a) The grounds for the proposed suspension or revocation;

(b) The date on which the proposed suspension or revocation will become effective which shall be no sooner than thirty-one (31) calendar days following service of the notice;

308.6 A proposed revocation shall exceed the current licensing period and shall contain a requirement that the respondent is not permitted to re-apply for a new license until after a specific date following the date on which the revocation becomes final.

308.7 The revocation of a license and the circumstances giving rise thereto may be considered by the Department at the time of a renewal of a license issued under this title.

308.8 Each notice of proposed suspension or proposed revocation shall be served and filed in the manner prescribed by this chapter.

309 PUBLIC COMPLAINTS

309.1 The Department shall receive oral and written complaints by members of the public through the following means: by telephone, through the Department's website, by email, in person, by U.S. Mail, by fax, or by private delivery service.

309.2 An oral complaint shall not be the basis of further action by the Department unless it has been reduced to writing. If the Department receives an oral complaint, it shall either: (1) contact the complainant to request that the complaint be filed in writing; or (2) promptly reduce the complaint to writing.

309.3 The Department shall notify each complainant that his or her complaint has been received within seventy-two (72) hours of receiving a complaint submitted in writing or within seventy-two (72) hours after receiving a written complaint which had been originally submitted orally. The notice shall be provided by U.S. Mail, email, or telephone call using the contact information provided by the complainant.

309.4 A public complaint shall be pursued by the Department if submitted within thirty (30) days following the event or occurrence giving rise to the complaint, provided however, that a complaint alleging that any individual suffered personal injury or engaged in criminal misconduct in connection with a public vehicle for-hire service may be pursued by the Department if submitted within twelve (12) months after the event or occurrence giving rise to the complaint.

309.5 Unless the Department determines that a public complaint is not actionable, it shall notify the respondent of the complaint within fourteen (14) calendar days after the public complaint has been submitted to the Department.

309.6 Each respondent who is the subject of a complaint shall be notified in writing that the complaint has been submitted and be given the opportunity to participate in a resolution conference in accordance with § 310.

309.7 The Department shall initiate any enforcement action based on a timely complaint not later than sixty (60) calendar days after the completion of a resolution conference as described in § 310.

310 RESOLUTION CONFERENCES

310.1 A resolution conference shall consist of an informal and voluntary meeting between the Department and the respondent, at a time and place designated by the Department, for the purpose of addressing a public complaint it has received, or an enforcement action it has filed or may file.

The Department shall not otherwise be required to extend an invitation to participate in resolution conference.

310.3 A respondent shall not be required to participate in a resolution conference. An invitation to participate in a resolution conference shall not be considered a compliance order pursuant to § 303.2.

310.4 A resolution conference shall be scheduled by the Department to occur within a reasonable period, provided, however, that where the Department is considering an immediate suspension, the resolution conference shall be scheduled for not later than three (3) business days following service of the invitation.

310.5 An invitation to participate in a resolution conference shall be accepted by the respondent not later than the deadline set by the Department, provided, however, that the deadline shall be ten (10) calendar days following service if the invitation is based on a public complaint, and two (2) business days if the Department is considering the issuance of an order of immediate suspension.

310.6 Each invitation to participate in a resolution conference shall be in writing and:

(a) Shall state the designated time and location for the resolution conference;

(b) Shall state the deadline for acceptance of the invitation, as prescribed by § 310.5;

(c) Shall provide a description of the circumstances giving rise to the invitation;

(d) Shall state that the Department may take an enforcement action in connection with the circumstances giving rise to the invitation, identifying the applicable regulations and potential penalties; and

(e) May include a request that the respondent bring with it, or submit in advance, documents or information.

310.7 Each invitation to participate in a resolution conference shall be served in the manner prescribed by § 311.

310.8 If the Department receives a timely acceptance from the respondent and the respondent appears on time for the resolution conference, the Department shall mediate the matter as stated in the invitation. If the Department does not receive a

timely acceptance from the respondent or the respondent does not appear on time for a resolution conference, the Department may initiate an enforcement action.

310.9 The Department may reschedule a resolution conference one time for good cause shown provided the request to reschedule is received by the Department not later than: three (3) business days before the resolution conference date, the deadline for acceptance of the invitation where the Department is considering the issuance of a notice of immediate suspension, or a shorter period if exigent circumstances (such as hospitalization) exist and are supported by appropriate documentation.

310.10 At the resolution conference, the parties may negotiate and reach agreement on any penalty that would be available if an enforcement action were taken (including a full or partial payment of a civil fine), admission of liability, execution of a compliance agreement or consent decree, suspension or revocation of a license, or any other relief authorized by law.

310.11 No fact related to or concerning the resolution conference shall be admissible in the adjudication of an enforcement action, including without limitation whether a resolution conference session occurred or did not occur, whether a resolution conference was rescheduled or not, and the substance or fact of a party's offer to compromise, provided, however, that any information or document not created in anticipation of resolution conference or which rebuts an allegation by the respondent that it was not given notice shall be admissible regardless of whether it was obtained in connection with a resolution conference. An enforcement action shall not be limited to the circumstances, evidence, civil infraction, or potential penalty stated in an invitation to participate in a resolution conference provided any change is based on subsequently-acquired information, further investigation, or additional analysis.

311 SERVICE

311.1 Each order of immediate suspension, each notice of proposed suspension, and each notice of proposed revocation of a non-District operator's reciprocity privilege pursuant to this section may be served by one of the following methods:

400 APPLICATION AND SCOPE

400.1 This chapter is intended to create the Office of Hearing Examiners ("OHE") as an independent unit within the Department of For-Hire Vehicles, and to establish fair and consistent procedural rules for the hearing and adjudication of matters by OHE.

400.2 The provisions of this chapter shall apply to all matters heard or adjudicated by OHE.

400.3 The provisions of this chapter shall be interpreted to comply with the language and intent of the Establishment Act and the Impoundment Act.

400.4 OHE shall have jurisdiction to adjudicate and conduct a hearing in a matter involving one or more of the following actions by the Department:

(a) A decision to deny a new license;

(b) A decision to deny a renewed license;

(c) A notice of proposed suspension of a license; or

(d) A notice of proposed revocation of a license.

400.5 Hearings shall be conducted at the administrative offices of the Department, or elsewhere in the District as designated in an administrative issuance.

400.6 All adjudications and hearings before OHE shall comply with this chapter, other applicable provisions of this title, the Administrative Procedure Act ("APA"), and other applicable laws.

400.7 In the event of a conflict between a provision of this chapter and a provision of another chapter of this title other than Chapter 7, the provision of this chapter shall control.

401 EFFECT OF FAILURE TO APPEAL

401.1 If an appellant or respondent fails to timely appeal an action taken by the

Department enumerated in § 400.4, the action shall become final and not subject to appeal.

402 INDEPENDENCE AND IMPARTIALITY OF HEARING EXAMINERS

402.1 Hearing examiners shall be employees of the Department, but no hearing examiner shall be subject to the supervision, direction, control, or influence of an official, employee, agent, or counsel of the Department, except for purposes of time and attendance.

402.2 No official, employee, agent, or counsel of the Department shall engage in *ex parte* communications with an employee of OHE, or attempt to supervise, direct, control, or influence a hearing examiner in connection with the merits or facts of any matter.

402.3 No official, employee, agent, or counsel of the Department shall assign to a hearing examiner any task or duty which is unrelated to adjudications or hearings, or which limits a hearing examiner's availability to adjudicate matters, except for time and attendance and other administrative matters applicable to all District employees.

402.4 Hearing examiners shall be required at all times to act in a manner that promotes public confidence in the integrity and impartiality of OHE.

403 POWERS AND DUTIES OF HEARING EXAMINERS

403.1 All hearings shall be conducted by a hearing examiner. No other official, employee, agent, or counsel of the Department shall have authority to adjudicate contested cases before the Department.

403.2 Hearing examiners shall conduct fair and impartial hearings, in a manner which ensures that facts are fully and accurately elicited and that all issues are adjudicated expeditiously so as to not create undue delay.

403.3 Hearing examiners shall ensure that each hearing is conducted in an orderly manner, and shall have the authority to physically exclude from a hearing an appellant, respondent, or other individual who substantially interferes with or obstructs the orderly conduct of a hearing.

403.4 Within thirty (30) days following the receipt of a request for a hearing pursuant to § 2106, OHE shall schedule a hearing and serve notice thereof upon the parties.

403.5 Each hearing examiner shall have authority to:

(a) Administer oaths and affirmations;

(b) Examine witnesses and receive testimony;

(c) Rule upon offers of proof and receive evidence;

(d) Regulate the course and conduct of hearings;

(e) Rule upon motions and dispose of procedural requests and similar matters;

(f) Hear and decide questions of law and fact;

(g) Exclude information which is scandalous, impertinent, or not relevant to the adjudication of the matter;

(h) Issue a subpoena to compel a witness to testify; and

(i) Limit the evidence and number of witnesses to be heard, and the nature of testimony, to avoid cumulative evidence and to expedite the proceedings.

404 RECUSAL

404.1 A hearing examiner shall recuse himself or herself from a matter where he or she is unable to act in a fair and impartial manner. Notice of a recusal shall be provided to the senior hearing examiner.

404.2 Grounds for recusal shall include:

(a) A conflict of interest or the appearance thereof;

(b) Bias toward a party or the appearance thereof;

(c) An *ex parte* communication or pre-judgment of the matter by the hearing examiner of any fact or issue; and

(d) Any other reason for recusal supported by District law.

404.3 A party shall file a motion to recuse a hearing examiner from participating in the adjudication not later than five (5) days after receipt of the notice of hearing.

404.4 Each motion for recusal shall be supported by an affidavit setting forth the reasons for recusal. Failure to timely file a motion for recusal by the time required by § 2104.3 may be construed as a waiver of all grounds for recusal.

404.5 The senior hearing examiner shall rule upon each motion for recusal.

405 *EX PARTE* COMMUNICATIONS

405.1 Hearing examiners shall not engage in *ex parte* communications with any individual, including any official, employee, agent, or counsel of the Department.

405.2 Where a hearing examiner has engaged in *ex parte* communications, the hearing examiner shall disclose such communications on the record, and shall consider whether recusal is required by § 2104.1.

406 REQUEST FOR HEARING

406.1 An appeal shall be filed with OHE within the time prescribed by §§ 708 and 709.

406.2 Each request for a hearing shall include:

(a) The full name of the respondent or appellant, and the full name of the appellant's or respondent's representative, if any, appearing on the appellant's or respondent's behalf pursuant to § 2108;

(b) The mailing address, email address, and telephone number of the appellant or respondent, or of the appellant's representative, if any;

(c) A brief statement of the reasons for the appeal;

(d) A brief statement of the relief sought from OHE; and

(e) A copy of the document reflecting the Department's decision to deny a new or renewed license, the notice of proposed suspension, or the notice of proposed revocation.

407 SUMMARY ADJUDICATION

407.1 An appellant may request that an appeal of a decision to deny a new or renewed license be decided summarily, without a hearing.

407.2 Each motion for summary adjudication shall be supported by evidence that identifies the facts not in dispute, with appropriate affidavits, and citations to relevant legal authority.

408 REPRESENTATIVES

408.1 An appellant or respondent, at its' own expense, may appear through an attorney

or non-attorney representative.

408.2 Each representative shall file a notice of appearance at least two (2) days prior to the first scheduled hearing at which the representative expects to appear. The notice shall include the representative's full name, contact information, and, if applicable, the bar number and jurisdiction(s) of admission.

408.3 A representative shall not be heard and shall not file or serve documents, other than a request for a hearing, until a notice of appearance has been filed.

408.4 A representative may withdraw by serving and filing a notice of withdrawal upon all parties, provided that no motions are pending and no hearing has been scheduled. If a motion is pending or a hearing date has been scheduled, withdrawal shall be granted only by leave of the hearing examiner.

408.5 An attorney acting as a representative shall be in good standing in all jurisdictions where the attorney is admitted, and shall comply with the D.C. Rules of Professional Responsibility throughout the course of the representation.

408.6 Each representative shall exhibit professionalism and courtesy, and shall not mislead or make false statements to OHE.

409 FAILURE TO APPEAR

409.1 Where a respondent or appellant fails to appear for a scheduled hearing, the hearing examiner may enter a default, provided however, that the Department shall be required to proffer sufficient evidence to meet its burden of proof.

409.2 Where, following default, the Department proffers sufficient evidence to meet its burden of proof, the hearing examiner shall issue a default judgment, which shall constitute the hearing examiner's final decision in the matter.

409.3 A respondent or appellant may file a motion to set aside a default judgment within ten (10) days following the default judgment. If a respondent fails to file a motion to set aside a default judgment, the default judgment will become final. The hearing examiner may grant the motion for good cause shown.

410 MOTIONS

410.1 Motions shall be filed no later than ten (10) days prior to the hearing, shall state the nature of the motion and the relief sought, and shall be supported by appropriate documentation.

410.2 A response or opposition to a motion shall be filed not later than five (5) days

prior to the hearing, and shall be supported by appropriate documentation. Replies and sur-replies shall not be filed without leave.

410.3 Where leave is required to file a document, a motion for leave shall be filed within ten (10) days following service of the motion or order to which the document is addressed.

410.4 Each motion other than a motion made at a hearing shall be in writing and shall be served upon all parties to the matter. The filing or pendency of a motion shall not extend any deadline.

410.5 Motions made during a hearing may be made orally at the discretion of the hearing examiner.

411 COMPUTATION OF TIME

411.1 An applicable time period measured in days under this chapter shall be calculated using the computation of time rules prescribed by Chapter 7, if any, and, if none, then in calculating such period:

(a) The day of the act, event, or default from which the period begins to run shall not be included;

(b) The last day of the period shall be included;

(c) Unless otherwise specified, any reference to "days" means calendar days including holidays and weekends; and

(d) When the last day is a Saturday or a Sunday, or a national or District holiday, the period shall run until the close of business of the following business day.

412 ENLARGEMENTS OF TIME

412.1 When an act is required or allowed to be done within a specified time, a hearing examiner, upon motion demonstrating good cause, or *sua sponte*, may enlarge the time period.

412.2 If a motion is made to enlarge before the expiration of the period originally prescribed, the hearing examiner may grant enlargement of time for good cause shown.

412.3 If a motion for enlargement of time is filed after the expiration of the time period, the hearing examiner may grant the enlargement for good cause shown, provided

that the failure to file the motion prior to the expiration of the time period was the result of excusable neglect.

412.4 A motion for enlargement of time shall not apply to the time prescribed for filing an appeal.

413 CONTINUANCES OF HEARINGS

413.1 A hearing examiner may continue a hearing for good cause shown, including at a hearing, upon motion or *sua sponte*, provided the continuance does not unduly delay or disrupt the adjudication of a matter, and does not cause undue prejudice to the opposing party.

413.2 Each motion for continuance shall comply with § 2110.

414 DISMISSALS OF MATTERS

414.1 A respondent or appellant may file a motion to dismiss at any time.

414.2 Parties may file a joint motion to dismiss, with or without prejudice, at any time.

414.3 If a respondent or appellant fails to comply with a hearing examiner's order or with the requirements of this chapter, or fails to prosecute, the hearing examiner may dismiss the matter *sua sponte* or upon motion.

414.4 A dismissal shall be without prejudice, unless the hearing examiner orders otherwise.

414.5 Each motion to dismiss shall be in writing unless made orally at a hearing.

414.6 Each motion to dismiss shall state the reasons for dismissal and include supporting documentation.

415 SUBPOENAS

415.1 A hearing examiner shall have authority to issue a subpoena for the appearance of witnesses or the production of documents, *sua sponte* or upon the filing of a motion.

415.2 Each motion for a subpoena shall identify the relevance of the documents sought or witnesses requested, and shall be filed not later than ten (10) days prior to the hearing.

415.3 If a motion for subpoena is granted, the moving party shall serve the subpoena in the manner required by §§ 714.1(a) and (c), and shall serve a copy of the subpoena and proof of service upon the opposing party within one (1) day.

415.4 Proof of service of a subpoena shall be filed with OHE within three (3) days following service of the subpoena, or one (1) day prior to the hearing, whichever is earlier.

416 BURDEN OF PROOF

416.1 In all matters adjudicated by OHE, the Department shall bear the burden of proof to establish by a preponderance of the evidence an evidentiary basis for the Department's denial or nonrenewal of a license, or for the Department's proposed suspension or revocation of a license.

416.2 If the Department has presented all of its evidence and the hearing examiner determines that the Department has not met its burden of proof, the hearing examiner may enter judgment against the Department without the presentation of additional evidence.

417 EVIDENCE

417.1 Formal rules of evidence shall not apply to adjudications or hearings before OHE.

417.2 Hearsay may be considered during a hearing, provided however, that hearsay shall not serve as the sole evidentiary basis for a suspension or revocation of a license.

417.3 Irrelevant, immaterial, scandalous, cumulative, or unduly lengthy evidence may be excluded at the discretion of the hearing examiner.

417.4 Each party shall have the right to present witnesses, to conduct direct examination and cross examination, and to introduce documentary evidence.

417.5 Each party shall serve upon the opposing party and file with OHE, exhibit and witness lists, not later than five (5) business days prior to the hearing.

417.6 A hearing examiner may require the production of evidence by either party.

417.7 A hearing examiner may take judicial notice of generally accepted facts, but shall not take judicial notice of any facts in dispute.

418 DECISIONS

418.1 A hearing examiner shall issue a written decision within thirty (30) days following the hearing.

418.2 Each decision shall include:

(a) A list of the exhibits accepted in evidence and the witnesses who testified;

(b) Findings of fact based on the evidence adduced at the hearing; and

(c) Conclusions of law referencing the applicable law and identifying the findings of fact upon which the conclusions rest.

418.3 If the Establishment Act does not require that a hearing examiner's decision be approved by the Director, the decision shall be a final agency decision.

418.4 If the Establishment Act requires that a hearing examiner's decision be approved by the Director, the hearing examiner shall promptly refer the matter to the Director or his or her designee.

419 RECONSIDERATION

419.1 A motion for reconsideration of a hearing examiner's decision shall be filed within ten (10) days following the issuance of the decision.

419.2 Each motion for reconsideration shall state the grounds for reconsideration and shall be limited to:

(a) Errors of law; findings of facts not supported by the evidence, or

(b) Newly discovered evidence which was not reasonably available to the party at the time of the hearing.

419.3 The filing of a motion for reconsideration shall not stay a decision by the Department to deny a new license, but it shall stay a decision by the Department to deny a renewed license, a notice of proposed suspension, or a notice of proposed revocation.

420 APPEALS

420.1 This section shall apply to a decision of a hearing examiner which does not require the Director's approval under the Establishment Act.

420.2 In accordance with Chapter 7, either party may appeal a hearing examiner's decision to the Director or his or her designee within thirty (30) days of the

issuance of the decision.

420.3 Upon receipt of an appeal from a hearing examiner's decision, the Director or his or her designee shall render a final decision to affirm, reverse, or modify the decision, or to remand for further proceedings.

420.4 The filing of an appeal shall not stay a decision by the Department to deny a new license.

420.5 The filing of an appeal shall stay a decision by the Department to deny a renewed license, a notice of proposed suspension, or a notice of proposed revocation.

421 RECORDS OF HEARINGS

421.1 All hearings shall be recorded, and shall be available to the parties and to the public by transcript.

421.2 The administrative record shall consist of the OHE file, exhibits, transcripts, and all other documents filed with or issued by OHE.

421.3 A party appealing a decision of OHE shall bear the expense of producing the transcript where not already produced.

422 FINAL AGENCY DECISION

422.1 A decision of the Director or his or her designee on a matter referred under § 418.4 or appealed to the Director or his or her designee under § 2120 shall constitute a final agency decision.

422.2 A decision of a hearing examiner which is not timely appealed in accordance with § 2120.2 shall constitute a final agency decision.

This chapter further establishes public vehicle for-hire accessibility requirements and applicable non-discrimination requirements.

601.1 Prior to providing wheelchair service, each taxicab operator shall:

(a) Have completed wheelchair service training approved by the Department, including either:

601.2 Each taxicab company shall offer wheelchair service training to its associated operators to allow them to obtain AVID licenses, and shall provide reasonable incentives to operators to obtain such training.

601.3 Each taxicab company shall ensure that if a vehicle owned by the company is a wheelchair accessible vehicle, it is, in addition to any other requirements of this title, only operated by an operator who has a wheelchair service certification, as required by this chapter, and has been issued an AVID operator's license.

802.3 Each application (including a renewal application) shall also be accompanied by a certificate signed by the applicant on a form prescribed by the Department certifying that, to the best of the applicant's knowledge and belief, he or she has no disease or disability which would render him or her unsafe or unsatisfactory as an operator of a public vehicle for-hire. The form may provide for additional information relating to the applicant's past or present medical history or condition.

802.4 The Department may deny an operator's license or renewal for any applicant whose medical condition, in the opinion of the Department, may render the applicant unsafe or unsatisfactory as an operator of a public vehicle, unless he or she provides a certificate from a licensed physician who is a resident of the MSA certifying that, in the opinion of that physician, the person's impairment, as may be currently treated, does not negatively impact his or her ability to meet the requirements of this chapter with respect to the operation of a taxicab. If the applicant's medical condition substantially changes during the period of licensure in a manner which may render the applicant unsafe or unsatisfactory, he or she shall provide a re-certification from a physician who is a resident of the MSA or shall immediately surrender his or her license to the Department.

803.19 No person shall drive a public vehicle for-hire for any period of time which, when added to the period of time they have driven any vehicle other than a public vehicle for-hire, totals more than twelve (12) hours in any twenty-four (24) hour period, unless the driving time is broken by a period of eight (8) continuous hours of rest.

803.20 Taxicab operators shall travel the most direct and reasonable route between the origin and destination of each trip, as reasonably determined by the operator. To the extent feasible, taxicab operators shall utilize a global positioning system ("GPS") device or a smartphone containing a GPS function to determine the most direct and reasonable route. The operator, if at all possible or in instances where

the operator is unsure of the route, shall accept direction from the passenger to travel a certain route to the destination.

804.2 A provisional DFHV operator's license shall require the applicant to satisfy such portion of the requirements for a full DFHV operator's license as the Department determines are necessary for safety, consumer protection, and other reasonable requirements within the jurisdiction of the Department, which shall be contained in an administrative issuance.

804.3 Within three (3) business days, the Department shall issue a decision to grant or deny an application by a DFHV operator's license applicant for a provisional DFHV operator's license or a full operator's license.

804.4 If the Department issues a provisional DFHV operator's license to an operator,

the Department shall thereafter issue a full DFHV operator's license to the operator if and when it determines that the remaining requirements for full licensing have been met.

804.5 If, at any time, the Department determines that an individual who has been issued a provisional DFHV operator's license is not eligible for a full DFHV operator's license, the Department shall, in the same document:

(a) Provide notice of the denial of a full DFHV operator's license to the individual and a summary of the reasons for that decision; and

(b) Order the immediate suspension of the individual's provisional DFHV operator's license.

(b) Uses one (1) or more registered OPTs that are integrated with such app;

(c) Maintains a surcharge account as provided in this Section, unless all the OPTs selected by the owner have transfer account capability to ensure the OPT pays all collected passenger surcharges directly to the District; and

(d) Remains compliant with all other applicable regulations and laws.

806.2 Each owner who elects to provide service without a DTS is liable for all surcharges owed to the District.

806.3 Each surcharge account shall be administered as follows.

(a) The minimum account balance is twenty dollars ($20). DFHV shall deposit the minimum if the account is opened when the owner's operator license (face card) is issued. Otherwise, the owner shall pay the minimum to open the account.

(b) If an account balance falls below the required minimum, DFHV shall promptly email a notice to the owner stating that:

(1) The owner must either: replenish the account; or close the account, pay all passenger surcharges owed, and obtain an approved DTS; and

1001.3 Each vehicle placed in service shall display the vehicle tag and contain the type of equipment required for its respective class.

(a) Taxicabs shall contain the equipment requirements in Chapter 13, and as provided in an administrative issuance.

1001.5 Each public vehicle for-hire shall be inspected annually by DMV, acting as agent for the Department, to determine compliance with:

(a) All applicable DMV regulations and other applicable laws; and

(b) All applicable provisions of this title and any applicable administrative issuance.

1001.6 Beginning January 1, 2017 all taxicab vehicles which are not in compliance with §§ 1001.7 - 1001.9 shall be removed from service.

1001.7 Maximum age: eight (8) model years.

Written evidence of the approval shall thereafter be carried in the vehicle at all times and presented upon demand by a District enforcement official.

1001.13 Notwithstanding the requirements of § 1001.6, no vehicle that is licensed and in active service on the effective date of this rulemaking shall be required to be retired sooner than required by the prior vehicle retirement rules published in the *D.C. Register* on January 2, 2015 at 62 DCR 000119.

1001.14 If the Department issues an administrative issuance requiring owners to provide the Department with periodic updates about the safety and mechanical condition of an extended vehicle, or its mileage, each owner of an extended vehicle shall comply with such administrative issuance. 1002.4 Each applicant shall present evidence satisfactory to the Department that the vehicle is insured under the provisions of Chapter 9. The Department shall act as agent for the purpose of enforcing insurance regulations and shall maintain records necessary to perform that function.

(2) The applicant either:

(A) Has never made a request to the Department for a new or "returned" DFHV taxicab vehicle license or to DMV for new or "returned" H tags because the applicant reasonably believed the request would have been futile; or

(B) If the applicant made a request to the Department for a new or "returned" DFHV taxicab vehicle license or to DMV for new or "returned" H tags, the applicant did so within the twelve (12) month period ending on the latest date by which the Department determines that the bona fide reason, identified in subpart (1) (C) of this part, would have no longer have prevented the applicant from operating a taxicab;

(b) The applicant has possessed a current and valid DFHV taxicab operator's license continuously and without interruption since at least the earliest date by which the Department determines that the *bona fide* reason, identified in subpart (1) (C) of this part, would no longer have prevented the applicant from operating a taxicab, through the date of the application;

(c) The applicant participates in Transport DC (CAPS-DC) for a period of not less than three (3) years from the date the license is issued, and executes a written a dispatch agreement with a taxicab company participating in Transport DC, during which period the vehicle shall be in continuous active service and available for dispatch in accordance with all of the applicable operating requirements of Chapter 6 of this title;

(3) At the time the license is issued, the applicant shall place into service any vehicle which complies with § 1001, provided however, that when the applicant has completed three thousand (3,000) Transport DC trips among any number of vehicles, the applicant shall purchase and place into service a new wheelchair accessible vehicle.

(e) If the applicant is not a District resident, the applicant shall form and maintain an independent vehicle business, if such a business is then authorized by the provisions of this title, in order to comply with the DMV requirements for registering the vehicle in the District;

(f) The Department shall deny the application of an applicant who, in connection with an application under this subsection, makes a written or oral material misrepresentation to the Department or who fails to cooperate fully with the Department.

(g) The Department shall make a decision to grant or deny an application within twenty one (21) calendar days of the date on which the application is filed, provided however, that the failure to comply with this deadline shall not be a ground for the issuance of any DFHV license to any person; and

(h) A license issued under this subsection shall be subject to suspension or revocation if, at any time or for any reason, the vehicle or applicant fails to comply with the provisions of subparts (c), (d), (e), or (f) (only as to written or oral material misrepresentations, not for lack of cooperation).

1003 SPECIAL EVENT VEHICLE LICENSE

1003.1 The Department may issue a special event vehicle for-hire license to authorize any vehicle licensed in another jurisdiction to operate for hire in the District of Columbia for a period of not more than ninety (90) days in connection with a special event, such as a Presidential Inauguration.

1004 LIVERY TIME CONTRACTS

1004.1 A public vehicle for-hire operator may enter a time contract other than as a public vehicle for-hire, which is paid by one party to provide transportation of goods or passengers who do not pay. The contract must be written and contain all material information, including the parties to the contract, the class of goods or persons to be transported, the effective dates and times, and any other information as required by an administrative issuance. While operating under a livery time contract, the vehicle and operator shall be exempt from compliance with certain public vehicle for-hire operating requirements and prohibitions such as maintaining a manifest, and no loitering. The complete list of exemptions and prohibitions shall be provided in an administrative issuance, and the burden shall be on the operator to prove the operator is operating either under a livery time contract, or in compliance with all public vehicle for-hire equipment and operating requirements. This rule is only applicable to luxury vehicle operators and shall not apply to taxicabs.

1005 GENERAL OPERATING REQUIREMENTS – PUBLIC VEHICLES FOR-HIRE

1005.1 A vehicle shall be authorized to provide public vehicle for-hire services if it:

(a) Has been licensed by the Department pursuant to this chapter;

(b) Is registered and displays valid and current tags from DMV and/or a DFHV vehicle decal, where required for the class of service in which the vehicle operates (taxicab, black car, or limousine);

(c) Has a valid and current inspection from DMV sticker or certification issued pursuant to this title and applicable DMV regulations;

(d) Is operated in compliance with all of the operating requirements of this title applicable to the class of service in which the vehicle operates (taxicab, black car, or limousine); and

(e) Is in compliance with the insurance requirements of Chapter 9.

1005.2 No signage, markings, or advertising shall be displayed on any public vehicle for-hire except as may be authorized in an administrative issuance. This section shall in no way affect any sign, sticker, or the like required by this title or any other public authority. This section shall not apply to exterior rooftop advertising signs displayed on taxicabs pursuant to the Taxicab Commercial Advertising Amendment Act of 1992.

1005.3 A District enforcement official may inspect and test a vehicle's lights, brakes, steering assembly, tires, horn, component of a system used to calculate fares,

process payments or print receipts, or any other device or equipment installed in the vehicle or authorized or required by a provision of this title or Title 18 DCMR, at any time when such vehicle is on the public streets or on public space.

1005.4 The vehicle identification card (DFHV license) shall be made available for inspection upon the request of any vehicle inspection officer or other enforcement official.

1005.5 The for-hire vehicle tag, when required by this title or other applicable law, shall be visible and properly affixed on the vehicle at all times.

1005.6 Pursuant to Section 3 (a) and (b) (4) of the Mandatory Use of Seat Belt Act of 1985 (Seat Belt Act), all drivers and passengers in a motor vehicle being operated in the District of Columbia must wear a seat belt.

1005.7 Taxicab operators are exempt from wearing a seatbelt when operating for-hire between the hours of 6:00 p.m. and 6:00 a.m. Pursuant to section 7(f) of the Seat Belt Act, operators of public vehicles for-hire are not responsible for ensuring that passengers comply with the seat belt requirement. All public vehicles for-hire shall have operating seat belts for each passenger and display a sign which states the following:

"District of Columbia law requires mandatory use of seat belts. A fifty dollar ($50) fine applies for violations."

1006 RECIPROCITY

1006.1 Public vehicles for-hire licensed outside of the District of Columbia will be permitted to enter the District of Columbia as provided in this section and under conditions prescribed in an administrative issuance that may be issued by the Department:

(a) Public vehicles for-hire licensed outside of the District of Columbia will be permitted to enter the District of Columbia to pick up passengers on a prearranged basis. Public vehicles for-hire shall pick up passengers on a prearranged basis only. Street hails and the use of taxicab stands is strictly prohibited;

(b) Public vehicles for-hire licensed outside of the District of Columbia and entering the District of Columbia for the purpose of discharging passengers may, at the destination of the discharged passenger(s), pick up and directly transport passengers to the jurisdiction where such taxicabs are licensed. Street hails and the use of taxicab stands is strictly prohibited;

(c) Public vehicles for-hire licensed outside of the District of Columbia and entering the District of Columbia for the purpose of discharging passengers are not permitted to transport passengers within the District of Columbia;

(d) Dispatchers (including electronic, internet and other computer-based applications and services) shall only dispatch an operator of a public vehicle for-hire licensed outside of the District of Columbia to pick up in the District of Columbia while the operator is in his or her licensing jurisdiction. The dispatching of a public vehicle for-hire unlicensed in the District, while in the District to another District location is strictly prohibited.

1006.2 For trips made under this section, passenger information, and other information as required by the Department shall be recorded in a manifest prior to the public vehicle for-hire entering the District.

1006.3 The manifest shall be kept in the vehicle during trips and shall be subject to inspection by any vehicle inspection officer, law enforcement official, or other person authorized by the Department. Failure to present such a manifest maintained in the manner prescribed by this chapter when requested by a vehicle inspection officer, law enforcement official, or other person authorized by the Department shall be presumptive evidence of unlicensed operation in violation of the Department's rules, including failure to obey, unlicensed operator (non-resident), and unlicensed vehicle (non-resident).

1006.4 The manifest shall be maintained and available for a period of two (2) years. The manifest shall be provided to the Department upon request and to any vehicle inspection officer, law enforcement official, or other person authorized by the Department.

1006.5 A public vehicle for-hire owner is responsible for each operator who operates his or her vehicle as his or her agent and acknowledges that his or her operator may accept service of notices of infractions or summonses from a vehicle inspection officer, law enforcement official, or other person authorized by the Department. Such acceptance shall accomplish service of process to the vehicle owner.

1006.6 An individual who has been issued a public vehicle for-hire license by a jurisdiction within the Washington Metropolitan Area other than the District ("non-District operator"), or any unlicensed individual, who violates a provision of this section is subject to fine and penalty for unlicensed operator (non-resident) and unlicensed vehicle (non-resident) and is subject to the fine and penalty set forth in Chapter 5, impoundment of the vehicle or, upon conviction, imprisonment

for not more than ninety (90) days pursuant to D.C. Official Code § 47-2846. A non-District operator whose privilege to operate in the District within the limited authority provided by this section has been suspended or revoked under Chapter 3 shall be considered an unlicensed operator who is operating an unlicensed vehicle.

1102.1 Each public vehicle for-hire business shall maintain a *bona fide* District office with the name of the business prominently displayed on the outside of the site designated as the business address, and that has a working telephone number, at

1102.2 If multiple public vehicle for-hire businesses share office space, but not ownership, each must have a separate Certificate of Occupancy for their business or the Certificate of Occupancy must reflect the name of each business operating within the office space; and each must have clearly distinguishable administrative office space that meets all of the requirements of this section.

1102.3 Failure to have a *bona fide* District office shall result in the revocation of the certificate of operating authority for the public-vehicle for-hire business, if the failure is not cured within fifteen (15) business days after the date of a written notice.

1103 GENERAL OPERATING REQUIREMENTS

1103.1 During the certificate of operating authority period, any change in information related to eligibility or application requirements required by this section shall be reported by each public vehicle for-hire vehicle business to the Department within five (5) business days after the change.

1105.3 No fare may be charged by a limousine business based on a rate or charge that is not posted or maintained with the Department as provided in this subsection at the time of the booking. (a) The IVB shall be considered and treated by the Department as the legal *alter ego* of the individual for all purposes of this title, with the effect of imposing upon the individual all obligations applicable to the IVB under this title, provided however that where a provision of this title authorizes the imposition of a civil penalty upon either the IVB or the individual, either penalty may be applied upon the individual; and

(b) Notwithstanding any contrary provision of this title, notice of any action including without limitation any enforcement action or legal proceeding initiated by the Department or the Office of the Attorney General shall be valid, binding, and fully enforceable against either or both the individual

and the IVB, provided it is otherwise properly served upon either the individual or the IVB.

1107.12 At the time an applicant is issued a certificate of operating authority, the applicant shall also be issued a DFHV vehicle license in the name of the applicant and the business under Chapter 8, which shall be automatically suspended or revoked if the independent public vehicle for-hire business' operating authority or the applicant's DFHV operator's license (Face card) is suspended or revoked.

1107.13 Failure to file an application to renew an independent public vehicle for-hire business operating authority within the time established by the Department shall result in the loss of the operating authority. The application deadline shall not be extended.

1107.14 Each IVB shall comply with Chapter 12 for leasing the vehicle co-titled in its name. A lease executed in violation of this requirement shall be null and void.

1107.15 An independent public vehicle for-hire business operating authority shall be null and void, and thereby subject to immediate suspension, proposed suspension, and proposed revocation, if any time:

1205.3 The Department may, upon request, transmit a copy of the application to the taxicab company, or association, that the owner or operator leaves or enters or share the fact that a request for transfer of ownership has been filed with those drivers affiliated with the taxicab company, or association.

1205.4 Notice of any change in the information provided in the application for transfer approval shall be filed with the Department immediately, if the application has not yet been approved, or within five (5) business days of the change, if the application has been approved.

1205.5 An application for transfer approval may be denied if:

1206.1 Except where a taxicab company and taxicab operator otherwise agree, each

taxicab company that contracts with a digital taxicab solution provider for DTS units in its associated vehicles shall pay each of its associated operators the portion of the revenue received from the DTS to which the associated operator is entitled within twenty-four (24) hours or one (1) business day of when the revenue is received by the taxicab company from the DTS.

1207 TAXICAB FARES

1207.1 No person regulated by this title shall charge a rate, charge, or fare for taxicab service in the District in excess of the amounts established by this section. Notwithstanding any other provision of this title, a DTS provider may elect to offer dynamic street hail pricing based on a discount on the total amount of all rates and charges established by this section for rides booked by street hail or by telephone dispatch (if the provider is a taxicab company registered to provide telephone dispatch under Chapter 16), consistent with an applicable administrative issuance. A dynamic street hail discount may be in any amount up to one hundred percent (100%).

1207.2 No operator shall solicit, charge, or accept any amount for a taxicab trip before service is rendered, except if the operator has a notice of prepayment on file with the Department as provided in this section.

1207.3 Each taxicab company, independent owner, and taxicab operator shall accept only cash, cashless payments, or vouchers.

1207.4 No person regulated by this title shall manually enter any amount into any device, other than an authorized additional charge under this section, or a gratuity, if any.

1207.5 The equipment used by taxicab operators to process payments shall be as follows:

(a) The taximeter shall be engaged for each trip by taxicab, regardless of whether the trip is booked by street hail, telephone dispatch, or digital dispatch; and

(b) If a taxicab trip is booked through a street hail, a telephone dispatch, or a DDS which does not process digital payments, the operator shall use the vehicle's DTS unit to process an in-vehicle payment for the entire trip and shall not use any other device.

1207.6 Taxicab fares shall be as follows:

(a) Each taximeter fare shall consist only of the time and distance charges, and authorized additional charges provided in this subsection, as applicable.

(b) The hourly contract rate for a taxicab trip booked on a time basis by advance contract shall be thirty-five dollars ($35) for the first one (1) hour or fraction thereof, and eight dollars and seventy-five cents ($8.75) for each additional fifteen (15) minutes or fraction thereof, without regard to distance. No additional charges are authorized, other than gratuity.

(c) Fare for trips booked by a street hail, a telephone dispatch or a digital dispatch by a DDS that does not process digital payments (in-vehicle payment only) shall be as follows:

(1) The time and distance charges that shall be automatically generated by the taximeter for a taxicab trip booked by a street hail, telephone dispatch, or digital dispatch by a DDS that does not process digital payments are established as follows:

(A) Minimum fare (flag drop rate): three dollars and twenty five cents ($3.25) plus the first one eighth (1/8) of a mile.

(B) Distance (after the first one eighth (1/8) of a mile):

(i) General distance rate: two dollars and sixteen cents ($2.16) per mile (or twenty seven cents ($0.27) per one-eighth (1/8) of a mile); or

(ii) Special shared ride distance rate: one dollar and twenty cents ($1.20) per mile (or fifteen cents ($0.15) per one-eighth (1/8) of a mile).

(C) Time (wait time):

(i) Twenty-five dollars ($25) per hour, to be calculated in sixty (60) second increments;

(ii) Time shall be charged when the vehicle is stopped, and when the vehicle is slowed to a speed of less than ten (10) miles per hour for longer than sixty (60) seconds;

(iii) Time shall be charged for delays and stopovers en route at the direction of the passenger;

(iv) If the vehicle is responding to a dispatch, time shall be charged beginning five (5) minutes after the time

pickup was requested by the customer. There shall be no additional charge for early arrival.

(2) The authorized additional charges which shall be generated automatically by the taximeter for a taxicab trip booked by street hail, by telephone dispatch, or by digital dispatch through a DDS that does not process digital payments, are established as follows:

(A) A fee for telephone dispatch, if any, which shall be two dollars ($2.00);

(B) A taxicab passenger surcharge, which shall be twenty-five cents ($.25) (per trip or per segment of a shared ride, and not per passenger);

(C) A charge for delivery service where there is no passenger present shall be determined by an applicable administrative issuance or other document approved by the Department;

(D) The amount of any airport surcharge or toll paid by the taxicab operator;

(E) An additional passenger fee for each segment of a group or shared ride where more than one (1) passenger is present in the vehicle, which shall be one dollar ($1.00) regardless of the number of additional passengers (the total additional passenger fee shall never exceed one dollar ($1.00)), provided however, that no additional passenger fee shall be charged when the special shared ride distance rate applies; and

(F) A snow emergency fare when authorized under this title.

1207.7 Charges for group and shared rides shall be assessed as follows, and in the manner set forth in an applicable administrative issuance:

(a) For shared rides, only one flag drop rate shall be charged, without regard to the number of destinations. Shared rides may be arranged through digital meters approved by the Department pursuant to this title, which shall allow passengers to apportion the total fare in a manner that maximizes consumer choice and operator income pursuant to an administrative issuance.

(b) For group rides booked by street hail, telephone dispatch, or digital

dispatch, and paid through in-vehicle payment, the metered fare, including the additional passenger fee under this section, shall be paid by the last passenger(s) leaving the taxicab.

(c) For group rides booked by digital dispatch and paid through digital payment, the fare shall be charged and paid consistent with all applicable requirements of this title applicable to a trip which is not a group ride.

1207.8 Notwithstanding any other provision of this chapter, a person subject to licensing, registration, or regulation by the Department pursuant to this title or the Establishment Act, that participates in a pilot, grant, donation agreement, or other program, with the approval of the Department, or that engages in approved live field testing of an app pursuant to Chapter 7, shall use the rates and charges, if any, established or approved by the Department in connection with such pilot, grant, donation agreement, or other program, if any, in lieu of the rates and charges otherwise applicable pursuant to this subsection.

1208 PAYMENT OF FARES

1208.1 When the operator does not have available sufficient currency to change a large bill in payment of the fare, the operator shall inform the passenger of that fact while en route to the passenger's destination, and ask whether change will be required.

1208.2 If the passenger states that change will be required, the operator shall stop en route and provide an opportunity to change the bill in question. No charge for the stop shall be permitted.

1208.3 A Department approved sign displayed within the passenger's view, stating that the operator can only change a designated bill, may be considered as notice to the passenger of the operator's limitation on making change.

1208.4 If the operator has informed the passenger of the lack of change and the passenger presents the operator, at the destination, with a bill requiring change which the operator is unable to provide, the operator may allow the meter to continue running (or reset the meter if it has been stopped) to take the passenger to obtain change and return to the passenger's original destination. The passenger must pay the total fare.

1208.5 In no other circumstances shall a charge be imposed for deviations or stops required in order to obtain change.

1209 DTS RECEIPTS

1209.1 Each taxicab providing service using a DTS unit shall comply with this section.

1209.2 At the end of the ride, the passenger shall be given a receipt as follows:

(i) A depiction of the navigational path of the vehicle during the ride;

(j) Contact information for the Department; and

(k) Such other information about the ride that the Department may reasonably require through an administrative issuance.

1209.4 The Department may issue an administrative issuance to allow or require operators to provide a DFHV ride code or other information to the passenger in lieu of or in combination with any of the requirements for receipts under this section, and to establish additional criteria for DTS receipts for safety, consumer protection, and other reasonable purposes within the jurisdiction of the Department.

1210 SNOW EMERGENCIES

1210.1 During a snow emergency fare period, as may be declared by the Mayor or the DFHV Director, a flat fee of fifteen dollars ($15) per trip originating in the District of Columbia shall be added to the metered fare.

1210.2 Snow emergency fare periods shall begin at such times as the Mayor or the Director makes a public announcement that snow emergency fares are authorized. The Director shall make that announcement when informed by the Department of Public Works that it is necessary to dispatch snow plows. The Director or the Mayor may also make an announcement under the following conditions:

(a) It is snowing and there has been significant accumulation of snow on the streets;

(b) The Metropolitan Police Department and the Department of Public Works have informed the Director or the Mayor that hazardous driving conditions exist throughout the city; or

(c) Additional accumulation is predicted of such significant proportions that hazardous driving conditions are expected to persist for at least twelve (12) hours.

1210.3 The public announcement shall be promulgated in accordance with established Department procedures and communicated to the news media.

1210.4 Snow emergency fare periods shall automatically expire twelve (12) hours after they are declared in effect unless the Mayor or the Department determines during the first twelve (12) hour period that the snow emergency fare shall be effective for an additional fixed period.

1210.5 If the original snow emergency fare period is extended, that decision shall be communicated in accordance with established Department procedures.

1210.6 Announcements concerning the snow emergency fare period shall be disseminated to all news media, the Metropolitan Police Department, and other appropriate organizations.

emergency fares are in effect and explain the fare.

1210.9 During snow emergency periods, there shall be prominently displayed on the back of the front seat of the taxicab announcing the fifteen dollar ($15) snow emergency surcharge.

transport passengers.

1215 CUSTOMER SERVICE AND TAXICAB OPERATOR STANDARDS

1215.1 The DFHV vehicle license identification card shall be displayed at all times in the taxicab for which it is issued.

1215.2 The vehicle identification card shall be made available for inspection upon the request of any vehicle inspection officer or law enforcement personnel.

1215.12 Administrative suspensions, issued with the consent of the operator, shall not become part of an operator's file and shall not be used for determining the eligibility of an operator. An administrative suspension which has been appealed by the operator and adjudicated by OHE or OAH in accordance with § 308.4 shall become part of an operator's file and shall be used for determining eligibility of an operator.

If the dispatcher learns the destination of a passenger, that dispatcher shall not then convey the destination when dispatching an operator to pick up the passenger unless requested to do so by the passenger or the passenger has an emergency.

DISTRICT OF COLUMBIA DEPARTMENT OF HUMAN RESOURCES

NOTICE OF PROPOSED RULEMAKING

The Director of the D.C. Department of Human Resources (DCHR), with the concurrence of the City Administrator, pursuant to Mayor's Order 2008-92, dated June 26, 2008, and in accordance with the District of Columbia Government Comprehensive Merit Personnel Act of 1978, effective March 3, 1979 (D.C. Law 2-139; D.C. Official Code §§ 1-604.04(a), 1-612.01, 1-616.51, and 1-613.51 through 1-613.53 (2016 Repl.)), hereby gives notice of the intent to adopt the following rules amending Chapter 12 (Hours of Work, Legal Holidays, and Leave), Chapter 14 (Performance Management), and Chapter 16 (Corrective and Adverse Actions; Enforced Leave; and Grievances), of Subtitle B (Government Personnel) of Title 6 (Personnel), of the District of Columbia Municipal Regulations (DCMR), in not less than thirty (30) days from the publication of this notice in the *D.C. The proposed rules would amend three chapters of Title 6-B DCMR. Specifically, the proposed rules would amend Subsection 1210.5 of Chapter 12 to incorporate language to allow a personnel authority to increase the maximum hours allowable under a compressed work schedule to more readily accommodate the operational needs of an agency, such as the Office of Unified Communications. Chapter 14 would be amended by: (i) removing the deadline for establishing a performance improvement plan (PIP) (currently June 30th); (ii) clarifying that a supervisor must make a determination as to whether an employee has met the requirements of the PIP within ten (10) business days (as opposed to calendar days) following the "end" of the PIP period (Section 1410); (iii) adding language that a written determination may serve as notice of proposed reassignment, reduction in grade or removal and be provided to the employee in accordance with Chapter 16, or that an agency may choose to issue a separate notice for these actions in accordance with the process contained in Chapter 16; (iv) adding references to Chapter 36 (Legal Service), concerning performance-related rules for Legal Services employees, where applicable; and (v) adding definitions for the terms "Days," "Intermittent appointment," and "Paper review" (Section 1499). Additionally, DCHR is proposing amendments to Chapter 16, which make clear that negotiated grievance procedures within a collective bargaining agreement supersede the grievance provisions of Chapter 16, consistent with D.C. Official Code § 1-616.52.

Chapter 12, HOURS OF WORK, LEGAL HOLIDAYS, AND LEAVE, of Title 6-B DCMR, GOVERNMENT PERSONNEL, is amended as follows:

This proposed rulemaking, if finalized, would be effective October 1, 2019.

Chapter 41, RETAIL WATER AND SEWER RATES AND CHARGES, of Title 21 DCMR, WATER AND SANITATION, is amended as follows:

Section 4101, RATES AND CHARGES FOR SEWER SERVICE, Subsection 4101.2, is amended as follows:

(b) The retail cooling water sewer charge shall be the retail sanitary sewer service rate as provided in section 4101.1(a) for cooling water discharged into the District's wastewater sewer system.

(c) The retail non-potable water source sewer charge shall be the retail sanitary sewer service rate as provided in section 4101.1 (a) for non-potable water discharged into the District's wastewater sewer system.

ALCOHOLIC BEVERAGE REGULATION ADMINISTRATION
ALCOHOLIC BEVERAGE CONTROL BOARD

NOTICE OF SECOND EMERGENCY RULEMAKING

The Alcoholic Beverage Control Board (Board), pursuant to the authority set forth in the Omnibus Alcoholic Beverage Amendment Act of 2004, effective September 30, 2004 (D.C. Law 15-187; D.C. Official Code § 25-211(b) (2012 Repl. & 2017 Supp.), and delegated in Mayor's Order 2001-96, dated June 28, 2001, hereby gives notice of the adoption of emergency rules to amend Chapter 7 (General Operating Requirements) of Title 23 (Alcoholic Beverages) of the District of Columbia Municipal Regulations (DCMR).

The rulemaking amends 23 DCMR § 718.2 and § 718.3 by increasing the percentage of distribution of subsidies paid by the Alcoholic Beverage Regulation Administration (ABRA) to the Metropolitan Police Department (MPD) from sixty percent (60%) to sixty-five percent (65%) when covering the costs incurred by Alcoholic Beverage Control (ABC) licensees participating in the District of Columbia's MPD Reimbursable Detail Subsidy Program ("RDO Program" or "Program").

By way of background, the RDO Program assists licensed establishments by defraying the costs of retaining off-duty MPD officers to patrol the surrounding area of an establishment or an outdoor special event or pub crawl event for the purposes of ensuring the peace, order, and quiet of the community, including the remediation of traffic congestion and promoting public safety. The Board regularly revises the reimbursable detail coverage percentage on an as-needed basis. Most recently, the ABC Board reduced the reimbursable distribution percentage from seventy percent (70%) to sixty percent (60%) based on then-existing Fiscal Year 2017 funding levels and the potential increase in demand by pub crawl event promoters who are now able to request RDO officers for their events. *See MPD Reimbursable Detail Subsidy Program Notice of Final Rulemaking*, at 65 DCR 4647 (April 27, 2018).

On June 6, 2018, the Board adopted the *MPD Reimbursable Detail Subsidy Program Notice of Emergency and Proposed Rulemaking* (Notice of Emergency and Proposed Rulemaking), by a vote of seven (7) to zero (0). The Notice of Emergency and Proposed Rulemaking increases the reimbursable percentage from sixty percent (60%) to sixty-five percent (65%). The Board's decision to seek an increase of the reimbursement percentage was based on the following: (1) the existence of sufficient funds in ABRA's Fiscal Year 2018 and 2019 budgets; (2) the increase in the number of persons patronizing ABC-licensed establishments during the summer; and (3) the Council of the District of Columbia's adoption of extended hours for the World Cup Tournament and the 2018 All-Star Game. Although the summer as well as the end of the World Cup Tournament and 2018 All-Star Game has come and gone, the existence of sufficient funds in ABRA's Fiscal Year 2019 still support the Board's decision to seek to amend 23 DCMR § 718.2 and 718.3 by increasing the reimbursable percentage.

The Notice of Emergency and Proposed Rulemaking was published in the *D.C. Register* on August 31, 2018, at 65 DCR 9070 for notice and comment by the public. The thirty (30)-day comment period ended on September 30, 2018. After any changes that need to be made in

response to comments that the Board receives, the rules will be submitted to the Council for the statutory ninety (90)-day review period. The emergency rules are set to expire on October 4, 2018, which is before the conclusion of the Council's review period. In order to ensure that there is not any disruption or reduction in the reimbursable percentage, and in order to preserve the health, safety, and welfare of District of Columbia residents, particularly those residing in areas in which there is a large concentration of ABC-licensed establishments, the Board finds that emergency action is warranted pursuant to Section 6(c) of the District of Columbia Administrative Procedure Act, effective October 2, 1968 (82 Stat. 1026; D.C. Official Code § 2-505(c)(2016 Repl.)).

These emergency rules were adopted by the Board on September 26, 2018, by a vote of seven (7) to zero (0), to take effect on July 1, 2018. The emergency rules will remain in effect for up to one hundred twenty (120) days from adoption, expiring January 24, 2019, unless earlier superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*.

Chapter 7, GENERAL OPERATING REQUIREMENTS, of Title 23 DCMR, ALCOHOLIC BEVERAGES, is amended as follows:

Section 718, REIMBURSABLE DETAIL SUBSIDY PROGRAM, is amended by replacing Subsections 718.2 and 718.3 to read as follows, and renumbering the following subsections:

718.2 ABRA will reimburse MPD sixty-five percent (65%) of the total cost of invoices submitted by MPD to cover the costs incurred by licensees for MPD officers working reimbursable details on Sunday through Saturday nights. The hours eligible for reimbursement for on-premises retailer licensees shall be 11:30 p.m. to 5:00 a.m. ABRA will also reimburse MPD sixty-five percent (65%) of the total costs of invoices submitted by MPD to cover the costs incurred for pub crawl events and for outdoor special events where the Licensee has been approved for a One Day Substantial Change License or a Temporary License. The hours eligible for an outdoor special event operating under a One Day Substantial Change License or a Temporary License or a pub crawl event operating under a pub crawl license shall be twenty-four (24) hours a day.

718.3 MPD shall submit to ABRA on a monthly basis invoices documenting the sixty-five percent (65%) amount owed by each licensee. Invoices will be paid by ABRA to MPD within thirty (30) days of receipt in the order that they are received until the subsidy program's funds are depleted.

DEPARTMENT OF BEHAVIORAL HEALTH

NOTICE OF EMERGENCY AND PROPOSED RULEMAKING

The Director of the Department of Behavioral Health ("the Department"), pursuant to the authority set forth in Sections 5113, 5117 and 5118 of the Department of Behavioral Health Establishment Act of 2013, effective December 24, 2013 (D.C. Law 20-61; D.C. Official Code §§ 7-1141.02, 7-1141.06 and 7-1141.07 (2012 Repl. & 2017 Supp.)), hereby gives notice of the adoption, on an emergency basis, of amendments to Chapter 62 (Reimbursement Rates for Services Provided by the Department of Behavioral Health Certified Substance Abuse Providers) and Chapter 64 (Reimbursement Rates for Services Provided by the Department of Behavioral Health Chapter 63 Certified Substance Use Disorder Providers) to Subtitle A (Mental Health) of Title 22 (Health) of the District of Columbia Municipal Regulations (DCMR).

This rulemaking involves reimbursement rates to Department of Behavioral Health-certified substance abuse disorder providers for Adult Substance Abuse Rehabilitation Services (ASARS). It repeals a duplicative Chapter 62 (Reimbursement Rates for Services Provided by the Department of Behavioral Health Certified Substance Abuse Providers) to Title 22-A DCMR (Mental Health), and updates Chapter 64 (Reimbursement Rates for Services Provided by the Department of Behavioral Health Chapter 63 Certified Substance Use Disorder Providers) of Title 22-A DCMR (Mental Health). A comprehensive rate analysis had not been conducted since 2013. Thus, the Department of Behavioral Health, with the assistance of providers and stakeholders, conducted a comprehensive rate analysis of DBH's current Medicaid community-based rates for covered behavioral health services provided to children, youth and adults under the District's approved Medicaid State Plan and used a rate-setting methodology to ensure that reimbursement rates reflected the cost-basis of the services. As a result of the analysis, DBH is proposing a number of changes to current ASARS rates. The aggregate fiscal impact of the rate changes is an increase in Medicaid expenditures of $270,738.27 in fiscal year (FY) 2019 and $277,777.47 in FY 2020.

Issuance of these rules on an emergency basis is necessary for the immediate preservation of the critical substance use disorder treatment and recovery services that will ensure the health, safety, and welfare of children, youth, and adults with a substance use disorder in need of treatment and recovery services. It is necessary for the stability of the providers. Any delay in promulgating the new rates will lead to possible reduction in services, to the detriment of the population served by the public behavioral health system.

DBH is working in collaboration with the Department of Health Care Finance to implement Medicaid reimbursement changes. These rules correspond to a related State Plan amendment (SPA) to the District of Columbia Medicaid State Plan, which requires approval by the U.S. Department of Health and Human Services, Center for Medicare and Medicaid Services (CMS). Implementation of the proposed rules for the reimbursement of services provided to Medicaid beneficiaries is contingent upon approval of the corresponding SPA by CMS with an effective date of November 1, 2018 or the effective date established by CMS in its approval of the corresponding SPA, whichever is later.

The emergency rulemaking was adopted on October 31, 2018 and is effective for services rendered on or after October 31, 2018, or the effective date established by CMS in its approval of the corresponding SPA, whichever is later, by a provider certified pursuant to Chapter 63 of this title. The emergency rules will remain in effect for one hundred twenty (120) days after adoption, expiring February 28, 2019, unless superseded by publication of another rulemaking notice in the *D.C. Register*.

The Director also gives notice of intent to take final rulemaking action to adopt the proposed rules in not less than thirty (30) days after the date of publication of this notice in the *D.C. Register*.

Chapter 62, REIMBURSEMENT RATES FOR SERVICES PROVIDED BY THE DEPARTMENT OF BEHAVIORAL HEALTH CERTIFIED SUBSTANCE ABUSE PROVIDERS, of Title 22-A DCMR, MENTAL HEALTH, is amended as follows:

DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS
BOXING AND WRESTLING COMMISSION

NOTICE OF EMERGENCY AND PROPOSED RULEMAKING

The District of Columbia Boxing and Wrestling Commission ("Commission"), pursuant to the Authority set forth in Section 7 of the District of Columbia Boxing and Wrestling Commission Act of 1975, effective October 8, 1975 (D.C. Law 1-20; D.C. Official Code § 3-606 (2012 Repl.)) ("Act"), hereby gives notice of the adoption of amendments to Chapter 20 (Boxing and Wrestling: General Rules) and Chapter 24 (Mixed Martial Arts Uniform Rules) of Title 19 (Amusements, Parks, and Recreation) of the District of Columbia Municipal Regulations (DCMR).

This proposed rulemaking would amend the general rules applicable to boxers, wrestlers, kickboxers, martial artists and mixed martial artists by adopting the internationally recognized anti-doping standards for all combative sports contestants in the District. It would also amend the rules governing the number and length of rounds for mixed martial arts contest in order to allow flexibility to permit new styles of competition in the District.

Emergency rulemaking action, pursuant to Section 6(c) of the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1206; D.C. Official Code § 2-505(c) (2016 Repl.)), is necessary for the immediate preservation of the health, safety and welfare of licensed mixed martial artists in the District. Specifically, the rules will ensure tighter regulation concerning the use of performance enhancing drugs and methods, and will prohibit certain dangerous tactics used by contestants that may jeopardize the health and safety of the fighters in the ring during impending events. Additionally, these rules will allow the Commission to permit a quickly approaching mixed martial arts event that would otherwise be barred by the current rules. Thus, this action is also being taken on an emergency basis in order to safeguard and promote continued economic growth in the area of mixed martial arts by making the District more hospitable as a venue for promoters seeking to present such events in new and innovative ways.

This emergency rulemaking was adopted by the Commission on October 11, 2018, and became effective immediately. The emergency rules will remain in effect for one hundred and twenty (120) days, until February 8, 2019, unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*. The Commission gives notice of the intent to take final rulemaking action in not less than thirty (30) days after publication of this notice in the *D.C. Register*.

To clearly show the changes being made to the DCMR, additions shown in <u>underlined</u> text and deletions are shown in ~~strikethrough~~ text.

Chapter 20, BOXING AND WRESTLING: GENERAL RULES, of Title 19 DCMR, AMUSEMENTS, PARKS AND RECREATION, is amended as follows:

Section 2030, [RESERVED], is amended to read as follows:

2030 ~~[RESERVED]~~ PROHIBITED DRUGS AND METHODS

2030.1 Unless a therapeutic use exemption (TUE) has been granted in accordance with this section, the Commission may take disciplinary action against a contestant's license, or bar a contestant's participation in any bout, if it finds that the contestant, at any time before or during a contest, has used any prohibited substance or prohibited method as established in the current version of The World Anti-Doping Code, The Prohibited List International Standard (Prohibited List) as adopted by World Anti-Doping Agency (WADA) (https://www.wada-ama.org/en/resources/science-medicine/prohibited-list) as of October 15, 2018. Any changes made to the Prohibited List after October 15, 2018 shall be voted on and approved by the District of Columbia Boxing and Wrestling Commission prior to adoption and publication in the *District of Columbia Register*.

2030.2 All contestants licensed by the commission may be required to submit to testing for prohibited substances at any time.

(b) The contestant failed to submit a complete request in accordance with § 2030.7; or

(c) The contestant failed to comply with the drug testing requirements of §§ 2030.8 or 2030.9.

2030.14 If the Commission reasonably determines that a TUE request has been submitted for the purpose of enhancing the contestant's performance and/or giving the contestant an advantage over his/her competitor(s), the Commission shall deny the request.

2030.15 A TUE shall not be granted when the Commission reasonably concludes that denying the TUE request is in the best interests of protecting the public, or the health and safety of licensed contestants.

2030.16 If a request for TUE is denied pursuant to §§ 2030.14 or 2030.15, the Commission shall provide the licensee with a notice of the intended action and an opportunity for a hearing in accordance with § 2043 of this chapter.

DC DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

PUBLIC NOTICE FOR

DISTRICT OPPORTUNITY TO PURCHASE PROGRAM

SELECTION CRITERIA FOR PRIORITIZING BUILDING(S) FOR

PURCHASE & ASSIGNMENT OF RIGHTS

Polly Donaldson, Director, DC Department of Housing and Community Development (DHCD or the Department) announces the Selection Criteria for Prioritizing Buildings for the District's Opportunity to Purchase Amendment Act of 2008 (D.C. Official Code 2001 ed., as amended, § 42-3431.01 *et seq*.)

The District Opportunity to Purchase Act (DOPA) is a tool to preserve affordable housing in rental accommodations when tenants decline to exercise their rights under the Tenant Opportunity to Purchase Act of 1980 (TOPA) (D.C. Official Code, 2001 ed., as amended, § 42-3401.01 *et seq*.), *see* also Title 14 District of Columbia Municipal Regulations Chapter 24 (DOPA Regulations) (2004 ed., as amended). DOPA permits the Mayor, by the Department of Housing and Community Development (DHCD) as designee, to purchase a housing accommodation that has been offered for sale to tenants but whom are unable to exercise their TOPA rights.

According to DCMR 2403.2 "When determining whether to exercise the opportunity to purchase a Housing Accommodation, the Mayor shall consider whether a Housing Accommodation meets the selection criteria published in the D.C. Register by the Agency and modified as necessary annually by the Agency." The basic criteria for the Mayor to provide a statement of interest in purchasing a property under DOPA is that the Housing Accommodation:

1. Is located within the District of Columbia;
2. Consists of five (5) or more Rental Units; and
3. At least twenty-five percent (25%) of the Rental Units are Affordable Rental Units[1] at the time the Mayor received the Offer of Sale.

Given that the Mayor has the ultimate decision to exercise the opportunity to purchase, additional criteria may be used to prioritize DOPA transactions that represent the most significant opportunities to preserve affordable housing. These include but are not limited to the following:

- Location in neighborhoods with average rents above the HUD Fair Market Rent;
- Presence of elderly and/or tenants with disabilities;
- Significant number of family sized units and amenities;
- High vacancy rates;

[1] An Affordable Unit is a rental unit for which the existing Monthly Rent and Utilities paid by the tenant is equal to or less than 30 percent of the monthly income of a household with an income of 50 percent of the Median Family Income (MFI) for the Washington Metropolitan Statistical Area (MSA), as set forth by the United States Department of Housing and Urban Development.

- Significant code violations or currently out of compliance with affordable housing program physical condition requirements;
- High municipal debt;
- Received a notice of default or is in significant risk of foreclosure;
- Affordable housing covenants that will expire within the next five years;
- Smaller buildings with 5-20 units that have a purchase price under $2 million; and
- Historical or cultural significance of the property in the District of Columbia.

More information on DOPA can be found on the DHCD website located at https://dhcd.dc.gov/service/district-opportunity-purchase-act-dopa. Questions can be forwarded to DOPA.DHCD@dc.gov.

DECISION AND ORDER

These cases involve two arbitration awards that the Fraternal Order of Police/Metropolitan Police Department Labor Committee ("Union") obtained against the Metropolitan Police Department ("MPD"). For each award, the Union has filed an unfair labor practice complaint alleging noncompliance with the award. The two unfair labor practice cases are consolidated for decision herein.[1] As the uncontested facts establish the Union's entitlement to relief under the Comprehensive Merit Personnel Act, the unfair labor practice complaints are granted.

[1] The Union named the chief of police as a respondent in both unfair labor practice cases. The respondents requested that the chief of police be dismissed, claiming that a suit against an official in his official capacity should be treated as a suit against the District. The Board has removed his name from the caption consistent with controlling precedent. *See FOP/MPD Labor Comm. v. D.C. Pub. Emp. Relations Bd.*, Civ. Case No. 2011 CA 007396 P(MPA) (D.C. Super. Ct. I. Statement of the Cases

A. The Fowler Case, 18-U-16

On January 22, 2018, the Union filed an unfair labor practice complaint, Case No. 18-U-16, alleging noncompliance with an arbitration award in which Officer Duane Fowler was the grievant. MPD filed an answer. The pleadings establish the following uncontested facts.

Officer Duane Fowler was discharged from his employment with MPD on July 30, 2010. Following Officer Fowler's discharge, the Union brought a grievance on his behalf. The grievance was denied. On August 24, 2010, the Union invoked arbitration on behalf of Officer Fowler. The arbitration was held in 2016. The Union and MPD both agreed upon the selection of Roger P. Kaplan to arbitrate the discharge of Officer Fowler.

On March 24, 2017, Arbitrator Kaplan issued an award in writing. The Department states that the award speaks for itself. The award stated, "The Grievant shall be reinstated forthwith. The Grievant is entitled to back pay and other lost benefits for the period he was wrongfully terminated."

MPD filed an arbitration review request. On August 17, 2017, the Board issued a Decision and Order sustaining the award in PERB Case No. 17-A-06, Slip Op. No. 1635.[2] MPD did not exercise its right to file a petition for review in D.C. Superior Court and has not reinstated Officer Fowler. In addition, MPD sent an e-mail to the Union that said "[t]he Chief will not be reinstating Officer Fowler."

B. The Rosario Case, 18-U-25

On March 1, 2018, the Union filed an unfair labor practice complaint, Case No. 18-U-25, alleging noncompliance with an arbitration award in which Officer Hiram Rosario was the grievant. The Department filed an answer. The pleadings establish the following uncontested facts.

On April 15, 2005, Officer Hiram Rosario was served with a notice of proposed adverse action for his removal from the Master Patrol Officer Program. After an adverse action hearing and an appeal to the chief of police, Officer Rosario was removed from the program. On his behalf, the Union demanded arbitration.

On or about October 17, 2016, Arbitrator Kathleen Miller issued an Opinion and Award regarding Officer Rosario. The award stated, "The Agency is directed to reinstate Grievant to his former position in the Master Officer Patrol Program and to make him whole for any loss of pay or other benefits which resulted from his removal from that Program. The MPD also is directed to note this revocation of demotion in Grievant's personnel file."

[2] *MPD v. FOP/MPD Labor Comm. (on behalf of Fowler)*, 64 D.C. Reg. 10115, Slip Op. No. 1635, PERB Case No. 17-A-06 (2017).

On April 4, 2017 the Board denied MPD's Arbitration Review Request in PERB Case No. 17-A-01, Slip Op. No. 1615.[3] On May 4, 2017, the Department filed a petition for review of the Board's denial of the MPD's arbitration review request in D.C. Superior Court. Subsequently, MPD filed a praecipe withdrawing this petition on November 2, 2017. The D.C. Superior Court dismissed the case on November 3, 2017.

MPD has not reinstated Officer Rosario to the Master Patrol Officer Program or made him whole as directed by the arbitrator.

II. Discussion

When a party fails or refuses to implement an award where no dispute over its terms exists, such conduct is a failure to bargain in good faith in violation of D.C. Official Code 1-617.04(1)(1) and (5).[4]

The elements of an unfair labor practice are present in the *Fowle*r and the *Rosario* cases. In both cases the Department appealed to the Board from the arbitrator's award. The Board affirmed the awards in Slip Opinion Nos. 1615 and 1635. It is undisputed that the Board's orders affirming the awards in question here became final and that MPD did not effectively seek review of the orders of the Board, nor comply with the Awards. No dispute over the terms of the Awards has been raised and no reason for noncompliance has been suggested. Therefore, the unfair labor practice complaints are granted.

ORDER

IT IS HEREBY ORDERED THAT:

1. PERB Case Nos. 18-U-16 and 18-U-25 are consolidated.

2. The Fraternal Order of Police/Metropolitan Police Department Labor Committee's unfair labor practice complaints are granted.

DECISION AND ORDER

I. Introduction

On March 13, 2018, the Metropolitan Police Department ("Department"), filed this Arbitration Review Request ("Request") pursuant to the Comprehensive Merit Personnel Act ("CMPA"), section 1-605.02(6) of the D.C. Official Code. The Department claims that the Arbitrator's Opinion and Award ("Award") is, on its face, contrary to law and public policy. The Fraternal Order of Police/Metropolitan Police Department Labor Committee ("Union") filed a timely Opposition to the Request.

In accordance with the CMPA, the Board is permitted to modify, set aside, or remand an arbitration award in three narrow circumstances: (1) if the arbitrator was without, or exceeded his or her jurisdiction; (2) if the award on its face is contrary to law and public policy; or (3) if the award was procured by fraud, collusion or other similar and unlawful means.[1] Having reviewed the Arbitrator's conclusions, the pleadings of the parties and applicable law, the Board concludes that the Award on its face is not contrary to law and public policy. Therefore, the Board denies the Department's Request.

[1] D.C. Official Code § 1-605.02(6).

II. Statement of the Facts

In January of 2011, the Department's Internal Affairs Division and the Federal Bureau of Investigation began an investigation into the illegal purchase of stolen property by Department personnel.[2] The Grievant purchased property from a cooperating witness on two separate occasions. On March 8, 2011, the Grievant was arrested and charged with "Attempt Receiving Stolen Property" and his police powers were revoked.[3] On December 21, 2011, the Grievant was found guilty after a bench trial in District of Columbia Superior Court.[4]

On April 12, 2012, the Department served the Grievant a Notice of Proposed Adverse Action and proposed a penalty of termination from the Department. An Adverse Action Panel found that the Grievant was guilty of the charges and specifications brought against him and recommended his termination from the Department. The Department's Director of Human Resources accepted the Panel's decision and terminated the Grievant effective November 2, 2012. The Grievant appealed the termination to the Chief of the Department. After the appeal was denied, the Union proceeded to arbitration.[5]

III. Arbitrator's Award

The Department seeks review of the Award based on the Arbitrator's decision regarding one issue – whether the Department violated the 90-day rule set forth in section 5-1031 of the D.C. Official Code ("the 90-day rule").[6] The 90-day rule requires that the proposed adverse action be issued within 90 days of the date the Department had notice of the conduct giving rise to the act allegedly constituting cause.[7] The Arbitrator found that the Department did not initiate the adverse action against the Grievant until more than a year after the date of his arrest.[8]

It was uncontested at arbitration that the Notice of Proposed Adverse Action was served on the Grievant on April 12, 2012. The Department argued that the Grievant was barred from raising the 90-day rule as a defense because he failed to raise this matter at an earlier time in the proceeding as required by Article 19, E, Section 5.2 of the collective bargaining agreement ("CBA").[9] The Department also argued that even if the 90-day rule did apply, the Department did comply because the period was tolled until the completion of the criminal trial on December 21, 2011.[10]

The Arbitrator found that the Grievant did not waive his right to invoke the 90-day rule.[11] The Arbitrator relied on *Charles Sims*, FMCS Case No. 08-5712 (2012) (Simmelkjaer, Arb.) which concluded that the Union complied with the requirements of Article 19, E, Section 5.2 when it notified the Chief of Police in its appeal that it would rely on "any and all applicable laws, rules, regulations and provisions of the labor agreement." The Arbitrator further found that there is substantial authority for the proposition that the 90-day rule is jurisdictional and cannot be waived.[12]

The Arbitrator further found that the 90-day rule was only tolled until the end of a criminal investigation. According to the Arbitrator, there was no evidence in the record indicating that the Department, the United States Attorney's Office, the Office of the Attorney General, or the Office of Police Complaints was conducting any criminal investigations into the events after the date of the Grievant's arrest. Therefore, the Arbitrator concluded that the 90-day period should not be extended because the criminal investigation into the receipt of stolen property was completed by March 8, 2011.[13] The Department violated the 90-day rule because it did not serve the Notice of Proposed Adverse Action until April 12, 2012.

The Department argued that the Grievant was charged in the Notice of Proposed Adverse Action with "having been found guilty of 'Attempt Receiving Stolen Property'" and it would not have known of this misconduct until the Grievant was found guilty on December 21, 2011. The Arbitrator found that General Order 120.21 clearly states that it is the act of misconduct which is the basis for an adverse action against an employee, not whether the employee has been convicted of a crime involving that act or misconduct.[14]

The Arbitrator directed the Department to restore the Grievant to work in a position consistent with his rank and experience and provide back pay.[15]

IV. Position of the Parties

The Department argues that the Arbitrator misconstrued the 90-day rule and General Order 120.21 when he found that the Grievant's dismissal violated the 90-day rule. The Department argues that the Arbitrator incorrectly found that the 90-day clock started on March 8, 2011, and therefore expired in July of 2011.[16] General Order 120.21 provides grounds for disciplining a Department member if they have been convicted of a crime or if they have been deemed guilty by the Department without a criminal conviction.[17] The Notice of Proposed Adverse Action specified that the Grievant was being charged for the conviction, not the initial misconduct. The misconduct the Grievant was charged with, his criminal conviction, did not

occur until December 21, 2011.[18] The Department argues that, despite the clear language of General Order 120.21, the Arbitrator determined that the underlying misconduct could only be the criminal act itself, not the conviction.[19]

The Union argues that the Department's complaint is a mere disagreement with the Arbitrator's findings and conclusions.[20] The attempted receipt of stolen property allegation and the subsequent conviction are not two separate acts of misconduct. The underlying conduct and the conviction are both the same "act or occurrence constituting cause."[21] The Union argues that the Arbitrator correctly found that the 90-day rule required that the charges against the Grievant be dismissed.[22]

The Department further argues that the Award is contrary to the dominant public policy of requiring police officers to preserve peace, protect life, and uphold the law.[23] The Department argues that to allow a police officer who has been found guilty of breaking the law to continue working would be directly at odds with this public policy. The Department looks to a case from the Connecticut Superior Court and another by the Court of Appeals of Ohio that vacated arbitration awards based on public policy grounds.[24] The Department also looks to various Department General Orders which require police officers to "observe, uphold and enforce all laws."[25]

The Union argues that the Department is for the first time making a public policy argument.[26] Before the Arbitrator, the Department only argued with respect to how long the 90-day rule should be tolled. During arbitration, the Department did not challenge whether the Grievant's claim could be arbitrated on the basis of public policy. The Union argues that since the Department did not make a public policy argument to the Arbitrator, the Department cannot now make such arguments for the first time before the Board.[27]

V. Discussion

The Union argues that the Department improperly brings a public policy argument for the first time on appeal, without first raising it before the Arbitrator. However, the public policy argument relates to the Board's authority to review arbitration awards, not to the legitimacy of the Department's action. As stated earlier, the CMPA permits the Board to modify, set aside, or remand an arbitration award if it is contrary to law and public policy. The Department's argument is properly before the Board.

[27] Opposition at 17.

For the Board to find the Award was, on its face, contrary to law and public policy, the petitioner has the burden to show the applicable law and public policy that mandates a different result.[28] Regarding a criminal investigation, the 90-day rule states:

> If the act or occurrence allegedly constituting cause is the subject of a criminal investigation by the Metropolitan Police Department or any law enforcement agency with jurisdiction within the United States, the Office of the United States Attorney for the District of Columbia, or the Office of the Attorney General, or is the subject of an investigation by the Office of the Inspector General, the Office of the District of Columbia Auditor, or the Office of Police Complaints, the 90-day period for commencing a corrective or adverse action under subsection (a) or (a-1) of this section shall be tolled until the conclusion of the investigation.[29]

As stated earlier, the Arbitrator found that there was no evidence on the record of a criminal investigation after the date of the Grievant's arrest. The Department offers an interpretation of the 90-day rule and General Order 120.21 that differs from the Arbitrator's interpretation and results in a different timeline. By submitting a grievance to arbitration, the parties agree to be bound by the Arbitrator's interpretation of the parties' agreement, related rules and regulations, as well as the evidentiary findings on which the decision is based; which would include his interpretation of section 5-1031(b) and General Order 120.21.[30] The Board may not modify or set aside the Award because the Department offers a different interpretation of the statute or General Order 120.21.

Finally, the Department argues that the Award is contrary to the public policy requiring police officers to preserve the peace, protect life, and uphold the law. The Board's scope of review, particularly concerning the public policy exception, is extremely narrow.[31] The Board has adopted the U.S. Court of Appeals for the District of Columbia Circuit's holding that a violation of public policy "must be well defined and dominant, and is to be ascertained by reference to the laws and legal precedents and not from general considerations of supposed public interest."[32] The D.C. Circuit went on to explain that the "exception is designed to be narrow so as to limit potentially intrusive judicial review of arbitration awards under the guise of public policy."[33]In order to establish a public policy violation, the Department has cited other jurisdictions as well as its own General Orders; neither of which are "well defined and dominant" or "ascertained by reference to the laws and legal precedents." Moreover, General Orders are not law or public policy. In reference to General Orders, the Court of Appeals has stated that agency protocols and procedures "do not have the force or effect of a statute or an

administrative regulation. Rather, they provide officials with guidance on how they should perform those duties which are mandated by statute or regulation".[34] Furthermore, the Board has already rejected this type of argument as a basis for overturning an Arbitrator's Award.[35] The Department has failed to show the violation of an explicit, well-defined public policy grounded in law and or legal precedent. In the absence of a clear violation of law and public policy apparent on the face of the Award, the Board may not modify, set aside, or remand the Award as contrary to law and public policy.

VI. Conclusion

The Board rejects the Department's arguments and finds no grounds to modify, set aside, or remand the Arbitrator's Award. Accordingly, the Department's request is denied and the Award is enforceable as written.

IT IS HEREBY ORDERED THAT:

v.	PERB Case No. 17-U-22
District of Columbia and the Department of Behavioral Health	Opinion No. 1685
Respondents	

DECISION AND ORDER

On February 22, 2017, complainant American Federation of Government Employees Local 1403 ("Union") filed an unfair labor practice complaint ("Complaint") naming as respondents the District of Columbia and the Department of Behavioral Health (collectively "the Respondents").[1] The Complaint alleges that the Respondents committed an unfair labor practice by removing two employees, Anndreeze Williams and Maureen Dimino (collectively "the Employees"), from the bargaining unit represented by the Union. The Respondents filed an answer with affirmative defenses ("Answer"). Having reviewed the record, the Board concurs with the Hearing Examiner's conclusion that the Respondents did not commit an unfair labor practice.

I. Statement of the Case

A. Pleadings

The facts established by the pleadings, having been alleged in the Complaint and admitted in the Answer, are as follows. The Union is a certified collective bargaining representative of approximately three hundred non-supervisory attorneys employed in the Office of the Attorney General and other agencies, including respondent Department of Behavioral

[1] The Complaint also named the Office of Legal Counsel as a respondent. In their answer the Respondents moved to dismiss the Office of Legal Counsel because the Complaint stated no allegations against it. At the hearing the Union acceded to the Respondents' motion. Tr. 37. Consequently, the Office of Legal Counsel has been removed from the caption.

Health ("Department"). At the time of the filing of the Complaint, the Union was a party to a collective bargaining agreement with the District and the Office of the Attorney General effective from October 1, 2013, to September 30, 2017, ("the 2013 CBA"). The 2013 CBA provided:

> The following employees are excluded from the bargaining unit covered by the Agreement: . . .
>
> 3. Employees who act in a confidential capacity with respect to an individual who formulates or effectuates management policies regarding attorney employees in the field of labor relations;
>
> 4. Employees engaged in personnel work regarding attorney employees in other than a purely clerical capacity. . . .

In a letter dated January 18, 2017, the Department's director of human resources told the Union's president that Andreeze Williams and Maureen Dimino "had been improperly coded as bargaining unit members" because the two perform significant personnel work and have access to confidential information. The letter served notice that the Department would, "consistent with District law, immediately code Anndreeze William and Maureen Dimino as outside any collective bargaining unit."[2]

The Union alleges that neither Williams nor Dimino "performs personnel work or has confidential information affecting AFGE Local 1403 bargaining unit members."[3] As a result, in the Union's view, the Department's position in its January 18, 2017 letter is contrary to the above-quoted provisions of the 2013 CBA as well as the Board's precedent.[4] The Union further alleges, "The unilateral removal of Williams and Dimino from the bargaining unit, made without notice to, or bargaining with, the Union/charging party, amounted to an unlawful refusal to bargain collectively with the Union in good faith in violation of D.C. Code §l-617.04(a)(1) and (5)."[5]

The Union requests the following remedies:

> a. Declare that Respondent violated D.C. Code § 1-617.04(a)(l) and (5) by virtue of the foregoing actions;
> b. Declare that the A[F]GE Local 1403 bargaining unit includes all non-supervisory attorneys employed by the District of Columbia in the District of Columbia Office of

Attorney General and the District's agencies, including the DCPS [*sic*] Office of General Counsel, who perform personnel work, so long as that personnel work does not directly or indirectly affect other attorneys who are members of the AFGE Local 1403 bargaining unit;[6]

c. Order the District of Columbia, DCPS [*sic*] and their agents to desist from committing further unfair labor practices;
d. Reimburse the charging party for dues that would have been paid but for Respondent's unlawful actions;
e. Order Respondents to conspicuously post an appropriate notice; and
f. Take such other and further action as the PERB deems necessary and appropriate to remedy the above unfair labor practices.[7]

In their Answer the Respondents raise several defenses. The first is that section 1-617.09(b) of the D.C. Official Code excludes certain categories of employees and that Williams and Dimino are in some of those categories. The Answer asserts that Williams falls into the exclusion for confidential employees[8] as well as the exclusion for employees "engaged in administering the provisions of this subchapter."[9] Dimino, the Answer asserts, falls into the exclusion for employees "engaged in personnel work in other than a purely clerical capacity."[10]

The Respondents' second defense is that the certification of representative that the Complaint alleges is applicable, PERB Certificate No. 133, also excludes the Employees from the bargaining unit because it too excludes "confidential employees, employees engaged in personnel work in other than a purely clerical capacity and employees engaged in administering the provisions of title XVII of the District of Columbia Comprehensive Merit Personnel Act of 1978, D.C. Law 2-139." The predecessor certification contains the same exclusions. The Answer maintains that the parties cannot enlarge or limit exclusions found in the law and the certifications.[11] Rather, the Answer states, only the Board has jurisdiction to expand the scope of a bargaining unit, adding, "The Complainant did not have such jurisdiction or authority when it negotiated terms in Article 1, Section 5 of the CBA that are inconsistent with the PERB's

[6] The second paragraph of the Complaint's prayer for relief is, in effect, a request for a unit modification. It requests the Board to issue a bargaining unit description that modifies an existing unit by adding language to the unit description in the Certification of Representative. Joint Exhibit 3. The Complaint does not allege that any of the permissible grounds for unit modification set forth in Rule 504.1 are present and does not satisfy the requirements of Rule 504.2(b) and (d) for petitions for unit modification. Therefore, the Union's request for a unit modification is denied.

certifications (and D.C. Official Code § 1-617.09(b)).”[12] Finally, the Answer asserts that the 2013 CBA does not apply to the Employees.

The Executive Director referred the case to a Hearing Examiner.

B. Hearing

The Hearing Examiner conducted a hearing on February 12, 2018. At the hearing the parties agreed that the issue was whether “the employer committed unfair labor practice [*sic*] when it removed Williams and Dimino from the bargaining unit.”[13] At the hearing the parties presented arguments and evidence. Following the hearing, the parties submitted briefs.

On June 12, 2018, the Hearing Examiner submitted her Report and Recommendation (“Report”) to the Board. The Report states that the relevant code section is section 1-617.09(b)(1), (2), and (4) of the D.C. Official Code, which provides:

> A unit shall not be established if it includes the following: . . .
>
> (2) A confidential employee;
>
> (3) An employee engaged in personnel work in other than a purely clerical capacity;
>
> (4) An employee engaged in administering the provisions of this subchapter. . . .

The Hearing Examiner stated that the decisions of the Board and of the Federal Labor Relations Authority (“FLRA”) “do not support the Union’s position that Attorney Williams and Attorney Dimino should be included in a unit with other attorneys because they do not perform personnel work that affects other attorneys in [the Department].”[14] The Hearing Examiner found that both Williams and Dimino perform non-clerical personnel work that relates to their department.[15] She recommended that both employees should be excluded from the bargaining unit on that basis.[16] In addition, the Hearing Examiner found two other grounds for excluding Williams from the bargaining unit. First, the Hearing Examiner found that Williams was a confidential employee[17] and as such an employee, she should be excluded from the unit under section 1-617.09(b)(2).[18] Second, the Hearing Examiner found that Williams is “engaged in

administering Labor-Management relations" and "administers the Department's labor policy" under the Comprehensive Merit Personnel Act ("CMPA") and that as a result she should be excluded from the unit under section 1-617.09(b)(4).[19]

The Hearing Examiner rejected the Union's argument that the 2013 CBA takes precedence over the law, adding that "[t]he parties' prior CBA is unenforceable regarding the scope of the exclusions under D.C. Code § 1-617.09(b)(3) and (b)(4)."[20]

The Hearing Examiner recommended that the Board find that an unfair labor practice was not committed.[21] No exceptions were filed. The Report is before the Board for consideration in accordance with Rule 520.14.[22]

II. Analysis

The Union contends that the Respondents committed an unfair labor practice by refusing to bargain in good faith in violation of section 1-617.04(a)(1) and (5) of the D.C. Official Code.[23] The Union presents two grounds for this contention, asserting that the removal of Williams and Dimino from the bargaining unit (1) was done unilaterally without notice or bargaining and (2) was contrary to the terms of the 2013 CBA.

A. Unilateral Removal

The Union claims that the Respondents violated the CMPA when they "unilaterally removed Anndreeze Williams and Maureen Dimino from the bargaining unit, without notice to or bargaining with the Union."[24]

The Board has found the unilateral removal of an employee from a bargaining unit to be an unfair labor practice when the employee is not statutorily excluded from the unit, but conversely it has not found the unilateral removal of an employee who is statutorily excluded to be an unfair labor practice.[25]

The Respondents assert that three statutory exclusions found in section 1-617.09(b)(2)-(4) pertain to the Employees. That section excludes from bargaining units

The Board has consistently applied the test that employees are excluded pursuant to section 1-617.09(b)(2) if they "function in . . . confidential roles sufficiently involved in labor relations and policy formulation matters to justify their exclusion from the unit"[26] and "the employee's relationship to labor relations policy and collective bargaining matters would create, between management and the Union, a conflict of interest for the incumbent of the position at issue."[27]

The Report reflects that Williams functions in a confidential role that significantly involves her in labor-management relations in ways that include "conducting collective bargaining negotiations, handling and deciding grievances, as well as preparing for and defending arbitrations, and representing the Agency in multiple bargaining and impasse sessions."[28] The Hearing Examiner found Williams's involvement in these matters sufficient to justify her exclusion from the unit.[29] The Hearing Examiner's findings are not sufficient to establish that Williams is a confidential employee. Although the Hearing Examiner discussed the parties' arguments on whether conflict of interest is an element of the exclusion of employees engaged in personnel work, she did not make a finding on whether Williams's relationship to labor policy and collective bargaining would create for Williams a conflict of interest between the Department and the Union.

The Hearing Examiner's findings on the exclusion of employees engaged in personnel work, however, are sufficient to exclude Williams as well as Dimino from the bargaining unit. Section 1-617.09(b)(3) excludes "[a]n employee engaged in personnel work in other than a purely clerical capacity." The Union's position is that this provision should be read to exclude "employees who perform personnel work in other than a purely clerical capacity for other members of the unit of which they are a member."[30]

In support of that argument, the Union quotes part of the following sentence from the Board's decision in *AFGE, Local 1403 v. Office of the Attorney General*[31] ("*Office of the Attorney General*"): "The Hearing Examiner stated the FLRA has made clear that such personnel work must relate directly to the personnel operations of the employee's own employing agency, which would create a conflict of interest between the employee's job and union representation if included in the unit."[32] The Union mischaracterizes this sentence as a holding of the Board even though in the sentence the Board merely restated what the hearing examiner said about the FLRA decision. The FLRA decision does not support the Union's position. The FLRA said that to be excluded employees must do personnel work for their "own employing agency."[33] It is undisputed that the Employees do that.[34]

The Union acknowledges that the quoted FLRA standard is broader than the one it advocates, but it claims that in *Office of the Attorney General* the Board excluded an employee named Polly Goff on the basis of a narrower exclusion: "While stating that it was applying this broader standard, PERB accepted the Hearing Examiner's finding that Polly Goff was excluded from the unit because her personnel work did affect other attorneys in her own bargaining unit, thus actually relying on and applying the narrower standard that we urge should be applied here."[35] None of that is true. Neither the hearing examiner nor the Board took the position that Goff should be excluded because her personnel work affected others in her own bargaining unit. All the opinion says about the effect of Goff's work on her unit is that "the Hearing Examiner found because Goff's work had District-wide implications, it affects her own Agency and unit."[36] The two words "and unit" at the end of that finding of fact cannot be stretched into a cause of the exclusion in that case or into an essential element of exclusion in future cases. The effect on Goff's unit was a fact of the case, not the beginning of a doctrine, as the FLRA explained with regard to similar statements in its decisions: "The statements in those decisions that performing personnel work 'affected the bargaining unit' resulted in exclusion may be explained as statements of fact, not findings that such facts were necessary for the exclusion to apply in the first place."[37]

After inviting briefs from all federal agencies and labor unions, the FLRA held in two companion cases that an effect on the employee's bargaining unit is *not necessary* for the personnel work exclusion to apply.[38] The Union acknowledges that the FLRA's position is adverse to its position but offers that the Board is not bound by the FLRA.[39] While the Board is not bound by the FLRA, it is bound by the CMPA, and what Chairman Cabaniss said in his

concurrences to the two companion cases applies equally to the CMPA's section 1-617.09(b)(3): "I would also reach the same conclusion as the majority in this case by the additional rationale of reliance on the plain language provided by Congress at § 7112(b)(3) of our Statute. That language excludes from bargaining unit status, without exception, 'an employee engaged in personnel work in other than a purely clerical capacity[.]'"[40] The limitation on the exclusion that the Union seeks is not to be found in section 1-617.09(b)(3). Neither the Board's nor the FLRA's cases support a different conclusion.

In view of the plain language of the provision, the Hearing Examiner properly considered whether the Employees "engaged in personnel work in other than a purely clerical capacity" without imposing the extra-statutory limitation proposed by the Union. She summarized the testimony on the subject as follows:

> [T]he General Counsel who serves as attorney supervisor, Matthew Caspari testified on the record that Anndreeze Williams is the Chief Labor Counsel for DBH. (Tr. 181). He also testified that Ms. Williams represents DBH in bargaining and impasse hearings. Ms. Dimino testified that she serves as a chairperson of the Performance Review and Reconsideration Committee for non-attorney DBH employees. (Tr. 40). Ms. Dimino also testified that she has served as a hearing officer to determine whether a DBH employee met the residency requirements for the employment preference. (Tr. 65, 66). Attorney Dimino also admitted working closely with the EEO Officer, David Prince, to investigate EEOC claims. (Tr. 73). The undersigned Hearing Examiner credits the testimony of the witnesses during the hearing. *Both Ms. Williams and Ms. Dimino perform personnel work for DBH that is non-routine and not of a clerical nature.* They admitted on the record their involvement in matters requiring exercise of discretion and independent judgment in duties such as research, participating in hearings, developing agency defenses, defending against employee/union grievances, handling settlement negotiations, representing the agency in more than 50 arbitrations, administering agency policy, advising management in impact and effects bargaining, representing the agency on negotiations teams during collective bargaining, as well as employees' evaluations challenges. District of Columbia*, 617 A.2d 509, 512 (D.C. 1992) ("The proposition that plain statutory language generally trumps other considerations is hardly subject to challenge.")
[41] Report 18 (emphasis added).

On the basis of that testimony, the Hearing Examiner concluded that both Employees are statutorily excluded because both engage in personnel work in other than a purely clerical capacity.[42] That conclusion is reasonable, supported by the record, and consistent with Board precedent.

Finally, the Hearing Examiner also found that Williams should be excluded pursuant to section 1-617.09(b)(4) because she "engaged in administering Labor-Management relations" and "administers the Department's labor policy." Those findings do not answer the question posed by section 1-617.09(b)(4). Section 1-617.09(b)(4) excludes "[a]n employee engaged in administering the provisions of this subchapter," i.e., the Labor-Management Relations subchapter of the CMPA. William is involved with compliance with that subchapter, but there is no evidence in the record that, like the staff of this Board, Williams administers the Labor-Management Relations subchapter of the CMPA.

In conclusion, section 1-617.09(b)(3) requires the exclusion of the Employees from the bargaining unit. Therefore, the Respondents did not commit an unfair labor practice by excluding them from it unilaterally.

B. Alleged Contract Violation

The Union contends that the 2013 CBA expressly covers non-supervisory attorneys assigned to work for agencies including the Department.[43] Article 1, section 5 of the 2013 CBA provides:

> The following employees are excluded from the bargaining unit covered by the Agreement: . . .
>
> 3. Employees who act in a confidential capacity with respect to an individual who formulates or effectuates management policies regarding attorney employees in the field of labor relations;
>
> 4. Employees engaged in personnel work regarding attorney employees in other than a purely clerical capacity. . . .[44]

The Union alleges that the Employees "have never 'engaged in personnel work regarding attorney employees in other than a purely clerical capacity.'"[45] The Union asserts that the Respondent's position is contrary to article, 1 section 5.[46]

[42] Report 23.
[43] Complaint ¶¶ 19, 20.
[44] Union's Ex.
[45] Complaint ¶ 24 (quoting art. 1, § 5(4)).
[46] Complaint ¶ 26.

The Respondents argue that the 2013 CBA cannot supersede section 1-617.09(b) or PERB's certifications, which track the language of the statute. In addition, the Respondents argue that the 2013 CBA did not apply to the Employees after the law transferred them from the Attorney General's Office to the Department on October 1, 2014.[47] In response, the Union asserts that the Department did not change the employees' status for two years after October 1, 2014, during which time it continued to remit dues to the Union. The Union argues that agencies are obliged to honor an expired contract until a successor contract is negotiated.[48]

On October 1, 2017, a new contract between the Union and the District and the Office of the Attorney General took effect. It does not retain the language from the prior contract that the Union relies upon to limit the exclusion of employees engaged in personnel work. Instead it references section 1-617.09(b).[49]

While the Department's classification of the Employees comports with the present contract, from January 17, 2017, to October 1, 2017, the classification of the Employees was arguably inconsistent with the contract then in effect. However, an alleged breach of a collective bargaining agreement does not state a claim of an unfair labor practice prohibited by the CMPA.[50] An employer's breach of a collective bargaining agreement is not an unfair labor practice unless the employer has entirely failed or refused to implement a collective bargaining agreement where no dispute exists over its terms.[51] Such conduct is a repudiation of the collective bargaining agreement and a violation of the duty to bargain. To establish a repudiation, a complainant must offer specifics indicating a repudiation of the contract rather than merely disputes over its terms.[52]

Here the Union neither alleged repudiation of the 2013 CBA nor put specifics of a repudiation into evidence. Instead what we have in this case is a dispute over the application of article 1, section 5 of the contract. The Respondents maintain that article 1, section 5 does not apply to the Employees and does not supersede certifications or the law. Disputes concerning the meaning or application of a contract or concerning alleged contract violations are matters for resolution through negotiated grievance procedures rather than through unfair labor practice proceedings.[53]

BOARD OF ZONING ADJUSTMENT

Application No. 19583-A of Jemal's East 451 LLC, pursuant to 11 DCMR Subtitle Y § 703, for a minor modification to the plans approved by BZA Order No. 19583 to construct a 13-story hotel in the D-4-R zone at premises 601 K Street, N.W. (Square 451, Lot 23, 24, 25, 823, 822).

The original application (No. 19583) was pursuant to 11 DCMR Subtitle X, Chapter 9, for special exception under Subtitle C § 1500.3(c) from the penthouse regulations of Subtitle C § 1500, to construct a 13-story hotel in the D-4-R zone at premises 601 K Street N.W. (Square 451, Lot 23, 24, 25, 823, 822).

HEARING DATES (Case No. 19583):	October 11, 2017 and November 29, 2017
DECISION DATE (Case No. 19583):	November 29, 2017
ORDER ISSUANCE DATE (Case No. 19583):	December 5, 2017
MODIFICATION DECISION DATE:	October 24, 2018

SUMMARY ORDER ON REQUEST FOR MINOR MODIFICATION

BACKGROUND

On November 29, 2017, in Application No. 19583, the Board of Zoning Adjustment ("Board" or "BZA"), based on a self-certification, approved the request by Jemal's East 451 LLC (the "Applicant") for special exception under Subtitle C § 1500.3(c) from the penthouse regulations of Subtitle C § 1500, to construct a 13-story hotel in the D-4-R zone at premises 601 K Street N.W. (Square 451, Lot 23, 24, 25, 823, 822).

In the original application, Application No. 19583, the Board approved special exception relief under Subtitle C § 1500.3(c) from the penthouse regulations of Subtitle C § 1500, to authorize use of the penthouse of a new hotel to be constructed on the subject property for restaurant, lounge, nightclub, or bar uses. Both the Office of Planning ("OP") and the District Department of Transportation ("DDOT") recommended approval of Application No. 19583. Also, the affected Advisory Neighborhood Commission ("ANC") for the subject property, ANC 6E, the only other party to the Application, recommended approval of the application. On November 29, 2017, the Board approved the requested special exception relief.

The Board issued Order No. 19583 (the "Order") on December 5, 2017, subject to the approved plans at Exhibits 39A1-39A3 in the record of Case No. 19583 and two conditions:

1. The Applicant shall restrict the hours of operation of the restaurant, bar, or lounge so that the hours end no later than midnight on weekdays (Sunday through Thursday for Alcoholic Beverage Regulation Administration ("ABRA") licensing purposes) and 2:00 AM on weekends (Friday and Saturday for ABRA licensing purposes).

2. The Applicant shall not allow excessive noise, per the ABRA regulations, on the rooftop at any time.

(Exhibit 4.)

MOTION FOR MINOR MODIFICATION

On September 19, 2018, the Applicant submitted a request for a minor modification to modify the plans approved by the Board in Order No. 19583. (Exhibits 1-7.) Pursuant to 11 DCMR Subtitle Y § 703, the Applicant, as a result of further design development, is requesting a minor modification to make several design refinements including redesign of the entry along K Street, redesign of the penthouse, and redesign of bay window projections. (see Exhibit 3, p. 2 items A.-E. for complete list and see revised set of drawings showing proposed refinements at Exhibits 5A and 5B.)

The Applicant served the request on ANC 6E on September 20, 2018. (Exhibit 3.)

On October 16, 2018, the Applicant filed a supplement to its original request adding a new design request to remove guest rooms from a portion of the second floor; correcting an error in the approved plans calculation of gross floor area ("GFA") which will result in a decrease instead of an increase on overall GFA; and clarifying that the Office of Planning ("OP") was provided with the additional information requested, i.e. a zoning compliance table and estimated affordable housing contribution (see Exhibit 10, pgs. 2-3. Also see revised drawings reflecting the changes at Exhibits 9A1 and 9A2.)

The Applicant served ANC 6E and OP with the further modification request on October 16, 2018. (Exhibit 8.) The Applicant asked for the matter to be decided as a minor modification.

The Office of Planning ("OP") submitted a report, dated October 17, 2018, recommending approval of the request for a minor modification to the previously approved plans. (Exhibit 12.) Specifically, OP has recommended the requested changes to the size, height and layout of the penthouse, as illustrated in the exhibits in Case No. 19583-A dated October 16, 2018 (Exhibits 9A1 and 9A2), and for which a special exception under Subtitle C § 1500.3 was approved in the Order. In its report, OP also indicated it has no objection to the other design and numerical refinements contained in the October 16, 2018 Exhibits to the building drawings and development numbers that accompanied the Order and were approved by the Board. OP noted that since the issuance of the Order the Applicant has refined the design of other parts of the building and that these refinements have resulted in changes to portions of the K Street façade, the entry vestibule, the cellar and, to comply with public space regulations, bay window projections on 6th Street. OP indicated that other than the penthouse, none of these refinements affect previously granted relief, not do they require new relief, but for the sake of clarity when filing for a building permit, the Applicant has asked the Board to also approve the non-penthouse changes to the drawings that previously accompanied the Order. (Exhibit 12.)

ANC 6E submitted a report on October 22, 2018 that indicated that it recommended approval of the modification request. The ANC's report stated that at a duly noticed public meeting on October 2, 2018, at which a quorum was present, the ANC voted 7-0-0 to support the Applicant's request with the following two conditions:

1. The trash room be located indoors; and

2. Douglas will continue to work with the Commission to obtain DDOT approval for a lay-by on 6th St. and/or K St.

(Exhibit 13.)

The Applicant submitted a response to the ANC's report on October 23, 2018, stating that while the requested items are not directly relevant to the items raised in the Applicant's modification request, the Applicant has no objection to these requested conditions. (Exhibit 14.)

DDOT did not submit a report in this matter.

The Merits of the Request for Minor Modification

The Applicant's request complies with 11 DCMR Subtitle Y § 703.3, which defines a minor modification as "modifications that do not change the material facts upon which the Board based its original approval of the application."

In the application herein, the Applicant is requesting a minor modification to the plans approved in Order No. 19583 to make minor changes to the size, height, and layout of the penthouse approved by the Board as part of Application No. 19583, which application involved approval of the use of the penthouse of a hotel for bar/restaurant/ lounge/nightclub use. As noted by OP in its report, the penthouse for which the special exception use was permitted by Order No. 19583 was to be one-story and 18 feet tall, and setback-compliant. The Applicant proposes to alter that plan and now provide a one-story-plus-mezzanine penthouse that would be 20 feet tall, setback-compliant and 760 square feet larger than the previous penthouse. The uses would be the same as those permitted by Order No. 19583.

The Applicant's supplemental submission also included a request to: (1) clarify the minor design changes proposed for the approved project; (2) identify and correct minor calculation errors in the approved drawings; and (3) address certain issues raised in discussion with OP regarding the minor modification request. A full, corrected set of comparative drawings of the approved and proposed design of the project is included at Exhibit 9A1 and 9A2 together with a comparative estimate of penthouse habitable contribution to the Housing Production Trust Fund at Exhibit 10. The Applicant also requested that should the Board approve the minor modification request, that reference in its approval be made to this set of revised drawings.

In its analysis, OP notes that the proposed penthouse changes would result in a zoning-compliant change to the penthouse dimensions and a minor increase in the amount of space devoted to the special exception use. The Applicant calculates this would result in an increase in the required affordable housing contribution from approximately $84,767 to approximately $102, 852. No new relief is required for the penthouse. There has been no significant change in the surrounding neighborhood since Order No. 19583 became final. Therefore, the material facts upon which the Board based its original approval have not changed.

Pursuant to Subtitle Y §§ 703.6-703.9, the request for a minor modification shall be served on all other parties to the original application and those parties are allowed to submit comments within 10 days after the request has been filed with the Office of Zoning and served on all parties.

The Applicant provided proper and timely notice of the request for minor modification to ANC 6E, the other party to Application No. 19583. (Exhibits 3 and 8.) ANC 6E was the only other party to the original application and notice of the initial proposed refinements was provided on September 19, 2018 and notice of the supplemental proposed refinements was provided on October 16, 2018.[1] On October 22, 2018, ANC 6E submitted a report to the record of this application recommending conditional approval[2] of the modification request. (Exhibit 13.)

The Applicant also served its request on the Office of Planning. OP submitted a report dated October 17, 2018 recommending approval of the requested modification as a minor modification. (Exhibit 12.)

As directed by 11 DCMR Subtitle Y § 703.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for a minor modification. Based upon the record before the Board and having given great weight to the ANC and OP reports filed in this case, the Board concludes that in seeking a minor modification to the plans approved in Case No. 19583, the Applicant has met its burden of proof under 11 DCMR Subtitle Y § 703, that the proposed modification has not changed any material facts upon which the Board based its decision on the underlying application that would undermine its approval.

As noted, the only parties to the case were the ANC and the Applicant. Accordingly, a decision by the Board to grant request would not be adverse to any party and therefore an order containing full finding of facts and conclusions of law need not be issued pursuant to D.C. Official Code § 2-509(c) (2012 Repl.). Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

[1] The ANC was advised by the Office of Zoning of its right to respond to the supplemental proposed refinements by October 23rd, which allowed the ANC seven days' response time instead of the 10 days required by Y-703.9, by the Board Chair's authorization.

[2] The Board found that the conditions requested by the ANC were not related to the relief being requested and thus declined to adopt them.

It is therefore **ORDERED** that this application for a minor modification of the Board's approval in Application No. 19583 is hereby **GRANTED, SUBJECT TO THE MODIFIED PLANS AT EXHIBITS 9A1 AND 9A2.**

In all other respects, Order No. 19583 remains unchanged.

BOARD OF ZONING ADJUSTMENT

Application No. 19821 of 1322 Randolph ST NW LLC, pursuant to 11 DCMR Subtitle X, Chapter 9, for a special exception under the residential conversion requirements of Subtitle U § 320.2, to construct a third story and a three-story rear addition to the existing principal dwelling unit and convert it to a three-unit apartment house in the RF-1 Zone at premises 1322 Randolph Street N.W. (Square 2825, Lot 127).

HEARING DATES: October 10 and 24, 2018
DECISION DATE: October 31, 2018

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR Subtitle Y § 300.6. (Exhibits 12 (original) and 40A (revised)[1].) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 4C and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 4C, which is automatically a party to this application. The ANC submitted a report in support of the application. The ANC report indicated that at a duly noticed and scheduled public meeting on October 10, 2018, at which a quorum was present, the ANC voted 7-1-0 in support of the application with conditions. (Exhibit 37.) The ANC report indicated that the Applicant had agreed to the following conditions:

1. Contribution of $5,000 to the Housing Production Trust Fund;
2. Install permeable pavers for any driveway/parking pad, walkway, or patio surface to be installed;
3. Replace lead service line to property, if applicable;
4. Compensate the adjoining neighbor with solar panels in the amount of $10,000.

The ANC also asked the Applicant to make design changes regarding the adjacent neighbor's solar panels and enter into an agreement with the neighbor. The neighbor wrote a letter of support for the application, acknowledging that the Applicant had entered into a written agreement with her regarding the impact of the project on her existing solar panels. Consequently, the Board determined that the ANC's proposed condition related to the neighbor's

[1] The Applicant revised the self-certification form in Exhibit 40A to modify the rear yard and lot occupancy calculations, but did not amend the relief.

solar panels was not necessary because the requirements of Subtitle U § 320.2(g) have been met. The Board also found that the other three proposed ANC conditions did not pertain to the zoning relief, and therefore, declined to adopt them in this order.

The Office of Planning ("OP") submitted a timely report, recommending approval of the application. (Exhibit 38.)

The District Department of Transportation ("DDOT") submitted a timely report indicating that it had no objection to the grant of the application with conditions. (Exhibit 33.)

A letter of support from the adjacent neighbor at 1320 Randolph Street, N.W. was submitted to the record. (Exhibit 40B.)

Two letters in opposition to the application from other neighbors on the block were submitted to the record. (Exhibits 35-36.)

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for a special exception under the residential conversion requirements of Subtitle U § 320.2, to construct a third story and a three-story rear addition to the existing principal dwelling unit and convert it to a three-unit apartment house in the RF-1 Zone. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the ANC and OP reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2 and Subtitle U § 320.2, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 44C.**

VOTE: **3-0-2** (Carlton E. Hart, Lorna L. John and Peter G. May to APPROVE; Frederick L. Hill, Lesylleé M. White, not present or voting.)

BY ORDER OF THE D.C. BOARD OF ZONING ADJUSTMENT
A majority of the Board members approved the issuance of this order.

AN APPLICANT SHALL CARRY OUT THE CONSTRUCTION, RENOVATION, OR ALTERATION ONLY IN ACCORDANCE WITH THE PLANS APPROVED BY THE BOARD AS THE SAME MAY BE AMENDED AND/OR MODIFIED FROM TIME TO TIME BY THE BOARD OF ZONING ADJUSTMENT.

SUMMARY ORDER

SELF-CERTIFICATION

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR Subtitle Y § 300.6. (Exhibits 38 (Updated)[1] and 15 (Original).) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 6C and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 6C, which is automatically a party to this application. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on September 12, 2018, at which a quorum was present, the ANC voted 5-0-0 to submit a written report to the Board raising "inconsistencies in the drawing of the rear deck/walkway and the question of whether or not the deck/walkway qualifies as a 'landing.'" (Exhibit 35.) The ANC further indicated that, if the Board finds that the lot occupancy of the project does not exceed 70%, the ANC supports the special exception application; however, the ANC noted that if the Board finds that the lot occupancy exceeds 70%, it would not support the application, as a

variance would be required. (Exhibit 35.) The Applicant's agent testified that the inconsistencies raised by the ANC were addressed in the drawings submitted to the record after the ANC meeting. (Exhibit 37.) In evaluating the application, the Board considered the Applicant's most recent revised plans and corresponding self-certification form, which reflect a lot occupancy of 69.74%. (Exhibits 37-38.) Based on the determination that the lot occupancy is under 70%, the Board considers the ANC's position to be in support of the application.

The Office of Planning ("OP") submitted a timely report recommending approval of the application. (Exhibit 41.) The District Department of Transportation ("DDOT") submitted a timely report indicating that it had no objection to the application. (Exhibit 40.)

Four letters of support were filed to the record. (Exhibits 4, 6, 7, and 11.)

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for special exceptions under Subtitle E § 5201 from the lot occupancy requirements of Subtitle E § 304.1, the rear yard requirements of Subtitle E § 306.1, and the nonconforming structure requirements of Subtitle C § 202.2, and under Subtitle C § 703.2 from the minimum parking requirements of Subtitle C § 701.5, to enclose a rear porch and construct a second-story rear addition to an existing principal dwelling unit in the RF-1 Zone. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2, Subtitle E § 5201, 304.1, and 306.1, and Subtitle C § 202.2, 703.2, and 701.5, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 37.**

VOTE: **5-0-0** (Frederick L. Hill, Michael G. Turnbull, Lesylleé M. White, Lorna L. John, and Carlton E. Hart to APPROVE).

SUMMARY ORDER

REVIEW BY THE ZONING ADMINISTRATOR

The application was accompanied by a memorandum, dated September 26, 2018 from the Zoning Administrator, certifying the required relief. (Exhibit 6 (original); Exhibit 45 (revised).)

The Board of Zoning Adjustment ("Board") provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 3E and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 3E, which is automatically a party to this application. The ANC submitted a resolution which indicated that at a regularly scheduled, properly noticed public meeting on October 11, 2018, at which a quorum was present, the ANC voted 5-0-0 to support the application, with one condition. (Exhibit 49.) Although the Applicant agreed to the condition, the Board did not deem the condition relevant to the zoning relief requested, and did not include it in this order of approval.

The Office of Planning ("OP") submitted a timely report recommending approval of the application. (Exhibit 48.) The District Department of Transportation ("DDOT") submitted a timely report indicating that it had no objection to the grant of the application. (Exhibit 46.) Three email letters of support were submitted into the record from owners and tenants who are adjacent to the property. (Exhibit 43.)

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for special exceptions under Subtitle D §§ 306.4 and 5201 from the rear yard requirements of Subtitle D § 306.2 and the rear addition requirements of Subtitle D § 306.3, to construct a one-

story rear addition to an existing principal dwelling unit in the R-3 Zone. The only parties to the case were the ANC and the Applicant. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2, Subtitle D §§ 5201, 306.4, 306.2, and 306.3, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 41 – REVISED ARCHITECTURAL PLANS AND ELEVATIONS, AND EXHIBIT 44 – REVISED SITE PLAN WITH STAIRS.**

VOTE: **5-0-0** (Frederick L. Hill, Lesylleé M. White, Lorna L. John, Carlton E. Hart, and Michael G. Turnbull to APPROVE).

ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF FILING
Z.C. Case No. 18-21
(Hanover R.S. Limited Partnership – Consolidated PUD and Related Map Amendment @ Squares 3832 and 3835)
November 5, 2018

THIS CASE IS OF INTEREST TO ANC 5E and 5B

On October 30, 2018, the Office of Zoning received an application from Hanover R.S. Limited Partnership (the "Applicant") for approval of a consolidated planned unit development ("PUD") and related map amendment for the above-referenced property.

The property that is the subject of this application consists of Lot 15 in Square 3832 and Lot 804 n Square 3835 in northeast Washington, D.C. (Ward 5), on property located at 3135 and 3201 8th Street, N.E. The property is currently zoned PDR-1. The Applicant is proposing a PUD-related map amendment to rezone the property, for the purposes of this project, to the MU-4 zone.

The Applicant proposes to construct two multifamily residential buildings separated by a landscaped entry plaza and containing a total of approximately 375 units. The buildings will function as a single residential development, but will be separated into two buildings in order to break down the scale of the project. The two buildings together will include approximately 325,050 square feet of gross floor area, with a density of 3.6 floor area ratio ("FAR") and a maximum height of 65 feet (measured to the top of the parapet). The project will include a below-grade parking garage with 186 car parking spaces and 125 bicycle parking spaces. Further, it will be designed to LEED-Gold standards under the LEEDv4 Multifamily Midrise standard, and it will provide 12% of the gross floor area as affordable units (in a range between 30% of median family income "MFI" and 80% MFI).

This case was filed electronically through the Interactive Zoning Information System ("IZIS"), which can be accessed through http://dcoz.dc.gov. For additional information, please contact Sharon S. Schellin, Secretary to the Zoning Commission at (202) 727-6311.
