Law 2-139; D.C. Official Code § 1-623.44 (2016 Repl. & 2018 Supp.)); the Office of Administrative Hearings Establishment Act of 2001 (OAH Act), effective March 6, 2002 (D.C. Law 14-76; D.C. On January 11, 2019 at 66 DCR 000439, ORM published proposed rules that were intended to amend the foregoing sections within the existing Chapter 1 of Title 7 DCMR. ORM solicited public comment for a period of thirty (30) days, and the public comment period closed on February 11, 2019. ORM received one written comment by mail from a Public Sector Injured Worker attorney. No other comments were received. ORM appreciates the public comment submitted in response to the January 11, 2019 notice; the relevant issues raised in the comment were taken into consideration in the development of this rulemaking. The public comment received can be viewed at <http://www.orm.dc.gov>.

ORM finds that the proposed rules are necessary for the Public Sector Workers’ Compensation Program (Program) to comply with the CMPA. After review and consideration of the public comment received, ORM’s further consideration of Subchapter 23 and 21 of the CMPA, and the issues raised in the proposed rulemaking, ORM, as a logical outgrowth of this process, has only made non-substantive changes in this final rulemaking to clarify the application of the rules. The changes made in the final rulemaking do not substantially change the intent, meaning, or application of the proposed rules as published with the notice of proposed rulemaking, or impose new obligations or requirements on claimants. Rather, the changes serve to clarify application of the rules by lessening restrictions and decreasing burdens on claimants, and to correct language or grammar errors.

## Summary of Comments Not Resulting in ORM Rule Changes

The comment received resulted in one non-substantive change that interprets statutory requirements to decrease burdens for workers' compensation claimants or recipients. The remaining issues raised in the comment involved rules that the commenter perceived to be changes to the existing rules, where in fact no actual substantive changes were proposed.

The following presents the issues raised by the commenter and ORM's response.

### *Preamble of Proposed Rule Making*

The commenter expressed concern that the proposed rulemaking's preamble failed to provide a brief statement of the underlying need for the new rules, the impact of the new rules, the proposed changes, or summary of the rules. Under the D.C. Administrative Procedures Act (APA), ORM is required to publish the notice of proposed rulemaking in the *D.C. Register* to provide the public with an opportunity to comment for at least thirty (30) days. In so doing, ORM is required only to cite to the "legal authority under which the rule is being proposed." D.C. Official Code § 2-505(a). Under the APA, there is no requirement that ORM provide a brief statement of the underlying need for the new rules, the impact of the new rules, the proposed changes, or summary of the rules, unless promulgating emergency rules. Here, the proposed rules are not adopted on an emergency basis.

### *Amendment of Filing Requirements*

The commenter expressed concern that the proposed rule imposes a burden on claimants with limited or no computer expertise because it requires claimants to submit notice and file claims electronically. Contrary to the commenter's understanding, the proposed rules do not limit notice and claim filing requirements to electronic means. Instead, the proposed rules provide claimants with an option to provide notice of injury and file claims electronically. The proposed rules do not take away claimants' ability to submit notice and file a claim in writing. The only electronic requirement that the proposed rules impose is one that requires claimants to designate an e-mail address to receive claims correspondence. However, to the extent that claimants are unable to designate an e-mail address, the proposed rule allows for claimants to seek a waiver from the Program.

### *Determination of Continuation of Pay (COP) (Repeal of 7 DMCR §§ 111.1 and 111.2)*

The commenter expressed concern that ORM provided no justification for "usurping" the right of the employing agency to determine COP eligibility by repealing 7 DCMR §§ 111.1 and 111.2. In support of this view, the commentator stated that the obligation to determine COP eligibility always rested with employers. Contrary to commentator's statements, the obligation to determine COP did not always rest with employers. Prior to the 2017 final rulemaking, the obligation to furnish COP and controvert or deny COP exclusively rested with the Program. Employing agencies were not provided with the authority to make COP determinations until the 2017 final rulemaking. Moreover, D.C. Official Code § 1-623.18 provides the Program with full authority to enact rules that govern the administration of COP. More importantly, repealing 7 DCMR §§

111.1 and 111.2 does not take away the employing agency’s right to make COP determinations. Rather, the repeal allows the Program to review COP determinations issued by the agency in all instances. The existing rule allows the Program to review COP determinations issued by agencies only where claims for compensation are filed. ORM further observes that the repeal of 7 DCMR §§ 111.1 and 111.2 also works to the benefit of claimants as it provides claimants with the opportunity to seek review by the Program of any COP denial by their employing agencies.

#### *Requirement for Claimants to Complete IRS Form 4506-T*

The commenter expressed concern regarding ORM’s authority to require claimants to provide the Program with a completed IRS Form 4506-T. Pursuant to D.C. Official Code § 1-623.06b, the Program is mandated to require employees to report earnings by affidavit and to direct employees to “provid[e] copies of tax returns and authoriz[e] the Mayor to obtain copies of tax documents . . .” D.C. Official Code §§ 1-623.19 and 21 similarly require claimants to complete forms that “authorize access to all earnings data concerning the claimant . . .,” when reporting an injury or filing a claim for compensation. IRS Form 4506-T is a standard IRS form that allows the Program to request a claimant’s tax return transcript based on the claimant’s authorization. Requiring submission of this form is consistent with the Program’s statutory mandate to collect earnings and tax information in the adjudication and administration of claims. Accordingly, ORM declines to make any changes to provisions of the rulemaking that require submission of IRS Form 4506-T in response to the comment received.

#### *Limiting the Right to Supplement a Claim to Two Years*

The commenter expressed concern about the proposed rules’ requirement that supplemental claims be filed within two (2) years after the earlier of the date the claimant first sought medical treatment OR the date the claimant became disabled. However, the proposed rule has no such effect. The proposed rule requires supplemental claims to be filed within two (2) years after the earlier of the date on which the claimant first sought medical attention for the “*additional disability or condition and was aware or, by the exercise of reasonable diligence should have been aware, of the causal relationship between the claimant’s condition and employment . . . or [t]he date on which the claimant became disabled and was aware or, by the exercise of reasonable diligence should have been aware, of the causal relationship between the claimant’s disability and employment.*” (emphasis added). Thus, rather than limiting the time for claimants to supplement their claim, the proposed rule augments the time by accounting for the fact that the additional disability or condition may not have been readily noticeable at the time the claimant first seeks medical treatment for the injury.

#### *One-year Limitation on Recurrence of Disability*

The commentator expressed concern regarding the one-year limitation on recurrence of disability found within the proposed rule. ORM observes that the proposed rule results in no substantive change to the existing rule. The only change from the current rule is the replacement of the term “wage-loss” for indemnity. Moreover, the one-year limitation on recurrence of disability is statutorily prescribed at D.C. Official Code § 1-623.22(e), which provides that “[a]n injured worker may reopen a case within one year after the date of the last payment of indemnity or the

final order issued by a judicial entity.” As such, ORM declines to make any changes consistent with the commenter’s request because such changes would be beyond the scope of ORM’s rulemaking authority.

*Imposing Preponderance of the Evidence Burden at Proposed Rule 119.3*

ORM received a comment concerning Proposed Rule 119.3, asserting that it creates a new preponderance of the evidence standard. ORM observes that Proposed Rule 119.3 does not create a new preponderance of the evidence standard. Rather, this standard is found at the existing Rule 119.3. Proposed Rule 119.3 simply changes the rule’s format and updates the rule to capture the augmented 2-year filing deadline for supplemental claims discussed above. Neither change relates to the concern raised by the commenter. Because there is no change to the preponderance of the evidence standard, which was adopted in the 2017 Final Rulemaking, no further response to this comment is necessary.

*Medical Reimbursement Form Requirement at Proposed Rule 123.6*

The commenter noted that Proposed Rule 123.6, which prescribes a process for claimants involving completion of a form and provision of billing documentation to request reimbursement of medical expenses incurred prior to acceptance of a claim or reinstatement of a claim, constitutes an additional burden on claimants requesting medical reimbursement. The commenter suggested imposing a requirement for the Program to inform claimants of the form requirement and eliminating the requirement for claimants to request an audit where the Program fails to respond within thirty (30) days of receiving the medical reimbursement request. While ORM appreciates the recommendation that claimants be notified of the form filing requirement, ORM observes that requiring the Program to notify claimants of this requirement beyond the rules themselves is an unnecessary administrative burden. The law imputes to all parties full knowledge of the public statutes. *See Momsen-Dunnegan-Ryan Co. v. Helvering*, 68 F.2d 754, 13 A.F.T.R. (P-H) P 586 (App. D.C. 1933); *Strong v. District of Columbia*, 12 D.C. 265, 1 Mackey 265, 1881 WL 19695 (D.C. 1881). As such, ORM declines to impose a requirement for the Program to affirmatively inform claimants in advance of the necessity of completing a form and providing supporting documentation. As to the commenter’s concern regarding the requirement for claimants to file for an audit when a request for medical reimbursement is not processed, the audit process was enacted to provide claimants with an avenue to seek direct relief from the Chief Risk Officer in the absence of the opportunity to otherwise appeal a Program action or inaction, particularly when the Program fails to carry out its responsibilities or commits errors in the implementation of those responsibilities. The audit function also allows the Chief Risk Officer to monitor the Program’s performance. Therefore, while ORM understands that a requirement to file for an audit in this instance may seem burdensome, this requirement actually benefits claimants because it documents the Program’s failures, provides claimants with a streamlined grievance process, and is meant to improve performance through direct oversight of this function by the CRO.

*Limiting Treating Physician List at Proposed Rule 124.6*

The commenter expressed concern regarding the Program’s authorization to direct claimants’ care to the Program’s choice provider. Under D.C. Official Code § 1-623.03, “[a]n employee to whom services . . . are furnished . . . shall be provided with such services . . . by a managed care organization or other health care provider designated by the Mayor or his or her designee, in accordance with such rules, regulations, and instructions as the Mayor considers appropriate.” The Program’s direction of claimants’ medical care, as provided at Proposed Rule 124.6, is consistent with the requirements of the statute. The commenter further recommended that the proposed rule be modified to make clear that the name of at least three providers will be provided. ORM does not believe such a modification is necessary because Proposed Rule 123.5 provides a process for claimants to change qualified health professionals, when the medical services provided are unsatisfactory.

*Deprivation of Utilization Review*

The commenter expressed concern that the Proposed Rule takes away a claimant’s right to utilization review by allowing a hearing before the CRO. Contrary to the commenter’s understanding, the proposed rules do not take away a claimant’s rights to utilization review, but rather expressly authorizes claimants to initiate utilization review at Proposed Rule 127.3. Furthermore, although Proposed Rule 124.8 provides the Program with the right to request a hearing on matters concerning necessity, character, or sufficiency of medical care in lieu of utilization review, this process does not deprive claimants of their right to utilization review because the claimant can initiate utilization review upon receiving notice of the hearing.

*Retroactive application of wage-earning determination at Proposed Rule 130.13.*

The commenter criticized Proposed Rule 130.13 as being punitive and unfair. Proposed Rule 130.13 provides that the Program may use actual earnings to support a wage-earning capacity calculation for a retroactive period. The rule also allows the Program to issue retroactive wage-earning capacity determinations based on labor market surveys, provided that benefits have not already been paid. This rule is necessary to ensure that wage-loss compensation benefits are paid in accordance with law. D.C. Official Code § 1-623.06 provides that “[i]f the disability is partial . . . the District government shall pay the employee during the disability monthly monetary compensation equal to 66 2/3 percent of the difference between his or her monthly pay and his or her monthly wage-earning capacity after the beginning of the partial disability.” A claimant’s wage-earning capacity:

is determined by his or her actual earnings . . . If the actual earnings of the employee do not fairly and reasonably represent his or her wage-earning capacity, or if the employee has no actual earnings, his or her wage-earning capacity as appears reasonable under the circumstances is determined with due regard to the following:

- (1) The nature of his or her injury;
- (2) The degree of physical impairment;

- (3) His or her usual employment;
- (4) His or her age;
- (5) His or her qualifications for other employment;
- (6) The availability of suitable employment; and
- (7) Other factors or circumstances which may affect his or her wage-earning capacity as a worker with a disability.

D.C. Official Code § 1-623.15(a). By requiring that account be taken for actual earnings retroactively, the Proposed Rule ensures that wage-loss compensation benefits are calculated in accordance with law. The Proposed Rule also requires retroactive partial wage-loss calculation to be based on a labor market survey in the absence of actual wages that fairly represent wage-earning capacity. Again, this is consistent with the statute because under Proposed Rule 130.5, labor market surveys are determinations based on the seven factors set out at D.C. Official Code § 1-623.15(a). Accordingly, ORM observes that these rules are not punitive, but necessary to ensure that wage-loss benefit calculations are consistent with law.

*Permanent Total Disability at Proposed Rule 140*

The commenter remarked that Proposed Rule 140 must be modified to prevent the Program from terminating benefits once a claimant reaches maximum medical improvement (MMI). A claimant's eligibility for total and partial disability wage loss compensation under D.C. Official Code §§ 1-623.05 and 06, respectively, are subject to the limits prescribed at D.C. Official Code § 1-623.06a. D.C. Official Code § 1-623.06a differentiates temporary wage-loss compensation (total or partial) disability benefits from permanent disability wage-loss benefits, which are limited to a schedule award under D.C. Official Code § 1-623.07. The differentiation between temporary and permanent disability benefits is similarly captured at D.C. Official Code § 1-623.07(a). This differentiation in benefit type is significant.

As reflected in the American Medical Association Guides to the Evaluation of Permanent Impairment (AMA Guides), which pursuant D.C. Official Code § 1-623.07(d) serve as the basis for establishing a permanent impairment or loss of use, a claimant can only be given a permanent impairment rating once he or she has reached MMI. A claimant who has reached MMI with a permanent impairment rating is eligible for an award under the schedule provided at D.C. Official Code § 1-623.07. Thus, a condition for receipt of permanent disability benefits is that the disability is permanent in nature, as determined under the AMA Guides. Conversely, a claimant who has not reached MMI is only eligible for temporary wage-loss compensation benefits because his or her disability remains temporary. Once a claimant reaches MMI, his or her condition has plateaued; and to the extent that he or she has any remaining disability, such disability is no longer temporary in nature. Under these circumstances one cannot be eligible for temporary disability benefits and the proper recourse is to seek a schedule award. As such, ORM finds the termination of temporary benefits under Proposed Rule 140, once a claimant reaches MMI, to be consistent with law.

The commenter objects to this analysis as inconsistent with legislative intent, particularly with regard to the limitation of temporary wage-loss benefits to 500 weeks. But there is no statutory authority to support the commenter's position. The 500-week limitation simply caps the period

for which a disability may be regarded as temporary. It does not create a presumption that all disabilities are temporary for at least 500 weeks before they are considered permanent. A permanent disability can only be determined based on the AMA Guides. *See* D.C. Official Code § 1-623.07(d).

*Notice regarding the Time Limitation for Filing for a Hearing to Make a Request for Permanent Disability.*

ORM received a comment urging the need for ORM to have an obligation to inform claimants of the right to a hearing, after receiving four hundred forty-two (442) weeks of temporary disability benefits in advance of the 500 week limitation of temporary benefits provided at D.C. Official Code § 1-623.06a. While ORM appreciates the suggestion that claimants be provided notice of the right to a hearing to request permanent disability after receiving 442 weeks of temporary disability benefits, ORM observes that requiring the Program to notify claimants of what is prescribed by statute and the regulations is an unnecessary administrative burden. The law imputes to all parties full knowledge of the public statutes. *See Momsen-Dunnegan-Ryan Co. v. Helvering*, 68 F.2d 754, 13 A.F.T.R. (P-H) P 586 (App. D.C. 1933); *Strong v. District of Columbia*, 12 D.C. 265, 1 Mackey 265, 1881 WL 19695 (D.C. 1881). As a recipient of workers' compensation benefits, claimants know or should know the period for which they received such benefits. To the extent that they do not recall the period of benefits received, the statute also provides claimants with an opportunity to request their file. Because a claimant's right to such a hearing is expressly provided for in the statute and the regulations, and claimant is in the position to know or ascertain the period of benefits received, ORM declines to impose a requirement for the Program to affirmatively inform claimants of their right to request a hearing on permanent disability after receiving 442 weeks of temporary disability compensation.

*Payment of Costs for Medical Reports Required for Permanent Disability*

The commenter remarked that the Program should be required to pay the cost of medical reports issued pursuant to the 6<sup>th</sup> Edition of the AMA Guides because claimants cannot afford such tests. This commenter's recommendation is addressed by Proposed Rule 140.5, which provides that "[i]f a permanent disability rating has not been provided, the claimant may request authorization to obtain an impairment rating on Form 12 and the Program will designate a physician to evaluate the claimant accordingly."

*Termination of Benefits Based on Release to Return to Work Despite Non-Employment at Proposed Rule 142*

The commenter expressed concern over the termination of claimant's benefits where a claimant demonstrates an inability to find employment after being medically released to return to work. D.C. Official Code § 1-623.05 obligates the Program to pay total disability wage-loss compensation where a claimant's disability is total. Under D.C. Official Code § 1-623.06, a claimant is eligible to receive partial disability compensation based on his or her wage-earning capacity, as determined in accordance with D.C. Official Code § 1-623.15. When a claimant is medically released to return to work with restrictions and the facts surrounding the claim warrant a modification of benefits based on the elements prescribed at D.C. Official Code § 1-623.15, the

Program is required by statute to modify the claimant's wage loss benefit to reflect increased wage earning capacity. While ORM is sympathetic to the concern raised by the commenter, there is no statutory right to continued total or partial wage-loss benefits where the claimant is (1) returned to work with no restrictions or has an undiminished wage-earning capacity, or (2) returned to work with restrictions that support imputing a wage earning capacity that is less than that achieved prior to the work injury, even when in either case the claimant is unable to find immediate employment. The Program may only confer benefits to the extent authorized by law. A claimant's inability to find employment alone is an insufficient factor to justify the continuation of wage-loss benefits, particularly in the absence of any disabling condition or if the labor market establishes the availability of employment that is suitable for the claimant based on his or her partial disability.

*Two-year Right to Employment Retention After Recurrence at Proposed Rule 143.1*

The commenter remarked that the two-year right to retention should start from the date of the recurrence of disability and not from the date of initial disability. ORM observes that concerns raised in the commenter's remark are implemented at Proposed Rule 143.1(b), which provides as follows:

If an employee whose claim of disability is accepted by the Program resumes regular full-time employment with the District government when the original disability is overcome, and the disability thereafter recurs, the employee shall have the right to resume the position he or she occupied before the date of the recurrence of the compensable disability, if the employee overcomes the recurrence of the disability within two (2) years after the disability recurs.

*Change in Condition at Proposed Rule 144.1*

The commenter remarked that a change in condition under Proposed Rule 144.1 cannot include vocational or other education studies that effect a claimant's ability to earn wages until the claimant resumes work and is able to earn wages. A claimant's entitlement to wage-loss compensation benefits is based on the claimant's loss of wage-earning capacity. *See* D.C. Official Code §§ 1-623.06 and 15. Under D.C. Official Code § 1-623.15(a)(5), when determining a claimant's wage-earning capacity, due regard is given to the claimant's qualification for other employment. Accordingly, where a claimant's vocation or other educational study changes the Program's current evaluation of the claimant's wage-earning capacity with regard to this factor, the Program is obligated to modify the claimant's benefits to ensure that wage-loss benefits awarded to claimant are commensurate with all factors that affect his or her wage-earning capacity.

*Burden of Proof at Proposed Rule 159.2(b)*

The commenter argues that the proposed rulemaking changes the burden of proof with respect to terminations and modifications of public sector workers' compensation benefits in a manner that is contrary to the express requirements of the District of Columbia Administrative Procedures Act (DCAPA) and OAH Rule 2822. This argument is without merit. D.C. Official Code § 1-

623.24(b)(2) expressly renders the DCAPA inapplicable to the conduct of workers' compensation hearings. As for OAH Rule 2822, per its terms, that rule is subject to established law. D.C. Official Code § 1-623.24 expressly authorizes the Program to modify an award of benefits, where it has a "reason to believe a change in condition has occurred." Notably, Proposed Rule 144.1 imposes a higher burden than what is contemplated under the statute because it requires the Program to present substantial evidence in support of its decision to modify benefits – not merely a reasonable belief. Because the statute authorizes the modification of benefits where the Program has a reason to believe a change in condition has occurred, ORM does not find Proposed Rule 144.1 to be contrary to OAH Rule 2822.

These rules were adopted as final on March 29, 2019 and will be effective upon publication of this notice in the *D.C. Register*.

126.2 If a healthcare provider intends to bill for medical services, appliances, or supplies, where prior authorization is required, that provider must request or verify the existence of such prior authorization from the Program before providing services, appliances, or supplies. All medical bills submitted to the Program lacking required prior authorization will be automatically denied.

- 126.6 Unless otherwise authorized by the Program, all bills shall be submitted by first-class U.S. mail or electronically to the email address or fax number designated on the Healthcare Provider Information Page of the Office of Risk Management website.

**Subsections 126.7 – 126.15 are added to read as follows:**

- 126.7 No bill will be paid for expenses incurred if the bill is received more than one (1) year after the later of:
- (a) The end of the calendar year in which the expense was incurred, or the medical service, appliance, or supply was provided; or
  - (b) The end of the calendar year in which the claim was first accepted as compensable by the Program.
- 126.8 Within thirty (30) days after receipt of a bill for medical services, appliances, or supplies submitted pursuant to the requirements of this section, the Program shall provide the claimant and healthcare provider with written notice approving, adjusting, denying, or disputing the bill.
- 126.9 If the Program fails to respond to a bill from a healthcare provider in accordance with this section and Section 2303(f) of the Act (D.C. Official Code § 1-623.03(f)), the Program shall be deemed to have authorized payment of the bill, provided that the medical service, appliance, or supply is:
- (a) For a condition that has been accepted as compensable by the Program; and
  - (b) Prior authorization requirements are met.
- 126.10 If the Program adjusts, denies, or disputes a bill, the Program shall issue a written Explanation of Review to the claimant and healthcare provider.
- 126.11 The Explanation of Review shall inform the recipients of the recipients' right to request a hearing before the Chief Risk Officer to dispute the Program's decision, unless the Program has:
- (a) Initiated utilization review; or
  - (b) Requested a hearing on the matter before the Chief Risk Officer.

- 126.12 A request for a hearing before the Chief Risk Officer to dispute the Program’s decision regarding the bill pursuant to Section 2323(a-2)(4) of the Act (D.C. Official Code § 1-623.23(a-2)(4)) shall be submitted by filing Form 9H with the Office of Risk Management no later than six (6) months of the later of:
- (a) The date of the bill;
  - (b) The date of initial payment of the bill; or
  - (c) The date of the initial Explanation of Review.
- 126.13 Prior to requesting a hearing before the Chief Risk Officer pursuant to § 126.12 of this chapter, a healthcare provider, but not a claimant, may seek reconsideration of the Program’s adjustment, denial, or dispute of a bill as follows:
- (a) For an Explanation of Review issued by the Program, complete and electronically submit Form 9R by email or fax to the email address or fax number designated on the Healthcare Provider Information Page of the Office of Risk Management website.
  - (b) For an Explanation of Review prepared by a bill review vendor and issued by the Program, resubmit the bill directly to the vendor or contact the vendor directly to discuss the bill.
- 126.14 A request for reconsideration does not toll the time to request a hearing as set forth in § 126.12 of this chapter.
- 126.15 Nothing in this section shall be construed to allow for payment of any medical service, appliance, or supply provided for a condition that is not accepted by the Program as being compensable under the Act.

**Section 127, UTILIZATION REVIEW, is amended as follows:**

**Subsections 127.1 is amended to read as follows:**

- 127.1 Any medical care or service furnished or scheduled to be furnished under the Act shall be subject to utilization review, regardless of whether prior authorization was required for the medical care or service. The utilization review may be performed before, during, or after the medical care or service is provided. Medical care under this section includes medical appliances and supplies.

**Subsections 127.3 – 127.14 are amended to read as follows:**

- 127.3 The claimant, the Program, or the Chief Risk Officer’s hearing representative may initiate utilization review if it appears that the necessity, character, or sufficiency

of medical care or services furnished or scheduled to be furnished is improper or needs to be clarified.

127.4 Utilization review shall be initiated only for medical care or services provided, or scheduled to be provided, for treatment of a condition that the Program has accepted as being compensable under the Act.

127.5

(a) If a utilization review is initiated under this section, the utilization review organization or individual shall make a decision no later than sixty (60) days after the utilization review is requested.

(b) If the utilization review is not completed within one hundred twenty (120) days of the request, the medical care or service under review shall be deemed approved if:

(1) The medical care or service was provided, or is scheduled to be provided to treat a condition that the Program has accepted as being compensable under the Act; and

(2) The medical care or service, is provided, or scheduled to be provided, by a member of the Program's Panel of Healthcare Providers.

127.6 The utilization review report shall specify the medical records considered and shall set forth rational medical evidence and standards to support each finding. The report shall be authenticated or attested to by the utilization review individual or by an officer of the utilization review organization. The report shall be provided to the claimant, qualified health professional, and the Program.

127.7 A utilization review report which conforms to the provisions of this section shall be admissible in all proceedings with respect to any claim to determine whether a medical care or service was, is, or may be necessary and appropriate to treat a condition that has been accepted by the Program as being compensable under the Act.

127.8 A decision issued by the utilization review organization or individual under this section shall inform the claimant and qualified health professional of their right to reconsideration before the utilization review organization.

127.9 If the qualified health professional or claimant disagrees with the opinion of the utilization review organization or individual, the qualified health professional or claimant may submit a written request to the utilization review organization or individual for reconsideration of the opinion.

127.10 The request for reconsideration shall:

- (a) Be in writing;
- (b) Contain reasonable medical justification for the reconsideration;
- (c) Provide additional information, if the medical care or service was denied because insufficient information was initially provided to the utilization review organization or individual; and
- (d) Be made within sixty (60) calendar days after the claimant's receipt of the utilization review report if the claimant is requesting reconsideration, or within sixty (60) calendar days after the qualified health professional's receipt of the utilization review report, if the qualified health professional is requesting reconsideration.

127.11 A decision issued on reconsideration pursuant to Section 2323(a-2)(3) of the Act (D.C. Official Code § 1-623.23(a-2)(3)) is final and not subject to further review on the issue of necessity, character, or sufficiency of the medical care or service provided, or scheduled to be provided.

127.12 Where utilization review has not been initiated, a dispute regarding the issue of necessity, character, or sufficiency of the medical care or service provided, or scheduled to be provided may, pursuant to Section 2323(a-2)(4) of the Act (D.C. Official Code § 1-623.23(a-2)(4)), be resolved upon an application for a hearing before the Chief Risk Officer pursuant to § 157 of this chapter within thirty (30) calendar days after the date of the Program's decision denying authorization for medical care or services.

127.13 A request for a hearing under § 127.12 of this chapter may be made by the Program, qualified health professional, or claimant.

127.14 As provided in Section 2323(a-2)(4) of the Act (D.C. Official Code § 1-623.23(a-2)(4)), the Superior Court of the District of Columbia may review the Chief Risk Officer's decision. The decision may be affirmed, modified, revised, or remanded at the discretion of the court. The decision shall be affirmed if supported by substantial competent evidence of the record, pursuant to the District of Columbia Superior Court Rules of Civil Procedure Agency Review.

**Subsections 127.15 – 127.18 are added to read as follows:**

127.15 The District of Columbia government shall pay the cost of a utilization review if the claimant seeks the review and is the prevailing party. The claimant shall pay the cost of a utilization review if the claimant seeks the utilization review and the Program is the prevailing party. Utilization review services, if paid by the Program, may be recovered under Section 2329 of the Act (D.C. Official Code § 1-623.29).

- 127.16 The Program may deny a request by a qualified health professional for authorization for medical care or services furnished, or scheduled to be furnished, where insufficient information has been provided to initiate utilization review.
- 127.17 If the Program makes payment for medical care or services that are later denied pursuant to utilization review, the Program shall recoup such payment as an overpayment in accordance with Section 2329 of the Act (D.C. Official Code § 1-623.29).
- 127.18 The Program may enter into a working agreement with a utilization review organization or individual to carry out the utilization reviews authorized under this section. Each such agreement shall set forth terms and conditions to ensure appropriate review, including fee, and payment guidelines.

**Section 130, COMPUTATION OF WAGE INDEMNITY; PARTIAL DISABILITY, is amended as follows:**

**Subsections 130.1 – 130.9 are amended to read as follows:**

- 130.1 A disability is partial, when a qualified health professional determines that a claimant can perform work with restrictions, provided that:
- (a) The restrictions arise out of a work-related injury;
  - (b) A claim has been filed for the work-related injury and accepted by the Program; and
  - (c) The qualified health professional has examined the employee and reviewed his or her medical records.
- 130.2 If the disability is partial, subject to the limitations in Section 2306a of the Act (D.C. Official Code § 1-623.06a), the claimant's monthly monetary compensation shall be sixty-six and two-thirds percent (66 2/3%) (or seventy-five percent (75%), if an augmented rate of wage-loss compensation is permitted) of the difference between the claimant's monthly pay, as defined at Section 2301(4) of the Act (D.C. Official Code § 1-623.01(4)), and the claimant's monthly wage-earning capacity after the beginning of the partial disability.
- 130.3
- (a) Determination based on actual wages. If the claimant has current or a history of actual earnings which fairly and reasonably represent his or her wage-earning capacity, those earnings shall form the basis for payment of wage-loss compensation for partial disability.

- (b) Determination based on labor market survey. If the claimant's actual earnings do not fairly and reasonably represent his or her wage-earning capacity, or if the claimant has no actual earnings, the Program shall perform a labor market survey, using the factors set forth in § 130.5 of this chapter, to select a position that represents his or her wage-earning capacity.
- (c) Determination pending labor market survey. If a claimant is released to work in any capacity, the Program may calculate earnings at the highest minimum wage rate in effect within a fifty (50) mile radius of the claimant's residence at the time, taking into account the total hours the claimant is medically authorized to work, to construct a temporary wage-earning capacity until a labor market survey is completed.

130.4 In establishing a wage-earning capacity, the Program is not obligated to secure employment for the claimant in the position selected for establishing a wage-earning capacity.

130.5 The phrase "labor market survey" means a determination of the types of positions that a claimant is capable of doing, based on the following factors, as set forth in Section 2315 of the Act (D.C. Official Code § 1-623.15):

- (a) The nature of his or her injury;
- (b) The degree of physical impairment;
- (c) His or her usual employment;
- (d) His or her age;
- (e) His or her qualifications for other employment;
- (f) The availability of suitable employment; and
- (g) Other factors or circumstances which may affect his or her wage-earning capacity as a worker with a disability.

130.6 When conducting a labor market survey, the Program shall identify at least three (3) suitable positions that are available at the time. The claimant's wage-earning capacity shall be calculated based on the annual earnings of the lowest-paid position identified, taking into account the total hours the claimant is medically authorized to work, unless it is reasonable to select a higher-paid position based on the factors set forth in § 130.5 of this chapter.

130.7 The Program shall determine whether the positions selected are reasonably available and vocationally suitable. The fact that a claimant is not successful in

securing employment does not establish that the selected positions are not vocationally suitable.

130.8

- (a) When calculating wage-earning capacity pursuant to Section 2315 of the Act (D.C. Official Code § 1-623.15) and this section, it is necessary to establish that the selected positions are medically suitable given the claimant's injury-related and pre-existing impairments.
- (b) A wage-earning capacity determination must be based on a current or contemporaneous medical evaluation.
- (c) Medical conditions not related to the work-related injury or condition that has been accepted as compensable by the Program will not be considered, unless they pre-existed the accepted injury or condition.
- (d) Considerations shall be based on well-defined work restrictions in the medical or claim record.

130.9

The positions selected for determining the wage-earning capacity must be reasonably available in the general labor market within fifty (50) miles of the claimant's residence.

**Subsection 130.13 is added to read as follows:**

130.13

The Program may apply a wage-earning determination retroactively if the evidence shows that partial, rather than total, disability existed. A claimant's receipt of actual earnings shall be deemed to support the retroactive application of a wage-earning capacity determination to at least the period when wages were first earned. Following the Program's initial determination, a retroactive determination based solely on a labor market survey may not encompass any period during which wage-loss benefits were actually paid.

**Section 135, ELIGIBILITY, is amended as follows:**

**Subsection 135.1 is repealed and reads as follows:**

135.1 [REPEALED]

**Section 136, ADDITIONAL MEDICAL EXAMINATIONS, is amended as follows:**

**Subsection 136.14 is added to read as follows:**

136.14

The Program may enter into a working agreement to provide AME services under this section. Each such agreement shall set forth terms and conditions to ensure appropriate evaluations, including fee and payment guidelines.

**Section 138, REPORT OF EARNINGS, is amended as follows:**

**Subsection 138.1 is amended to read as follows:**

- 138.1 If a claimant is subject to forfeiture of his or her right to workers’ compensation pursuant to Section 2306b(b) of the Act (D.C. Official Code §1-623.06b(b)), such forfeiture shall commence on the earlier of:
- (a) The thirty-first (31<sup>st</sup>) day after the date on which the report of earnings was requested; or
  - (b) The date the Program receives a report of earnings in which the claimant knowingly omitted or understated any part of his or her earnings.

**Subsection 138.3 is amended to read as follows:**

- 138.3 A complete report of earnings shall include:
- (a) An accurate statement of all earnings for the period requested;
  - (b) A signed and notarized affidavit on a form provided by the Program;
  - (c) Copies of tax returns, if filed; and
  - (d) A signed authorization authorizing the Program to obtain copies of tax documents.

A claimant who fails to file a claim for permanent disability within one hundred and eighty (180) days after termination of temporary disability wage-loss benefits shall not be entitled to permanent disability benefits thereafter, unless there is good cause found by the Program to excuse the delay; or
  - (b) At any time after the claimant has been determined to have reached MMI and to have a permanent impairment involving the loss of use of a member or function of the body, or disfigurement, subject to limitations provided at Section 2321 of the Act (D.C. Official Code § 1-623.21).

Official Code § 1-623.10), seventy-five percent (75%), of the difference between the pre-disability rate and the modified duty rate.   - (c)            The pre-injury rate of pay shall not be exceeded during the modified duty assignment.

The modified duty assignment may have a minimum duration of two (2) basic non-overtime workdays, as that term is defined in Section 1201 of the Act (D.C. Official Code § 1-612.01), and a maximum duration of one hundred eighty (180) days (assigned in ninety (90)-day increments) in any twelve (12)-month period. For those employees whose basic non-overtime workday may exceed eight (8) hours, the basic non-overtime

workday shall be the shift, or tour of duty, worked on a regularly recurring basis for the three (3) months immediately preceding the injury.

- 142.6 An employee with a medical work restriction who is offered a modified duty assignment and does not accept the modified duty assignment within three (3) days after the employee receives written notice of the assignment pursuant to §§ 142.7 and 142.8 of this chapter shall forfeit any further disability compensation benefits and such benefits shall be terminated by the Program. If compensation benefits were paid during the period of forfeiture, the Program shall recover the payments through a deduction from future compensation benefits owed to the employee or otherwise recovered under Section 2329 of the Act (D.C. Official Code § 1-623.29).
- 142.7 The Program shall provide the employee notice of an available modified duty assignment orally and in writing.
- 142.8 Notice of an available modified duty assignment shall include:

  - (c) Location to which the employee shall report and to whom the employee shall report;
  - (d) Notification that if the employee fails to report to work on the scheduled date and time without an excused absence, his or her failure to report may be designated as an absence without leave (AWOL), which may result in disciplinary action;
  - (e) Duties and responsibilities of the position, if the employee is directed to a position other than his or her pre-injury position;
  - (f) Rate of pay;
  - (g) The medical restrictions and accommodations provided, if the employee is returning to a position with accommodations;
  - (h) Duration of the assignment, and
  - (i) Notification that the employee must elect to accept the position within three (3) days of issuance of the notice or his or her disability compensation benefits will be forfeited.

142.9 An employee must report to the modified duty assignment on the assigned date. Failure to report to the modified duty assignment shall be deemed a rejection of the modified duty assignment, which shall result in the forfeiture of all disability compensation benefits and such benefits shall be terminated by the Program.

**Subsections 142.10 is added to read as follows:**

142.10 The employing agency or assigned agency shall notify the Program if, after the employee returns to work, the same injury causes the employee to stop work again.

**Section 143, NOTICE OF RETURN TO WORK, is amended as follows:**

**The title to Section 143 is amended to read as follows:**

**143 EMPLOYEE RETENTION**

**Subsections 143.1 – 143.2 are amended to read as follows:**

143.1 (a) An employee whose claim of disability is accepted by the Program shall have the right to resume the position he or she occupied before the date of the disability, or an equivalent position, if the employee overcomes the disability within two (2) years after commencement of compensation and provision of all necessary medical treatment needed to lessen the disability.

(b) If an employee whose claim of disability is accepted by the Program resumes regular full-time employment with the District government when the original disability is overcome, and the disability thereafter recurs, the employee shall have the right to resume the position he or she occupied before the date of the recurrence of the compensable disability, if the employee overcomes the recurrence of the disability within two (2) years after the disability recurs.

143.2 For the purposes of this section, the phrase “overcome an accepted work injury, disease, or condition” means able to perform the essential functions and duties of the job.

**Subsections 143.3 is added to read as follows:**

143.3 For the purposes of this section, the phrase “lessen the disability” means an increased ability to work or increase in wage-earning capacity from the time of injury or initial disability after receipt of treatment that is supported by medical evidence.

**Section 144, MODIFICATION, FORFEITURE, SUSPENSION OR TERMINATION OF BENEFITS, is amended as follows:**

**The title to Section 144 is amended to read as follows:**

**144 MODIFICATION OF AWARD OF COMPENSATION**

**Subsections 144.1 - 144.10 are amended to read as follows:**

- 144.1 The Program may modify an award of compensation if the Program has reason to believe that the claimant’s PSWCP file and records establish:
- (a) A change of condition has occurred pursuant to Section 2324(d)(1) of the Act (D.C. Official Code § 1-623.24(d)(1));
    - (1) A change of condition means a change to a claimant’s accepted medical condition or other circumstance, such as incarceration, vocational or other education studies, that affect the claimant’s ability to earn wages; or
  - (b) A change to the claimant’s accepted medical condition has occurred pursuant to Section 2324(d)(4) of the Act (D.C. Official Code § 1-623.24(d)(4)) for one of the following reasons:
    - (1) The disability for which compensation was paid has ceased or lessened;
    - (2) The disabling condition is no longer causally related to the accepted work injury;
    - (3) Claimant’s condition has changed from total disability to partial disability;
    - (4) Claimant has been released to return to work with or without restrictions; or
    - (5) The Program determines based on compelling evidence that the initial decision was in error.
- 144.2 An “award of compensation” means a Program determination or Compensation Order issued pursuant to section 2324 of the Act (D.C. Official Code § 1-623.24) and shall not include calculations set forth in a Notice of Benefits or adjustments to benefits made pursuant to § 145 of this chapter.
- 144.3 Except as provided at subsection 144.3(a), the Program will provide the claimant with prior written notice of the proposed action to modify an award of compensation pursuant to § 144 of this chapter and give the claimant thirty (30)

days to submit relevant evidence or argument to support entitlement to continued payment of compensation prior to issuance of an Eligibility Determination (ED), where the Program has a reason to believe that compensation should be modified due to a change of condition pursuant to Sections 2324(d)(1) and (4) of the Act. An ED shall be accompanied by information identifying the employee's appeal rights and, for termination of wage loss benefits, claimant's one hundred eighty (180)-day time limitation from the date of the notice to make a claim for permanent disability compensation.

- (a) Prior written notice will not be given when:
- (1) The claimant dies;
  - (2) The Program either reduces or terminates compensation upon a claimant's return to work or release to return to work,
  - (3) The claimant has been convicted of fraud in connection with the claim;
  - (4) When the award of compensation was for a closed period, which has expired;
  - (5) The Program issues an initial determination where a claim has been deemed accepted pending such issuance; or
  - (6) The claimant's benefits are suspended for failure to:
    - (A) Participate in vocational rehabilitation, if the claimant is hired on or after January 1, 1980;
    - (B) Follow prescribed and recommended course of medical treatment from the treating physician; or
    - (C) Attend an appointment for Additional Medical Examination (AME), bring medical records under the claimant's possession and control, or any other obstruction of the examination.

144.4 Prior notice provided under this section will include a description of the reasons for the proposed action and a copy of the specific evidence upon which the Program is basing its determination. Payment of compensation will continue until any evidence or argument submitted has been reviewed and an appropriate decision has been issued, or until thirty (30) days have elapsed after the issuance of the notice if no additional evidence or argument is submitted.

## 144.5

- (a) If a claimant timely files his or her response to the Program’s prior written notice of proposed modification and identifies additional evidence the claimant wishes to submit, the Program shall allow the claimant additional time to submit evidence, where claimant establishes good cause for the delay in acquiring the evidence.
- (b) If the claimant submits evidence or argument prior to the issuance of the decision, the Program will evaluate the submission in light of the proposed action and undertake such further development as it may deem appropriate, if any. Evidence or argument that is repetitious, cumulative, or irrelevant will not require any further development. If the claimant does not respond within thirty (30) days of the prior written notice, the Program will issue a decision consistent with its prior written notice. The Program will not grant any request for an extension of this thirty (30) day period.
- (c) Evidence or argument that refutes the evidence upon which the proposed action was based will result in the continued payment of compensation. If the claimant submits evidence or argument that fails to refute the evidence upon which the proposed action was based but which requires further development of the evidence and basis for the decision, the Program will not provide the claimant with another notice of its proposed action upon completion of such development. Once any further development of the evidence is completed, the Program will either continue payment or issue a decision consistent with its prior written notice or further developed evidence.

## 144.6

- (a) If substantial evidence in the claimant’s Program file establishes that a claimant hired before January 1, 1980, without good cause failed to apply for or undergo vocational rehabilitation, when directed by the Program:
  - (1) The Program may propose a reduction of wage-loss compensation and present the proposed reduction to the Compensation Review Board (CRB) for review; and
  - (2) The CRB shall affirm the reduction in benefits, if it determines that there is substantial evidence in the record to show that the wage-earning capacity of the individual would probably have substantially increased, absent the claimant’s failure to attend vocational rehabilitation, as directed by the Program.
- (b) For the purposes of this subsection, the term “substantially increase” means an increase in wage-earning capacity of fifty percent (50%) or more.

- (c) The Program shall compute the claimant's wage-earning capacity by conducting a labor market survey or applying the factors provided at Section 2315 of the Act (D.C. Official Code § 1-623.15) based on the assumption the claimant has enrolled completed in vocational rehabilitation. The claimant's annual wage-earning capacity shall be divided by twelve (12) to arrive at the claimant's monthly wage-earning capacity. The claimant's monthly wage-earning capacity assuming enrollment incompleteness of vocational rehabilitation shall be compared against the claimant's wage-earning capacity without enrollment or incompleteness of vocational rehabilitation. If the claimant's wage-earning capacity assuming enrollment in completion of vocational rehabilitation exceeds the claimant's wage-earning capacity without vocational rehabilitation by fifty percent (50%) or more, the Program may propose a reduction of wage-loss compensation.

144.7 Failure to apply for or undergo vocational rehabilitation shall include failure to attend meetings with the vocational rehabilitation counselor, failure to apply for jobs that have been identified for the claimant, or failure to otherwise participate in good faith in the job application process.

144.8 In all claims, the claimant is responsible for continual submission, or arranging for the continual submission of, a medical report from the attending physician as evidence supporting the reason for continued payment of compensation under the award of compensation.

144.9 For wage-loss compensation benefits, "reason to believe" that the disability for which compensation was paid has ceased pursuant to §§ 144.1(b)(1) and 144.3(a) of this chapter includes a claimant's failure to provide contemporaneous medical evidence to show that:

- (a) The accepted condition remains disabling; and
- (b) The nature and extent of the ongoing disability necessitate claimant's continued absence from work or restricts claimant from performing the full scope of pre-injury duties.

144.10 For medical compensation benefits, "reason to believe" that the condition for which compensation was paid has ceased pursuant to § 144.3(a) of this chapter includes a claimant's lack of treatment for the accepted condition for one year or more.

**Subsection 144.11 is added to read as follows:**

144.11 Compensation benefits that have been suspended under this section may be resumed if a claimant cures the deficiency that gave rise to the suspension, unless benefits have been terminated. Resumption of compensation benefits that have

been suspended shall occur on a prospective basis.

**Section 145, ADJUSTMENTS AND CHANGES TO BENEFITS, is amended as follows:**

**145 ADJUSTMENTS TO BENEFITS**

**Subsections 145.1 – 145.6 are amended to read as follows:**

- (a) The claimant's benefits shall be forfeited for failure to:
    - (1) Complete a report of earnings pursuant to § 138 of this chapter; or
    - (2) Accept a modified duty assignment offered within the time prescribed at § 142 of this chapter.
  - (b) The claimant's benefits shall be terminated because the claimant's compensation benefits have been subject to forfeiture for failure to complete a report of earnings for more than ninety (90) days;
  - (c) The claimant's eligibility for wage-loss compensation is subject to limitations provided at Section 2316 of the Act (D.C. Official Code § 1-623.16) and § 134 of this chapter; or
  - (d) The claimant is no longer eligible for benefits for reasons not otherwise prescribed at Section 2324(d) of the Act (D.C. Official Code § 1-623.24(d)).
- 145.2 The Program shall provide a written notice to a claimant when benefits are adjusted pursuant to § 145.1 of this chapter and inform the claimant of his or her right to appeal to the Chief Risk Officer.
- 145.3 Prior written notifications pursuant to Section 2324(d) of the Act (D.C. Official Code § 1-623.24(d)) shall not apply to adjustments to benefits issued pursuant to § 145 of this chapter.
- 145.4 The Program shall provide a written Notice of Benefits to a claimant if there is an adjustment in the claimant's wage-loss compensation benefits or a correction of a technical error that results in a change to the claimant's wage-loss compensation benefits and inform the claimant of his or her right to appeal to the Chief Risk Officer.

145.5 Compensation benefits that have been forfeited under this section may be resumed if a claimant cures the deficiency that gave rise to the forfeiture, unless benefits have been terminated. Resumption of compensation benefits that have been forfeited shall occur on a prospective basis; except, that compensation benefits may be restored on a retroactive basis where a good cause determination has been made, pursuant to § 147 of this chapter, for reversal of the suspension or forfeiture decision.

145.6 Periods of forfeiture shall be counted toward the five hundred (500)-week limitation in Section 2306a of the Act (D.C. Official Code § 1-623.06a).

- 156.4 The Chief Risk Officer shall notify the claimant in writing of his or her decision within thirty (30) days after the Program’s receipt of the appeal. If no decision is issued within the thirty (30)-day period, the Program’s decision shall be deemed the final decision of the agency for appeal to the Superior Court of the District of Columbia as provided in § 156.5 of this chapter, unless the Chief Risk Officer issues a decision before the date on which the appeal to the Superior Court is filed.

- 2213.3 Debarment shall constitute debarment of any affiliates of the person if the Director specifically names the affiliate in the finding and gives the affiliate written notice of the proposed debarment and an opportunity to respond in accordance with the provisions of this chapter.
- 2213.4 Debarment shall be for a period commensurate with the seriousness of the cause(s), but shall not exceed five (5) years except as provided in § 2212.9 of this chapter. If suspension precedes a debarment, the suspension period shall be included in the debarment period.
- 2213.5 The Director may reduce the period or extent of debarment, upon the person's request supported by documentation, for the following reasons:
- (a) Newly discovered material evidence;
  - (b) Reversal of the conviction or judgment upon which debarment was based;
  - (c) Bona fide change in ownership or management;
  - (d) Elimination of other causes for which the debarment was imposed; or
  - (e) Other reasons that the Director deems appropriate.
- 2213.6 The Director may extend the debarment period for an additional period if the Director determines that the extension is necessary to protect the interest of the District. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment was based. The extension of debarment shall be subject to the procedures set forth in § 2214 of this chapter.

**Section 2214, DEBARMENT PROCEEDINGS, is amended to read as follows:**

**2214 DEBARMENT PROCEEDINGS**

- 2214.1 The Director shall initiate debarment proceedings by notifying the person and any specifically named affiliates by certified mail, return receipt requested, of the following:

- (a) The reason(s) for the proposed debarment in sufficient detail to put the person on notice of the conduct or transaction(s) upon which the proposed debarment is based;
- (b) The cause(s), as set forth in § 907(a) of the Act, D.C. Official Code § 2-359.07(a), or any other applicable statute, regulation, or final decision relied upon for the proposed debarment;
- (c) That, within fifteen (15) calendar days after receipt of the notice, the person may submit, in person, in writing, or through a representative, information or written facts in opposition to the proposed debarment, and request an informal meeting in person or by telephone, to present information or facts in opposition;
- (d) The District’s procedures governing debarment decision-making;
- (e) The effect of the proposed debarment;
- (f) That a fact-finding proceeding may be conducted; and
- (g) That the District will not solicit offers from, award contracts to renew, extend contracts with, or consent to subcontracts with the person pending a debarment decision.

2214.2 In response to the proposed debarment, the person may submit in writing information and facts in opposition or may schedule an in-person or telephonic meeting to present its information and facts in opposition. All matters that a person wants considered must be presented in writing. Unless otherwise approved by the Director, this response must be made within fifteen (15) calendar days of receiving notice of the proposed debarment.

2214.3 In actions based upon a conviction or civil judgment, or in which there is no genuine issue of material fact, the person may only present information or facts in opposition related to responsibility, mitigating circumstances, and remedial measures.

2214.4 The person, who may be represented or assisted by counsel, must address in writing all defenses, contested facts, admissions, remedial actions taken, and mitigating factors that it wishes the Director to consider.

2414.5 The Director shall review all materials presented and arguments made and determine whether or not the person has raised a genuine dispute regarding a fact material to the proposed debarment. A general denial of the allegations will not be sufficient to raise a genuine dispute regarding a material fact.

- 2214.6 In debarment actions not based upon a conviction or civil judgment, if the Director finds that the person's submission in opposition raises a genuine dispute regarding a fact material to the proposed debarment, the Director shall then conduct an informal fact-finding proceeding at which the person or its counsel may present evidence and may call and question witnesses. The fact-finding proceeding shall be transcribed unless the person and the Director agree otherwise. The person may purchase a copy of the transcript.
- 2214.7 The fact-finding proceeding is an informal evidentiary hearing and the rules of evidence and civil procedure shall not apply. Documentary evidence shall be taken into the record along with any testimony.
- 2214.8 In debarment actions not based upon a conviction or civil judgment, the cause(s) for debarment shall be established by a preponderance of the evidence. The Director shall base the debarment decision on the facts as found, together with all information in the administrative record.
- 2214.9 In debarment actions based upon a conviction or civil judgment, or in which there is no genuine issue of material fact, the Director shall make a decision on the basis of all the information in the administrative record, including any submission made by the person.
- 2214.10 If the person fails to provide a response to the notice within the fifteen (15) day period set forth in § 2214.2 of this chapter, or obtain an extension of time within that period, the Director shall make a final decision on the basis of the available information in the Director's possession.
- 2214.11 The Director shall issue a written decision within thirty (30) business days after receipt of all information and facts in opposition submitted by the person, unless the Director extends this period for good cause.
- 2214.12 If the Director decides to impose debarment, the person and any affiliates involved shall be given notice of the debarment action by certified mail, return receipt requested. The notice shall:
- (a) State the relevant facts and the reasons for the action taken;
  - (b) Describe the present responsibility of the person;
  - (c) Describe how the debarment is in the best interest of the District;
  - (d) State the period of debarment, including effective dates;
  - (e) Include a statement advising that the debarment is effective for all District government agencies; and

(f) Inform the person of the right to appeal the decision to the Contract Appeals Board within sixty (60) days of receipt of the decision.

2214.13 All information considered by the Director will form the administrative record and a list of each document containing such information shall be included in the final decision.

2214.14 If debarment is not imposed, the Director shall promptly notify the person and any involved affiliates by certified mail, return receipt requested.

**Section 2215, SUSPENSION, is amended to read as follows:**

**2215 SUSPENSION**

2215.1 The Director shall suspend a person for any of the causes set forth in § 907(b)(1) of the Act, D.C. Official Code § 2-359.07(b)(1), unless the Director makes a finding in writing that it would be contrary to the best interest of the District to do so.

2215.2 The Director may suspend a person for any of the causes set forth in § 907(b)(2) of the Act, D.C. Official Code § 2-359.07(b)(2), if the Director makes a finding in writing that it would be in the best interest of the District to do unless the present responsibility of the person is such that a suspension would not be warranted.

2215.3 The Director may suspend a person for any other cause set forth in an applicable statute, regulation, or final decision.

2215.4 Suspension shall constitute suspension of all divisions and other organizational elements of the person, and all commodities offered by the person, unless the suspension decision is limited by its terms to specific divisions, organizational elements, or commodities.

2215.5 Suspension shall constitute suspension of any affiliates of the person if the Director specifically names the affiliate in the finding and gives the affiliate written notice of the proposed debarment and an opportunity to respond in accordance with the provisions of this chapter.

2215.6 Suspension shall be for a temporary period pending the completion of an investigation and any resulting judicial or administrative proceeding, unless terminated sooner by the Director. If judicial or administrative proceedings are not initiated within one (1) year after the date of the suspension notice, the suspension shall be terminated unless the Director determines that it is in the best interest of the District to extend the suspension, in which case it may be extended for not more than an additional six (6) months.

**Section 2216, SUSPENSION PROCEEDINGS, is amended to read as follows:****2216 SUSPENSION PROCEEDINGS**

- 2216.1 The Director shall initiate suspension proceedings by notifying the person and any specifically named affiliates by certified mail, return receipt requested, of the following:
- (a) Reasons for the suspension in sufficient detail to put the person on notice of the conduct or transaction(s) upon which the suspension is based;
  - (b) Cause(s), as set forth in § 907(b) of the Act, D.C. Official Code § 2-359.07(b), or any other applicable statute, regulation or final decision relied upon for the suspension;
  - (c) That, within fifteen (15) calendar days after receipt of the notice, the person may submit, in person, in writing, or through a representative, information or written facts in opposition to the suspension, and request an informal meeting in person or by telephone, to present information or facts in opposition;
  - (d) The District's procedures governing suspension decision-making;
  - (e) The effect of the suspension; and
  - (f) That a fact-finding proceeding may be conducted; and
  - (g) That the District will not solicit offers from, award contracts to renew, extend contracts with, or consent to subcontracts with the person pending the completion of an investigation and any resulting judicial or administrative proceedings, unless sooner terminated by the Director.
- 2216.2 In response to the notice of suspension, the person may submit written information and facts in opposition or may schedule an informal in-person or telephonic meeting to present information and facts in opposition. All matters that a person wants considered must be presented in writing. Unless otherwise approved by the Director, this response must be made within fifteen (15) calendar days of receiving notice of suspension.
- 2216.3 The person, who may be represented or assisted by counsel, must address all defenses, contested facts, admissions, remedial actions taken, and mitigating factors that it wishes the Director to consider.
- 2416.4 The Director shall review all materials presented and determine whether or not the person has raised a genuine dispute regarding a material fact. A general denial of the allegations will not be sufficient to raise a genuine dispute over facts.

- 2216.5 In suspension actions based on an indictment in which the person’s submission does not raise any genuine issue of material fact, or in which additional proceedings to determine disputed material facts have been denied on the basis of the advice of the prosecuting authority, the Director’s decision shall be based on all the information in the administrative record, including any submission made by the person.
- 2216.6 In suspension actions not based upon an indictment, if the Director finds that the person’s submission in opposition raises a genuine dispute over a fact material to the suspension, the Director shall then conduct an informal fact-finding proceeding at which the person or its counsel may present evidence and may call and question witnesses. The fact-finding proceeding shall be transcribed unless the person and the Director agree otherwise. The person may purchase a copy of the transcript.
- 2216.7 The fact-finding proceeding is an informal evidentiary hearing and the Rules of Evidence and Civil Procedure shall not apply. Documentary evidence will be taken into the record along with any testimony.
- 2216.8 Upon the conclusion of the fact-finding proceeding, the Director shall review the administrative record, prepare written findings of fact, and issue a written decision based on the facts as found.
- 2216.9 If the person fails to provide a response to the notice within the fifteen (15) day period, or arrange an extension of time, the Director shall make a final decision on the basis of the available information in the Director’s possession.
- 2216.10 The Director shall issue a written decision within thirty (30) business days after receipt of all information and facts in opposition submitted by the person, unless the Director extends this period for good cause.
- 2216.11 The Director’s decision shall maintain, modify, or terminate the suspension. The Director shall provide notice of his decision to the person and any affiliates involved by certified mail, return receipt requested. The notice shall:
- (a) State the relevant facts and the reasons for the action taken;
  - (b) Describe the present responsibility of the person;
  - (c) Describe how the maintenance, modification, or termination of suspension is in the best interest of the District;
  - (d) State the period of suspension, including effective dates; and

- (e) Include a statement advising that the suspension is effective for all District government agencies; and
- (f) Inform the person of the right to appeal the decision to the Contract Appeals Board within sixty (60) days of receipt of the decision.

2216.12 All information considered by the Director shall form the administrative record and a list of each document containing such information shall be included in the final decision.

2216.13 If judicial or administrative proceedings are not initiated within one (1) year after the date of the suspension notice, the suspension shall be terminated unless the Director determines that it is in the best interest of the District to extend the suspension, in which case it may be extended for not more than an additional six (6) months. In no event may a suspension extend beyond eighteen (18) months, unless judicial or administrative proceedings have been initiated within that period.

**Section 2218, MAINTENANCE OF DEBARMENT AND SUSPENSION RECORDS, is amended to read as follows:**

**2218 MAINTENANCE OF DEBARMENT AND SUSPENSION RECORDS**

2218.1 The Director shall keep and maintain a case docket of current debarment and suspension proceedings under the Director’s jurisdiction and copies of the Director’s decisions and final orders.

**Section 2219, DEBARMENT PROCEEDINGS FOR UNSATISFACTORY PERFORMANCE, is deleted in its entirety.**

**Section 2220, ORGANIZATIONAL CONFLICTS OF INTEREST, is amended to read as follows:**

**2220 ORGANIZATIONAL CONFLICTS OF INTEREST**

2220.1 The contracting officer shall analyze each planned procurement in order to identify and evaluate potential organizational conflicts of interest early in the procurement process and avoid, neutralize, or mitigate potential conflicts prior to contract award.

2220.2 A contractor that provides systems engineering and technical direction for a system, but does not have overall contractual responsibility for its development, integration, assembly and checkout, or production, shall not be awarded any of the following:

- (a) A contract to supply the system or any of its major components;

- (b) A subcontract to supply the system or any of its major components; or
- (c) A consulting contract with a supplier of the system or any of its major components.

2220.3 If a contractor prepares and furnishes complete specifications covering non-developmental items to be used in a competitive procurement, that contractor shall not be allowed to furnish those items, either as a prime contractor or as a subcontractor, for a reasonable period of time to include at least the duration of the initial production contract. This subsection shall not apply to the following:

- (a) Contractors that furnish, at District request, specifications or data regarding a product they provide, even though the specifications or data may have been paid for separately or in the price of the product; or
- (b) Contractors acting as industry representatives that assist District agencies prepare, refine, or coordinate specifications, regardless of source, when the assistance is supervised and controlled by District representatives.

2220.4 If a contractor prepares, or assists in preparing, a work statement to be used in competitively procuring a system or services, or provides material leading directly, predictably, and without delay to this type of work statement, that contractor shall not supply the system or services unless one (1) or more of the following apply:

- (a) The contractor is the sole source;
- (b) The contractor has participated in the developmental and design work; or
- (c) More than one (1) contractor has been involved in preparing the work statement.

2220.5 A contract involving technical evaluation of other contractors' offers, products, or consulting services shall not be awarded to a contractor that would evaluate or advise the District concerning its own products or activities, or those of a competitor, without proper safeguards to ensure objectivity and protect the District's interest.

2220.6 When a contractor requires proprietary information from others to perform a District contract and can use the leverage of the contract to obtain it, the contractor may gain an unfair competitive advantage unless restrictions are imposed. These restrictions protect the information and encourage companies to provide it when necessary for contract performance. They are not intended to protect information that is:

- (a) Furnished voluntarily without limitations on its use; or
- (b) Available to the District or contractor from other sources without restriction.

2220.7 A contractor that gains access to proprietary or confidential information of its competitors or other companies, firms, individuals, or District contractors in performing advisory and assistance services for the District shall agree with its competitors or other companies, firms, individuals, or District contractors to protect all proprietary or confidential information from unauthorized use or disclosure for as long as it remains proprietary or confidential and refrain from using the information for any purpose other than that for which it was furnished.

2220.8 Any solicitation that may involve a significant potential organizational conflict of interest shall contain a provision which describes the following:

- (a) The nature of the potential conflict as seen by the contracting officer;
- (b) The nature of the proposed restraint upon future contractor activities; and
- (c) Depending on the nature of the procurement, whether the terms of any proposed conflicts clause and the application of § 2220 of this chapter to the contract are subject to negotiation.

2220.9 If, as a condition of award, a contractor's eligibility for future prime contract or subcontract awards would be restricted, or a contractor would have to agree to some other restraint, the solicitation shall contain a conflicts clause that specifies both the nature and duration of the proposed restraint. The contracting officer shall include the conflicts clause in the contract.

2220.10 The Director may waive any requirement of this section if the Director determines that the application of the rule of procedure in a particular situation would not be in the best interest of the District. Each waiver shall be in writing, and describe the nature of the conflict and the justification for the waiver.

**Section 2221, CONFLICTING CONTRACTOR INVOLVEMENT, is deleted in its entirety.**

**Section 2222, PROCEDURES FOR AVOIDING CONFLICTS, is deleted in its entirety.**

**Section 2225, CONTRACTOR TEAM ARRANGEMENTS, is amended to read as follows:**

**2225 CONTRACTOR TEAM ARRANGEMENTS**

2225.1 The District may recognize the integrity and validity of contractor team arrangements when those arrangements are identified and company relationships are fully disclosed in an offer or, for an arrangement entered into after submission

of an offer, before the arrangement becomes effective. The District shall not require or suggest the dissolution of contractor team arrangements unless those arrangements are in violation of any law or regulation, or are not in the best interest of the District.

2225.2 Nothing in this section shall authorize any contractor team arrangement in violation of antitrust statutes or limit the District's rights to do any of the following:

- (a) Require consent to subcontract;
- (b) Determine, on the basis of the stated contractor team arrangement, the responsibility of the prime contractor;
- (c) Provide to the prime contractor data rights owned or controlled by the District;
- (d) Pursue policies on competitive contracting, subcontracting, and component breakout after initial production, or at any other time; or
- (e) Hold the prime contractor fully responsible for contract performance, regardless of any team arrangement between the prime contractor and its subcontractors.

**DEPARTMENT OF ENERGY AND ENVIRONMENT****PUBLIC NOTICE**

Notice is hereby given that, pursuant to 20 DCMR § 210, the Air Quality Division (AQD) of the Department of Energy and Environment (DOEE), located at 1200 First Street NE, 5<sup>th</sup> Floor, Washington DC, intends to issue air quality permit Nos. 7214, 7215, 7216, and 7217 to Georgetown University to construct and operate one 119.8 MMBTU/hr boiler (Boiler 4) and install low NO<sub>x</sub> burners and modify stacks on three existing boilers (Boilers 1, 2, and 3) at the Central Utility Plant located at 3700 O Street NW, Washington DC 20057. The contact person for facility is Bob Sidner, CEM, Senior Air Permitting Manager/Engineer, Eastern Research Group, Inc. (a consultant for Georgetown University), at (703) 375-9775 or [bob.sidner@erg.com](mailto:bob.sidner@erg.com).

Emissions Estimates:

The maximum potential to emit air pollutants from the new Boiler 4, under the fuel usage limitation contained in the draft permit, has been estimated to be as follows:

	<b>Maximum Annual Emissions</b>
<b>Pollutant</b>	<b>(tons/yr)</b>
Total Particulate Matter (PM Total)	2.7
Sulfur Oxides (SO <sub>x</sub> )	0.3
Nitrogen Oxides (NO <sub>x</sub> )	8.0
Volatile Organic Compounds (VOC)	2.1
Carbon Monoxide (CO)	19.6

The maximum potential to emit air pollutants from each of Boilers 1 and 2, under the fuel usage limitation contained in the draft permits, has been estimated to be as follows:

	<b>Maximum Annual Emissions</b>
<b>Pollutant</b>	<b>(tons/yr)</b>
Total Particulate Matter (PM Total)	2.9
Sulfur Oxides (SO <sub>x</sub> )	0.3
Nitrogen Oxides (NO <sub>x</sub> )	8.5
Volatile Organic Compounds (VOC)	2.2
Carbon Monoxide (CO)	20.9

The maximum potential to emit air pollutants from the Boiler 3, under the fuel usage limitation contained in the draft permit, has been estimated to be as follows:

	<b>Maximum Annual Emissions</b>
<b>Pollutant</b>	<b>(tons/yr)</b>
Particulate Matter (PM Total)	2.7
Sulfur Oxides (SO <sub>x</sub> )	0.3
Nitrogen Oxides (NO <sub>x</sub> )	8.1
Volatile Organic Compounds (VOC)	2.1
Carbon Monoxide (CO)	19.8

The overall impact on the potential to emit of the facility related to the project, including installation of Boiler 4 as well as retrofits of low NO<sub>x</sub> burners on Boilers 1, 2, and 3 are expected to result in the following estimated overall changes in emissions:

	<b>Change in Emissions</b>
<b>Pollutant</b>	<b>(+ is an increase, - is a decrease)</b>
	<b>(tons/yr)</b>
Particulate Matter (PM Total)	-0.9
Sulfur Oxides (SO <sub>x</sub> )	+0.3
Nitrogen Oxides (NO <sub>x</sub> )	-96.5
Volatile Organic Compounds (VOC)	-0.2
Carbon Monoxide (CO)	-52.9

**DC HEALTH BENEFIT EXCHANGE AUTHORITY**

**NOTICE**

**Tax Year 2019 Low-Income Exemption Eligibility Thresholds**

This notice is published pursuant to D.C. Official Code §47-5102(b)(2)(B).

Starting January 1, 2019, all DC residents must maintain minimum essential health coverage, qualify for an exemption, or pay a tax penalty for the months that they do not have coverage. For more information on exemptions that are available, go to <https://www.dchealthlink.com/individual-responsibility-requirement#exemption>.

Each DC resident that does not have minimum essential health coverage, and does not want to pay the penalty, must qualify for an exemption. One of the exemptions you can claim on your DC tax return is based on having low income. Below are the eligibility amounts for the low-income exemption for tax year 2019. Eligibility is based on the age that the applicant will be as of the last day of the year and the adjusted gross income (before deductions) for the entire household which the individual applying for the exemption was a member of during the year.

	<b><u>Taxpayers or Dependents 21 or Older as of 12/31/19</u></b>	<b><u>Taxpayers or Dependents Under 21 as of 12/31/19</u></b>
<i>Tax Household of 1</i>	\$27,727.80	\$40,467.60
<i>Tax Household of 2</i>	\$37,540.20	\$54,788.40
<i>Tax Household of 3</i>	\$47,352.60	\$69,109.20
<i>Tax Household of 4</i>	\$57,165.00	\$83,430.00
<i>Tax Household of 5</i>	\$66,977.40	\$97,750.80
<i>Tax Household of 6</i>	\$76,789.80	\$112,071.60
<i>Tax Household of 7</i>	\$86,602.20	\$126,392.40
<i>Tax Household of 8</i>	\$96,414.60	\$140,713.20
<i>For Each Additional Tax Household Member, add:</i>	\$9,812.40	\$14,320.80

**Comparison to Medicaid Eligibility** – The eligibility standards for the low-income exemption are similar to, but not the same as, the standards to be eligible for Medicaid in the District of Columbia. Medicaid eligibility is based on what your circumstances are at the time of application whereas the low-income exemption is based on what your circumstances were during the tax year that you want the exemption for, usually looking to the past because you file your tax return and apply for the exemption after the tax year is over. If you believe your income will be in the ranges indicated in the above chart, you are strongly encouraged to contact DC Health Link at (855) 532-5465 and apply for Medicaid to see if you can enroll in coverage now.

Medicaid offers comprehensive health coverage, at no cost, for low-income District residents, with a wide range of providers. Enrolling in Medicaid satisfies the requirement to have minimum essential health coverage and therefore individuals would not need an exemption for any month that they were enrolled in Medicaid; they would also benefit from having health coverage.

#### EXAMPLE 1

Joe will be 29 years old as of 12/31/2019. He files his own taxes in DC, is not married, and does not claim any dependents on his taxes. He is therefore a tax household of one. In 2019, he earns \$750 every two weeks in wages (before deductions) and also earns \$100 per year in interest on his checking account. In total, that is \$19,600 in adjusted gross income. He would be eligible for a low-income exemption as a taxpayer over 21 as of 12/31/2019 with an adjusted gross income below \$27,727.80. However, the District Government would strongly encourage Joe to contact DC Health Link during 2019 or as soon as possible and apply for Medicaid. Once he enrolled in Medicaid, he will satisfy the DC requirement to have health coverage for the months he is enrolled.

#### EXAMPLE 2

Mark and Lucy are married and do not claim any dependents on their DC taxes. They are therefore a tax household of two. Mark will be 35 years old and Lucy will be 38 years old as of 12/31/2019. Mark lost his job at the end of March 2019. His wages through the end of March totaled \$6,200. Lucy earned wages throughout the year; \$500 each week. Mark has been living off of withdrawals from his Individual Retirement Account (IRA). In 2019, he withdrew \$15,000. Mark and Lucy's total adjusted gross income is \$47,200. This means that they would not be eligible for the low-income exemption because \$47,200 is more than \$37,540.20. However, the District Government would strongly encourage Mark and Lucy to contact DC Health Link during 2019 or as soon as possible and apply for Medicaid. The Medicaid program has slightly different income-counting rules and the household could be still be eligible for Medicaid. If enrolled in Medicaid, Mark and Lucy will satisfy the DC requirement to have health coverage for the months they are enrolled.

#### EXAMPLE 3

Frank and Mary are married and have a son named Luke and a daughter named Heather, who they claim as tax dependents on their DC taxes. Frank will be 63 years old, Mary will be 49 years old, Luke will be 15 years old, and Heather will be 19 years old as of 12/31/19. Mary is self-employed and has net self-employment income (after expenses) of \$46,130. Frank has a pension of \$1,020 per month and Social Security payments. The taxable portion of his Social Security payments are \$250 per month. Therefore, the household's total adjusted gross income is \$58,370. Based on this amount, neither Frank nor Mary would qualify for the low-income exemption, but both Luke and Heather would. That is because their adjusted gross income in 2019 is more than the threshold for persons over 21 (\$57,165.00), but lower than the threshold for persons under 21 (\$83,430.00) based on a tax household of 4. The household would have to

pay a penalty based on the months Frank and Mary went without health coverage unless they qualified for another exemption. Even though they appear to qualify for an exemption, the District Government would strongly encourage the family to contact DC Health Link during 2019 or as soon as possible and apply for Medicaid. At a minimum, Luke and Heather may be able to get Medicaid coverage.

**GOVERNMENT OF THE DISTRICT OF COLUMBIA  
BOARD OF ZONING ADJUSTMENT**

**Application No. 19889 of AMM2 Investments, LLC**, as amended,<sup>1</sup> pursuant to 11 DCMR Subtitle X, Chapter 9, for special exceptions under the new residential development requirements of Subtitle U § 421.1 and under Subtitle C § 703.2 from the minimum parking requirements of Subtitle C § 701.5, and pursuant to 11 DCMR Subtitle X, Chapter 10 for an area variance from the side yard requirements of Subtitle F § 306.2(a), to construct a new eight-unit apartment house in the RA-1 Zone at premises 413 60th Street N.E. (Square 5261, Lot 803).

**HEARING DATES:** January 30 and March 27, 2019  
**DECISION DATE:** March 27, 2019

**SUMMARY ORDER**

**REVIEW BY THE ZONING ADMINISTRATOR**

The application was accompanied by a memorandum from the Zoning Administrator, certifying the required relief. (Exhibit 41 (Revised); Exhibit 16 (Original).)

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 7C and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 7C, which is automatically a party to this application. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on November 8, 2018, at which a quorum was present, the ANC voted 6-0 to support the application. (Exhibit 76.) The ANC submitted a second written report, indicating that it again voted to support the application at a March 14, 2019 public meeting. (Exhibit 79.) Commissioner Mary Gaffney testified on behalf of the ANC.

The Office of Planning ("OP") submitted a timely report recommending approval of the amended application. (Exhibit 71.) The District Department of Transportation ("DDOT") submitted a timely report indicating that it had no objection to the application, subject to the approved Transportation Demand Management plan. (Exhibit 45.) DDOT also raised the issue that an existing curb cut on 60th Street, N.E. leads to a non-compliant parking space; however,

---

<sup>1</sup> The original application was amended to add an area variance from the side yard requirements of Subtitle F § 306.2(a). (Exhibit 41.)

the Applicant submitted an updated plat to confirm that the issues has been addressed. (Exhibit 68.)

#### Variance Relief

As directed by 11 DCMR Subtitle X § 1002.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 1002.1 for an area variance from the side yard requirements of Subtitle F § 306.2(a). The only parties to the case were the ANC and the Applicant. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, and having given great weight to the ANC and OP reports filed in this case, the Board concludes that the Applicant has met the burden of proof under 11 DCMR Subtitle X § 1002.1, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

#### Special Exception Relief

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for special exceptions under the new residential development requirements of Subtitle U § 421.1 and under Subtitle C § 703.2 from the minimum parking requirements of Subtitle C § 701.5. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map and that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. The Board further concludes that any other specified conditions for special exception relief have been met, pursuant to Subtitle X § 901.2(c).

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED ARCHITECTURAL PLANS -- EXHIBIT 65 --AND THE UPDATED SURVEYOR'S PLAT -- EXHIBIT 68.**

**BZA APPLICATION NO. 19889**

**PAGE NO. 2**

**VOTE: 3-2-0** (Michael G. Turnbull, Lesylleé M. White, and Lorna L. John to APPROVE; Frederick L. Hill and Carlton E. Hart OPPOSED to the motion.)

**BY ORDER OF THE D.C. BOARD OF ZONING ADJUSTMENT**

A majority of the Board members approved the issuance of this order.

**FINAL DATE OF ORDER:** March 28, 2019

**SUMMARY ORDER**

**SELF-CERTIFICATION**

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR Subtitle Y § 300.6. (Exhibit 2.) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 4B and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 4B, which is automatically a party to this application. The ANC submitted a report recommending approval of the application. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on January 28, 2019, at which a quorum was present, the ANC voted 8-0 to support the application. (Exhibit 28.)

The Office of Planning ("OP") submitted a timely report recommending approval of the application. (Exhibit 33.) The District Department of Transportation ("DDOT") submitted a timely report indicating that it had no objection to the grant of the application. (Exhibit 32.)

Lisa Pittman Dennis submitted a letter in opposition to the application (Exhibit 37.) Ms. Dennis also provided public testimony at the hearing concerning the impact that the proposed operation, particularly trash collection and pest control, would have on her property and the surrounding neighborhood.

**Special Exception Relief**

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for a special exception under the use provisions of Subtitle U § 513.1(c), to permit a fast food use in the MU-4 Zone. No parties appeared at the public hearing in opposition to this

application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2, and Subtitle U § 513.1(c), that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBITS 5, 29 and 30 WITH THE FOLLOWING CONDITIONS:**

1. The Applicant shall provide commercial trash pickup at least two to three times per week.
2. The Applicant shall provide a monthly pest control plan. In the event that additional pest control is required, it shall be increased on an as needed basis.

**SUMMARY ORDER**

**SELF-CERTIFICATION**

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR Subtitle Y § 300.6. (Exhibit 4 – original; Exhibit 44 - revised.) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 8B and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 8B, which is automatically a party to this application. The ANC submitted a report on January 16, 2019 recommending approval of the application. The ANC’s report indicated that at a regularly scheduled, properly noticed public meeting on October 16, 2018, at which a quorum was present, the ANC listened to the Applicant’s presentation and supported the application. (Exhibit 16.) The Commissioner for Single Member District 8B-04, Darrell Gaston, testified that the ANC considered the application again on March

---

<sup>1</sup> The Applicant’s original self-certification (Exhibit 4) incorrectly cited the variance relief as U § 203.1(j)(8)(**B**). The revised self-certification form (Exhibit 44) cites the relief correctly as U § 203.1(j)(8)(**A**), as indicated in the caption above.

19, 2019 and voted in support. An updated ANC 8B resolution was submitted to the record, along with Commissioner Gaston’s written testimony.<sup>2</sup> (Exhibit 46.)

The Office of Planning (“OP”) submitted a timely report recommending approval of the application. (Exhibit 40.) The District Department of Transportation (“DDOT”) submitted a timely report indicating that it had no objection to the grant of the application. (Exhibit 39.)

Seven letters of support were submitted into the record. No opposition letters were submitted nor testimony presented.

#### Variance Relief

As directed by 11 DCMR Subtitle X § 1002.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 1002.1 for an area variance from the accessory parking use requirements of Subtitle U § 203.1(j)(8)(A), to permit a surface accessory parking lot in the R-3 Zone. The only parties to the case were the ANC and the Applicant. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be averse to any party.

Based upon the record before the Board, and having given great weight to the OP report filed in this case, the Board concludes that in seeking a variance from 11 DCMR Subtitle U § 203.1(j)(8)(A), the Applicant has met the burden of proof under 11 DCMR Subtitle X § 1002.1, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

#### Special Exception Relief

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for special exceptions under the use provisions of Subtitle U § 203.1(j), under Subtitle C § 710.3 from the location restrictions of Subtitle C § 710.2(b)(5), under Subtitle C § 714.3 from the surface parking screening requirements of Subtitle C § 714.2, and under Subtitle C § 1402 from the retaining wall requirements of Subtitle C § 1401. The only parties to the case were the ANC and the Applicant. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be averse to any party.

---

<sup>2</sup> The resolution did not contain the signature of the ANC Chairperson or Vice-Chairperson nor did it indicate the ANC’s vote, therefore, it did not meet the requirements for “great weight” under Subtitle Y § 406.2. The Board nonetheless acknowledged the ANC’s support and the ANC Commissioner’s testimony.

Based upon the record before the Board and having given great weight to the OP report, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2, Subtitle U § 203.1(j), Subtitle C §§ 710.3, 710.2(b)(5), 714.3, 714.2, 1402, and 1401, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBITS 41C1-41C3 - ARCHITECTURAL PLANS – PARTS 1, 2, AND 3.**
