A RESOLUTION

23-50

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

April 2, 2019

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Prevention of Child Abuse and Neglect Act of 1977 to broaden the definitions of an abused child and a neglected child to include a victim of sex trafficking or severe forms of trafficking in persons, a commercial sex act, or sex trafficking of children.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Child Neglect and Sex Trafficking Congressional Review Emergency Declaration Resolution of 2019”.

Sec. 2. (a) The Child Abuse and Prevention Treatment Act, approved January 31, 1974 (88 Stat. 5; 42 U.S.C. § 5101 *et seq.*) (“CAPTA”), provides federal funds to states and the District for child protective service programs.

(b) Section 802 of the Justice for Victims of Trafficking Act of 2015, approved May 29, 2015 (129 Stat. 263, codified in scattered cites in the U.S. Code), amended CAPTA by requiring that child welfare agencies consider a child who is a victim of sex trafficking or a victim of a severe form of trafficking in persons as a victim of “child neglect” and “sexual abuse” as a condition of receiving CAPTA funds.

(c) To maintain the District’s eligibility for CAPTA funds, the Council previously enacted the Child Neglect and Sex Trafficking Emergency Amendment Act of 2018, effective December 18, 2018 (D.C. Act 22-555; 66 DCR 259), to broaden the definitions of “neglected child” and “abused child” in section 102 of the Prevention of Child Abuse and Neglect Act of 1977, effective September 23, 1977 (D.C. Law 2–22; D.C. Official Code § 4-1301.02), to include sex trafficking and severe forms of trafficking as defined in section 103(10) and (9)(A) of the Trafficking Victims Protection Act of 2000, approved October 28, 2000 (114 Stat. 164; 22 U.S.C. § 7102(10) and (9)(A)). The Council also enacted a permanent form of this legislation through the Omnibus Public Safety and Justice Amendment Act of 2018, enacted on January 30, 2019 (D.C. Act 22-614; 66 DCR 1627). As this permanent bill will not complete congressional review until May 23, 2019, and the Child Neglect and Sex Trafficking Emergency Amendment Act of 2018 will expire on March 31, 2019, the Child Neglect and Sex Trafficking Congressional Review Emergency Amendment Act of 2019 is necessary to ensure that the District of Columbia maintains compliance with the federal requirements and its eligibility for CAPTA funding.

To declare the existence of an emergency with respect to the need to approve Change Order Nos. 3 through 5 to Contract No. DCAM-18-CS-0005 with Fort Myer Construction Corporation, and authorize payment for the goods and services received and to be received under these change orders.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Change Order Nos. 3 through 5 to Contract No. DCAM-18-CS-0005 Approval and Payment Authorization Emergency Declaration Resolution of 2019”.

Sec. 2. (a) There exists an immediate need to approve Change Order Nos. 3 through 5 to Contract No. DCAM-18-CS-0005 (“Contract”) between the Department of General Services (“Department”) and Fort Myer Construction Corporation (“Contractor”), and to authorize payment in the not-to-exceed amount of \$13,590,796 for the goods and services received and to be received under these change orders.

(b) On December 17, 2018, the Department executed Change Order No. 3, in the amount of \$995,000, which authorized changes to the scope of work of the Contract, thereby increasing the total Contract value from \$11,759,067 to \$12,754,067. On February 28, 2019, the Department executed Change Order No. 4, a zero dollar change order that extended the Contract’s term but did not increase the total Contract value. The aggregate value of Change Order Nos. 3 and 4 was less than \$1 million; thus, Change Order Nos. 3 and 4 did not require Council approval.

(c) Proposed Change Order No. 5, in the amount of \$836,729, provides for further changes to the scope of work and increases the total value of the Contract from \$12,754,067 to \$13,590,796 for goods and services already received. The aggregate increase to the total Contract value, via Change Order Nos. 3 through 5, is \$1,831,729, an amount in excess of \$1 million during a 12-month period. Therefore, Council approval of Change Order Nos. 3 through 5 is required pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. The amendment in Chapter 38 will expand the definition of the term “eligible area” to include a new census tract, and the amendment for Chapter 46 would exempt from taxation Deanwood Town Center because of the construction of certain eligible tax-exempt businesses in the town center. ACT OF 2019”;**

**B23-0117 – THE “UNDERGROUND FACILITIES PROTECTION AMENDMENT ACT OF
2019”; AND**

**B23-0135 – THE “POWER LINE UNDERGROUNDING PROGRAM CERTIFIED
BUSINESS ENTERPRISE UTILIZATION AMENDMENT ACT OF 2019”**

Monday, May 13, 2019, 10:00 a.m.
Room 412, John A. Wilson Building
1350 Pennsylvania Avenue, N.W.
Washington, D.C. 20004

On Monday, May 13, 2019, Councilmember Kenyan R. McDuffie, Chairperson of the Committee on Business and Economic Development will hold a public hearing to consider Bill 23-0116, the “Warehousing and Storage Eminent Domain Authority Act of 2019,” Bill 23-0117, the “Underground Facilities Protection Amendment Act of 2019,” and Bill 23-0135, the “Power Line Undergrounding Program Certified Business Enterprise Utilization Amendment Act of 2019.”

The stated purpose of Bill 23-0116 is to authorize the acquisition through the exercise of eminent domain of certain property located on W Street, NE for warehousing and storage purposes. The District government has a significant need for warehousing and storage equipment, records, property, and supplies, and the District’s need nearly exceeds the current capacity at its owned facilities. The property on W Street, NE, east of Brentwood Road, has been identified as a strong site for warehousing and storage purposes. The stated purpose of Bill 23-0117 is to amend the District’s excavation safety law, the Underground Facilities Protection Act of 1980 (“UFPA”), to better protect underground facilities such as gas and water lines. Currently, UFPA may only be enforced in the District of Columbia Superior Court however, this bill would grant the Department of Consumer and Regulatory Affairs enforcement powers. Lastly, the stated purpose of Bill 23-0135 is to clarify and update certain provisions of the Electric Company Infrastructure

Improvement Financing Act of 2014 to expand contracting opportunities for certified business enterprises. The bill would amend the 100% goal in the current law to award the DC power line underground program (DC PLUG) construction contracts to certified business enterprises in the District rather than just businesses in the District that may not be certified.

The Committee invites the public to testify or to submit written testimony. Anyone wishing to testify at the hearing should contact the Committee on Business and Economic Development via email at cautrey@dccouncil.us or at (202) 724-8053, and provide their name, telephone number, organizational affiliation, and title (if any), by **close of business Thursday, May 9th**. HISTORIC PRESERVATION REVIEW BOARD**NOTICE OF PUBLIC HEARINGS**

The D.C. Historic Preservation Review Board will hold a public hearing to consider an application to amend the historic landmark designation of the following property. The Board will also consider the forwarding of the amendment to the National Register of Historic Places:

Case No. 19-06: Scottish Rite Temple amendment (boundary expansion)
1733 16th Street NW
Square 192, Lot 108
Affected Advisory Neighborhood Commission: 2B

The hearing will take place at **9:00 a.m. on Thursday, May 23, 2019**, at 441 Fourth Street, NW (One Judiciary Square), in Room 220 South. It will be conducted in accordance with the Review Board's Rules of Procedure (10C DCMR 2). A copy of the rules can be obtained from the Historic Preservation Office at 1100 4th Street SW, Suite E650, Washington, DC 20024, or by phone at (202) 442-8800, and they are included in the preservation regulations which can be found on the Historic Preservation Office website.

The Board's hearing is open to all interested parties or persons. Public and governmental agencies, Advisory Neighborhood Commissions, property owners, and interested organizations or individuals are invited to testify before the Board. Written testimony may also be submitted prior to the hearing. All submissions should be sent to the address above.

For each property, a copy of the historic designation application is currently on file and available for inspection by the public at the Historic Preservation Office. A copy of the staff report and recommendation will be available at the office five days prior to the hearing. The office also provides information on the D.C. Inventory of Historic Sites, the National Register of Historic Places, and Federal tax provisions affecting historic property.

If the Historic Preservation Review Board designates a property, it will be included in the D.C. Inventory of Historic Sites, and will be protected by the D.C. Historic Landmark and Historic District Protection Act of 1978. The Review Board will simultaneously consider the nomination of the property to the National Register of Historic Places. The National Register is the Federal government's official list of prehistoric and historic properties worthy of preservation. Listing in the National Register provides recognition and assists in preserving our nation's heritage. Listing provides recognition of the historic importance of properties and assures review of Federal undertakings that might affect the character of such properties. If a property is listed in the Register, certain Federal rehabilitation tax credits for rehabilitation and other provisions may apply. Public visitation rights are not required of owners. The results of listing in the National Register are as follows:

Consideration in Planning for Federal, Federally Licensed, and Federally Assisted Projects: Section 106 of the National Historic Preservation Act of 1966 requires that Federal agencies allow the Advisory Council on Historic Preservation an opportunity to comment on all projects affecting historic properties listed in the National Register. For further information, please refer to 36 CFR 800.

Eligibility for Federal Tax Provisions: If a property is listed in the National Register, certain Federal tax provisions may apply. The Tax Reform Act of 1986 (which revised the historic preservation tax incentives authorized by Congress in the Tax Reform Act of 1976, the Revenue Act of 1978, the Tax Treatment Extension Act of 1980, the Economic Recovery Tax Act of 1981, and the Tax Reform Act of 1984) provides, as of January 1, 1987, for a 20% investment tax credit with a full adjustment to basis for rehabilitating historic commercial, industrial, and rental residential buildings. The former 15% and 20% Investment Tax Credits (ITCs) for rehabilitation of older commercial buildings are combined into a single 10% ITC for commercial and industrial buildings built before 1936. The Tax Treatment Extension Act of 1980 provides Federal tax deductions for charitable contributions for conservation purposes of partial interests in historically important land areas or structures. Whether these provisions are advantageous to a property owner is dependent upon the particular circumstances of the property and the owner. Because the tax aspects outlined above are complex, individuals should consult legal counsel or the appropriate local Internal Revenue Service office for assistance in determining the tax consequences of the above provisions. For further information on certification requirements, please refer to 36 CFR 67.

Qualification for Federal Grants for Historic Preservation When Funds Are Available: The National Historic Preservation Act of 1966, as amended, authorizes the Secretary of the Interior to grant matching funds to the States (and the District or Columbia) for, among other things, the preservation and protection of properties listed in the National Register.

Owners of private properties nominated to the National Register have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing must submit to the State Historic Preservation Officer a notarized statement certifying that the party is the sole or partial owner of the private property, and objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. If a majority of private property owners object, a property will not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of eligibility for listing in the National Register. If the property is then determined eligible for listing, although not formally listed, Federal agencies will be required to allow the Advisory Council on Historic Preservation an opportunity to comment before the agency may fund, license, or assist a project which will affect the property. If an owner chooses to object to the listing of the property, the notarized objection must be submitted to the above address by the date of the Review Board meeting.

NOTICE OF PUBLIC HEARING**

TIME AND PLACE: **Thursday, May 30, 2019, @ 6:30 p.m.**
Jerrily R. Kress Memorial Hearing Room
441 4th Street, N.W., Suite 220-South
Washington, D.C. 20001

FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 19-06 (Office of Planning – Proposed Text Amendment to Subtitle X to Clarify Voluntary Design Review FAR Aggregation)

THIS CASE IS OF INTEREST TO ALL ANCS

At its March 11, 2019, public meeting, the Zoning Commission requested that the Office of Planning (“OP”) bring forward proposed text that would clarify the aggregation of floor area ratio (“FAR”) as part of a Voluntary Design Review (“VDR”) application.

On March 15, 2019, OP filed a setdown and pre-hearing report with the Office of Zoning that served as a petition proposing text amendments to Subtitle X of the Zoning Regulations (Title 11 of the DCMR, to which all references are made unless otherwise specified), to clarify the intent to permit FAR aggregation across a VDR project site. OP also recommended amendments to incorporate provisions from the planned unit development chapter (Subtitle X §§ 310 and 311) governing the limitations on the construction and use of a site that receives VDR approval.

The proposed text amendment would apply city-wide.

At its regular public meeting held on March 25, 2019, the Commission voted to grant’s OP’s requests to set down the proposed text amendment for a public hearing.

PROPOSED TEXT AMENDMENT

The proposed amendments to the text of Title 11 DCMR (Zoning Regulations of 2016) are as follows (text to be deleted is marked in ~~**bold and strikethrough**~~ text; new text is shown in **bold and underline** text).

Section 600, DESIGN REVIEW PURPOSE, of Subtitle X is amended as follows:

600 DESIGN REVIEW PURPOSE

600.1 The purpose of the design review process is to:

- (a) Allow for special projects to be approved by the Zoning Commission after a public hearing and a finding of no adverse impact;

- (b) Recognize that some areas of the District of Columbia warrant special attention due to particular or unique characteristics of an area or project;
- (c) Permit some projects to voluntarily submit themselves for design review under this chapter in exchange for flexibility because the project is superior in design but does not need extra density;
- (d) Promote high-quality, contextual design; and
- (e) Provide for flexibility in building bulk control, design, and site placement without an increase in density **or FAR beyond that allowed within the overall Voluntary Design Review application boundary**, or a map amendment.

Subsection 603.1 of § 603, DESIGN REVIEW FLEXIBILITY, of Subtitle X is amended as follows:

603.1 As part of the design review process, the Zoning Commission may grant relief from the development standards for height, setbacks, lot occupancy, courts, and building transitions; as well as any specific design standards of a specific zone. **The FAR of all buildings shall not exceed the aggregate of the FARs as permitted in the zone or zones included within the Voluntary Design Review boundary.** The design review process shall not be used to vary other building development standards including ~~FAR, Inclusionary Zoning~~, Inclusionary Zoning or green area ratio.

Subtitle X is amended to add new §§ 605 and 606 as follows:

605 LIMITATIONS ON DEVELOPMENT OF A VOLUNTARY DESIGN REVIEW SITE

605.1 No order approving a Voluntary Design Review shall be deemed to include relief from any zoning regulation, including but not limited to, the Inclusionary Zoning requirements of Subtitle C, Chapter 10, unless such relief was expressly requested by the applicant and expressly granted in the order.

605.2 The grant of a Voluntary Design Review prohibits any construction on the PUD site that is not authorized in the order approving the PUD, including development under matter-of-right standards, until:

- (a) The validity of the Voluntary Design Review order expires; or**
- (b) The Zoning Commission issues an order granting the applicant's motion to extinguish the Voluntary Design Review.**

606 IMPLEMENTATION

- 606.1 Following approval of a Voluntary Design Review application by the Zoning Commission, the applicant may file a building permit with the proper authorities of the District of Columbia.**
- 606.2 The Zoning Administrator shall not approve a permit application unless the plans conform in all respects to the plans approved by the Zoning Commission, as those plans may have been modified by any guidelines, conditions, or standards that the Zoning Commission may have applied.**
- 606.3 The Zoning Administrator shall not approve a permit application unless the applicant has recorded a covenant in the land records of the District of Columbia between the owner or owners and the District of Columbia satisfactory to the Office of the Attorney General and the Zoning Administrator, which covenant will bind the owner and all successors in title to construct on and use the property only in accordance with the adopted orders, or amendments thereof, of the Zoning Commission.**
- 606.4 Following the recordation of the covenant, the Voluntary Design Review boundaries shall be designated on the Zoning Map.**
- 606.5 The orders of the Zoning Commission issued in accordance with this chapter shall have all the force of this title, and violations shall be prosecuted in accordance with the provisions of Subtitle A § 305 of this title.**

Proposed amendments to the Zoning Regulations of the District of Columbia are authorized pursuant to the Zoning Act of June 20, 1938 (52 Stat. 797), as amended (D.C. Official Code § 6-641.01, *et seq.* (2018 Repl.)).

DISTRICT OF COLUMBIA BOARD OF ELECTIONS

NOTICE OF SECOND EMERGENCY AND PROPOSED RULEMAKING

The District of Columbia Board of Elections, pursuant to the authority set forth in the District of Columbia Election Code of 1955, approved August 12, 1955, as amended (69 Stat. 699; D.C. Official Code § 1-1001.05(a)(14) (2016 Repl.)), hereby gives notice of adoption, on emergency basis, of amendments to Chapter 5 (Voter Registration), in Title 3 (Elections and Ethics) of the District of Columbia Municipal Regulations (DCMR).

The first Notice of Emergency and Proposed Rulemaking to adopt amendments to Chapter 5 was published in the *D.C. Register* on December 28, 2018 at 65 DCR 14152. The purpose of the proposed amendments was to provide means for voters who are victims of covered offenses or covered employees, as defined in the Address Confidentiality Act of 2018, effective July 3, 2018 (D.C. Law 22-118; 65 DCR 5064 (May 11, 2018)), to make their voter records confidential.

Following the publication of the first Notice of Emergency and Proposed Rulemaking, the Board of Elections received comments from the District of Columbia Office of Victim Services and Justice Grants (OVSJG) concerning how the proposed Chapter 5 rules operated in conjunction with the newly authorized Address Confidentiality Program. These were the only comments received. After review of the comments from OVSJG, the Board determined further substantive amendments to Chapter 5 were necessary in order to conform the Board's regulations with the protections provided for program participants of the Address Confidentiality Program established by the Address Confidentiality Act of 2018.

Therefore, the purpose of the revised proposed amendments to § 510 is to provide for the following:

1. Amend § 510.9 to allow a registered elector to qualify to have his or her voter record made confidential by providing an Address Confidentiality Program authorization card issued pursuant to the "Address Confidentiality Act of 2018."
2. At §510.10, clarify that registered qualified electors who provide an Address Confidentiality Program authorization card shall have their entire voter record removed from all voter records available for public inspection, including poll books at all voting locations. Subsection 510.10 further clarifies that the addresses of all other electors who qualify to make their address confidential will be removed from all records available for public inspection except poll books. This exception is created to allow these electors with a confidential status the ability to vote in person at voting locations. In contrast, Address Confidentiality Program participants who wish to make their voter record confidential are obligated to vote by mail pursuant to law.
3. Create a new § 510.11 to establish rules for the duration of the confidential status and the ability for electors to renew or cancel the confidential status.

Emergency action to adopt these rules is necessary so that victims of covered offenses or covered employees can take immediate action to make their voter records confidential and to ensure confidentiality protections granted by the Address Confidentiality Act of 2018. Adoption of these rules is necessary for the immediate preservation of the public peace and welfare of District residents, in accordance with D.C. Official Code § 2-505(c) (2016 Repl.).

The Board adopted these emergency rules at its regularly scheduled meeting on Wednesday, April 3, 2019, at which time the amendments became effective. The emergency rules shall remain in effect until Thursday, August 1, 2019 (one hundred and twenty (120) days from the adoption date), unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*.

The Board also gives notice of its intent to take final rulemaking action to adopt these amendments in not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

Chapter 5, VOTER REGISTRATION, of Title 3 DCMR, ELECTIONS AND ETHICS, is amended as follows:

Subsection 510.9 of Section 510, VOTER REGISTRATION INFORMATION, is amended to read as follows:

- 510.9 A registered qualified elector’s address shall be considered public information unless made confidential. A registered qualified elector’s address may be made confidential under any of the following circumstances:
- (a) The registered qualified elector, or his or her representative, presents a copy of a court order to the Registrar directing the confidentiality of the qualified elector’s address;
 - (b) The registered qualified elector, or his or her representative, presents the Registrar with reasonable written evidence demonstrating that the registered voter has at any time been a victim of a covered offense or covered employee, as defined in the “Address Confidentiality Act of 2018” (D.C. Law 22-118). This evidence may include employment, court, law enforcement, medical, or social service records; or an Address Confidentiality Program authorization card issued pursuant to the “Address Confidentiality Act of 2018.”
 - (c) In the determination of the Registrar of Voters, the registered qualified elector is an individual of significant public stature and public disclosure of the elector’s address would cause an unwarranted invasion of privacy.

Subsection 510.10 is created to read as follows:

510.10 If a registered qualified elector’s address is made confidential upon the showing of an Address Confidentiality Program authorization card, his or her entire registration record shall be removed from all voter records available for public inspection, including poll books available in any voting place. If a registered qualified elector’s address is made confidential upon the showing of any other document or reason authorized by this section, the elector’s address shall be removed from all voter records available for public inspection with the exception of poll books available in any voting place.

A new Subsection 510.11 is created to read as follows:

510.11 Any record made confidential pursuant to this section shall remain confidential for a period of five years from the date the address is made confidential unless any of the following:

- (a) An alternate period of time is specified by court order;
- (b) The Registrar of Voters determines that maintenance of the confidential status is necessary to prevent the unwarranted invasion of privacy;
- (c) The elector renews his or her request to maintain a confidential voter status; or
- (d) The elector makes a written request to remove his or her record from confidential status.

All persons desiring to comment on the subject matter of this proposed rulemaking should file written comments by no later than thirty (30) days after the date of publication of this notice in the *D.C. Register*. Comments should be filed with the Office of the General Counsel, Board of Elections, 1015 Half Street S.E., Suite 750, Washington, D.C. 20003. Please direct any questions or concerns to the Office of the General Counsel at 202-727-2194 or ogc@dcboe.org. Copies of the proposed rules may be obtained at cost from the above address, Monday through Friday, between the hours of 9:00 a.m. and 4:00 p.m.

District of Columbia Motor Fuel Tax Remains Unchanged
Effective April 1, 2019

Pursuant to D.C. Official Code § 47-2301, the District of Columbia is required to levy and collect a tax on motor vehicle fuels equal to 8 percent of the average wholesale price of a gallon of regular unleaded gasoline. The average wholesale price is to be calculated semi-annually and in no case shall the price computed be less than \$2.94. The computed average wholesale price should also not vary by more than 10 percent from the prior period's average price. The average wholesale price is computed by using the monthly Regular Gasoline Wholesale/Resale Price by Refiners provided by the Energy Information Administration for the Central Atlantic (PADD 1B) region for the six month periods ending in June and December each year.

For the six-month period ending December 31, 2018, the computed average wholesale price of a gallon of gasoline was less than \$2.94. Accordingly, the tax, computed at 8 percent of the \$2.94 minimum price, remains at 23.5 cents per gallon for the period of April 1, 2019 through September 30, 2019.

NOTICE OF FUNDING AVAILABILITY (NOFA)

FISCAL YEAR 2019 AND FISCAL YEAR 2020

SAT AND ACT PREPARATION EXPANSION GRANT SCHOOL YEAR 2019-20

REQUEST FOR APPLICATION (RFA) RELEASE DATE: MAY 3, 2019, 12 P.M.

As authorized by Section 3(b) of the State Education Office Establishment Act of 2000 (D.C. Law 13-176; D.C. Official Code 38-2602(b), as amended by the Postsecondary and Career Grant-Making Authority Amendment Act of 2017, the Office of the State Superintendent of Education (OSSE) - Division of Postsecondary and Career Education, is soliciting grant applications for the District of Columbia SAT and ACT Preparation Expansion Grant 2018-19. The goal of the SAT and ACT Preparation Expansion Grant is to increase the number of District high school students, including students with disabilities, English learner and homeless students, receiving high-quality test preparation services in the 2019-20 school year. Additionally, OSSE seeks to offer LEAs and test preparation companies the opportunity to build and customize SAT and ACT program approaches that fit individual student needs. The grant is supported through local funds as part of a strategic effort to ensure all District students are college and career ready.

Eligibility and Selection Criteria: OSSE will make these grants available through a competitive process. Eligible applicants include SAT and ACT test preparation companies, in partnership with District of Columbia local education agencies (LEAs), who shall provide professional development and planning services between August 1, 2019 and September 30, 2019 (FY19):

- *Teacher/leadership professional development:* OSSE will fund professional development programs for teachers, administrators, and counselors at partner LEAs and schools. Professional development and planning should be directly connected to planned school year programs which use at least one of the implementation models below.
- *School Year Planning:* OSSE will fund planning and preparation time by test preparation companies, for SAT and ACT related programs that will take place during school year 2019-20. Planning and preparation time should include collaboration with partner LEAs. Planning can include purchase of supplies and materials for 2019-20 planned programs.

Additionally, between October 1, 2019 and June 30, 2020 (FY 20), partnerships shall include one or more of three specific SAT or ACT test preparation program components:

- *Curriculum Integration:* OSSE will fund programs that train academic subject area teachers to integrate SAT or ACT strategies and content into pre-existing classroom curriculum.
- *LEA-provided SAT or ACT Test Preparation Course:* OSSE will fund programs that support school-employed staff to teach a standalone SAT or ACT course or courses as part of the school day.

- *Company-provided SAT or ACT Test Preparation Course:* OSSE will fund programs that provide an external instructor or instructors directly from the test preparation company to teach a standalone SAT or ACT preparation and strategy course for students. SAT and ACT test preparation companies may choose to apply for as many options as they see fit in partnership with one or more LEAs. Eligible applicants shall offer the SAT or ACT preparation course during the school day and for credit (at least ½ credit).

LEAs are not directly eligible for this funding, however eligible applicants must secure partnerships with the LEAs with which they intend to work and will be required to verify these partnerships through a signed Partnership Agreement that details the parameters of the partnership and demonstrates each partner's role in the planning and implementation of programs and services. Any qualified test preparation company may serve as the lead applicant for funding and will be fully responsible for fiscal management of funds awarded by OSSE.

Applications will be scored on the following selection criteria: program goals, program logistics and narrative, service of priority areas, budget details and narrative, and program evaluation.

OSSE will be holding an information session on Friday, May 10, 2019 1-3:30 p.m. to answer questions about the RFA and grant competition. To RSVP, please email Nicoisa.Jones@dc.gov no later than Wednesday, May 8, 2019. Please see the full RFA for a detailed timeline of events.

Length of Award: The FY19 grant award period is from August 1, 2019 – September 30, 2019. The FY20 grant award period is October 1, 2019 – June 30, 2020.

Eligible applicants may apply for any amount up to the full amount but may be awarded amounts less than requested. The prior year grant competition resulted in four grant awards. Grant funds shall only be used to support activities authorized by the relevant statutes and included in the applicant's submission.

Application Process: An external review panel or panels will be convened to review, score, and rank each application. OFFICE OF THE STATE SUPERINTENDENT OF EDUCATION**NOTICE OF FUNDING AVAILABILITY****FISCAL YEAR 2020 21ST CENTURY COMMUNITY LEARNING CENTERS GRANT
(ESEA TITLE IV, PART B)****CFDA: 84.287C AND FAIN: S287C190008****REQUEST FOR APPLICATION RELEASE DATE: MONDAY, MAY 6, 2019 AT 3:00
P.M.**

The Division of Systems and Supports, K-12, within the Office of the State Superintendent of Education (OSSE), will be soliciting grant proposals from eligible District of Columbia agencies for the 21st Century Community Learning Centers (21st CCLC) grant.

The purpose of the 21st CCLC program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. Along with student opportunities, 21st CCLC offers the students' families literacy and related educational development. 21st CCLC programs, which can be located in elementary schools, secondary schools, or other similarly accessible facilities, provide a range of high-quality services to support student learning and development. At the same time, centers help working parents by providing a safe environment for students during non-school hours or periods when school is not in session.

The 21st CCLC program is authorized under Part B of Title IV of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act of 2015. The grant is supported through federal funds awarded to the District to support the 21st Century Community Learning Centers and through local funds as part of a strategic citywide effort to increase access to high quality child care and support DCs efforts under the Child Care and Development Block Grant Act of 2014, effective November 19, 2014 ((P.L. 113-186; 42 U.S.C. 9858 et seq.) (2012 Repl. and 2015 Supp.))

Under ESEA, the law's specific purposes are to:

- provide opportunities for academic enrichment, including providing tutorial services to help students, particularly students who attend low-performing schools, to meet the challenging state academic standards;
- offer students a broad array of additional services, programs, and activities, such as youth development activities, service learning, nutrition and health education, drug and violence prevention programs, counseling programs, arts, music, physical fitness and wellness programs, technology education programs, financial literacy programs, environmental literacy programs, mathematics, science, career and technical programs, internship or apprenticeship programs, and other ties to an in-demand industry sector or occupation for high school students that are

designed to reinforce and complement the regular academic program of participating students; and

- offer families of students served by the community learning centers opportunities for active and meaningful engagement in their children’s education, including opportunities for literacy and related educational development.

Eligibility and Selection Criteria: OSSE will make these grants available through a competitive process. Any entity defined as an LEA, Community-based organization (CBO), Indian tribe or tribal organization (as such terms are defined in section 4 of the Indian Self-Determination and Education Act (25 U.S.C. 450b), another public or private entity, or a partnership/consortium of two or more such agencies, organizations, or entities is eligible to apply for the 21st CCLC grant. Individual schools in an LEA are not eligible to apply directly for funds and cannot sign partnership agreements. All applications and school partnership agreements must be submitted and signed by the LEA on behalf of the school. Partnership or consortiums must meet the following requirements:

- The partnership or consortium must appoint one of the eligible entities to be the lead applicant and fiscal agent for the grant.
- The applicant must receive and administer the grant funds and submit the required reports to account for the use of grant funds, within the dates and guidelines established by OSSE.
- The applicant must require consortium partners to sign an agreement that specifically outlines all services each partner will provide. The agreement must be submitted to 21stcclc.info@dc.gov at the time application submission.

Applications will be scored on the following selection criteria: provision of an executive summary, application priorities, needs and resource assessment, evidence-based program design, program management and implementation, program evaluation and monitoring, sustainability, and detailed planning budget expenditures.

Length of Award: The 21st CCLC grant award period will be from the date of the award to Wednesday, September 30, 2020. Successful applicants will be funded for two (2) additional years (three-year grant award period) subject to funding availability. All awards will be reviewed annually for consideration of continued funding.

Available Funding for the Award: The total funding available for 21st CCLC awards is \$1,500,000.00. OSSE anticipates that 3-6 new awards will be made. Program funds may not be used to supplant existing programs and/or funding. Additionally, all expenditures must be consistent with applicable state and Federal laws, regulations and guidance. Program costs must be paid, not merely incurred, by the awardee to the payee prior to requesting reimbursement.

Application Process: Applications must be submitted through EGMS by Friday, June 21, 2019 at 3:00 p.m. Eastern Daylight Time in order to be eligible for review. A review panel will be convened to review, score, and rank each application. The review panel will be

composed of neutral, qualified, professional individuals selected for their expertise, knowledge or related experiences with 21st CCLC. Upon completion of their review, reviewers shall make recommendations for awards based on the scoring rubric. OSSE's Division of Systems and Supports, K-12 will make all final award decisions. DECISION AND ORDER

Complainant American Federation of Government Employees, Local 631 (“Union”) filed an unfair labor practice complaint against Respondent District of Columbia Water and Sewer Authority (“Authority”). In accordance with Rule 520.8 the Board conducted an investigation of the complaint, which included an investigatory conference. The investigation revealed that there is no issue of fact to warrant a hearing. For the reasons set forth below, the case is dismissed.

I. Statement of the Case

A. Grievance Arbitration Proceedings

The Union filed two grievances related to the Authority’s treatment of an employee, Abraham McKnight: an individual grievance on behalf of McKnight and a group grievance on behalf of all bargaining unit members including McKnight.

The individual grievance was submitted March 16, 2018. It alleged that the Authority subjected McKnight to discipline without cause.¹ On March 23, 2018, the Authority responded that the matter was neither grievable nor arbitrable because McKnight had resigned March 22, 2018. On March 27, 2018, the Union sent a letter to the Authority requesting that the matter be referred to an arbitrator.² In a letter to the Union dated April 6, 2018, the Authority adhered to its position that the matter was not arbitrable, concluding, “Accordingly, your correspondence asserting a ‘grievance’ following McKnight’s voluntary resignation will not be referred to an umpire.”

PERB Case No. 19-U-03
Page 2

On March 18, 2018, the Union submitted what it contended was a group grievance, which the Authority found deficient on the ground that it was not filed on behalf of a group but only McKnight. On March 26, 2018, the Union submitted a revised group grievance on behalf of all bargaining unit members including McKnight. The group grievance alleged that the Authority had violated the parties' Working Conditions Agreement ("Agreement"), a settlement agreement, and the Family and Medical Leave Act by placing McKnight on forced sick leave and requesting him to provide documentation about his health.³ In a letter dated April 10, 2018, the Authority rejected the grievance. The Union then requested that an arbitrator be selected. The Authority agreed to participate in the selection of an arbitrator but advised the Union that a motion to stay arbitration was pending in D.C. Superior Court.⁴ James Abernathy was selected as the arbitrator on May 18, 2018.⁵

On June 29, 2018, Judge Hiram Puig-Lugo of the D.C. Superior Court granted the Authority's motion to stay arbitration on the ground that McKnight's resignation ended his eligibility to be represented by the Union under the Agreement.⁶ In a July 11, 2018 e-mail, the Authority notified Arbitrator Abernathy of the court's order and informed him that "we deem the Court's Order final and binding in precluding arbitrability of the issues raised by the Union and we will not be participating in any further adjudication of this matter."⁷ The Union responded by asserting to the arbitrator that the Authority's e-mail was incorrect in that the Authority's motion sought a stay of the March 27, 2018 arbitration request, which concerned the individual grievance and not the group grievance before the arbitrator.⁸

No arbitration hearing was scheduled by the arbitrator.⁹

B. Unfair Labor Practice Proceedings

On November 8, 2018, 120 days after the Authority informed the arbitrator that it would not participate in any further adjudication, the Union timely filed the instant unfair labor practice complaint ("Complaint"). The Complaint alleges that Authority notified the arbitrator it would not arbitrate the grievance based upon a court order that the Complaint alleges was inapplicable.¹⁰ The Complaint states that "[b]ased upon the Authority's intentional misrepresentation [the arbitrator] took no further action to schedule the arbitration hearing."¹¹

The Union presents two grounds upon which the Authority's action was an unfair labor practice. It alleges that the Authority's false statements interfered with the Union's right to arbitrate grievances under article 58(H) of the Agreement,¹² and it alleges that "[t]he Authority's refusal, to arbitrate the Union's group grievance, was a repudiation of the collective bargaining

agreement and a violation of D.C. Code § 1-617.04(a)(5).”¹³ The Union prayed for preliminary relief and for an order requiring the Authority to post a notice of its violation, pay the Union’s costs, and notify the arbitrator that it would arbitrate the group grievance.¹⁴

The Authority filed an answer in which it denies that it made any false statements or committed an unfair labor practice and raises affirmative defenses. The Authority avers that it “did not engage in any intentional acts constituting an unfair labor practice as defined in the Comprehensive Merit Personnel Act . . . nor does the Complaint state a basis on which any relief may be granted under PERB’s Rules.”¹⁵ The Authority “respectfully requests the Board dismiss the Complaint in the above-captioned matter in its entirety with prejudice.”¹⁶

Two motions to stay have been filed in the case. The first was filed on January 3, 2019, by the Authority. The Authority stated that the Union had appealed the Superior Court’s order. The Authority requested that the Board stay proceedings in the unfair labor practice case until that appeal was fully adjudicated. The Union filed an opposition to the motion, contending that the order at issue in the appeal concerns a different grievance. The Union stated, “The appeal in another court between the same parties, but on different issues, does not require a stay of proceedings before PERB.” On January 23, 2019, the Executive Director denied the motion, stating,

Under either party’s theory of the case, the appellate proceedings are irrelevant to this unfair labor practice case. If the Respondent obtained a court order staying the grievance arbitration at issue in the complaint, that order is a defense to the alleged unfair labor practice even if it is later reversed on appeal. If, on the other hand, the Respondent obtained a court order staying a different grievance arbitration, an appeal of that order would have no bearing at all on this case.

On January 17, 2019, the Superior Court held a hearing on the Authority’s motion for the Union to show cause why it should not be held in contempt of court for disobeying the court’s June 29th, 2018 order by filing the unfair labor practice complaint. The judge denied the motion but in doing so made statements from the bench that led the Union to file a motion to stay of its own. On January 25, 2019, the Union filed a pleading styled “Union’s Motion to Hold in Abeyance the Union’s Unfair Labor Practice Complaint.” In support of the motion, counsel for the Union submitted an affidavit in which she stated,

On January 17, 2019, Judge Puig-Lugo informed the parties he intended the June 29, 2018 Order to apply to the March 19, 2018 Step 3 General Group Grievance.

Based upon the Court’s statements at the January 17, 2019 hearing, the Union believes the unfair labor practice complaint in this matter should be held in abeyance until a final decision is issued by the D.C. Court of Appeals in *American Federation of Government Employees, AFL-CIO Local 631 v. D.C. Water and Sewer Authority*, Case No. 18-CV-901.

Paragraphs 7 and 8 of the motion contained similar statements.

Pursuant to Rule 520.8 the Board’s staff conducted an investigatory conference with the parties’ representatives on February 7, 2019.¹⁷ At the conference, the representatives provided additional documents from the grievance proceedings. Counsel for the Authority agreed to obtain and file a transcript of the January 17, 2019 hearing in Superior Court. Counsel for the Authority filed the transcript on February 19, 2019.

The Complaint, the Union’s motion to hold the case in abeyance, and the Authority’s request that the case be dismissed are before the Board for disposition.

II. Discussion

The Board’s investigation revealed that there is no issue of fact to warrant a hearing. Accordingly, the Board will render a decision on the pleadings pursuant to Rule 520.10.

Section 16-4407 of the D.C. Official Code authorizes motions to stay arbitration. That portion of the Arbitration Act is not preempted by the Comprehensive Merit Personnel Act.¹⁸

The Authority obtained an order staying arbitration of any grievance the Union brought on behalf of McKnight, in particular the arbitration of the group grievance, which was then pending. The Authority’s memorandum in support of its motion to stay discussed the group grievance.¹⁹ The court’s order refers to the March 19, 2018 group grievance.²⁰ As the Union admits, the judge stated at the show cause hearing that his order encompasses the group grievance at issue in the present case:

[A]s far as anything is concerned about Mr. McKnight, whether it’s personal or a group, my June 29th order resolved that. . . . [L]et me stress that . . . the complaint filed with the Public Employee Relations Board is not consistent with the order that issued on June 29th. . . . [T]hat order applies only to actions brought using Mr.

¹⁷ The Authority unsuccessfully attempted to get the Superior Court to block the investigatory conference by filing an “Emergency Motion for an Order Dismissing All Proceedings before the Public Employee Relations Board.” The court denied the motion.

McKnight’s case as a predicate, because that’s what we have here, a predicate case, nobody else has been identified. . . .²¹

The Authority was entitled to rely on the court’s order staying the group grievance. “A judgment of any trial court is presumed to be valid.”²² That reliance was not an unfair labor practice and cannot retroactively become an unfair labor practice if the court’s order is subsequently reversed. Further, the Union’s claim that the Authority violated article 58(H) of the Agreement does not state a statutory unfair labor practice proscribed by the Comprehensive Merit Personnel Act.²³

If the court’s order is reversed on appeal and if the Authority thereafter refuses to participate in arbitration, the Union may then bring an unfair labor practice complaint. The time for filing such a complaint would begin to run from the date of that refusal.²⁴ Speculation that this sequence of events might occur in the future does not justify the Union’s motion to hold the case in abeyance. There is no reason for the Board to maintain on its docket a meritless case throughout the course of appellate proceedings that cannot possibly affect its outcome. The Board, not the parties, controls its own docket.

In view of the foregoing, the Union’s motion to hold the case in abeyance is denied and the Authority’s request that the case be dismissed is granted.

ORDER

IT IS HEREBY ORDERED THAT:

1. The Union’s Motion to Hold in Abeyance the Union’s Unfair Labor Practice Complaint is denied.
2. The Union’s Complaint is dismissed.
3. Pursuant to Board Rule 559.1, this decision and order is final upon issuance.

DEPARTMENT OF SMALL AND LOCAL BUSINESS DEVELOPMENT**NOTICE OF FUNDING AVAILABILITY****Robust Retail: Citywide
Updated 4/4/2019**

The Department of Small and Local Business Development (DSLBD) is excited to announce that we will be accepting applications for the Spring 2019 **Robust Retail: Citywide grants on a rolling basis starting April 15, 2019 and closing June 15, 2019.**

A robust retail sector is critical to maintaining the vibrancy of DC neighborhoods, but market realities are changing for retail businesses. Thus the Robust Retail grant(s) support existing DC-based retail businesses adapting their business model to meet changing customer demand. DSLBD encourages but does not require applicants to include Made in DC products as part of their concept for business model redesign.

DSLBD intends to award up to \$10,000 per business for a total of 40 businesses from the \$400,000 in available funding for spring/summer 2019. Funds must be fully expended with appropriate receipts and accounting by September 30, 2019.

Rolling and Final Deadline

While the grant opportunity will remain open, we will review applications on a rolling basis until the funding is extinguished, with review dates for applications received by 2 pm on the following dates: May 1, May 15, June 1 and finally June 15th.

The absolute final deadline to apply online is June 15th at 2:00 p.m., no exceptions. Applications will only be accepted through the online application system listed in the Request for Applications on DSLBD's website.

Who can apply?

Small, DC-based for-profit retail businesses with an active DC business license for that retail location. Applicants must have Clean Hands, a DUNS number, and active general liability insurance.

How can the funds be used?

The funding may be used expenses the agency deems reasonable to attempt effective business model redesign between April 15, and September 30, 2019. Examples of allowable and disallowed uses are detailed in the full Request for Applications available on DSLBD's website during the application period.

How will awardees be selected?

Grant recipients will be selected through a competitive application process. All applications from eligible applicants received on or before a rolling deadline will be forwarded to an independent review panel to be evaluated, scored, and ranked based on the following criteria:

1. Capacity of the Applicant Business
2. Strength of the Business Redesign Plan
3. Community Impact
4. Creativity and Innovation

A program team will review the recommendations. The Director of DLSBD will make the final determination of grant awards. Grantees will be selected on a rolling basis and final selections, if funds remain, will be completed by July 1, 2019.

How do I apply?

All instruction are included in the formal “Request for Applications” available for download on DSLBD’s website on or before April 15, 2019. Applicants are encouraged to read the full Request for applications. <http://dslbd.dc.gov/service/current-solicitations-opportunities>.

Questions?

We will hold information sessions. Applicants are highly encouraged to attend an in person information session. Interested members of the public may request a public information session at a time and location that is accessible for them.

All other questions not asked during an in person information session must be submitted in writing to Made.InDC@dc.gov.

Reservations

DSLBD reserves the right to issue addenda and/or amendments subsequent to the issuance of this Notice of Funding Availability (NOFA) or RFA, or to rescind the NOFA or RFA at any time.

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT**

Application No. 19705-A of Madison Investments, LLC, pursuant to 11 DCMR Subtitle X, Chapter 9, for a special exception under Subtitle K § 813 from the height requirements of Subtitle K § 803.3¹, and from the lot occupancy requirements of Subtitle K § 804.1, to construct a mixed use development in the ARTS-3 Zone at premises 2122 14th Street N.W. (Square 203, Lots 96, 809, 10, 1, and 805).

HEARING DATES: March 7, 2018 and April 11, 2018

DECISION DATE: April 11, 2018

CORRECTED SUMMARY ORDER²

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR Subtitle Y § 300.6. (Exhibit 6.) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 1B and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 1B, which is automatically a party to this application. ANC 1B submitted two reports in this case. In its first report, ANC 1B recommended approval of height and lot occupancy relief and denial of setback relief by a vote of 9-0-1 at the ANC's duly noticed and regularly scheduled meeting of March 1, 2018, at which a quorum was present. The ANC report raised the following issues and concerns the ANC wanted the Board to consider:

- The scale of the project must be reduced to six floors (five floors and a penthouse);
- The project should step down or reduced in size as the elevation decreases from W to V Street;

¹ The special exception from the height requirements of Subtitle K § 803.3 includes relief from Total Height Including Penthouse (K § 803.3(a)) and 45° Setback from Residential Zones (K § 803.3(b)).

² This Order was revised to correct the typographical error of omitting Lot 805 from the premises that are the subject of the application. Lot 805 is cited in the Applicant's self-certification form submitted with the original application. (Exhibit 6.) No further revisions were made to this Order.

- The proposed number of parking spots acceptable if the project is reduced in size to six floors.

(Exhibit 61.) At the Board’s March 7, 2018 hearing, ANC Commissioner Ackerman testified on behalf of the ANC and on behalf of his Single Member District. Subsequently, the ANC submitted a second, revised report in support of all the relief, based on the Applicant’s revised plans reducing the setback relief requested. That second ANC report indicated that at a duly noticed and regularly scheduled meeting of the ANC on April 5, 2018, at which a quorum was present, the ANC voted 12:0:0 to approve the application. (Exhibit 87.)

The Office of Planning (“OP”) submitted two reports and testified at the hearings. In its first report dated February 23, 2018, OP recommended approval of height and lot occupancy relief and denial of setback relief. (Exhibit 43.) At the March 7, 2018 hearing, while OP testified in support of the height and lot occupancy relief, OP did not support the projection in the western setback area and recommended denial of the relief sought under Subtitle K § 803.3(b) (regarding projection into volume of 45-degree plane). The Board continued the proceedings for a limited scope hearing on April 11th to focus on the 45-degree setback issue. Subsequent to the March 7th hearing, the Applicant submitted a Supplemental Statement (Exhibit 83) and revised plans (Exhibit 83A) showing a reduced portion of the building within the 45-degree setback. Thereafter, OP submitted a supplemental report dated March 30, 2018, recommending approval of the application based on the revised plans. (Exhibit 85.)³

The District Department of Transportation (“DDOT”) submitted a timely report indicating that it had no objection to the grant of the application. (Exhibit 42.)

As a preliminary matter at the hearing on March 7, 2018, the Board considered a timely request for party status in opposition from LDP Acquisitions, LLC (“LDP”) and, by motion, a request for dismissal of the BZA application on the ground that LDP was the contract purchaser of a portion of the property that the Applicant sought to develop. (Exhibits 39, 40.) Since only parties can file a motion, the Board first considered the party status request. In LDP’s application for party status, LDP asserted contested issues pertaining solely to a contractual dispute with the owner of Lot 10 in Square 203, which is part of the subject application. The Board may grant party status to a person whose interests would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public. (11-Y DCMR 404.13.) LDP’s request makes it clear that it has no position on the zoning action itself, just that it considers itself to be the contract purchaser. Whether it is or is not has

³ According to OP, the revised design would provide a visual step down confronting the adjacent residential development and would only result in “some” building penetration into the setback volume, instead of the original design with “extensive” building penetration into the setback volume. (Exhibit 85.) According to OP, the Applicant also changed the location of the ramp to the parking garage (from the alley to W Street). While OP does not support this change, it stated that it would defer to DDOT and Public Space review for a final evaluation of the vehicular access design. (Exhibit 85.) The Applicant stated that it will be presenting its curb cut application to the Public Space Committee on April 26, 2018, and that the ANC transportation subcommittee already voted to support the proposed curb cut. (Exhibit 83.)

no relevance to this proceeding. There is no dispute as to who the owner of the property currently is, and any owner may authorize any person to file an application on its behalf. Therefore, since LDP concedes it has no substantive objections to the application and the issues it seeks to raise are irrelevant to the proceeding, its request for party status was denied and, since LDP was not a party, its motion to dismiss was not considered.

At the hearing on March 7, 2018, the Board heard testimony in support from Cheryl Cort on behalf of the Coalition for Smarter Growth, Shannon Hiller on behalf of the board of The Hamilton, and Steve Gaudio. Also on March 7, 2018, the Board heard testimony in opposition from Ken Shapiro, Joseph Nicynski, Elizabeth Parra, and Dritan Nesho.

Thirty-four letters in support of the application from nearby business and property owners were submitted to the record. (Exhibits 34C, 68-75, 79, and 80.) A petition in opposition (Exhibit 37), four letters in opposition from residents of a nearby condo (Exhibits 44, 46, 50, 51), seven letters in opposition from neighbors (Exhibits 38, 63-67, 77), and one letter in opposition signed by four neighbors (Exhibit 78) were submitted to the record.

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for a special exception under Subtitle K § 813 from the height requirements of Subtitle K § 803.3, and from the lot occupancy requirements of Subtitle K § 804.1, to construct a mixed use development in the ARTS-3 Zone. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the ANC and OP reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2 and Subtitle K §§ 813, 803.3, and 804.1, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR Subtitle Y § 101.9, the Board has determined to waive the requirement of 11 DCMR Subtitle Y § 604.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED REVISED PLANS AT EXHIBITS 83A1-83A14 AND SUBJECT TO THE FOLLOWING CONDITIONS:**

1. The Applicant shall have flexibility to vary the vehicular parking spaces from the proposed 70 to between 65 and 75 spaces.

2. The Applicant shall have flexibility to vary the location of the proposed curb cut and driveway access to parking level pursuant to the pending Public Space Committee application.
3. The Applicant shall have flexibility to revise the interior floor plan of the ground floor and parking level to adjust the driveway access if necessary. In addition, the Applicant shall have flexibility to vary architectural design features of the building in accord with the design approved by Historic Preservation Review Board, provided that the overall height, mass, bulk, and number of stories in the building remain consistent with approved plans and any refinements do not result in new or increased areas of relief.

Application No. 19728 of Patrick and Becky McGeehan, pursuant to 11 DCMR Subtitle X, Chapter 9, for special exceptions under Subtitle E § 5201 from the nonconforming structure requirements of Subtitle C § 202.2, from the rear yard requirements of Subtitle E § 306.1, and from the lot occupancy requirements of Subtitle E § 304.1, to construct a two-story addition to an existing one-story rear addition to an attached principal dwelling unit in the RF-1 Zone at premises 121 Tennessee Avenue, N.E. (Square 1012, Lot 20).

HEARING DATES: April 18 and May 30, 2018

DECISION DATE: July 11, 2018

DECISION AND ORDER

On February 8, 2018, Patrick and Becky McGeehan, the property owners of the subject premises (the “**Applicant**”) submitted an application for special exception relief to permit construction of a two-story addition to an existing one-story rear addition to an attached principal dwelling unit in the RF-1 Zone at premises 121 Tennessee Avenue, N.E. (Square 1012, Lot 20) (the “**Property**”). Following a public hearing, the Board of Zoning Adjustment (the “**Board**”) voted to approve the application.

PRELIMINARY MATTERS

Notice of Application and Notice of Public Hearing. By memoranda dated February 26, 2018, the Office of Zoning sent notice of the application to the Office of Planning (“**OP**”); the District Department of Transportation (“**DDOT**”); the Councilmember for Ward Six; Advisory Neighborhood Commission (“**ANC**”) 6A, the ANC for the area within which the Subject Property is located; the single-member district ANC 6A04; the Applicant; and the owners of all property within 200 feet of the Subject Property. Notice was published in the *D.C. Register* on March 9, 2018. (65 DCR 2417.) The Board scheduled the hearing for April 18, 2018, but on April 11, 2018 the Board postponed the hearing to May 30, 2018.

Party Status. Pursuant to Subtitle Y § 404.3, requests for party status must be submitted at least 14 days prior to the public hearing date – by April 4, 2018 in this case. Over a month later, on May 14, 2018, the Board received four requests for party status in opposition. Two were from the immediate abutting neighbors: Allison Boyer at 123 Tennessee Avenue, N.E. (Exhibits 42, 42A) and Michel Daley at 119 Tennessee Avenue, N.E. (Exhibits 45, 45A) (collectively the “**Abutting Opponents**”). The other two were from non-abutting neighbors; Sigmund Cohen of

125 Tennessee Avenue, N.E. (Exhibits 43, 43A) and Ronald Hudson of 137 Tennessee Avenue, N.E. (Exhibit 44), collectively the “**Nonabutting Opponents**”. All four of these requesters received notice of the April 18 hearing by mail on February 26, 2018. (Exhibits 8 and 24.) At its May 30, 2018 public hearing, the Board determined that these requests were all untimely, but found that the Abutting Opponents had demonstrated good cause to be granted a waiver under Subtitle Y § 101.9 from the timely filing requirement, and so granted them party status in opposition as a single party in opposition. The Board instead determined that the Nonabutting Opponents did not qualify for party status on the grounds of untimely filing as well as for failure to demonstrate how they were “likely to be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.” (Subtitle Y §§ 404.1(i)(5) and 404.13.)

OP Report. In its report dated April 6, 2018, OP analyzed the Application against the requirements for the requested special exception relief and recommended approval of the requested relief. (Exhibit 34.)

DDOT Report. By report dated March 29, 2018, DDOT indicated it had no objection to the approval of the Application, noting that the proposal will have no adverse impacts on travel conditions of the District’s transportation network. (Exhibit 32.)

ANC Report. ANC 6A, an automatic party to this proceeding pursuant to Subtitle Y § 403.6(b) as the affected ANC, submitted a May 11, 2018 written report in support of the Application. (Exhibit 40.)

Persons in Support. The Board received five letters in support of the application from neighbors. (Exhibits 27, 46-49.) The Abutting Opponents had initially submitted letters in support, but later filed letters withdrawing that support. (Exhibits 26, withdrawn by 50, and 33, withdrawn by 39.) Capitol Hill Restoration Society (“**CHRS**”) originally submitted a letter in support for the application (Exhibit 37); however, CHRS subsequently withdrew its support based on the objections of adjacent neighbors and chose to instead take no position. (Exhibit 63.)

Persons in Opposition. The Abutting and Nonabutting Opponents also submitted various letters in opposition to the record. (Exhibits 41, 52, 55-57, and 61.) The Board heard testimony in opposition from the Nonabutting Opponents at the public hearing on May 30, 2018.

FINDINGS OF FACT

1. The Property is located at 121 Tennessee Avenue, N.E. (Square 1012, Lot 20).
2. The Property is zoned RF-1 and is located within the Capitol Hill Historic District.
3. The Property is an irregularly-shaped lot measuring 1,145 square feet in lot area.

4. The Property runs from Tennessee Avenue, N.E. on the northwest to a ten-foot public alley on the southeast. (Exhibit 3)
5. The Property is currently improved with a three-story residential row dwelling (the “**Building**”) that has a height of 33.5 feet.
6. The Property has an existing nonconforming lot occupancy of 65.9% beyond the maximum 60% lot occupancy allowed in the RF-1 Zone by Subtitle E § 304.1.
7. The Building has an existing nonconforming rear yard of 17.73 feet that is less than the 20 feet required in the RF-1 Zone by Subtitle E § 306.1.
8. The Building is built from lot line to lot line, except that it has an existing cellar and first story rear dog-leg extension. The existing extension is 11 feet, 11 inches deep and is built along the shared property line to the northwest. The existing extension is set back from the southwestern lot line by six feet, seven inches.
9. Abutting the Property to the northeast is an attached dwelling at address 123 Tennessee Avenue, N.E., which has a one-story rear extension that aligns with the rear wall of the Building’s rear dog-leg extension.
10. Abutting the Property to the southwest is an attached dwelling at 119 Tennessee Avenue, N.E., which has a one-story rear extension that extends further into the rear yard than the rear wall of the Building’s rear dog-leg extension.
11. The block of Tennessee Avenue, N.E. in which the Property is located is a mix of two-story and three-story dwellings.
12. Many of the buildings fronting on the public alley at the rear of the Property have rear extensions, a majority of which are two stories tall, with several one-story rear additions and one three-story rear addition in the Square. (Exhibit 60.)
13. The Applicant submitted an aerial photo and birds’ eye diagram of the block as well as photos illustrating the size and number of rear extensions facing onto the rear alley. (Exhibits 6 and 7.)

The Proposal

14. The Applicant requested special exception relief to construct a two-story addition on top of the Building’s existing rear cellar and first floor dog-leg extension (the “**Addition**”).
15. The Addition which would maintain the existing height of the Building of 33.5 feet and so would not be visible from Tennessee Avenue N.E. or other public street. The Addition would only be visible from the rear alley.

16. The Addition would extend the rear of the second and third stories by 11 feet, 11 inches on the northeastern side of the lot. The Addition would follow the dogleg of the existing cellar and first floor rear extension and so be set back from the southwestern lot line by at least five feet.
17. The Addition would add an open trellis at the top of the first floor over the open space between the rear dog-leg extension and the southwestern lot line.
18. The Addition would have no windows along the shared northeast property line, but on the south side setback from the southwest lot line would have windows on the second and third stories.
19. The Applicant submitted an initial shadow study showing the impact of the Addition at noon and 3 p.m. on March 20, June 21, and September 21; (Exhibit 29;) a revised shadow study adding in 9 a.m. on those dates, as well as December 21 at 7:30 a.m., 11:30 p.m., and 2:30 p.m.; (Exhibit 54;) and a final shadow study comparing the existing shadows with those caused by the Addition at 9 a.m., noon, and 3 p.m. on March 21, June 21, and September 21, and at 7:30 a.m., 11:30 a.m., and 2:30 p.m. on December 21. (Exhibit 58.)
20. The shadow studies illustrate that the Addition, when compared with the existing structure, would create some additional shadows on the property to the north during certain periods. Specifically, the studies show that there will be additional shadowing on March and September 21 at noon on the abutting neighbor to the north's rear wall closest to the Property and additional shadowing on those same days at 3 p.m. on the top and roof of the neighbor to the north's one-story rear extension. The studies show that on June 21, the Addition has no impact on the shadows cast to adjacent properties until 3 p.m., when there is some additional shadowing on the abutting neighbor to the north's rear yard and, again, on the roof of the one-story rear extension. Finally, the studies show that on December 21, the Addition would create additional shadows on the rear wall of the abutting property to the north at 11:30 a.m. but would otherwise have no additional impacts. (Exhibit 58.)
21. OP asserted that the Addition "would be partly obscured by existing mature trees." (Exhibit 34.)
22. At the public hearing, neighbors raised concerns related to the impacts of the construction of the Addition on their properties. In response, the Board requested that the Applicant submit a proposed construction management plan.

The Requested Zoning Relief

23. The Application requested relief from the 20-foot minimum rear yard required in the RF-1 Zone by Subtitle E § 306.1 to authorize the Addition's extension of the second and third stories to match the 17.73-foot rear yard of the existing dog-leg extension.

24. The Application requested relief from the maximum 60% lot occupancy required in the RF-1 Zone by Subtitle E § 304.1 to authorize the Addition's extension of the second and third stories to match the existing dog-leg extension as well as the first-floor trellis between the dog-leg and the south lot line, bringing the existing 65.9% lot occupancy to 66.7%.
25. The Application requested relief from Subtitle C § 202.2's prohibition on increasing an existing nonconformity to authorize the Addition's nonconforming rear yard and lot occupancy.
26. Relief from the requirements of Subtitle E §§ 304.1 and 306.1 and of Subtitle C § 202.2 is available as a special exception under Subtitle E § 5201 and Subtitle X § 902.2.

CONCLUSIONS OF LAW

Section 8 of the Zoning Act, D.C. Official Code § 6-641.07(g)(2) (2018 Repl.) (*see also* Subtitle X § 901.2) authorizes the Board to grant special exceptions, as provided in the Zoning Regulations, where, in the judgement of the Board, the special exception (i) will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Map, (ii) will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Zoning Map, and (iii) complies with the special conditions specified in the Zoning Regulations.

For the relief requested by the Application, the "specific conditions" are those of Subtitle E § 5201.

Relief under this section is limited to projects that:

- (i) are an addition to a residential building, a new or enlarged accessory structure to a residential building, or a reduction in the minimum setback requirements of an alley lot; (Subtitle E § 5201.1;) and
- (ii) do not authorize the introduction or expansion of either a nonconforming use or the introduction or expansion of nonconforming height or number of stories or a lot occupancy exceeding 70%. (Subtitle E §§ 5201.3(e), 5201.5, and 5201.6.)

An applicant must demonstrate – by providing the Board with graphical representations such as plans, photographs, or elevation and section drawings sufficient to represent the relationship of the proposed addition or accessory structure to adjacent buildings and views from public ways. (Subtitle E § 5201.3(d)) – that the requested relief, if granted, would not have a substantially adverse effect as follows:

- (a) the light and air available to neighboring properties shall not be unduly affected;
- (b) the privacy of use and enjoyment of neighboring properties shall not be unduly compromised; and
- (c) the addition or accessory structure, together with the original building, as viewed from the street, alley, and other public way, shall not substantially visually intrude upon the character, scale, and pattern of houses along the subject street frontage. (Subtitle E § 5201.3.)

BZA APPLICATION NO. 19728

PAGE NO. 5

Relief granted by the Board through a special exception is presumed appropriate, reasonable, and compatible with other uses in the same zoning classification, provided the specific regulatory requirements for the relief requested are met. In reviewing an application for special exception relief, the Board’s discretion is limited to determining whether the proposed exception satisfies the requirements of the regulations and “if the applicant meets its burden, the Board ordinarily must grant the application.” *First Washington Baptist Church v. D.C. Bd. of Zoning Adjustment*, 423 A.2d 695, 701 (D.C. 1981) (quoting *Stewart v. D.C. Bd. of Zoning Adjustment*, 305 A.2d 516, 518 (D.C. 1973)).

Based on the Findings of Fact, the Board concludes that the request for special exception relief satisfies the requirements of Subtitle E § 5201. The Application meets the eligibility requirement of Subtitle E § 5201.2(a) as an addition to a residential building and complies with Subtitle E §§ 5201.3(e), 5201.5, and 5201.6 as it does not propose to introduce or expand a nonconforming use or height or a lot occupancy over 70%. The Board concludes that the Applicant complied with Subtitle E § 5201.3(d) by providing sufficient plans, photographs, and elevations to demonstrate that it met the criteria of Subtitle E § 5201.3(a), (b), and (c), as discussed in turn.

Subtitle E § 5201.3(a) – Light and Air

The Board concludes that the Applicant has demonstrated that the Addition will not unduly affect the light and air available to neighboring properties because the Addition does not intrude into the existing 17.73-foot rear yard nor expand the existing footprint of the Building. Based on the shadow studies provided by the Applicant, the Board recognizes that the Addition would create additional shadowing on the adjacent properties, but concludes that these additional shadows, when compared with the existing scenario, will not have an undue impact on the light available to the neighbors because the increased shadowing would not be substantial or constant. The Board particularly analyzed the shadow studies related to the impact on the abutting neighbor to the northeast, specifically on the rear wall, rear extension and deck on that extension. Although the shadow studies showed that the Addition would cast some additional shadows on different portions of that neighbor’s property, the Board concluded that the additional shadowing would not rise to the level of an undue burden on the abutting northeast owner because the additional shadowing changed over the course of a day and as to which portions of the building were affected. The shadow studies showed that these additional shadows would only occur during limited times of the day and limited times of the year, specifically on March and September 21 at noon and at 3 p.m.; on June 21 only at 3 p.m.; and on December 21 at noon. The Board therefore concludes that these transitory additional shadows would not have a substantial adverse impact on the light and air available to the neighboring properties.

Subtitle E § 5201.3(b) – Privacy of Use and Enjoyment

The Board concludes that the Applicant demonstrated that the Addition would not unduly compromise the privacy of use and enjoyment of neighboring properties because the Addition will not reduce the existing rear yard of the Property, and as discussed above, would not cause

undue shadowing that would limit the use of the neighboring buildings and rear yards. The Board concludes that the absence of any windows on the northwest side of the Addition reduces the potential for privacy impacts on that adjacent neighbor. For the neighbor to the southeast, the Board concludes that the windows on the southeastern side of the Addition will not unduly compromise the privacy of the neighbor to the southeast because these new windows will be setback at least five feet from the shared lot line.

Although the potential impact of the construction of the Addition falls outside the scope of the Board's review of a special exception application, the Board asked the Applicant to coordinate with the neighbors on a construction management plan. The Applicant submitted an initial plan and a revision that responded to certain issues raised by neighbors. (Exhibits 65 and 68.) Since construction impacts are outside of the Board's review, it has not adopted this proposed plan as a condition of this Order, but expects the parties to continue to coordinate on these issues.

Subtitle E § 5201.3(c) – Visual Intrusion

Finally, the Board concludes that the Applicant demonstrated that the Addition, as viewed from the street, alley, and other public way, will not substantially visually intrude upon the character, scale, and pattern of houses along Tennessee Avenue, N.E. as it will only be visible from the public alley at the rear of the Property. As to the view from the public alley, the Board concludes that the Addition would not be out of character with the rear extensions that are common among the properties that abut the public alley and that the Addition would be partly obscured by existing mature trees as noted in OP's report. One of the neighbors across the alley submitted a letter in support of the Application. (Exhibit 27.)

Subtitle X § 901.2 – General Special Exception Standards

Pursuant to Subtitle X § 901.2(a), the Board concludes that granting the requested special exceptions would be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Maps because the Application is consistent with the purposes of the RF-1 zone to “[r]ecognize and reinforce the importance of neighborhood character, walkable neighborhoods, housing affordability, aging in place, preservation of housing stock, improvements to the overall environment, and low- and moderate-density housing to the overall housing mix and health of the city.” (Subtitle E § 100.1.) The Applicant would construct a rear addition to an existing attached residential building with one dwelling unit, thus preserving the existing housing stock while allowing a family to improve and expand its dwelling unit to accommodate its needs as it ages in place. The Addition maintains the character of the RF-1 zone because the attached dwelling contributes to the unique mix of housing types and retains the residential character of the area.

Pursuant to Subtitle X § 901.2(b), the Board concludes that the Addition would not adversely affect the use of neighboring properties. As discussed above in the analysis of the special exception standards of Subtitle E § 5201, the Addition would not have an adverse impact on light

and air available to adjacent properties, privacy of use and enjoyment of adjacent properties, or the visual character of the street frontage or public alley.

Great Weight to OP and ANC

The Board is required to give “great weight” to the recommendation of the Office of Planning. (D.C. Official Code § 6-623.04 (2018 Repl.)) The Board finds OP’s report persuasive, given that it provided an in-depth analysis of how the Application met each of the requirements for the requested special exception relief. As discussed above, the Board concurs with OP’s recommendation that the Application be approved. (Exhibit 34.)

The Board is required under § 13(d) of the Advisory Neighborhood Commissions Act of 1975, effective March 26, 1976 (D.C. Law 1-21; D.C. Official Code § 1-309.10(d)(2018 Repl.)) to give “great weight” to the issues and concerns raised in the written report of the affected ANC, which in this case is ANC 6A. To satisfy the great weight requirement, the Board must articulate with particularity and precision the reasons why an affected ANC does or does not offer persuasive advice under the circumstances. The District of Columbia Court of Appeals has interpreted the phrase “issues and concerns” to “encompass only legally relevant issues and concerns.” *Wheeler v. District of Columbia Board of Zoning Adjustment*, 395 A.2d 85, 91 n.10 (1978) (citation omitted).” As discussed above, the Board concurs with ANC 6A’s written report recommending that the Application be approved and notes the ANC did not raise any issues or concerns that the Board should address. (Exhibit 40.)

DECISION

Based on these Findings of Fact and Conclusions of Law, the Board concludes that the Applicant has satisfied the burden of proof with respect to the request for special exceptions under Subtitle E § 5201 from the lot occupancy requirements of Subtitle E § 304.1, from the rear yard requirements of Subtitle E § 306.1, and from the nonconforming structure requirements of Subtitle C § 202.2 to construct a two-story addition to an existing one-story rear addition to an attached principal dwelling unit in the RF-1 Zone. In granting the certified relief, the Board made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

Accordingly, it is **ORDERED** that the application is **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 7 AS REVISED BY EXHIBIT 28.**

SEXUAL HARASSMENT IS A FORM OF SEX DISCRIMINATION WHICH IS PROHIBITED BY THE ACT. IN ADDITION, HARASSMENT BASED ON ANY OF THE ABOVE PROTECTED CATEGORIES IS PROHIBITED BY THE ACT. **GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT**

Application No. 19887 of Marjorie Hutchinson, pursuant to 11 DCMR Subtitle X, Chapter 10, for a use variance from the use provisions of Subtitle U § 301, to permit the conversion of an existing nonconforming non-residential use to a restaurant in the RF-1 Zone at premises 1724 North Capitol Street N.W. (Square 3105, Lot 72).

HEARING DATES: December 19, 2018 and March 6, 2019

DECISION DATES: January 30, 2019 and March 13, 2019

SUMMARY ORDER

REVIEW BY THE ZONING ADMINISTRATOR

The application was accompanied by a memorandum from the Zoning Administrator, certifying the required relief. (Exhibit 3.)

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 5E and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 5E, which is automatically a party to this application.

ANC Report

The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on November 2, 2018, at which a quorum was present, the ANC voted 9-0-0 to support the application. (Exhibit 30.) The ANC determined that there would be no adverse impact on the neighborhood, that the proposed use was compatible and appropriate, that there would be undue hardship on the owner if the variance were denied, and that there was strong community support for the proposed use. The ANC report further noted the support of the Bloomingdale Civic Association. The ANC Single Member District Commissioner for 5E07, Bertha Holliday, testified on behalf of the ANC at the public hearings on December 19, 2018 and March 6, 2019.

OP and DDOT Reports

The Office of Planning ("OP") submitted a timely report recommending approval of the use variance with respect to the first floor of the building, but indicating that OP could not support use variance relief with respect to the second floor. (Exhibit 32.) OP found that the first floor of the building was historically used for commercial purposes, although it was residentially zoned

since 1958. Based on a certificate of occupancy showing a “beauty shop” use and exterior photographs of the property showing that a commercial use most recently occupied the first floor, OP determined that the commercial configuration of the first floor was an exceptional situation that would create an undue hardship if the Applicant were required to reconfigure the property to a residential use. OP did not find that there was sufficient evidence regarding the use of the second floor and, therefore, did not find that the same exceptional condition or undue hardship existed. In a supplemental report, OP continued to recommend approval of relief for the first floor, but denial for the second floor; however, OP noted that if the Board finds that the request meets the use variance test, then OP would recommend that conditions be imposed to mitigate any potential impacts on neighboring properties. (Exhibit 60.) OP’s second supplemental report indicated that it generally had no objection to the proposed conditions, but noted that some items would require approvals from separate bodies. (Exhibit 68.)

The Board concurred with OP that the exceptional situation of the property’s commercial configuration creates an undue hardship; however, the Board found sufficient evidence that this argument applies to both floors of the building. The Board determined that the Applicant provided testimony and evidence to support the finding that the second floor was also configured for commercial purposes. Therefore, the Board was not persuaded by OP’s recommendation to deny part of the relief, as it found no justification to distinguish the first and second floors. As the Board found that the application met the standard for a use variance, the Board concurred with OP’s recommendation that conditions be imposed to mitigate potential impacts.

The District Department of Transportation (“DDOT”) submitted a timely report indicating that it had no objection to the application. (Exhibit 31.)

Public Input and Procedural History

At the public hearing on December 19, 2018, the Board heard testimony in support from Santasia Green, Liah Mebrahtu, and Dr. Shaundel Knights. In advance of the public hearing, the Board received 19 letters in support, as well as a petition in support from 140 individuals. (Exhibits 6, 7, and 44-45.) The Board also received seven letters in opposition to the project from neighbors. (Exhibits 34-36, 38, 40-42.)

Councilmember for Ward 5, Kenyan McDuffie, submitted a letter in support of the application, but noted that there were valid concerns raised by neighbors concerning sanitation, parking, traffic, and loitering. (Exhibit 48 and 65.) Councilmember McDuffie suggested that the concerns of neighbors could be managed by the Applicant, and therefore, made his support contingent on the Applicant’s negotiation and coordination with affected neighbors to address potential impacts.

Based on the concerns raised by neighbors and Councilmember McDuffie, the Board requested at its December 19, 2018 public hearing that the Applicant meet with neighbors affected by the proposal and submit to the record an update on its continued coordination. The Board closed the record, aside from the submission requested, and scheduled its decision for the public meeting of January 30, 2019. (Exhibit 51.)

Before its scheduled decision date, the Board received several requests to reopen the record. First, Sophie Bethune requested that the Board allow the submission of additional information regarding the Applicant's outreach attempts and clarifying that the list of conditions was a tentative compromise agreement, rather than a finalized agreement with neighbors. (Exhibit 56.) Second, Betsy McDaniel requested to submit supplemental information to address issues raised at the hearing, such as feedback from neighbors and the historical use of the building. (Exhibit 57.) Finally, Commissioner Holliday requested to reopen the record to make additions and corrections to a previously submitted summary of coordination between the Applicant and neighbors. (Exhibit 59.)

At the public meeting on January 30, 2019, the Board granted the requests to reopen the record and, further, scheduled a limited scope hearing on March 6, 2019 to further discuss the proposed conditions. (Exhibit 60.) The Board also requested that the Applicant continue to work with neighbors to refine and finalize the proposed conditions in order to mitigate potential impacts of the use, if the relief were ultimately approved.

Prior to the March 6, 2019 hearing, the Board received a survey of neighbor feedback on the proposed conditions, background information on the neighbor survey, and a submission from Commissioner Holliday discussing the meeting between the Applicant and neighbors, as well as a list of proposed conditions of use. (Exhibits 61, 62, and 64-64B.) The Board also received a letter from a neighbor in support of the application and the conditions proposed (Exhibit 63) and three letters raising concerns about the impacts of the application and about the Applicant's inadequate coordination with the neighbors. (Exhibits 66, 67, and 69.) At the public hearing of March 6, 2019, the Board discussed the proposed conditions submitted and heard additional testimony from Commissioner Holliday and testimony in opposition from Betsy McDaniel.

Use Variance Relief

As directed by 11 DCMR Subtitle X § 1002.2, the Board required the Applicant to satisfy the burden of proof pursuant to Subtitle X § 1002.1 for a use variance from the use provisions of Subtitle U § 301. The only parties to the case were the ANC and the Applicant. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, and having given great weight to the ANC and OP reports filed in this case, the Board concludes that the Applicant has met the burden of proof under 11 DCMR Subtitle X § 1002.1, that there exists an exceptional or extraordinary situation or condition related to the property that creates an undue hardship for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

After determining that the application met the burden of proof for use variance relief, the Board considered whether conditions were needed to mitigate the potential impact of the relief granted.

BZA APPLICATION NO. 19887

PAGE NO. 3

The Board adopted the conditions proposed in Exhibit 64, as modified in order to ensure that the requirements are clear, enforceable, and specifically tailored to mitigate the potential impacts of the use.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 29, AND WITH THE FOLLOWING CONDITIONS:**

Application No. 19913 of 57th Street Mews, Inc., pursuant to 11 DCMR Subtitle X, Chapter 9, for a special exception under the inclusionary zoning lot dimension requirements of Subtitle E § 201.1, to subdivide the existing lot and construct three new, attached flats in the RF-1 Zone at premises 1511-1515 A Street N.E. (Square 1070, Lot 94).

HEARING DATES: February 13, February 27, and March 27, 2019¹
DECISION DATE: March 27, 2019

SUMMARY ORDER

SELF-CERTIFICATION

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR Subtitle Y § 300.6. (Exhibit 3.) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 6A and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 6A, which is automatically a party to this application. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on March 14, 2019, at which a quorum was present, the ANC voted 8-0-0 to support the application with five conditions. (Exhibit 68.) Commissioner for Single Member District 6A08, Brian Alcorn, testified on behalf of the ANC and submitted a letter further clarifying the ANC's position. (Exhibit 80.) The Board adopted four of the ANC's proposed conditions, but found that the fifth condition – requiring that the Applicant not seek further zoning relief for 1511-1511 A Street, N.E. unless supported by the ANC – would not be enforceable and therefore did not adopt that condition.

¹ The public hearing was originally scheduled for February 13, 2019 and was postponed twice at the request of the Applicant and the ANC.

The Office of Planning (“OP”) submitted a timely report recommending approval of the application. (Exhibit 39.) The District Department of Transportation submitted a timely report indicating that it had no objection to the application. (Exhibit 38.)

Two letters of support and 12 letters of conditional support were submitted to the record. (Exhibits 25, 42, 66, and 69-79.) Gary Peterson testified in support of the application on behalf of Capitol Hill Restoration Society. The Board received six letters in opposition to the application. (Exhibits 30 and 56-60.)

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for a special exception under the inclusionary zoning lot dimension requirements of Subtitle E § 201.1. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map and that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. The Board further concludes that any other specified conditions for special exception relief have been met, pursuant to Subtitle X § 901.2(c).

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 52, AS REVISED BY EXHIBIT 81, AND WITH THE FOLLOWING CONDITIONS:**

1. The Applicant shall adhere to the Plans presented, including, but not limited to design, appearance, size, and building materials. Any substantial deviations from these plans must be brought back to the ANC and the Board.
2. The Applicant shall keep the height limit of the development to no more than 35 feet for what will be designated as 1513-1515 A Street, N.E. and 25 feet for what will be designated as 1511 A Street, N.E.
3. The Applicant shall build the inclusionary zoning unit required under this Special Exception on-site at 1511-1515 A Street, N.E.
4. The Applicant shall include at least six parking spaces on-site at 1511-1515 A Street, N.E.

SELF-CERTIFICATION

In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. The site of this application is located within the jurisdiction of ANC 2E, which is automatically a party to this application. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on January 2, 2019, at which a quorum was present, the ANC voted 6-0-0 to support the application. Despite its support, the ANC expressed its concern about the fact that the project plans include a roof deck. (Exhibit 16.) The Board acknowledged the ANC's concern, but determined that the privacy of use and enjoyment of neighboring properties would not be unduly compromised by the roof deck.

The Office of Planning ("OP") submitted a timely report recommending approval of the application. (Exhibit 40.) The District Department of Transportation ("DDOT") submitted a timely report indicating that it had no objection to the application. (Exhibit 36.)

Two adjacent neighbors submitted letters in support of the application. (Exhibit 37 and 38.) The Board also received two letters in opposition from neighbors. (Exhibits 14 – 15A.)

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

The Office of Planning ("OP") submitted a timely report, dated March 8, 2019, in support of the application. (Exhibit 34.) The District Department of Transportation ("DDOT") submitted a report, dated March 8, 2019, expressing no objection to the approval of the application. (Exhibit 33.)

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X §

No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2, and Subtitle E §§ 5203, 303.3, and Subtitle C §§ 1504 and 1502.1(c), that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 5E and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 5E, which is automatically a party to this application. The ANC submitted a report recommending approval of the application. The only parties to the case were the ANC and the Applicant. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

SUMMARY ORDER

SELF-CERTIFICATION

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR Subtitle Y § 300.6. (Exhibit 4 – original; Exhibit 42 - revised.) In granting the certified relief, the Board of Zoning Adjustment ("Board" or "BZA") made no finding that the relief is either necessary or sufficient. Instead, the Board expects the Zoning Administrator to undertake a thorough and independent review of the building permit and certificate of occupancy applications filed for this project and to deny any application for which additional or different zoning relief is needed.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 6E and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 6E, which is automatically a party to this application. The ANC did not submit a report related to the application. The Applicant testified that the ANC voted unanimously in support of the application.

The Office of Planning ("OP") submitted a timely report recommending approval of the application. (Exhibit 39.) The District Department of Transportation ("DDOT") submitted a timely report indicating that it had no objection to the grant of the application. (Exhibit 38.)

Letters of support were submitted by both abutting neighbors. (Exhibits 9 and 10.) Also, a letter in support signed by 10 neighbors was filed in the record. (Exhibit 12.)

¹ The Applicant amended the application (Exhibit 42) by adding to the original request relief from the nonconforming structure requirements of Subtitle C § 202.2.

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for special exceptions under Subtitle E §§ 205.5 and 5201 from the rear addition requirements of Subtitle E § 205.4, and from the nonconforming structure requirements of Subtitle C § 202.2 to construct a partial third floor addition to an existing, attached principal dwelling unit in the RF-1 Zone. The only parties to the case were the ANC and the Applicant. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP report, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2, Subtitle E §§ 205.5, 5201, and 205.4, and Subtitle C § 202.2, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

(Square 5150, Lot 812).

HEARING DATE: March 27, 2019

DECISION DATE: March 27, 2019

SUMMARY ORDER

REVIEW BY THE ZONING ADMINISTRATOR

The application was accompanied by a memorandum, dated December 13, 2018, from the Zoning Administrator, certifying the required relief. (Exhibit 9.)

The Board of Zoning Adjustment ("Board" or "BZA") provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 7C and to owners of property located within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 7C, which is automatically a party to this application. The ANC submitted a report recommending approval of the application. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on March 14, 2019, at which a quorum was present, the ANC voted 5-1 to support the application. (Exhibit 39.)

The Office of Planning ("OP") submitted a timely report, dated March 15, 2019, in support of the application. (Exhibit 37.) The District Department of Transportation ("DDOT") submitted a report, dated March 15, 2019, expressing no objection to the approval of the application. (Exhibit 35.)

Variance Relief

As directed by 11 DCMR Subtitle X § 1002.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X §

1002.1 for an area variance from the side yard requirements of Subtitle D § 307.1, to construct two new, semi-detached principal dwelling units in the R-2 Zone.

Based upon the record before the Board, and having given great weight to the ANC and OP reports filed in this case, the Board concludes that the Applicant has met the burden of proof under 11 DCMR Subtitle X § 1002.1, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Special Exception Relief

As directed by 11 DCMR Subtitle X § 901.3, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to Subtitle X § 901.2, for special exceptions under the inclusionary zoning regulations of Subtitle C § 1001.2(e)(3), and from the lot dimension minimum requirements of Subtitle C § 1002.2.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR Subtitle X § 901.2, and Subtitle C §§ 1001.2(e)(3) and 1002.2, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party. Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED AND, PURSUANT TO SUBTITLE Y § 604.10, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 34.**

ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
ZONING COMMISSION ORDER NO. 11-15H
Z.C. Case No. 11-15H
Howard University
(Minor Modification/Technical Correction - Howard University
Central Campus Master Plan)
July 30, 2018

Pursuant to notice, a public meeting of the Zoning Commission for the District of Columbia (“Commission”) was held on July 30, 2018. At that meeting, the Commission approved the application (“Application”) of Howard University (“Applicant”), for a minor modification/technical correction to Z.C. Order No. 11-15F to correct the lot numbers and property descriptions provided for the Effingham Apartments located at 2711-2719 Georgia Avenue, N.W. (“Effingham Apartments”) and the abutting landscaped lot on the corner of Georgia Avenue and Fairmont Street, N.E. (“Landscaped Lot”) The Commission considered the Application pursuant to Subtitle Z § 703 of the District of Columbia Zoning Regulations, Title 11 of the District of Columbia Municipal Regulations (“Zoning Regulations”).

MEETING DATE: July 30, 2018

DECISION DATE: July 30, 2018

FINDINGS OF FACT

1. On June 25, 2018, the Applicant filed an Application with the Commission seeking a minor modification/technical correction to Z.C. Order No. 11-15F, which had approved the extraction of a number of properties (“Extraction Properties”) from the Howard University Central Campus Plan, including the Effingham Apartments and the Landscaped Lot. (Exhibit [“Ex.”] 1, 2.)
2. The Application requested the following corrections to the Order:
 - (a) Lot 833 in Square 3058 to be identified as the Landscaped Lot abutting the south lot line of the Effingham Apartments, and not as part of the Effingham Apartments, as erroneously stated in Z.C. Order No. 11-15F (Finding of Fact 2);
 - (b) The Effingham Apartments to be identified as Lots 827, 828, and 829 in Square 3058, and not Lots 833, 834, and 835 as erroneously cited in Z.C. Order No. 11-15F (Finding of Fact 2); and
 - (c) The Extraction Properties to be listed by lot and square in the Decision section of the Order, and not only included in Finding of Fact 2 in Z.C. Order No. 11-15F.
3. Pursuant to Subtitle Z § 703.2, “minor modifications” are those “modifications that do not change the material facts upon which the Commission based its original approval.”

4. The Landscaped Lot was included in the Extraction Properties by Z.C. Order No. 11-15F, but not referred to as separate from, but abutting, the Effingham Apartments.
5. The Effingham Apartments were identified as part of the Extraction Properties by name and address in Z.C. Order No. 11-15F Order but by incorrect lot numbers in Square 3058.
6. The Applicant served a copy of the Application on Advisory Neighborhood Commission (“ANC”) 1B, the affected ANC in regard to the requested modification to the lots in Square 3058 that are included in the Extraction Properties. ANC 5E, which was a party in Z.C. Case No. 11-15F pursuant to Subtitle Z § 101.8 because the Extraction Properties included Lot 830 in Square 3084, directly across 2nd Street N.W. from ANC 5E, is not an “affected ANC” for this Application because the only changes are to the lot numbers in Square 3058 that is not directly across a street from ANC 5E. (Ex. 1, 2.)
7. By report dated July 18, 2018, the Office of Planning (“OP”) recommended approval of the corrections requested by the Minor Modification. (Ex. 4.)

CONCLUSIONS OF LAW

The Commission is required by § 5 of the Office of Zoning Independence Act of 1990, effective September 20, 1990 (D.C. Law 8-163, D.C. Official Code § 6-623.04 (2018 Repl.)) to give great weight to the recommendations of OP. The Commission concurred with OP’s recommendation to approve the Application as a Minor Modification.

The Commission is required under D.C. Official Code § 1-309.10(d)(3)(A)(2012 Repl.) to give “great weight” to the issues and concerns contained in the written report of the affected ANC. As the affected ANC, ANC 1B did not file a report, there are no issues or concerns to which the Commission can give great weight.

At its July 30, 2018 public meeting, the Commission concluded that the corrections requested in the Application do not change the material facts upon which the Commission based its original approval of Z.C. Order No. 11-15F. Accordingly, the Commission concluded that the Application falls within the scope of a Minor Modification made pursuant to Subtitle Z § 703, and so it can be considered and voted on by the Commission without a public hearing pursuant to Subtitle Z § 703.1.

DECISION

In consideration of the above Findings of Fact and Conclusions of Law contained in this Order, the Zoning Commission for the District of Columbia **ORDERS APPROVAL** of the minor modification/technical correction to Z.C. Order No. 11-15F, which shall be modified by amending Finding of Fact 2 and by inserting a new Decision paragraph 1 listing the Extraction Properties as follows:

1. Finding of Fact 2 is revised to read as follows:
 2. The Applicant seeks to amend the Campus Plan to extract the following properties (“Extraction Properties”) from the boundaries of the Campus Plan:
 - (a) Effingham Apartments, 2711-2719 Georgia Avenue, N.W. (Lots 827, 828, 829 in Square 3058);
 - (b) Corner of Georgia Avenue and Fairmont Street, N.W. (Lot 833 in Square 3058¹);
 - (c) Carver Hall, 211 Elm Street, N.W. (Lot 830 in Square 3084);
 - (d) Slowe Hall, 1919 Third Street, N.W. (Lot 835 in Square 3088);
 - (e) East Towers Parking Lot, 2251 Sherman Avenue, N.W. (part of Lot 1101 in Square 2873);
 - (f) 9th and V Street Parking Lots, 9th and V Streets, N.W. (Lot 797 in Square 2873; Lots 976, 982, 1108, 2004, 2011, and 2033 in Square 2875²);
 - (g) Parking Lot Three, northwestern corner of Georgia Avenue and W Street, N.W., (Lots 62, 811, 934, 945, 968, 970, 972, 977, 979, and 1023 in Square 2877); and
 - (h) Florida Avenue Townhomes, 907 and 909 Florida Avenue, N.W. (Lots 872 and 873 in Square 2873³).
2. New Decision 1. is added as follows:
 1. The following properties are removed from the Campus Plan boundaries:
 - a. Effingham Apartments, 2711-2719 Georgia Avenue, N.W. (Lots 827, 828, 829, Square 3058);

¹ The Application erroneously listed this as Lot 833 in Square 3084, but the description of the Landscaped Lot in the Application clearly locates it in Square 3058. The maps showing the Extraction Properties and the revised Campus Plan (Ex. 2B, also Ex. 4A and 4B in Z.C. Case No. 11-15F) erroneously fail to include the Landscaped Lot in the Extraction Properties removed from the Howard University Central Campus Plan.

² Although the Application included proposed changes to the lot numbers in Square 2875 (to include 156, 159, 162, 167, 218-220, 284, 302, 331, 382, 383, 872, 873 instead of 2004, 20011, and 2033 that were included in Z.C. Order No. 11-15F) in the proposed modifications, these lot number changes were not included in the stated relief, and therefore were not considered by the Commission, and thus are not included in this Order.

³ The Application erroneously listed this as Lots 872 and 873 in Square 287, but the street addresses, as well as the maps showing the Extraction Properties, clearly identify these properties as located in Square 2875. Moreover, these properties were correctly identified in Z.C. Order No. 11-15F, and the Application did not seek to change them.

- b. Corner of Georgia Avenue and Fairmont Street, N.W. (Lot 833, Square 3058);
- c. Carver Hall, 211 Elm Street, N.W. (Lot 830 in Square 3084);
- d. Slowe Hall, 1919 Third Street, N.W. (Lot 835 in Square 3088);
- e. East Towers Parking Lot, 2251 Sherman Avenue, N.W. (part of Lot 1101 in Square 2873);
- f. 9th and V Street Parking Lots, 9th & V Streets, N.W. (Lot 797, Square 2873; Lots 976, 982, 1108, 2004, 2011, and 2033 in Square 2875);
- g. Parking Lot Three, northwestern corner of Georgia Avenue and W Street, N.W., (Lots 62, 811, 934, 945, 968, 970, 972, 977, 979, and 1023 in Square 2877); and
- h. Florida Avenue Townhomes, 907 and 909 Florida Avenue, N.W. (Lots 872 and 873 in Square 2873).

All conditions contained in Z.C. Order No. 11-15F remain in effect.

On July 30, 2018, upon the motion of Chairman Hood, as seconded by Vice Chairman Miller, the Zoning Commission took **FINAL ACTION** to **APPROVE** the Application at its public meeting by a vote of **5-0-0** (Anthony J. Hood, Robert E. Miller, Peter A. Shapiro, Peter G. May, and Michael G. Turnbull to approve).

In accordance with the provisions of 11-Z DCMR § 604.9, this Order shall become final and effective upon publication in the *D.C. Register*; that is on April 12, 2019.

ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
ZONING COMMISSION ORDER NO. 15-03A
Z.C. Case No. 15-03A
Aria Development Group
(PUD Modification of Consequence @ Square 2866 [1315 Clifton Street, N.W.]
January 28, 2019

Pursuant to notice, a public meeting of the Zoning Commission for the District of Columbia (“Commission”) was held on January 28, 2019. At that meeting, the Commission approved the application of Aria Development Group (“Applicant”) for a modification of consequence of the consolidated PUD application (“Approved PUD”) approved in Z.C. Order No. 15-03. The subject property consists of Lot 93¹ in Square 2866 (“Property”). Square 2866 is bounded by Euclid Street, N.W. to the north, 13th Street, N.W. to the east, Clifton Street, N.W. to the south, and 14th Street, N.W. to the west. The modification request was made pursuant to § 703 of the Commission’s Rules of Practice and Procedures, which are codified in Subtitle Z of Title 11 of the District of Columbia Municipal Regulations (“Zoning Regulations”).

FINDINGS OF FACT

BACKGROUND INFORMATION

1. The Commission first approved the Approved PUD by Z.C. Order No. 15-03 issued April 11, 2016, which allows construction of a new residential building with approximately 154 residential units and underground parking, with a density of 4.0 floor area ratio (“FAR”) (“Project”). No other modifications or other actions had been requested for the Approved PUD prior to the modification requested in this application.

CURRENT APPLICATION

2. The modification proposed by this application revises Condition B(3)(a) of Z.C. Order No. 15-03, which requires the Applicant to renovate a child development center (“CDC”) at Wardman Court, located at 1308 Clifton Street, N.W., prior to issuance of a certificate of occupancy for the Project.
3. During the processing for the Approved PUD, Advisory Neighborhood Commission (“ANC”) 1B and the Applicant identified the Mazique Child Development Center (“Mazique”), then located in Wardman Court across Clifton Street from the Property, as needing assistance with much needed upgrades to its facility. However, following approval of the Approved PUD, Mazique decided to vacate Wardman Court and relocate its facility outside of the boundaries of ANC 1B. Creative Minds Child Development Center (“Creative Minds”) subsequently agreed to lease the space previously occupied by

¹ The Property was designated as Assessment and Taxation Lots 831 and 838 when the Approved PUD was initially approved. The Property has since been subdivided into a new single Record Lot 93 by a plat recorded among the records of the Office of the Surveyor of the District of Columbia at Page 163 of Subdivision Book 211.

Mazique and plans to begin operating at Wardman Court in February 2019. (Exhibit [“Ex.”] 1.)

4. Given the change of tenancy and Mazique’s relocation outside ANC 1B’s boundaries, the Applicant consulted with the ANC, and the parties agreed that the Applicant would instead provide renovation services in the same location for Creative Minds. (Ex. 1.) Accordingly, the Applicant requests a modification to Condition B(3)(a) to reflect the new agreement, including revising the renovation specifications for Creative Minds.
5. In satisfaction of Subtitle Z § 703.13, the Applicant provided a Certificate of Service that noted that ANC 1B, the only other party to the underlying PUD application, was served with the application. (Ex. 1.)
6. On January 3, 2019, ANC 1B submitted a report into the record noting that, at a regularly scheduled, duly noticed meeting of the ANC on December 13, 2018, with a quorum present, ANC 1B voted 10-0-0 to support the application. (Ex. 5.)
7. The Office of Planning (“OP”) submitted a report on January 4, 2019, recommending that the Commission approve the application as a modification of consequence. (Ex. 6.)

CONCLUSIONS OF LAW

Pursuant to Subtitle Z § 703.1, the Commission, in the interest of efficiency, is authorized to make “modifications of consequence” to final orders and plans without a public hearing. A modification of consequence is defined by Subtitle Z § 703.3 as “a modification to a contested case order or the approved plans that is neither a minor modification nor a modification of significance,” and that “a proposed change to a condition in the final order” is listed in Subtitle Z § 703.4 as an example of a modification of consequence.

The Commission concluded that the proposed modification, as a request to modify a condition, is properly a modification of consequence within the meaning of Subtitle Z §§ 703.3 and 703.4, and, therefore, can be granted without a public hearing pursuant to Subtitle Z § 703.17(c)(2). The Commission determined that since OP had filed its report, and since the only party (other than the Applicant) to the Approved PUD - ANC 1B – had filed a response to the proposed modification, the requirement of Subtitle Z § 703.17(c)(2) to provide a timeframe for responses by all parties to the original proceeding had been met and so the Commission could consider the merits of the proposed modification at the January 28, 2019 public meeting.

The Commission found that the proposed modification is entirely consistent with the Approved PUD, as the Applicant is proposing to revise a condition in the Order merely to reflect a change in circumstances with respect to the CDC operator at Wardman Court.

The Commission is required under D.C. Official Code § 1-309.10(d)(3)(A) (2012 Repl.), to give “great weight” to the issues and concerns contained in the written report of an affected ANC. In this case, ANC 1B voted to support the application, and the Commission found that recommendation to be persuasive. The Commission is also required to give great weight to OP’s

recommendations under D.C. Official Code § 6-623.04 (2018 Repl.). The Commission concurred with OP's recommendation to approve this modification of consequence application. The Applicant is subject to compliance with D.C. Law 2-38, the Human Rights Act of 1977.

DECISION

In consideration of the above Findings of Fact and Conclusions of Law contained in this Order, the Zoning Commission for the District of Columbia **ORDERS APPROVAL** of a modification of consequence to the consolidated PUD approved in Z.C. Order No. 15-03. The conditions in the Approved PUD remain unchanged, except that Condition B(3)(a) of the Order is revised to read as follows:

The Applicant will renovate the Creative Minds Child Development Center at Wardman Court with landscaping, lead paint removal, exit ramp installation, new equipment and furniture, new interior lighting, identifying signage, and exterior door repair/replacement;

On January 28, 2019, upon the motion of Chairman Hood, as seconded by Commissioner Turnbull, the Zoning Commission took **FINAL ACTION** to **APPROVE** the application at its public meeting by a vote of **4-0-1** (Anthony J. Hood, Peter G. May, Peter A. Shapiro, and Michael G. Turnbull to approve; Robert E. Miller not present, not voting).

In accordance with the provisions of Subtitle Z § 604.9 of the Zoning Regulations, this order shall become final and effective upon publication in the *D.C. Register*; that is, on April 12, 2019.

THIS CASE IS OF INTEREST TO ANC 5D

On December 20, 2019, the Office of Zoning received an application from 300 Morse CPK Owner, LLC, *et al.* (“Applicant”) for approval of a second-stage planned unit development (“PUD”) and modification of significance to a previously approved first-stage PUD for the above-referenced property.

The property that is bounded by New York Avenue, N.E. (north), 4th Street, N.E. (northeast), Morse Street, N.E. (southeast), Florida Avenue, N.E. (southwest), and the Amtrak and Metrorail lines (west). For the purposes of this project subject of this application consists of Lots 834, 835, and 840 in Square 3587 in northeast Washington, D.C. (Ward 5). The property is zoned C-3-C through a PUD-related map amendment. The underlying zone for this property is PDR-1.

The Applicant requests a modification of significance to convert Building C2 from the previously approved primarily residential use to a primarily office use. The Applicant further requests second-stage approval for a PUD to develop buildings as follows: a mixed-use building containing residential and retail uses in Lot 840 (Building A2); a mixed-use building containing office and retail in Lot 834 (Building C2), and a mixed-use building containing residential and retail uses in Square 3587. The overall project gross floor area for the entire PUD increased slightly, from 1,467,196 square feet to 1,475,587 square feet (the floor area ratio [“FAR”] reduced from 6.89 to 6.81). The maximum heights for the buildings will be 130 feet and there will be a total of 726 parking spaces for the project.

THIS CASE IS OF INTEREST TO ANC 5D

On March 22, 2019, the Office of Zoning received an application from Carr Properties OC, LLC (the “Applicant”) for approval of modifications of significance to approved first-stage and consolidated planned unit developments (“PUD”) and a second-stage PUD for the above-referenced property.

The property that is the subject of this application consists of Lots 833 (Building C1) and 834 (Building C2) in Square 3587 in northeast Washington, D.C. (Ward 5), on property located at 350 Morse Street, N.E. The property is part of the larger Market Terminal PUD. The property is currently zoned, for the purposes of this project, C-3-C* through a PUD-related map amendment. The underlying zone is PDR-1.

FINDINGS OF FACT

1. By Z.C. Order No. 16-13, the Commission approved the PUD for the Property.
2. The only party to Z.C. Case No. 16-13 is Advisory Neighborhood Commission (“ANC”) 6C, which is the “affected ANC” as defined by Subtitle Z § 101.8 as the Property is located within ANC 6C’s boundaries.¹
3. Condition B.2 of Z.C. Order No. 16-13 required the Applicant, *inter alia*, to pay D.C. Habitat for Humanity (“Habitat”) \$625,000 (“Habitat payment”) by October 31, 2017 to construct off-site affordable housing as a part of the affordable housing provided as part of the PUD approved by the order.
4. The Commission approved a modification to Condition B.2 to replace the October 31, 2017 deadline for the Habitat payment with “no later than six months after a favorable resolution of the petition for review by the D.C. Court of Appeals (No. 17-AA-1048)” by Z.C. Order No. 16-13B.
5. The Commission approved a subsequent modification to Condition B.2 to substitute December 31, 2018 as the deadline for the Habitat payment by Z.C. Order No. 16-13C.
6. On December 20, 2018, the Applicant made an initial payment toward the Habitat payment in the form of an \$85,000 equity contribution to Habitat to assist in the purchase of the property on which the off-site affordable housing would be constructed. (Exhibit [“Ex.”] 1.)

¹ Although the Commission granted party status to a party in opposition, that party withdrew its request (Exhibit 53) in Z.C. Case No. 16-13.

7. The Applicant filed the Application with the Commission on December 21, 2018, requesting a further modification of Condition B.2 of Z.C. Order No. 16-13, as revised by Z.C. Order No. 16-13C, to strike the Habitat payment deadline of December 21, 2018 without imposing a new deadline.
8. The Application did not propose any other changes to Z.C. Order No. 16-13 or to the approved PUD plans.
9. The Applicant asserted that increasing costs of construction materials and fluctuations in lending terms created greater difficulty for the Applicant's attempt to secure financing for the PUD project than anticipated, which in turn has affected its ability to meet the December 31, 2018 payment deadline. (Ex. 1.)
10. The Applicant stated that it had agreed to increase its payment to Habitat in response to rising housing costs and limited inventory within the boundaries of ANC's 5D, 5E, 6A, 6C, and 6E as required by Condition B.1 of Z.C. Order No. 16-13. (Ex. 1.)
11. The Applicant stated that at the time of the Application, Habitat had contracted to purchase property at 18th and D Streets, N.E., in ANC 6A, as the site for the affordable housing to be financed by the Applicant's payment pursuant to Condition B.2 of Z.C. Order No. 16-13. (Ex. 1.)
12. The Applicant stated that it expected to complete the financing for the PUD project by March 31, 2019 and pay the remainder of the Habitat payment by that date. (Ex. 1, 5.)
13. On December 31, 2018, the Applicant filed a revised certificate affirming that the Application had been served on ANC 6C, its chair, the chair of the ANC's Zoning Committee, and the Single Member District Commissioner for the Property. (Ex. 3.)
14. Following discussions with the Office of Planning ("OP"), on February 4, 2019, the Applicant submitted a revision of the Application to establish the Habitat payment deadline on June 30, 2019 instead of the initial request to strike the deadline. (Ex. 5.)
15. OP submitted a report on February 4, 2019, recommending that the Application qualified as a Modification of Consequence and that the Commission approve the Application as revised by the Applicant's revision to specify June 30, 2019 as the Habitat payment deadline. (Ex. 6.)
16. At its public meeting on February 11, 2019, the Commission scheduled its consideration and decision on the Application for its March 11, 2019 public meeting, in order to provide the ANC additional time to respond to the Application.
17. ANC 6C did not submit any response to the record prior to the March 11, 2019 public meeting.

CONCLUSIONS OF LAW

1. Subtitle Z § 703.1 authorizes the Commission, in the interest of efficiency, to make “modifications of consequence” to final orders and plans without a public hearing. Subtitle Z § 703.4 includes “a proposed change to a condition in the final order” as a Modification of Consequence.
2. D.C. Official Code § 6-623.04 (2018 Repl.) and Subtitle Z § 405.8 require the Commission to give “great weight” to the recommendations contained in OP’s report. The Commission found OP’s recommendations that the Application qualified as a Modification of Consequence and to approve the Application persuasive and concurred in that judgment.
3. D.C. Official Code § 1-309.10(d)(3)(A) (2012 Repl.) and Subtitle Z § 406.2 require the Commission to give “great weight” to the issues and concerns contained in the written report of an affected ANC. As ANC 6C did not submit a written report in response to the Application, there is no ANC recommendation to which the Commission can give “great weight.”
4. Based on the above Findings of Fact and the record, the Commission concluded at its February 11, 2019 public meeting that the modification requested by the Application qualifies as a Modification of Consequence and, therefore, can be granted without a public hearing.
5. At its March 11, 2019 public meeting, based on the above Findings of Fact and the record, the Commission determined that the modification to Condition B.2 of Z.C. Order No. 16-13 requested in the Application, as revised by Exhibit 5, is consistent with, and does not detract from or diminish the Commission’s decision in Z.C. Order No. 16-13.

DECISION

In consideration of the Findings of Fact and Conclusions of Law contained in this Order, the Zoning Commission for the District of Columbia **ORDERS APPROVAL** of the requested Modification of Consequence to Z.C. Order No. 16-13 to modify only Condition No. B.2 by replacing it with the following text:

Prior to the issuance of a building permit, the Applicant shall provide proof to the Zoning Administrator that it has paid \$625,000 to D.C. Habitat for Humanity no later than June 30, 2019, that D.C. Habitat for Humanity has the off-site housing location under its control, that each of the off-site units will consist of a minimum of 900 square feet and two bedrooms, and that the units will be constructed as single-family residences or flats.

All other conditions and provisions of Z.C. Order No. 16-13, as modified by Z.C. Order Nos. 16-13A, 16-13B, and 16-13C, remain effective and unaltered.

On March 11, 2019, upon the motion of Commissioner Shapiro, as seconded by Vice Chairman Miller, the Zoning Commission took **FINAL ACTION** to **APPROVE** the Application at its public meeting by a vote of **5-0-0** (Anthony J. Hood, Robert E. Miller, Peter G. May, Michael G. Turnbull, and Peter A. Shapiro to approve).

In accordance with the provisions of 11-Z DCMR § 604.9, this Order shall become final and effective upon publication in the *D.C. Register*; that is, on April 12, 2019.

BY THE ORDER OF THE D.C. ZONING COMMISSION

A majority of the Commission members approved the issuance of this Order.
