Agency Performance Oversight Hearings on Fiscal Year 2020-2021

February 3, 2021

Committee of the Whole Public Briefing on the Fiscal Year 2020 Comprehensive Annual Financial Report (CAFR) at 1:30 p.m.

The Council of the District of Columbia hereby gives notice of its intention to hold public oversight hearings on agency performances for FY 2020 and FY 2021. The hearings will begin Monday, February 8, 2021 and conclude on Friday, March 19, 2021.

On March 11, 2020, Mayor Muriel Bowser issued the Declaration of Public Emergency: Coronavirus (COVID-19) and the Declaration of Public Health Emergency: Coronavirus (COVID-19) due to the imminent threat to the health, safety, and welfare of District residents posed by the spread of the coronavirus. These orders require that the Council of the District of Columbia adapt the methods by which public hearings on agency performance and oversight will be held to comply with social distancing, large public gathering, and other public health and safety requirements. Therefore, the Council will be conducting it's work remotely, including the use of teleconferencing platforms to hold public hearings.

Please refer to the specific instructions, found at the end of this notice, on how each Committee will operate their hearings. Some hearings listed in this notice will broadcast live on DC Council Channel 13 and streamed live at [www.dccouncil.us](http://www.dccouncil.us) and [entertainment.dc.gov](http://entertainment.dc.gov), while others will be streamed live at the link provided.

## INSTRUCTIONS FOR PUBLIC PARTICIPATION

Due to the COVID-19 public health emergency declaration, the Council must alter the hearing process to comply with social distancing and other public health and safety requirements. Therefore, the Council will be conducting its work remotely, including, but not limited to, the use of teleconferencing platforms to hold public hearings. Written or transcribed testimony from the public regarding agency performance during fiscal year 2020 is **highly encouraged** and will be taken by email or voice mail.

**Voicemail Testimony:** Some committees have a unique voicemail number set up to accept testimony. The voicemail program automatically limits each message to three minutes. At the beginning of the message please state and spell your name clearly, provide the name of the organization you are representing and title (if any), and then begin your testimony. The voicemail program automatically limits each message to three minutes and generates an automated transcript of each message, which will be included as written testimony in the committee hearing record.

On Monday, February 22, 2021, Councilmember Brianne K. Nadeau, Chairperson of the Committee on Human Services, will convene a public oversight roundtable on “Rental Assistance and the District’s Eviction Prevention Strategies.” The roundtable will be held virtually via the Zoom platform beginning at 3:00 p.m.

Since the Mayor declared a public health emergency in March of 2020, the District along with the rest of the country has experienced substantial job loss, putting thousands of individuals and families on the brink of economic disaster and at risk of eviction and homelessness. During the pandemic, preventing eviction, displacement, and homelessness reduce the spread of coronavirus. To delay and lessen the impact of an eviction and homelessness crisis, the District has utilized a number of strategies including implementing eviction moratoria; enhancing funding and revising regulations for existing programs like the Emergency Rental Assistance Program (ERAP); and establishing new programs like the COVID-19 Housing Assistance Program (CHAP), Housing Stabilization Grants, and the Tenant Based Rental Assistance Program (TBRA). Additionally, the District has received and expects to receive more novel funding streams from the federal government to address this grave issue.

On January 29, 2021, Mayor Bowser issued Order 2020-129 to establish the “Saving DC’s Rental Housing Market Strike Force,” an advisory group tasked with examining the District’s preparedness to anticipate changes to the District’s rental housing market. The many topics that the Strike Force will be investigating and providing recommendations to the Mayor about include rental assistance programs and immediate eviction issues. The Strike Force, however, has a large agenda and a limited timeline for completing its vital work.

The purpose of the Committee's roundtable is to support the administration and the Strike Force in gathering a diversity of perspectives to enable timely decision-making about the role of emergency rental assistance in addressing the impending eviction crisis. The roundtable will examine rental assistance programs offered to tenants or landlords during the public health emergency, explore the capacity of District agencies and existing service providers to deploy new funds rapidly and effectively, identify the tools/programs that would need to be created or adapted, and collect information from a variety of rental stakeholder about the best use of the expected infusion of federal funds for the current circumstances.

The Committee invites the public to testify or to submit written testimony. Anyone wishing to testify at the roundtable should complete the witness form at <https://www.briannknadeau.com/testify> or call the Committee on Human Services at 202-724-8170, by **close of business on Friday, February 19, 2021.**

Witnesses who anticipate needing language interpretation, or requiring sign language interpretation, are requested to inform the Human Services Committee office of the need as soon as possible, but **no later than five (5) business days before the proceeding.** We will make every effort to fulfill timely requests, however requests received in less than five (5) business days may not be fulfilled and alternatives may be offered.

All witness will be allowed a maximum of three minutes for oral testimony and only one witness per organization will be permitted to testify. Witnesses are encouraged to submit a copy of their testimony electronically to [humanservices@dccouncil.us](mailto:humanservices@dccouncil.us) in advance of the roundtable.

For witnesses who are unable to testify at the hearing, written statements will be made part of the official record. Copies of written statements should be submitted either to the Committee at [humanservices@dccouncil.us](mailto:humanservices@dccouncil.us) or to Nyasha Smith, Secretary to the Council, 1350 Pennsylvania Avenue, N.W., Suite 5, Washington, D.C. 20004. Additionally, voicemail testimony can be provided for the record by calling the Committee's unique voicemail number – 202-350-1927. At the beginning of the message please state and spell your name clearly, provide the name of the organization you are representing and title (if any), the topic of your testimony, and then begin your testimony.

**The record will close for all forms of testimony at the end of the business day on Monday, March 1, 2021.**

The roundtable will only be broadcast live at <http://www.ChairmanMendelson.com/live>.

This is the Committee's second hearing this month – the first was on February 10<sup>th</sup> – on the subject of overcoming learning loss, due to the COVID-19 pandemic, in public education. The purpose of this roundtable is to receive testimony from invited guests and the Deputy Mayor for Education on the need for a comprehensive, citywide plan and the potential strategies included in that plan to address the student learning loss that has occurred during the COVID-19 pandemic. The Committee plans to hold future roundtables on this topic until the Executive produces a comprehensive and actionable plan to combat student learning loss. Because the Committee is seeking testimony from particular education experts and the Executive, **this roundtable is limited to invited guests only.**

Testimony from each invited witness is limited to five minutes unless a longer time limit is arranged. Witnesses who anticipate needing spoken language interpretation, or require sign language interpretation, are requested to inform the Committee office of the need as soon as possible but no later than five business days before the proceeding. We will make every effort to fulfill timely requests, although alternatives may be offered. Requests received in less than five business days may not be fulfilled. If you have additional questions, please contact Destiny Riley, Committee Assistant, at (202) 724-8196.

Due to the COVID-19 public health emergency declaration, the roundtable will be conducted virtually on the Internet utilizing Zoom video conference technology. **HISTORIC PRESERVATION REVIEW BOARD  
NOTICE OF PUBLIC HEARINGS**

The D.C. Historic Preservation Review Board will hold a public hearing to consider applications to designate the following properties as historic landmarks in the D.C. Inventory of Historic Sites. The Board will also consider the nomination of the properties to the National Register of Historic Places:

**Case No. 19-03: Southeast branch Library**  
**403 7<sup>th</sup> Street NW**  
**Square 875, Lot 1**  
**Applicant: Capitol Hill Restoration Society**  
**Affected Advisory Neighborhood Commission: 6B**

The hearing will take place at **9:00 a.m. on Thursday, March 25, 2021**. It will be an online “virtual” hearing, the details of which will be available here: <https://planning.dc.gov/node/1176060>. It will be conducted in accordance with the Review Board’s Rules of Procedure (10C DCMR 2, see <https://planning.dc.gov/node/594182>).

The Board’s hearing is open to all interested parties or persons. Public and governmental agencies, Advisory Neighborhood Commissions, property owners, and interested organizations or individuals are invited to testify before the Board. Written testimony may also be submitted prior to the hearing. All submissions should be sent to the address above.

A copy of the historic designation application is currently on the Historic Preservation Office website at <https://planning.dc.gov/node/1176060>. A copy of the staff report and recommendation will be available at the office five days prior to the hearing. The office also provides information on the D.C. Inventory of Historic Sites, the National Register of Historic Places, and Federal tax provisions affecting historic property.

If the Historic Preservation Review Board designates a property, it will be included in the D.C. Inventory of Historic Sites, and will be protected by the D.C. Historic Landmark and Historic District Protection Act of 1978. The Review Board will simultaneously consider the nomination of the property to the National Register of Historic Places. The National Register is the Federal government’s official list of prehistoric and historic properties worthy of preservation. Listing in the National Register provides recognition and assists in preserving our nation’s heritage. Listing provides recognition of the historic importance of properties and assures review of Federal undertakings that might affect the character of such properties. If a property is listed in the Register, certain Federal rehabilitation tax credits for rehabilitation and other provisions may apply. Public visitation rights are not required of owners. The results of listing in the National Register are as follows:

Consideration in Planning for Federal, Federally Licensed, and Federally Assisted Projects:  
Section 106 of the National Historic Preservation Act of 1966 requires that Federal agencies allow the Advisory Council on Historic Preservation an opportunity to comment on all projects affecting historic properties listed in the National Register. For further information, please refer to 36 CFR 800.

Eligibility for Federal Tax Provisions: If a property is listed in the National Register, certain Federal tax provisions may apply. The Tax Reform Act of 1986 (which revised the historic preservation tax incentives authorized by Congress in the Tax Reform Act of 1976, the Revenue Act of 1978, the Tax Treatment Extension Act of 1980, the Economic Recovery Tax Act of 1981, and the Tax Reform Act of 1984) provides, as of January 1, 1987, for a 20% investment tax credit with a full adjustment to basis for rehabilitating historic commercial, industrial, and rental residential buildings. The former 15% and 20% Investment Tax Credits (ITCs) for rehabilitation of older commercial buildings are combined into a single 10% ITC for commercial and industrial buildings built before 1936. The Tax Treatment Extension Act of 1980 provides Federal tax deductions for charitable contributions for conservation purposes of partial interests in historically important land areas or structures. Whether these provisions are advantageous to a property owner is dependent upon the particular circumstances of the property and the owner. Because the tax aspects outlined above are complex, individuals should consult legal counsel or the appropriate local Internal Revenue Service office for assistance in determining the tax consequences of the above provisions. For further information on certification requirements, please refer to 36 CFR 67.

Qualification for Federal Grants for Historic Preservation When Funds Are Available: The National Historic Preservation Act of 1966, as amended, authorizes the Secretary of the Interior to grant matching funds to the States (and the District of Columbia) for, among other things, the preservation and protection of properties listed in the National Register.

Owners of private properties nominated to the National Register have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing must submit to the State Historic Preservation Officer a notarized statement certifying that the party is the sole or partial owner of the private property, and objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. If a majority of private property owners object, a property will not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of eligibility for listing in the National Register. If the property is then determined eligible for listing, although not formally listed, Federal agencies will be required to allow the Advisory Council on Historic Preservation an opportunity to comment before the agency may fund, license, or assist a project which will affect the property. If an owner chooses to object to the listing of the property, the notarized objection must be submitted to the above address by the date of the Review Board meeting.

For further information, contact Tim Dennee, Landmarks Coordinator, at 202-442-8847.

**Z.C. Case No. 12-01D (The Catholic University of America – Amendment to an Approved Campus Plan and Further Processing of a Campus Plan @ Square 3821, Lot 44)**

**THIS CASE IS OF INTEREST TO ANCs 5A, 5B, AND 5E**

The Catholic University of America (the “CUA”) filed an application (the “Application”) on January 15, 2021, requesting that the Zoning Commission for the District of Columbia (the “Commission”) approve an amendment to, and further processing of, the 2012-2027 Catholic University Campus Plan (the “Campus Plan”) approved by Z.C. Order No. 12-01, as amended by Z.C. Order Nos. 12-01A, 12-01B, and 12-01C, pursuant to Subtitle X, Chapter 1, of the Zoning Regulations (Title 11 of the District of Columbia Municipal Regulations, Zoning Regulations of 2016, to which all references are made unless otherwise specified) to permit construction of a new nursing school (the “Nursing School”) on Lot 44 in Square 3821 (the “Property”).

The portion of the Property proposed to be affected by the Application is currently improved with a surface parking lot.

**The Application**

**Campus Plan Amendment**

The Application seeks to amend the Campus Plan to increase the size of “Building A” by 22,347 square feet from the approved 68,000 square feet to the proposed Nursing School’s 90,347 square feet.

**Campus Plan Further Processing**

The Application requests a further processing under Subtitle X § 101.9 to construct Building A, as amended to house the Nursing School along with a gateway entrance feature on the Property at the southern edge of the Main Campus along Michigan Avenue.

The Application proposes that the Nursing School will have:

- A maximum height of approximately 67 feet 7 inches;
- A footprint of approximately 32,000 square feet;

---

<sup>1</sup> Anyone who wishes to participate in this case but cannot do so via WebEx or telephone may submit written comments to the record. (See p. 2, *How to participate as a witness – written statements.*)

- Approximately 90,347 square feet of gross floor area, which will increase the overall density of the campus to 0.28 Floor Area Ratio (“FAR”) (within the 0.39 FAR permitted under the Campus Plan and the 1.8 FAR permitted in the RA-1 zone district);
- An approximately 22 foot, 1 inch setback from Michigan Avenue; and
- 42 parking spaces, bringing the total number of spaces on the Campus to 1,740 (below the maximum of 1,920 approved by the Campus Plan).

This public hearing will be conducted in accordance with the contested case provisions of Subtitle Z, Chapter 4, of the Zoning Regulations as well as the text adopted by the Commission on October 15, 2020, in Z.C. Case No. 20-11, as published in the Notice of Final Rulemaking published in the D.C. Register on October 30, 2020.

Written statements, in lieu of personal appearances or oral presentation, may be submitted for inclusion in the record, provided that **all written comments and/or testimony must be submitted to the record at least 24 hours prior to the start of the hearing, unless approved by the Commission upon request to be introduced at the public hearing.** The public is encouraged to submit written testimony through the Interactive Zoning Information System (IZIS) at <https://app.dcoz.dc.gov/Login.aspx>; however, written statements may also be submitted by e-mail to [zcsubmissions@dc.gov](mailto:zcsubmissions@dc.gov). OFFICE OF DOCUMENTS AND ADMINISTRATIVE ISSUANCES

ERRATA NOTICE

The Administrator of the Office of Documents and Administrative Issuances (ODAI), pursuant to the authority set forth in Section 309 of the District of Columbia Administrative Procedure Act, approved October 21, 1968, as amended (82 Stat. 1203; D.C. Official Code § 2-559 (2016 Repl.)), hereby gives notice of a correction to the Notice of Final Rulemaking and Zoning Commission Order No. 20-26 (NOFR), issued by the Zoning Commission of the District of Columbia and published in the *D.C. Register* on January 15, 2021, at 68 DCR 909, *et seq.*

The NOFR amended Subtitles Y (Board of Zoning Adjustment Rules of Practice and Procedure) and Z (Zoning Commission Rules of Practice and Procedure) of the Zoning Regulations (Title 11 of the District of Columbia Municipal Regulations, Zoning Regulations of 2016).

Among other changes, the NOFR:

- Revised Table Y § 1600 to establish fees for administrative extensions due to COVID-19.

However, the NOFR included an incorrect cross-reference to the provision that authorized these administrative extensions – instead of Subtitle Y, the rules for the Board of Zoning Adjustment, the reference erroneously was to Subtitle Z, the rules for the Zoning Commission.

Therefore, the final rulemaking is corrected to amend Table Y § 1600 to substitute the correct cross-reference to Subtitle Y § 705.7 to replace the erroneous cross-reference to Subtitle Z § 705.7,

to read as follows (the corrections to the final rulemaking are made below, with additions are shown in **bold and underline**; deletions are shown in ~~**bold and strikethrough**~~):

**Amendment to Subtitle Y, BOARD OF ZONING ADJUSTMENT RULES OF PRACTICE AND PROCEDURE**

These corrections by this Errata Notice to the NOFR are non-substantive in nature and do not alter the intent, application, or purpose of the proposed rules. The rules are effective upon the original publication date of the NOFR of January 15, 2021.

Any questions or comments regarding this notice shall be addressed by mail to Victor L. Reid, Esq. Administrator, Office of Documents & Administrative Issuances, 441 4<sup>th</sup> Street, N.W., Suite 520S, Washington, D.C. 20001, email at [victor.reid@dc.gov](mailto:victor.reid@dc.gov), or via telephone at (202) 727-5090.

## OFFICE OF THE STATE SUPERINTENDENT OF EDUCATION

NOTICE OF FINAL RULEMAKING

The Interim State Superintendent of Education, pursuant to the authority set forth in Article II of “An Act to provide for compulsory school attendance, for the taking of a school census in the District of Columbia, and for other purposes”, as amended, effective February 4, 1925 (43 Stat. 806; D.C. Official Code § 38-201 et seq. (2012 Repl. & 2019 Supp.)); as amended by Section 302 of the “South Capitol Street Memorial Amendment Act of 2012”, effective June 7, 2012 (D.C. Law 19-141, 59 DCR 3083, D.C. Official Code §§ 38-201 et seq. (2012 Repl. & 2019 Supp.)); Mayor’s Order No. 2012-116, dated July 26, 2012; Sections 3(b)(11), 3(b)(15) and 7c of the “State Education Office Establishment Act of 2000”, as amended, effective October 21, 2000 (D.C. Law 13-176; D.C. Official Code §§ 38-2602(b)(11), 2602(b)(15) and 2609(c)(2) (2012 Repl. & 2019 Supp.)); Section 403 of the “State Board of Education Establishment Act of 2007”, effective June 12, 2007 (D.C. Law 17-9; D.C. Official Code §38-2652(a)(14) (2012 Repl.)), and the “Attendance Accountability Amendment Act of 2013”, effective September 19, 2013 (D.C. Law 20-17; D.C. Official Code §38-2602(b)(19), hereby gives notice of the adoption of amendments to Title 5 (Education), Subtitle A (Office of the State Superintendent of Education), Chapter 21 (Compulsory Education and School Attendance) of the District of Columbia Municipal Regulations (DCMR), including the replacing of Subsections 2101.4, 2101.5 and 2101.6 with new language for the 2020-2021 school year and renumbering the remaining subsections accordingly.

### I. Purpose

The purpose of the final rulemaking is to expand the current attendance regulations to accommodate the remote learning models that public schools in the District of Columbia have adopted to ensure the safety of students, families, and staff in response to the COVID-19 pandemic. Pursuant to D.C. Official Code § 38-201 *et. seq.*, education is compulsory for children between the age of five (5) and eighteen (18) in the District of Columbia. Schools are required to take, collect and report daily attendance, and make referrals to other District agencies when a defined number of unexcused absences is reached. The response to the COVID-19 pandemic necessitates social distancing guidance that will likely be in place for the 2020-21 school year. Due to the District of Columbia’s response to COVID-19, students will attend school in-person and via remote learning, when the student is not physically present in-person in a traditional classroom environment. The existing regulations for attendance contemplate in-person school attendance only. For the 2020-2021 school year, this final rulemaking states that attendance is to be collected regardless of whether a student attends school in-person or via remote learning. The new subsections apply specifically to the 2020-2021 school year and add definitions and requirements that are applicable to the remote learning environment.

### II. COVID-19’s Impact on Education in the District of Columbia

The novel coronavirus (COVID-19) has required the District to take numerous steps to protect the public health and safety of District residents. COVID-19 can cause a wide range of

symptoms, up to severe illness and death. Symptoms include fever, cough, difficulty breathing, and fatigue. COVID-19 is an airborne virus and is easily transmitted from one person to another person, and in many cases is spread by persons that are asymptomatic. As of Jan. 5, 2021, the United States of America has had over 20 million cases of COVID-19 resulting in more than 353,000 deaths, with nearly 30,000 cases in the District of Columbia resulting in 797 deaths.

On March 11, 2020, Mayor Muriel Bowser declared a public health emergency in response to COVID-19. At that time, public schools and public charter schools shut down in-person operations and began to take steps to offer remote learning. Schools remained in that posture for the remainder of the 2019-20 school year. As COVID-19 spread, schools were unable to reopen for in-person instruction for all enrolled students, and most students attended school remotely. As of the date of publication of this rulemaking, the Council authorized the Mayor to extend the public health emergency through March 2021, and schools remain in a mostly remote posture. There is promise for vaccines to reduce the spread of COVID-19, and the nation and the District are taking efforts to distribute them; however, the timing of when schools will be fully operational for in-person instruction for all students is unclear.

Student attendance records are vital pieces of information for educators. Attendance is an important indicator of a student's engagement in school. Before instruction can take place, a student must enter a school to receive instruction from teachers. Attendance is also a critical indicator of a child's welfare. District law makes education compulsory, and a failure to send a child to school can be a sign of neglect. Further, it is critical to account for a child's whereabouts when they are expected to be in school. Yet, existing regulations contemplate a student's physical presence inside of a school building for the purposes of attendance; these regulations needed to be revised to accommodate remote learning when a student may learn using technology in their home or location outside of their school building.

OSSE issued an emergency rulemaking on attendance collection requirements to accommodate remote learning. The emergency rulemaking was adopted on August 27, 2020 and became effective on that date. The emergency rulemaking remained in effect for up to one hundred twenty (120) days after the date of adoption, expiring on December 25, 2020, or upon earlier amendment or repeal by the State Superintendent of Education or publication of a final rulemaking in the *D.C. Register*, whichever occurs first. Emergency rulemaking action was necessary for the immediate preservation of the public health, safety, welfare, and to provide public schools in the District of Columbia with a safe and legal method of taking student attendance while students engaged in learning in a remote posture necessitated by health and safety concerns related to the COVID-19 public health emergency.

OSSE published guidance documents to support local education agencies and schools to collect attendance records in accordance with the emergency regulation. In addition, OSSE required all LEAs that serve students in grades K-12 to submit continuous education plans in order to waive the requirement that a school year include a minimum of 180 instructional days at six (6) hours per day as prescribed in 5-A DCMR §2100.3. The D.C. Public Charter School Board required all

public charter school local education agencies to submit continuous education plans to capture school academic and operational changes during the 2020-21 school year in response to COVID-19. These plans must meet certain baseline requirements—namely, completion, clarity, alignment with applicable laws and policies delineated throughout this application, and for public charter schools, alignment with their approved charters. In addition, all plans had to align with public health guidelines. Plans included descriptions of how the local education agency would collect and report attendance in compliance with the emergency regulation. OSSE reviewed plans for compliance and shared these plans publicly.

### III. Stakeholder Engagement on the Emergency and Proposed Regulation

OSSE outlined its intentions to publish emergency regulations on attendance collection and reporting to accommodate remote learning to stakeholders including local education agencies, the State Board of Education, government taskforces, sister government agencies advocacy groups, and the Council of the District of Columbia throughout the summer of 2020. Prior to drafting an emergency and proposed rulemaking, OSSE entertained comments on its proposal. At that time, stakeholders expressed the necessity of collecting attendance even when students attend school remotely and the importance of public reporting of attendance data. Stakeholders requested more information on the mechanics of the proposal. Specifically, stakeholders expressed concern regarding increased reporting of truancy to government agencies, unexcused absences due to the lack of technology necessary to access remote learning, and the application of the 80/20 rule while students attend school remotely. Prior to issuing the emergency and proposed rule, OSSE addressed these concerns by clarifying processes for truancy referrals and subsequent investigations with sister agencies and describing existing flexibility afforded to schools and local education agencies to discern what constitutes an excused absence. OSSE suspended the “80/20 Rule” for the 2020-21 school year due to the flexibility schools and local agencies needed around daily instructional time in a remote setting. These issues are expounded upon in “Frequently Asked Questions: 2020-21 School Year Attendance Collection.”

D.C. Code Annotated § 38-2652 states that the State Board of Education (SBOE) is responsible for advising the State Superintendent on education matters. Specifically, D.C. Code § 38-2652(14) states that the Board will approve state rules for enforcing school attendance requirements. Due to the need to issue these rules on an emergency basis, OSSE expressed its intent to issue emergency and proposed regulations that would allow for the collection and reporting of attendance for remote learning at its working session on June 10, 2020. At that time, OSSE presented its broad proposal and the timeline in which the agency planned to proceed to an emergency and proposed rulemaking. OSSE presented to the SBOE at its working sessions on October 10 and November 4, 2020 on the proposed rulemaking and took questions from Board members. OSSE submitted a resolution to approve the rulemaking consistent with the SBOE’s authority in D.C. Code §38-2652 at its working session on December 2, 2020. The SBOE unanimously voted to approve the rulemaking at its public meeting on December 16, 2020 thus allowing OSSE to proceed with this final rulemaking.

#### IV. Notice of Emergency and Proposed Rulemaking

On October 9, 2020, a Notice of Emergency and Proposed Rulemaking was published in the *D.C. Register*, for a thirty (30) day public comment period at 67 DCR 11756. The public comment period for the Notice of Emergency and Proposed Rulemaking closed on November 8, 2020, with the Interim State Superintendent having received comments from two (2) interested parties, including the State Board of Education (SBOE) and Children's National Hospital.

In summary, the comments were supportive of the need for regulations accommodating the collection of attendance for remote learning.

The SBOE expressed comments on the utilization of learning management systems, and OSSE committed to reasserting attendance policies and procedures with leaders of local education agencies, so students and families will better understand expectations necessary to be counted present. The SBOE expressed a desire for analysis on how students were demonstrating presence and the methods that worked well, which OSSE expressed would be more appropriate for its annual attendance report. The SBOE expressed concern on future application of the "80/20 Rule" or the definition of presence that requires a student to be in school for 80% of the school day, to which OSSE reminded the Board that the proposed regulation does not rely on this definition of "present" and is only in place for the 2020-21 school year. Discussions on the application of this definition beyond the 2020-21 school year should be addressed with the Every Day Counts! Taskforce, which is an appropriate venue since both OSSE and the SBOE are a part of that taskforce. The SBOE also raised concern with how a lack of technology or a malfunctioning piece of technology may result in an unexcused absence. OSSE addressed this concern in guidance to local education agencies in October 2020.

The comments received did not compel the Interim State Superintendent to make any substantive changes to the Notice of Emergency and Proposed Rulemaking. The Interim State Superintendent is therefore issuing these regulations without further request for comment.

#### V. Conclusion

The Interim Superintendent appreciates the comments that the public submitted throughout the process. OSSE has considered these comments. This has resulted in a more effective and clear final rulemaking.

**Title 5, EDUCATION, Subtitle A, OFFICE OF THE STATE SUPERINTENDENT OF EDUCATION, Chapter 21, COMPULSORY EDUCATION AND SCHOOL ATTENDANCE, of the DCMR is amended by repealing the regulation in its entirety and replacing it with the following provisions, including replacing subsections 2101.4, 2101.5 and 2101.6 and renumbering the remaining subsection to read as follows:**

<sup>1</sup> For Office of Zoning tracking purposes only, this Notice of Final Rulemaking shall also be known as Z.C. Order No. 19-30.

<sup>2</sup> The Proposed RF-4 Area includes Lots 88 and 89 in Square 4506 that are currently split-zoned RA-2/MU-4 (all others are currently zoned RA-2).

<sup>3</sup> In Square 4495, Record Lots 83 and 84 are known for assessment and taxation (A&T) purposes as A&T Lot 843.

<sup>4</sup> The Proposed MU-5A Area includes Lots 127-132, 138-142, and 166-170 in Square 4507 that are currently in the RA-2 zone (all others are currently zoned MU-4).

<sup>5</sup> In Square 4506, the following Record Lots are known as the following A&T Lots: 74 = 803, 75 = 805, 77 = 809, 78 = 811, 79 = 813, 81 = 817, 83 = 821, and 84 = 823.

<sup>6</sup> In Square 4507, the following Record Lots are known as the following A&T Lots: 1-3 = 938, 4-5 = 940, 6-8 = 935, 9 and 20 = 937, 122 = 943, and 124 = 944.

Amendment) to the Zoning Map on December 1, 2019 (Exhibits [Ex.]1-3, as revised on December 11, 2019 [Ex. 1B], on May 5, 2020 [Ex. 17]), and on September 2, 2020 and September 4, 2020 [Ex. 28-28A]) (collectively, the ANC Petition)).

The ANC Petition asserted that the Map Amendment is not inconsistent with the Comprehensive Plan (CP) as a whole and would balance out the downzoning to the RF-4 zone with the upzoning to the MU-5A zone to create more affordable housing and family-sized housing.

***Proposed RF-4 Area***

The Proposed RF-4 Area includes approximately thirteen and one half (13.5) acres of land between 18<sup>th</sup> and 21<sup>st</sup> Streets, N.E., on both sides of H Street, N.E., and is characterized by two (2)-story residential rowhouses.

The CP (10A DCMR) designates the Proposed RF-4 Area on the General Policy Map (GPM) as a Neighborhood Conservation Area, which the CP describes as generally residential neighborhoods with little vacant or underutilized land in which new development, redevelopment and alterations should be compatible with the existing scale, natural features, and character of the neighborhood, which should be conserved and enhanced, but not preclude development, particularly that which addresses city-wide housing needs. (CP §§ 225.4-225.5.)

The CP's Future Land Use Map (FLUM) designates the Proposed RF-4 Area, except for Lot 66 in Square 4495, for moderate-density residential uses, which the CP contemplates for neighborhoods with single-family houses, two (2)- to four (4)-unit buildings, row houses, low-rise garden apartment apartments. The CP calls for a density of up to a 1.8 floor area ratio (FAR), although greater density may be possible for developments complying with Inclusionary Zoning (IZ) or when approved through a planned unit development (PUD). The CP identified both the current RA-2 and the proposed RF-4 zones as consistent with the Moderate Density Residential category. (CP §§ 227.6.)

Lot 66 in Square 4495 has a Medium Density Residential FLUM designation, which the CP contemplates for neighborhoods composed generally of mid-rise apartment buildings, although pockets of low- or moderate-density housing may be included, with density typically ranging from 1.8 to 4.0 FAR, although greater density may be possible for IZ developments or PUDs. The CP identifies the RA-3 zone as consistent with medium-density residential uses, although other zones may also be consistent. (CP §§ 227.7.)

The current RA-2 zone of most of the Proposed RF-4 Area is intended to provide for areas developed with predominantly moderate-density residential. The RA-2 zone has:

- No limits on the number of residential units;
- No minimum lot dimensions;
- A maximum building height of fifty feet (50 ft.);
- A maximum lot occupancy of sixty percent (60%); and
- A maximum floor area ratio (FAR) of 1.8 (2.16 for IZ developments).

The current MU-4 zoning of a small portion (parts of Lot 88 and 89 in Square 4506) of the Proposed RF-4 Area is intended to provide for moderate-density mixed-use development providing office, retail, and housing facilities in low- and moderate-density residential areas with access to main roadways or transit stops. The MU-4 zone has:

- A maximum height of fifty feet (50 ft.);
- A maximum lot occupancy for residential use of sixty percent (60%) (seventy-five percent (75%) for IZ developments); and
- A maximum FAR of 2.5 (3.0 for IZ developments), with a maximum 1.5 non-residential FAR.

The proposed RF-4 zone is intended to provide for areas predominantly developed with row houses of three (3) or more stories, within which may also exist a mix of apartment buildings, and to promote the continued row house character and appearance of these areas as well as the residential use of larger row house buildings. The RF-4 zone has:

- A maximum of three (3) residential units per lot;
- A minimum lot area of one thousand eight hundred square feet (1,800 sq. ft.) for row dwellings or flats, three thousand square feet (3,000 sq. ft.) for semi-detached dwellings, and four thousand square feet (4,000 sq. ft.) for all other structures (one thousand five hundred square feet (1,500 sq. ft.) for IZ developments);
- A minimum lot width of eighteen feet (18 ft.) for row dwellings or flats, thirty feet (30 ft.) for semi-detached dwellings, and forty feet (40 ft.) for all other structures (eighteen feet (18 ft.) for IZ developments);
- A maximum building height of three (3) stories and forty feet (40 ft.);
- A maximum lot occupancy of sixty percent (60%); and
- A maximum FAR of 1.8.

### ***Proposed MU-5A Area***

The Proposed MU-5A Area includes approximately 4.3 acres of land on the north side of Benning Road, N.E. between 17<sup>th</sup> and 21<sup>st</sup> Streets, N.E. and is characterized by a variety of two (2)- and three (3)-story residential rowhouses, three (3)-story mixed-use buildings, low-rise retail uses, a gas station, and a decommissioned power plant.

The GPM designates the western fourth of the Proposed MU-5A Area (Lots 127-132, 138-142, and 166-170 in Square 4507) as a Neighborhood Conservation Area, with the remainder designated as a Main Street Mixed Used Corridor, which the CP describes as pedestrian-oriented commercial business corridors with traditional storefronts, with upper-story residential or office uses. (CP §§ 225.14.) The FLUM designates the eastern fourth (Parcels 160/22 and 160/38) for medium-density residential uses, with the remainder designated for moderate-density residential uses. Although the definitions of the moderate- and medium-density residential use categories do not specifically identify the current MU-4 or proposed MU-5A zones as consistent with these use categories, both categories specify that other zones may apply.

The current MU-4 zoning of the Proposed MU-5A Area is intended to provide for moderate-density mixed-use development providing office, retail, and housing facilities in

low-and moderate-density residential areas with access to main roadways or transit stops. The MU-4 zone has:

- A maximum height of fifty feet (50 ft.);
- A maximum lot occupancy for residential use of sixty percent (60%) (seventy-five percent (75%) for IZ developments); and
- A maximum FAR of 2.5 (3.0 for IZ developments), with a maximum 1.5 non-residential FAR.

The proposed MU-5A zoning is intended to provide for medium-density mixed-use development with an emphasis on residential use providing office, retail, and housing facilities on arterial streets and rapid transit stops. The MU-5A zone has:

- A maximum height of sixty-five feet (65 ft.) (seventy feet (70 ft.) for IZ developments);
- A maximum lot occupancy for residential use of eighty percent (80%); and
- A maximum FAR of 3.5 (4.2 for IZ developments), with a maximum 1.5 non-residential FAR.

### ***OP Setdown Report***

The Office of Planning (OP) filed an April 14, 2020, report (OP Setdown Report) recommending that the Commission set down the ANC Petition for a public hearing. The OP Setdown Report concluded that the Map Amendment - except for Lot 66 in Square 4495 - would not be inconsistent with the CP because:

- The proposed RF-4 zoning would not be inconsistent with the GPM's Neighborhood Conservation Area designation because it would maintain the current neighborhood character while allowing smaller apartment houses and would not be inconsistent with the FLUM's designations of Moderate Density Residential for most of the Proposed RF-4 Area and Medium Density Residential for the remainder;
- The proposed MU-5A zoning would align with the GPM's Main Street Mixed-Use Corridor designation for most of the Proposed MU-5A Area, with the CP's Upper Northeast Area Element and Small Area Plan, with the FLUM's Medium Density Residential designation for the eastern fourth of the Proposed MU-5A Area, and with the historic and current uses of the Proposed MU-5A Area as a mixed-use neighborhood commercial corridor. OP concluded that this alignment with these CP policies and maps together outweigh the GPM's Neighborhood Conservation Area designation of the western fourth and the FLUM's Moderate Density Residential designation of the western three-quarters with its lower-density framework so that the proposed MU-5A zoning is not inconsistent with the CP as a whole; and
- OP expressed a concern with the proposed inclusion of Lot 66 in Square 4495 in the Proposed RF-4 Area because of its Moderate Density Residential FLUM designation that calls for a higher density than allowed under the RF-4 zone.

At its April 27, 2020 public meeting, the Commission heard testimony from OP in support of the Map Amendment and voted to set it down for a public hearing. The Commission approved a revised setdown to add Lot 827 in Square 4494 to the Proposed RF-4 Area at its May 11, 2020, public meeting.

**Public Hearing***DDOT Report*

The District Department of Transportation (DDOT) issued an August 28, 2020, report determining that the Map Amendment would have a minimal impact on the transportation network and the Proposed MU-5A Area's increased density is consistent with DDOT's approach to support adjacent transit and businesses with increased foot traffic.

*OP Hearing Report*

OP submitted a September 4, 2020 Hearing Report that reiterated OP's recommendation to approve the Map Amendment but with the exclusion of Lot 66 in Square 4495.

The Commission received several written comments opposing the Map Amendment's proposed downzoning of the Proposed RF-4 Area because it would limit the supply of housing needed to reduce the affordable housing crisis.

At its September 17, 2020 public hearing, the Commission heard testimony from ANC 5D and OP, which emphasized the complementary nature of the Map Amendment's proposed upzoning and downzoning that would further the Mayor's initiative to create an additional 36,000 new housing units by 2025, including 12,000 affordable housing units. In response to questions from the Commission, OP repeated its recommendation to remove Lot 66 in Square 4495 because its current RA-2 zoning, but not the proposed RF-4 zoning, matched its FLUM Medium Density Residential designation. The Commission also heard public testimony from supporters and opponents of the Map Amendment, with most opponents criticizing the proposed downzoning of the Proposed RF-4 Area and one opposing the proposed upzoning of the Proposed MU-5A Area.

**Proposed Action***OP Supplemental Report*

OP submitted an October 5, 2020, Supplemental Report in response to the Commission's request reporting that the Proposed RF-4 Area includes five (5) existing apartment houses with four (4) or more dwelling units - including the apartment house on Lot 66 in Square 4495 that OP recommended be excluded from the Map Amendment - as well as two (2) existing buildings in the process of being converted to apartment houses with four or more dwelling units. OP's Supplemental Report reiterated OP's recommendation to approve the Map Amendment with the exclusion of Lot 66 in Square 4495.

At its October 15, 2020, public meeting, the Commission voted to take **PROPOSED ACTION** to adopt the Map Amendment, as modified by OP's recommendation to exclude Lot 66 in Square 4495, and to authorize the publication of a Notice of Proposed Rulemaking:

**VOTE (October 15, 2020): 5-0-0** (Robert E. Miller, Michael G. Turnbull, Anthony J. Hood, Peter A. Shapiro, and Peter G. May to **APPROVE**)

*Notice of Proposed Rulemaking*

The Commission published a Notice of Proposed Rulemaking (NPR) in the December 11, 2020 *D.C. Register* (67 DCR 14522, *et seq.*).

The Commission received no comments responding to the NPR in the thirty (30)-day period required by § 6 of the District of Columbia Administrative Procedure Act, approved October 21, 1968. (82 Stat. 1206, as amended; D.C. Official Code § 2-505 (2013 Repl.))

*National Capital Planning Commission (NCPC)*

The Commission referred the Petition to the National Capital Planning Commission (NCPC) on October 16, 2020, for the thirty (30)-day review period required by § 492(b)(2) of the District Charter. (Dec. 24, 1973, Pub. L. 93-198, title IV, § 492(b)(2); D.C. Official Code 6-641.05 (2018 Repl.))

NCPC filed an October 27, 2020 report stating that NCPC had determined that the Map Amendment fell under Exception 12 of Chapter 8 of the NCPC Guidelines and was therefore exempt from NCPC review.

**Final Action***“Great Weight” to the Recommendations of OP*

The Commission must give “great weight” to the recommendations of OP pursuant to § 5 of the Office of Zoning Independence Act of 1990, effective September 20, 1990 (D.C. Law 8-163; D.C. Official Code § 6-623.04 (2018 Repl.)) and Subtitle Z § 405.8. (*Metropole Condo. Ass’n v. D.C. Bd. of Zoning Adjustment*, 141 A.3d 1079, 1087 (D.C. 2016).)

The Commission finds OP’s recommendation that the Commission adopt the Map Amendment, provided that Lot 66 in Square 4495 is removed, persuasive and concurs in that judgment.

*“Great Weight” to the Written Report of the ANCs*

The Commission must give great weight to the issues and concerns raised in the written report of an affected ANC that was approved by the full ANC at a properly noticed public meeting pursuant to § 13(d) of the Advisory Neighborhood Commissions Act of 1975, effective March 26, 1976 (D.C. Law 1-21; D.C. Official Code § 1-309.10(d) (2012 Repl.)) and Subtitle Z § 406.2. To satisfy the great weight requirement, the Commission must articulate with particularity and precision the reasons why an affected ANC does or does not offer persuasive advice under the circumstances. (*Metropole Condo. Ass’n v. D.C. Bd. of Zoning Adjustment*, 141 A.3d 1079, 1087 (D.C. 2016).) The District of Columbia Court of Appeals has interpreted the phrase “issues and concerns” to “encompass only legally relevant issues and concerns.” (*Wheeler v. District of Columbia Board of Zoning Adjustment*, 395 A.2d 85, 91 n.10 (1978) (citation omitted).)

The Commission finds persuasive the ANC Petition’s concern to increase the supply of affordable housing by focusing density along Benning Road, N.E., and encouraging family-sized units in the Proposed RF-4 Area and concurs with the ANC Report’s support of the Map Amendment as addressing these concerns except for Lot 66 in Square 4495, which the Commission concurs with OP’s recommendation to leave it in its current RA-2 zone as more consistent with its Medium Density Residential FLUM designation.

At its January 14, 2021, public meeting, the Commission voted to take **FINAL ACTION** to adopt the Map Amendment to amend the Zoning Map as follows, and to authorize the publication of a Notice of Final Rulemaking to that effect:

**VOTE (January 14, 2021): 5-0-0** (Anthony J. Hood, Robert E. Miller, Peter A. Shapiro, Michael G. Turnbull, and Peter G. May to **APPROVE**)

## DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS

NOTICE OF SECOND PROPOSED RULEMAKING

The Director of the Department of Consumer and Regulatory Affairs (Department), pursuant to the authority under Sections 103(4), 105, 106(f)(5), 110(c), and 111 of the Short-Term Rental Regulation Act of 2018, effective April 25, 2019 (D.C. Law 22-307; D.C. Official Code § 30-201.01 *et seq.*), Section 4(a)(2) of the District of Columbia Consumer Protection Procedures Act, effective July 22, 1976 (D.C. Law 1-76; D.C. Official Code § 28-3903(a)(2)), Section 101(b) of the Omnibus Regulatory Reform Amendment Act of 1998, effective April 29, 1998 (D.C. Law 12-86; D.C. Official Code § 47-2851.04(c)(1)), and Mayor's Order 2020-104, dated October 13, 2020, hereby gives notice of a proposed rulemaking to add a new Chapter 99 (Short-Term Rentals) to Title 14 (Housing) of the District of Columbia Municipal Regulations (DCMR); and to amend Chapter 5 (Basic Business License Schedule of Fees) of Title 17 (Business, Occupations, and Professionals) of the DCMR by adding a new Section 518 (Short-Term Rental) and a new Section 519 (Short-Term Rental: Vacation Rental).

The Short-Term Rental Regulation Act of 2018 (Act) creates two (2) new license endorsement categories to a basic business license: "Short-Term Rental" and "Short-Term Rental: Vacation Rental." Specifically, these rules amend Title 14 of the DCMR by creating a new chapter which establishes the general requirements for short-term rentals and booking services and the procedures for suspension, revocation, and other licensing sanctions. These rules also amend Title 17 of the DCMR to establish the fees to be charged by the Department for the two new license endorsement categories.

A Notice of Proposed Rulemaking was published in the *D.C. Register* on October 16, 2020, at 67 DCR 011973. The public comment period closed on November 16, 2020. The Department carefully considered all comments received and made technical and substantive changes in response to the comments received, as outlined below.

*Requirements for Short-Term Rental*

Regarding liability insurance, a commenter suggested that the Department increase the amount from \$250,000 to \$500,000. The Department did not accept this recommendation because the Act allows the Mayor to adjust the dollar amount of this insurance by rulemaking and the Department maintains that \$250,000 is a sufficient amount for liability insurance.

Regarding the requirement that the property at which the short-term rental is located shall be owned by the host, commenters suggested that the ownership requirement be stricken. The Department did not accept this recommendation because the regulations as written maintain responsibility where it should be, with the owners. The regulations are not meant to authorize leasing companies, subletters or any other entities to be the responsible party for purposes of these regulations, as it is much more difficult to hold them accountable for the responsibilities set forth in the Act and the regulations.

Regarding the requirement that hosts conspicuously post a written cleaning plan, commenters suggested that this requirement be stricken. The Department has addressed this issue by eliminating this requirement.

Regarding an additional requirement for hosts, a commenter suggested that fire extinguishers should be required for all short-term rentals. The Department agrees and has added a new requirement that hosts maintain at least one working portable fire extinguisher for the primary residence that is easily accessible.

Regarding the difference between a short-term rental and a short-term: vacation rental, commenters suggested that the difference between the two is unclear and provided various scenarios under which they stated it would be unclear which license would be required. The Department maintains that the difference between a short-term rental and a short-term: vacation rental in the regulations is clear, and that any confusion regarding the different types of licenses can be addressed on the Department's website, which will provide practical guidance to hosts.

Regarding license endorsement numbers for hotels and inns, a commenter suggested that the Department provide hotels and inns a license endorsement number so that they can be listed by booking services as vacation rentals. The Department did not accept this recommendation because a license endorsement number is only required for booking service listings that are short-term rentals.

Regarding recordkeeping requirements for hosts, a commenter suggested that hosts should be required to retain five years of records of each booking, not two years. The Department declines the suggestion to lengthen the record retention period specified in the Act. A commenter also suggested that the regulations should list the items that the Department expects hosts to maintain for recordkeeping purposes. The Department agrees and has added new subsections to Subsection 9901.8 which list the items that hosts must maintain for recordkeeping purposes.

Regarding record requests from hosts, a commenter suggested striking language from Subsection 9901.9 which states that the Department may make such requests when "the Department has sufficient information to believe that a need for such records is warranted." The Department has addressed this issue by striking the word "sufficient" from this subsection. The Department maintains that it is completely within the Department's discretion when to request records from hosts. A commenter also suggested that the language precluding the disclosure of these records under the Freedom of Information Act should be amended so that more information can be disclosed. The Department did not accept this comment, in conformance with the Act.

Regarding penalties on hosts for not providing records, a commenter suggested that the Department needs to define the penalties it will impose on a host who fails to comply in a timely manner. The Department did not accept this recommendation because Subsection 9901.9(d) states that the Department will not impose any penalties unless a host fails to timely respond or object to a subpoena. If a host fails to timely respond or object to a subpoena, there are penalties specified for non-compliance in the subpoena.

Regarding tax collection and remittance, commenters suggested clarifying the contradiction between Subsection 9901.11, which states that taxes may be collected and remitted by the booking services, and Subsection 9905.9, which requires that booking services collect and remit taxes. The Department has addressed this issue by changing Subsection 9905.9 to make the collection and remittance of taxes by the booking services permissive rather than required.

Regarding maximum occupancy in a short-term rental, commenters suggested increasing the number of guests allowed at a short-term rental and the number of guests per bedroom in a short-term rental. The Department did not accept this comment, in conformance with the Act.

Regarding trash pickup at short-term rental properties, a commenter suggested that there should be consideration for trash utilization that is greater than normal. The Department did not accept this recommendation because the regulations are intended to ensure that short-term rental license holders are eligible for trash and recycling pickup. Further, the rentals are required to conform to District Department of Public Works' regulations requiring the deposit of trash for pick up in the regular trash and recycling bins and are subject to penalties for putting excess garbage outside these approved receptacles.

Regarding language in the Act that states that "a transient guest of a vacation rental shall not be considered a guest of a resident in the Advisory Neighborhood Commission area designated on an annual visitor parking permit," a commenter suggested that this language be added to the regulations. The Department agrees and has added this language as new Subsection 9901.14.

#### *License Application*

Regarding the registration process, a commenter suggested that the regulations should clearly state that registration must be online (with offline options for individuals who prefer paper-based processes) with a streamlined application and a temporary permit that becomes permanent once the application is approved. This matter of internal operations will be considered for internal, administrative options and may be adjusted from time to time as circumstances warrant; it need not be placed in regulations.

Regarding written consent that a condominium, cooperative, or homeowner association permits the operation of a short-term rental, a commenter suggested changing "written consent" to "proof" to align with the language in the Act. The Department did not accept this recommendation because the regulations are intended to specify "written consent" as the type of proof required, as this is easier for the Department's employees to understand and approve, and for recordkeeping purposes.

Regarding the requirement that evidence of a Certificate of Occupancy or Home Occupation Permit be provided to the Department if applicable, a commenter suggested that the Department should provide clarity on when this is required. Another commenter suggested that the Department allow hosts to provide an attestation that they possess these documents, rather than producing the documents themselves. The Department has addressed this issue by allowing hosts to provide an attestation that there is a valid Certificate of Occupancy or Home Occupation Permit if one is required. Another commenter suggested that the language in Subsection 9902.2(e) should clearly address how English basements should be treated. The Department did not accept this

recommendation because the treatment of English basements and other accessory dwelling units is addressed in the revised definition of “primary residence” in Section 9999.

Regarding the requirement that a host submit a Clean Hands Certification issued by the Office of Tax and Revenue, a commenter suggested that hosts be allowed to provide an attestation. The Department has addressed this issue by allowing hosts to submit a Clean Hands self-certification form provided by the Department.

Regarding the provision that allows booking services to accept applications from hosts on its website and facilitate applications for hosts, commenters suggested that this language be stricken. The Department did not accept this recommendation because this language does not exceed the scope of the Act and the license will still be issued by the Department; this provision simply allows a booking service to submit applications on behalf of hosts.

#### *Issuance and Renewal of License*

Regarding the type of endorsement required, commenters suggested that the language in Subsection 9903.3 was unclear because it appeared to contradict itself with regard to how many licenses a host could possess. The Department has addressed this issue by re-wording Subsection 9903.3 to make clear that a host shall not be issued more than one “Short-Term Rental” endorsement or “Short-Term Rental: Vacation Rental” endorsement; however, a host may hold both a “Short-Term Rental” endorsement and a “Short-Term Rental: Vacation Rental” endorsement simultaneously.

Regarding an inspection of the premises, a commenter suggested that there should be an inspection within three months of the license being issued, or another reasonable timeframe. The Department did not accept this recommendation because the language in Subsection 9903.6 is taken directly from the Act and the Department has the statutory right to inspect any licensed premises for compliance at any time. Another commenter suggested that this provision is misleading because there may be an inspection required for a Certificate of Occupancy or Home Occupation Permit. The Department did not accept this recommendation because any other inspection requirement is separate from a short-term rental license inspection.

Regarding long term stays, commenters suggested clarifying in the regulations whether rentals for thirty days or longer are considered short term rentals. The Department has addressed this issue by adding new Subsection 9903.8 which states that “[a] short-term rental license endorsement is issued for transient guest bookings of thirty (30) or fewer continuous nights. Transient guest bookings of more than thirty (30) continuous nights are not covered by a short-term rental license endorsement.”

#### *Exemption from 90-Night Limit for Short-Term Rental Operating as a Vacation Rental*

Regarding the 90-day limitation for short-term rentals operating as vacation rentals, commenters suggested that this limitation should be removed. The Department declines the suggestion to eliminate the 90-day limitation specified in the Act.

Regarding the bases for an exemption, a commenter suggested that unemployment be added as an allowed exemption to the 90-day limit. The Department is not expanding the list of Council-approved exemptions through the regulations. Another commenter suggested that the regulations impermissibly expand the 90-day exception to include work affecting the host's spouse or domestic partner. The Department did not accept this recommendation because the Department believes this inclusion is reasonably accommodating to people with families.

Regarding the exemption process, a commenter suggested that the process should be simplified by paring down the current attestation and notarization requirements as well as the required Department notifications. The Department did not accept this recommendation because the attestation and notarization requirements are in the Act, and the required Department notifications are as minimally burdensome as possible.

Regarding an updated exemption application, a commenter suggested that the regulations should clarify how soon a host shall notify the Department after the host returns to the District. The Department has addressed this issue by stating in Subsection 9904.6 that a host shall notify the Department within ten (10) days of the host's return.

Regarding the public posting of exemptions on the Department's website, a commenter suggested that date that posting is to commence be changed from July 2021 to April 2021. The Department did not accept this recommendation because this date has to be a reasonable time period from when the regulations are finalized and in effect.

#### *Requirements for Booking Services*

Regarding how booking services will enforce the 90-day limit, a commenter suggested that the regulations do not indicate how the Department or the booking service will prevent owners from circumventing the 90-day limit by using a different booking service upon the expiration of the first 90-day period. The Department maintains that this comment has merit but is better suited to be addressed by the Department internally through enforcement. A commenter also suggested that the regulations should clarify how booking services will distinguish a registration number that is for hosted instead of unhosted stays. The Department did not accept this recommendation, but will take this under advisement when formulating nomenclature so that vacation rentals can be distinguished.

Regarding a booking service providing a license number to hosts, a commenter suggested that there should be a fine levied against a booking company if they fail to provide a license number. The Department maintains that no change is needed because there is already a penalty specified for this in Section 9910.

Regarding the requirement that a booking service shall not book a short-term rental within five business days upon notice from the Department that the license has been suspended or revoked, a commenter suggested that booking services should have more than five business days in order to give hosts due process and a reasonable opportunity to understand the Department's request and cure any fixable errors. The Department did not accept this recommendation because five days is a reasonable timeframe to take action.

Regarding recordkeeping for booking services, a commenter suggested that booking services should be required to retain five years of records of each booking, not two years. The Department declines the suggestion to lengthen the record retention period specified in the Act.

Regarding the process for the Department to demand records from booking services, a commenter suggested that the regulations state that booking services shall submit such reports, not that the Department may ask for them. The Department did not accept this recommendation so as to forestall challenges under the Fourth Amendment.

Regarding record requests from booking services, a commenter suggested striking language from Subsection 9905.6, which states that the Department may make such requests when “the Department has sufficient information to believe that a need for such records is warranted.” The Department has addressed this issue by striking the word “sufficient” from this subsection. The Department maintains that it is completely within the Department’s discretion when to request records from booking services.

Regarding penalties on booking services for not providing records, a commenter suggested that the Department needs to define the penalties it will impose on a booking service who fails to comply in a timely manner. The Department did not accept this recommendation because Subsection 9905.6(g) states that the Department will not impose any penalties unless a booking service fails to timely respond or object to a subpoena. If a booking service fails to timely respond or object to a subpoena, there are penalties specified for non-compliance in the subpoena.

Regarding the provision requiring booking services to obtain consent from hosts to provide personal information and business records described in Subsection 9905.6(a), a commenter suggested that this language be stricken. The Department did not accept this comment, in conformance with the Act.

#### *Denial, Suspension, and Revocation of a License*

Regarding the discretion of the Director under this section, a commenter suggested that the language in Subsection 9906.1 be changed so that the Director “shall” instead of “may” refuse to issue or renew, or suspend or revoke, a license issued under this chapter. The Department did not accept this recommendation because the Department prefers to maintain discretion as is standard throughout its licensing regulations.

Regarding the list of grounds for suspension or revocation, a commenter suggested that this be broadened to include noncompliance with Subsections 9901.3 through 9901.8. The Department agrees and has made this change in Subsection 9906.2(e).

#### *Notices of Violation, Infraction, or Order*

Regarding the treatment of English basements in Subsection 9907.3, a commenter suggested providing clarity on the sentence that a listing for an “entire residence” will be “prima facie evidence” of a vacation rental. The Department has addressed this issue by adding a sentence to

this subsection stating that a host may note in a listing that a short-term rental guest will have exclusive access of a certain portion of the property (i.e. an English basement, or a defined space within the overall property).

### *Penalties*

Regarding penalty amounts, a commenter suggested that the fines should be substantially higher. The Department did not accept this recommendation because the Act allows the Mayor to adjust the fine amounts and the amounts are reasonable and in line with the fines for comparable offenses.

### *Definitions*

Regarding the definition for a booking service, a commenter suggested that the regulations should clearly state that a host is not a booking service. The Department has addressed this issue by adding a second sentence to definition of “booking service” which states that “[a] booking service is a room remarketer within the meaning of D.C. Official Code 47-2001(o-1).”

Regarding the definition of a primary residence, commenters suggested that the regulations should clarify that separately metered units, English basements, accessory dwelling units, and other property types that share the same lot as the primary residence should be considered a hosted primary residence rental. The Department has addressed this issue by adding the following sentence to the definition of primary residence: “For the purposes of short-term rentals, accessory dwelling units, including English basements, are considered part of a host’s primary residence.”

Regarding the definitions of transient guest and vacation rental, commenters suggested that these definitions are unclear. The Department did not make any changes to these definitions and maintains that these definitions are clear and unambiguous.

### *Fees*

Regarding the fee amount, a commenter suggested that the fee amount of \$99 is too high. The Department did not accept this recommendation, as license fees are used to cover the costs of reviewing and issuing licenses.

### *Other*

The Department received two comments that were not applicable. One comment related to anonymous complaints, which is an internal enforcement issue, and the other comment related to zoning, which is not addressed in these regulations because short-term rentals are a matter of right in any zone.

Directions for submitting comments may be found at the end of this notice.

9905.5 A booking service shall retain records of all short-term rentals in the District for two (2) years.

Law 1-96; D.C. Official Code § 2-531 *et seq.*); provided, that the Office of the Chief Financial Officer and

the Office of the Attorney General, may inspect the information for enforcement purposes.

9905.8 A booking service shall obtain from each host consent to provide the information described in § 9905.6(a) to the Department. Obtaining lawful consent may consist of providing notice to the host that use of such booking service constitutes consent to the Department disclosure. It shall not be a defense to a violation of this section that the booking service did not obtain consent.

9905.9 A booking service may collect and remit on behalf of hosts all required transient occupancy taxes, as provided under § 9901.11.

## **9906 DENIAL, SUSPENSION, AND REVOCATION OF A LICENSE**

9906.2 The Director also may refuse to issue or renew, or may suspend or revoke, a license issued under this chapter on any of the following grounds:

9906.4 If the Department proposes to deny, suspend or revoke a license, a written notice shall be provided to the applicant or licensee, which states the proposed action and the basis for the proposed action.

- 9906.5 The notice required under § 9906.4 shall advise the applicant or licensee of the right to request a hearing within twenty (20) business days (excluding Saturdays, Sundays, and legal holidays) from the date of the service of the notice.

- 9907.2 The Department may refer violations of this chapter to the Office of the Attorney General.
- 9907.3 For purposes of determining whether a host is in violation of this chapter, if any part of a listing for a short-term rental claims or suggests that a short-term rental guest will have exclusive use of the host's entire residence during the guest's stay, this shall serve as prima facie evidence that the short-term rental is a vacation rental, notwithstanding the type of license endorsement actually issued. A host may, however, note in a listing that a short-term rental guest will have exclusive access

of a certain portion of the property (i.e., an English basement, or a defined space within the overall property).

9907.4 Notices and orders shall be in writing in a form prescribed by the Department and shall include:

  - (3) If the respondent fails to pay the fine or request a hearing within thirty (30) calendar days of the date the notice is served on the respondent, a penalty equal to the amount of the fine may be imposed and the respondent's license may be suspended until the fine has been paid; and
- (g) Any other information that the Department may require.

**9908 SERVICE OF THE NOTICE OF VIOLATION, INFRACTION, OR ORDER**

9908.1 Each notice or order issued under § 9907 shall be served on a respondent by any one of the following methods:

- (a) Personal service on a respondent or a respondent's agent;

- (c) Delivering the notice or order to the last known home or business address as identified by the tax records, the business license address, or the corporate registration address of the respondent or the respondent's agent and leaving it with a person over the age of sixteen (16) years old residing or employed therein;
- (d) Mailing the notice or order, via first class mail postage prepaid, to the last known home or business address, as identified by the tax records address, the business license address or the corporate registration address, of the respondent or the respondent's agent; or

  - (3) Deny the commission of the violation or infraction; and
- (b) Otherwise complete, sign, and date the answer form on the back of the notice.

9909.3 If a respondent admits a violation or infraction, the respondent shall include payment of the fine with the respondent's answer.

9909.4 Payment of the fine shall not relieve the respondent of the obligation to abate the violation or infraction cited in the notice or order.

9909.5 If the respondent admits a violation or infraction with an explanation, the respondent shall state on the notice whether the respondent requests a hearing on the papers or an in-person hearing. OAH may hold an in-person hearing in its sole discretion.

9909.6 If a respondent denies an infraction, OAH may schedule an in-person hearing in accordance with its rules.

9909.7 If a respondent does not answer the notice within thirty (30) calendar days:

- (a) OAH shall issue a default order; and

## DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS

**NOTICE OF PROPOSED RULEMAKING**

The Director of the Department of Consumer and Regulatory Affairs (DCRA), pursuant to the authority set forth in D.C. Official Code § 47-2853.10(a)(12) (2015 Repl.), Section 2h of the Regulation of Landscape Architecture and Professional Design Firms Amendment Act of 2016, effective April 7, 2017 (D.C. Law 21-249; D.C. Official Code § 47-2853.117 (2015 Repl.)), and Mayor's Order 2000-70, dated May 2, 2000, hereby gives notice of the intent to adopt the following amendment to Section 1902 (Qualifications for Licensure) of Chapter 19 (Landscape Architects) of Title 17 (Business, Occupations, and Professionals) of the District of Columbia Municipal Regulations (DCMR).

This rulemaking amends the qualifications for licensure for landscape architects by categorically qualifying individuals with a master's or doctoral degree in landscape architecture from a program accredited by the Landscape Architectural Accreditation Board (LAAB) or the Canadian Society of Landscape Architects Accreditation Council (CSLAAC). Currently, the regulations only categorically qualify individuals with an undergraduate degree in landscape architecture.

## DISTRICT OF COLUMBIA WATER AND SEWER AUTHORITY

NOTICE OF EMERGENCY AND PROPOSED RULEMAKING

The Board of Directors (Board) of the District of Columbia Water and Sewer Authority (DC Water), pursuant to the authority set forth in Sections 203(3) and (11) and 216 of the Water and Sewer Authority Establishment and Department of Public Works Reorganization Act of 1996, effective April 18, 1996 (D.C. Law 11-111, §§ 203(3), (11) and 216; D.C. Official Code §§ 34-2202.03(3) and (11) and § 34-2202.16 (2019 Repl.)); and Section 6(a) of the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1206; D.C. Official Code § 2-505(a) (2016 Repl.)), hereby gives notice of the adoption, on an emergency basis, and intent to adopt permanently, at its regularly scheduled meeting on November 5, 2020, took final action, through adoption of Board Resolution #21-14 to amend Section 4102 (Customer Assistance Programs) of Chapter 41 (Retail Water and Sewer Rates and Charges), of Title 21 (Water and Sanitation) District of Columbia Municipal Regulations (DCMR).

The purpose of this emergency and proposed rulemaking is to amend the Customer Assistance Regulations to establish the “DC Water Cares: Multifamily Assistance Program” for low-income multifamily occupants economically affected by the impacts of COVID-19, effective February 4, 2021. In accordance with 21 DCMR § 4104, Multi-Family Customer are classified to include multi-family structures such as an apartment, condominium or cooperative housing association with four or more dwelling units used for domestic purposes. These rules reflect this clarification and shall apply to the occupants of Multi-Family Customer premises including tenants that rent or lease the dwelling unit, and owners or members in a condominium housing association or cooperative housing association. The Board requests comments on this Notice of Emergency and Proposed Rulemaking.

On January 26, 2021, the DC Water Retail Water and Sewer Rates Committee met to consider a new “DC Water Cares: Multifamily Assistance Program” through which DC Water provides up to \$2,000 of emergency relief per eligible occupant unit in a participating Multi-Family Customer’s premises. The DC Water Retail Water and Sewer Rates Committee recommended the Board adopt of the program on an emergency basis for immediate implementation. The Board, through Board Resolution #21-14, approved the adoption of this Emergency and Proposed Rulemaking to establish and implement on an emergency basis the DC Water Cares: Multifamily Assistance Program, effective February 4, 2021.

This emergency rulemaking is necessary to protect the public peace, health safety, welfare, or morals from the economic impacts due to COVID-19 that are becoming more acute, causing an increase in the number of eligible occupants in multifamily properties to be in arrears and accumulate outstanding balances which this program will address.

This emergency rulemaking was adopted on February 4, 2021, by resolution, to become effective immediately, and shall remain in effect for up to one-hundred and twenty (120) days from the date of adoption. This emergency rulemaking shall expire on June 4, 2021, unless a Notice of Final Rulemaking is published in the *D.C. Register*, whichever occurs first.

The Board requests comments on the Notice of Emergency Proposed Rulemaking. The Board will receive comments during the public comment period and at a public hearing on the proposed amendments to the Customer Assistance Program regulations to add a new “DC Water Cares: Multifamily Assistance Program”. A Notice of Public Hearing and Draft Agenda are published in this edition of the *D.C. Register*. The Public Hearing will be held at the DC Water Headquarters, 1385 Canal Street, S.E. at 6:30 pm on April 7, 2021. A final agenda will be posted to DC Water’s website at [www.dcwater.com](http://www.dcwater.com). Due to COVID-19, the General Manager has suspended public access to DC Water facilities. Please see the website for remote access information for the Public Hearing. Final rulemaking action shall be taken in not less than forty-five (45) days from the date of publication of this notice in the *D.C. Register*.

Mayor's Order 2021-22  
February 17, 2021

**SUBJECT:** Establishment and Activation of the Gun Violence Prevention Emergency Operations Center to Respond to the Gun Violence Public Health Crisis

**ORIGINATING AGENCY:** Office of the Mayor

By virtue of the authority vested in me as Mayor of the District of Columbia pursuant to section 422 of the District of Columbia Home Rule Act, approved December 24, 1973, Pub. L. 93-198, 87 Stat. 790, D.C. Official Code § 1-204.22, it is hereby **ORDERED** that:

**I. BACKGROUND**

- A. The District of Columbia has experienced a sustained and significant increase in homicides caused by guns. A total of one hundred ninety-eight (198) people were killed in 2020, with eighty-seven percent (87%) of those homicides being caused by guns.
- B. Shootings in 2020 increased significantly, with a twenty-six percent (26%) increase from 2019 in shooting incidents involving a victim and a thirty-three percent (33%) increase in the number of gunshot victims.
- C. The largest mass shooting in District history occurred on August 9, 2020, with at least twenty-one (21) people shot and one (1) death.
- D. Gun violence falls disproportionately on our Black community. In 2019, ninety-two percent (92%) of the one hundred sixty-six (166) homicide victims were Black. In 2020, ninety-five percent (95%) of the one hundred ninety-eight (198) homicide victims were Black.
- E. Gun violence results in many non-lethal physical injuries and short-term and long-term mental health impacts to victims, their families, and their communities. Addressing the sustained increase in gun violence is a necessity in addressing racial and ethnic health disparities.
- F. Gun violence is a public health crisis and an imminent threat to the health, safety, and welfare of District residents.
- G. This public health crisis, fueled by illegal firearms being brought into the District from other states, requires a coordinated and comprehensive response that will allow the District government to take actions on immediate timeframes.

## II. ESTABLISHMENT AND ACTIVATION OF A GUN VIOLENCE PREVENTION EMERGENCY OPERATIONS CENTER

- A. A Gun Violence Prevention Emergency Operations Center (EOC) is hereby established and activated, under the direction of the City Administrator, to coordinate the District's response to the gun violence crisis.
- B. The goal of the Gun Violence Prevention EOC is to reduce gun violence in the District. In working to achieve this goal, the EOC shall:
  - 1. Focus on the individuals and locations in the District contributing the most to the gun violence crisis;
  - 2. Mobilize the District government, federal criminal justice agencies, residents, community-based organizations, private sector employers, faith-based institutions, philanthropic organizations, and other partners to develop and implement strategies to prevent, respond to, and recover from the public health crisis of gun violence;
  - 3. Establish and use clear, consistent operations and communications protocols for responding to shootings; and
  - 4. Coordinate the development of a long-term strategy to substantially reduce gun violence.

## III. EMERGENCY MEASURES AND REQUIREMENTS

- A. District agency directors shall designate and detail personnel to staff the Gun Violence Prevention EOC if called upon by the EOC.
- B. District agency directors shall authorize temporary personnel assignments within and across District agencies as appropriate to develop and implement the strategies of the Gun Violence Prevention EOC. Agency directors may authorize overtime for activities directly related to the District's response to gun violence, as approved by the EOC.
- C. This Order shall apply to all departments, agencies, and instrumentalities of the District government as necessary or appropriate to implement this Order.
- D. District agencies shall share relevant data and information to the maximum extent possible, and shall expeditiously enter into data sharing agreements and other agreements when necessary for the sharing of relevant data and information. Laws, regulations, and policies regarding the sharing of relevant data and information shall be liberally interpreted to expand access to data and information. The Mayor's Office of the General Counsel shall assist in the coordination of these efforts.

- E. The Department of Consumer and Regulatory Affairs, the Department of Public Works, the District Department of Transportation, the Department of Health, the Department of Energy and the Environment, the Alcoholic Beverage Regulation Administration, and the Office of the Attorney General shall expedite enforcement efforts to the maximum extent practicable, including through the use of summary abatement, condemnation, property closures, nuisance property or vacant property litigation, and eminent domain, at any property, business, or other location identified by the Gun Violence Prevention EOC as contributing to the gun violence public health crisis and likely to be in legal or regulatory non-compliance.
- F. The Deputy Mayor for Health and Human Services shall work with the Gun Violence Prevention EOC to identify nonprofit organizations and other private entities that can partner with District government agencies, including the Department of Human Services, Department of Behavioral Health, Department of Aging and Community Living, Department of Health, Office of Neighborhood Safety and Engagement, and Office of Victim Services and Justice Grants to provide interventions and counseling services to at-risk individuals and their families.
- G. At the direction of the Gun Violence Prevention EOC, District government agencies employing violence intervention staff or contractors, including the Office of Neighborhood Safety and Engagement, the Department of Youth Rehabilitation Services, the Department of Parks and Recreation, and the Office of the Attorney General, shall deploy their staff to any known large gatherings that may violate a Mayor's Order prohibiting mass gatherings, relating to the current COVID-19 pandemic, or may otherwise contribute to the gun violence crisis. Violence intervention staff shall work with event organizers to obtain compliance with the prohibition on mass gatherings. In carrying out these non-law enforcement interventions, violence intervention staff are strongly encouraged to partner with Councilmembers' constituent services staff, Advisory Neighborhood Commissioners, community-based organizations, members of the faith community, and local residents.
- H. The Lab @ DC and the Criminal Justice Coordinating Council shall work with the Gun Violence Prevention EOC on evidence-based practices successfully used in other jurisdictions to reduce gun violence.

#### **IV. ORGANIZATION OF THE GUN VIOLENCE PREVENTION EOC**

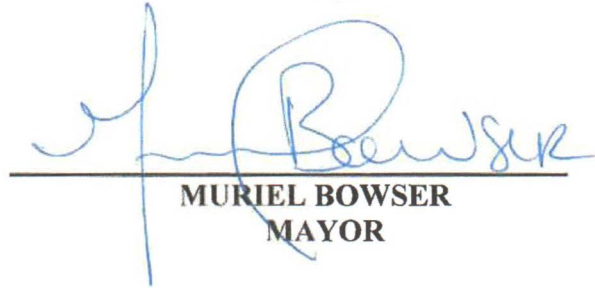

The Gun Violence Prevention EOC shall be organized and administered as follows:

- A. The general policies and strategies of the Gun Violence Prevention EOC shall be established by an Executive Policy Group, comprised of the Mayor, City Administrator, Deputy Mayor for Public Safety and Justice, Deputy Mayor for Health and Human Services, Mayor's Chief of Staff, Mayor's Senior Advisor,

Chief of Police, and Executive Director of the Office of Neighborhood Safety and Engagement;

## NOTICE OF INTENT TO ISSUE WATER QUALITY CERTIFICATION

Notice is hereby given that, pursuant to 21 DCMR Chapters 25 and 26, and 33 U.S.C § 1341, the Water Quality Division (WQD) of the Department of Energy & Environment (DOEE), located at 1200 First Street NE, 5<sup>th</sup> Floor, Washington DC, intends to issue Water Quality Certification (WQC) WQC-DC-2020-7 to United States Naval Research Laboratory to repair the seawall bulkhead of the Naval Research Laboratory in the Potomac River, Washington DC. The contact person for the project is Nicole Williamson, EA Engineering, Science, and Technology, Inc. (240) 401-8373 ([nwilliamson@eaest.com](mailto:nwilliamson@eaest.com)).

Proposed Aquatic Resource Impacts:

The proposed repair project will correct deficiencies to the existing bulkhead due to age, change in use, and natural conditions. Repair work will include replacement of the sheet pile cap along 3,219 linear feet of the existing bulkhead, installation of debris screens on uncovered outfall pipes, installation of pile jackets on the outboard steel piles from the top of piles to a minimum of 12 inches below the mud line and to extend no more than 4 feet channelward of the approximate mean high water shoreline. In-stream work will impact 4,324 square feet of Potomac River bed.

The following conditions will be included in the WQC:

1. The Permittee shall incorporate best management practices as an integral part of the performance of the work to ensure the activity will meet the Water Quality Standards of the District of Columbia and have minimal impact to the waters of the District of Columbia.
2. To control turbidity, sediments, and work materials in the water body:
  - a. Weighted turbidity curtains must be used if the Permittee uses anchored equipment such as boats or barges, or if sediments are being disturbed.
  - b. Weighted turbidity curtains must be used in all activity/sampling/pier installation/pier removal work areas and around equipment and coffer dams.
  - c. The turbidity curtains must be properly anchored, must touch the bottom except in a deep, tidally influenced stream channel (under such conditions, placement of the turbidity curtain must be based on manufacturer's specifications), and encompass the entire area of activity - coffer dams, barge, boat, plus any equipment in the water. Where possible, the turbidity curtains must be able to withstand normal tidal or stream flow fluctuations.
  - d. The turbidity curtains must be in place after the equipment is brought into the work area, but before the equipment is anchored (e.g., before setting anchors). This is necessary to prevent sediments, contaminants, and work materials (e.g., concrete,

sand, lumber) from escaping the work area and being reintroduced into the water column during the work activity.

- e. To minimize sediments from escaping the work area, adequate space must be provided between the work area and the turbidity curtains. Turbidity curtains must be kept closed during all work activity.
3. To monitor turbidity in the water body, the Permittee shall:
    - a. Establish background turbidity and measure turbidity by using U.S. Environmental Protection Agency (EPA) approved methods in accordance with 40 C.F.R. Part 136 procedures. Background turbidity must be established before starting any work, before equipment is anchored and before any turbidity curtains or coffer dams are in place. These measurements must be made within 25 feet upstream and 25 feet downstream outside of the curtains. Measurements must be conducted at different depths, for example, near the bottom,  $\frac{1}{4}$  of the depth from the bottom,  $\frac{3}{4}$  of the depth from the bottom, and near the surface.
    - b. Once the operations begin, turbidity measurements must be taken continually from the same locations 25 feet upstream and 25 feet downstream of the turbidity curtains. This is to ensure compliance with District of Columbia Water Quality Standards in 21 DCMR § 1104.8. Turbidity monitoring must be conducted at different depths, for example, near the bottom,  $\frac{1}{4}$  of the depth from the bottom,  $\frac{3}{4}$  of the depth from the bottom, and near the surface. If turbidity measurements exceed a maximum of 20 Nephelometric Turbidity Units (NTU) above background turbidity, stop all activities and implement best management practices until the 20 NTU maximum differential (i.e., background turbidity  $\pm$  20 NTU) is reached.
    - c. If a sediment plume is observed coming out of the sediment-disturbing activity location or if the turbidity exceeds the District of Columbia surface water quality standard, the Permittee shall:
      - i. Immediately stop all activities and notify DOEE Illicit Discharge and NPDES Branch at (202) 805-1355; and
      - ii. Adjust all activities and implement best management practices until there is no more sediment escaping the sediment-disturbing activity location. When the measured turbidity is less than or equal to the background turbidity, the Permittee may resume the work.
    - d. Prior to opening turbidity curtains, turbidity measurements must be taken inside the turbidity curtains. The turbidity curtains must not be opened until the levels inside the turbidity curtains are below the 20 NTU maximum differential. This is to ensure compliance with District of Columbia Water Quality Standards in 21 DCMR § 1104.8.

- e. The turbidity readings must be recorded in a log book and kept on site. In addition to the turbidity readings, records must also be kept of the date and time of the readings, and name(s) of the person(s) taking the sample and making the readings.
4. Due to the presence of mapped submerged aquatic vegetation (SAV) beds within the project area, regulated activities within the Potomac River shall be restricted from April 15 through October 15 (i.e., SAV growing season) to avoid and minimize impacts to SAV in accordance with 21 DCMR 2606.2(i).
5. Any water impacted by the project shall be pumped to an appropriate treatment system in order to comply with Water Quality Standards of the District of Columbia in Title 21 of the District of Columbia Municipal Regulations (DCMR) Chapter 11, and the Water Quality Monitoring Regulations in Title 21 DCMR Chapter 19.
6. Any oil sheen or other visible evidence of hydrocarbons or other pollution generated (e.g., color changes in the water column, turbidity plumes) during any of the activities shall be immediately reported to DOEE Illicit Discharge and NPDES Branch at (202) 805-1355 and contained (e.g., oil boom, sorbent materials) or containerized in a sealed container.
7. All pilings, drillings, wells, or borings shall be drilled and installed in a manner that prevents cross-contamination of surface water and groundwater aquifers.
8. All excavated (e.g., dredged) sediments and sampling sediments (e.g., within cofferdams or excess sediment samples), drill cuttings, drilling mud, and wastes (both solid and liquid) shall be contained, sampled, and analyzed for disposal at appropriate disposal sites. The wastes shall not be used as backfill material in the water body or on land.
9. All debris and waste water must be captured and not enter the river and shall be contained and disposed of properly at an appropriate treatment facility to prevent materials from entering the water body.
10. The Permittee shall obtain all necessary permits and other authorizations from appropriate federal and local offices, including approval of plans for Stormwater Management, and Erosion and Sediment Control from DOEE. All staging and temporary activity areas not covered by any permit shall have adequate soil erosion and sedimentation measures.
11. In the District, the anadromous fish migration and spawning season is generally considered to occur between March 1st and June 30th. Any activities proposed to occur in District waters during this period shall first be approved by the U.S. Army Corps of Engineers, accompanied by concurrence from commenting federal agencies, including the U.S. National Park Service, U.S. Fish and Wildlife Service, and U.S. National Oceanic and Atmospheric Administration. All of the aforementioned approvals must be submitted to and subsequently certified by DOEE Fisheries and Wildlife Division.

12. The Permittee shall obtain all required permits and authorizations from the U.S. National Park Service. Please contact the Right-of-Way Program Coordinator at (202) 619-7276 for more information.
13. The Permittee shall obtain all required permits and authorizations from the U.S. Coast Guard and Metropolitan Police Department Harbor Patrol.
14. Reporting Requirements:
  - a) The Permittee shall submit written notification to DOEE Regulatory Review Division (RRD) at least five (5) business days before work commences.
  - b) If the Permittee observes any water quality standard exceedances at the site, the Permittee must notify DOEE Illicit Discharge and NPDES Branch immediately at (202) 805-1355; stop the work; prepare and submit for review and approval a corrective action plan, and then implement the DOEE-approved corrective action plan.
  - c) The Permittee shall submit final reports of the monitoring results. Reports must be submitted to DOEE RRD no later than 45 days after the completion of the work. All data generated during the operation shall be summarized in a final report. The report shall also include any violations, water quality standards exceedances, actions taken or to be taken to remediate those violations, and any other relevant information. The report shall be submitted to:

**Application No. 20367 of Lee A. Granados and Kevin R. Klym**, pursuant to 11 DCMR Subtitle X, Chapter 9, for a special exception under Subtitle F § 5201, from the lot occupancy requirements of Subtitle F § 604.1, to construct a new porch addition with entry stairs, to an existing attached principal dwelling unit in the RA-8 Zone at premises 1725 Church Street NW (Square 156, Lot 337).

**HEARING DATE:** February 3, 2021

**DECISION DATE:** February 3, 2021

**SUMMARY ORDER**

Relief Requested. The zoning relief requested in this case was self-certified, pursuant to 11 DCMR Subtitle Y § 300.6. (Exhibit 4.)

Notice of the Application and Public Hearing. The Board of Zoning Adjustment ("Board" or "BZA") referred the application to the appropriate agencies and provided proper and timely notice of the public hearing in accordance with Subtitle Y § 402.1.

Parties. The parties to this case were the Applicant and Advisory Neighborhood Commission ("ANC") 2B.

ANC Report. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on November 12, 2020, at which a quorum was present, the ANC voted to support the application. (Exhibit 18.)

OP Report. The Office of Planning submitted a report recommending approval of the application. (Exhibit 31.)

DDOT Report. The District Department of Transportation submitted a report indicating that it had no objection to the application. (Exhibit 32.)

Persons in Support. The Board received two letters from the adjacent neighbors in support of the application. (Exhibits 13 and 17.)

**Special Exception Relief**

The Applicant seeks relief under Subtitle X § 901.2, for a special exception under Subtitle F § 5201, from the lot occupancy requirements of Subtitle F § 604.1, to construct a new porch addition with entry stairs, to an existing attached principal dwelling unit in the RA-8 Zone.

Based upon the record before the Board, and having given great weight to the appropriate reports and recommendations filed in this case, the Board concludes that the Applicant has met the burden of proof that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map and that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. The Board further concludes that, pursuant to Subtitle X § 901.2(c), any other specified conditions for special exception relief have been met.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.

It is therefore **ORDERED** that this application is hereby **GRANTED** and, pursuant to Subtitle Y § 604.10, subject to the **APPROVED PLANS<sup>1</sup>** at **EXHIBIT 16**.

**THIS CASE IS OF INTEREST TO ANC 8C and 8A**

On February 2, 2021, the Office of Zoning received an application from WMATA (on behalf of the Department of General Services) (the “Applicant”) for approval of a modification of significance to a previously approved planned unit development (“PUD”) for the above-referenced property.

The subject property is located in southeast Washington, D.C. (Ward 8) on St. Elizabeths Hospital campus (near the Congress Heights Metrorail Station). The property consists of Lot 805 in Square 5868S and it is currently PUD-zoned SP-1 (there is no underlying zoning on the property). The Applicant is proposing to replace an existing 250-foot lattice tower with a new 250-foot, three-leg lattice tower with omni whip antennas located at 240 feet, bringing the overall height to 254 ft. The project will also include an irregularly-shaped fence compound at the base of the tower in order to accommodate ground equipment for WMATA and future carriers. WMATA’s equipment will consist of a 34-foot by 12-foot prefabricated equipment shelter on a concrete pad and a 1,000-gallon propane tank to support an emergency standby generator. The new structure will accommodate equipment currently located on the existing tower.

This case was filed electronically through the Interactive Zoning Information System (“IZIS”), which can be accessed through <http://dcoz.dc.gov>. For additional information, please contact Sharon S. Schellin, Secretary to the Zoning Commission at (202) 727-6311.
